## **CERTIFICATE OF INTERNSHIP**

Inshallah Azhar has interned with Free Press Kashmir for the period of 01-02-2022 to 28-02-2022, and we found them to be exceptional in all jobs and tasks assigned to them during this tenure.

I am witness to the organisational capability and analytical mind they have, that they use to create the best out of resources available to them. They have proven to be a team leader who can take everyone along, and keep cool in a crisis situation.

I have seen their attention to detail and ability to handle complex issues with well researched packages. Their quality work, while upholding the ethics, and producing world class work consistently makes me sure that they will excell in anything they wish to persue.

They have the capabilities to work in a team, taking criticism and guidance, and deliver on time.

During their tenure, I have found them to be punctual, disciplined and someone who has more often than not, produced exceptional work.
