PRIVATE & CONFIDENTIAL

Dear Assoc. Prof. Dr. Tasleem Ahmad War,

LETTER OF RESEARCH FELLOW

On behalf of INTI International University, we would like to extend this invitation to you as our Research Fellow from 15 December 2023 to 31 Dec 2025. The aim of our research fellowship program is to enable researchers to pursue excellence in producing quality research outputs in their respective fields and to further enhance our research activities and standards.

As our Research Fellow, you can expect research funding for your projects in collaboration with our colleagues and financial support for research output disseminations and/or publications as well opportunities to supervise our postgraduate research activities. You will also be provided access to facilities of the University throughout your tenure.

Besides, there will be a faculty host working with you as you engage in our university activities such as involvement in research cluster of your interest, participation and organization of research symposium and academic conferences, provision of research consultancy services, development, and review of academic or research programs, delivery of guest lectures, etc.

We believe that you will have a productive and rewarding experience with us and that our university community will gain from the fellowship.

We look forward to welcoming you to INTI International University soon.

Yours sincerely,

Subject: HRD Scheme of the Department of Health Research - "Short Term Fellow in Indian Institute" on "Elucidating of the role of mTOR pathway in regulating cell surface expression of Neuropilin1" under PI: Dr. Mushtaq Ahmad Beigh.

With the approval of the Competent Authority, sanction is accorded for funding of the training on "Elucidating of the role of mTOR pathway in regulating cell surface expression of Neuropilin1" in respect of Dr. Mushtaq Ahmad Beigh, Asst. Prof., Department of Nanotechnology, University of Kashmir, Srinagar, Jammu & Kashmir under Short Term Fellowship training in Indian Institute - HRD Scheme of the Department of Health Research on the terms and conditions detailed here under:-

2. AIMS & Objective of the proposed training:

Neuropilin 1 (NRP1) is a developmentally conserved cell surface receptor that functionally acts to bind several ligands like class 3 Semaphorins and several members of the VEGF family to engage in several signaling pathways that control cell migration and motility NRP1 is overexpressed in the majority of cancers and serves as a cellular metastatic marker. As part of the training, we would like to understand whether mTOR complex or mTOR kinase per se is involved in changing the overall expression of NRP1 or the surface display of the NRP1 receptor. To this end, we would like to use mTOR complex inhibitor Rapamycin or mTOR kinase inhibitor Torin in NRP1 expressing model breast cancer cells like MCF-7. Total NRP1 protein expression would be checked by quantitative western blot analysis. We would be employing laser confocal microscopy and flow cytometry to analyze the cell surface expression of NRP1 after treatment of cells with Rapamycin /Torin. Further MCF-7 cells after incubation with FITC-conjugated CendR peptide in the presence oabsence of rapamycin/Torin, confocal microscopy would be used to analyze CendR peptide internalization by monitoring the FITC signal inside the cells.

Name and Address of the mentor:-

Dr. Ramray Bhat, MBBS, PhD
Wellcome Trust-DBT India Alliance Fellow
Associate Professor, Molecular Reproduction, Development and
Genetics
Associate Faculty, BioSystems Science and Engineering,
Indian Institute of Science,
Bangalore 560012 India.

- 4. The duration of training program is for 1 Month at Molecular Reproduction, Development and Genetics, BioSystems Science and Engineering, Indian Institute of Science, Bangalore 560012.
- The budget for the training program is of Rs.40,000/-(Stipend of Rs.40,000) only.
- The terms and conditions of fellowship are as follows:
 - a. The period of stay in host Institute atMolecular Reproduction, Development and Genetics, BioSystems Science and Engineering, Indian Institute of Science, Bangalore 560012 should not exceed beyond the period mentioned above excluding actual travel time for the fellowship.
 - b. A Consolidated stipend of Rs.40,000/- per month will be paid for period fellowship in host Institute.
 - c. The maximum ceiling of the contingent expenses including taxi charges to join & return from the host Institute, is Rs.20,000/- for entire period of fellowship. The expenditure will be reimbursed to fellow after production of the original vouchers.
 - d. The payment of salary and other benefits such as leave, medical gratuity, GPF, pension as applicable to the Fellow will be dealt by his parent Institute as per rules and regulations. No liability on any of these accounts will be borne by the Department of Health Research.
 - e. The Fellow will not be allowed to engage in any other gainful employment during the tenure of fellowship period.
 - f. The Fellow should submit the copy of relieving letter from parent Institute and date of joining of the host Institute duly forwarded by the mentor to the DHR. Likewise the reliving report from the host Institute and joining report of the parent Institute, after completion of the training, should be submitted to the DHR.
 - g. The Fellow should submit a detailed scientific report (in duplicate) in the prescribed format indicating the outcome and follow up actions of visit and the claim sheet etc. within 15 days on return to the DHR (copies of formats will be sent by email). This should be submitted within 2-4 weeks of his completion of the fellowship.
 - h. Mentor will also submit a Confidential Report of performance in the prescribed format directly to the DHR.
 - i. The Fellow will submit a detailed research proposal based on the concept proposal stated in the application to the DHR in prescribed format available at the DHR Web-site, within six months of the completion of the training/fellowship. Non- submission of project proposal shall be treated as non-completion of training/fellowship and it will be dealt with accordingly.
 - j. In the event of cancellation/ revision of any sector of journey, after issue of the ticket, the penalty of cancellation charges/ difference of fare, if any, will be met by the Fellow.
 - k. The Fellow is required to submit his contact address (work place and

residential along with telephone/ fax no.) to Programme manager (HRD scheme), immediately by post and e-mail at hrd-dhr@nic.in for future reference.

13th July 2022

Dr. Abdul Rashid Lone 55, Sector-Main, Irm Lane, Budshah Nagar, Natipora, Srinagar, Jammu & Kashmir, India.

Dear Dr. Lone,

We are delighted to offer you an appointment as an **Ashoka Fellow** in Ancient and Medieval Indian History/ Archaeology with the Centre for Interdisciplinary Archaeological Research at Ashoka University, from 1st of **August**, 2022 through 31th of July, 2023, with the possibility of renewal depending on satisfactory performance.

The Ashoka Fellowship is aimed at encouraging field research, interdisciplinary collaboration, and documentation of archaeological remains, museum collections, manuscripts, vernacular writings, and archives. As an Ashoka Fellow, you will be under the supervision of Professor Nayanjot Lahiri and the Centre for Interdisciplinary Archaeological Research. You will be expected to adhere to all Ashoka University rules and requirements.

This appointment is conditional on funding and institutional review.

You will receive a consolidated research grant of INR 3,00,000 for one academic year. Fellows are expected to publish an article on the work they undertake during the fellowship and interact with the Ashoka community. A seminar presentation on the project is desired.

This position also requires one month's notice from either side as payable in case of discharge or resignation from the project.

You are requested to give a formal acknowledgement of acceptance of this offer of appointment within 7 Days of receiving this letter.

Formalities aside, we are extremely excited about having you join Ashoka University as an Ashoka Fellow and look forward to working with you.

We request you to get in touch with Professor Nayanjot Lahiri (nayanjot lahiri@ashoka.edu.in).

Sincerely,

Dr Anirban Chakraborty Assistant Vice-President Research & Academic Development

Re: Certificate of Experience

I am delighted to confirm that Dr. Akhtar Alam worked as Postdoctoral Research Fellow in Conflict, Disaster and Migration at the Institute for Risk and Disaster Reduction (IRDR), University College London (UCL), United Kingdom. He worked with us for two years (18 Feb 2019-21) in a project supported by the Royal Society (CHL\R1\180288). His role in the project was to use satellite remote sensing and modelling approaches to track the complex issues that arise from natural hazards in developing nations.

Dr. Alam consistently demonstrated reliability, accountability and professionalism in all endeavours during his stay at our institute. He has an impressive interdisciplinary approach to research. He effectively integrated concepts and methodologies from a range of fields, bringing innovative perspectives to our research project leading to several publications in acclaimed journals and presentations at international conferences.

I am confident that Dr. Alam would be a valuable addition to any team, bringing with him expertise, dedication and strong work ethics.

He has my highest recommendation without reservation. Please do not hesitate to contact me if you require any further information.

Yours faithfully.

Dated: 11-May-2016

Subject: Project titled "Clinical drug resistant strains of pathogenic Candida: Elucidation of possible mechanism of drug resistance and drug tolerance.".

Dear Dr. Peer Abdulhaseeb Shah,

The project cited above has been approved by Science and Engineering Research Board (SERB) for funding. The following are the approved items for a period of three years. The final budget to be sanctioned would be based on quotations received, existing norms etc.

The committee recommended the following budget

Manpower: Rs. 936000

-> Junior Research Fellow - 1 Equipment Details : Rs. 907060 -> High temperature Oven - 1

-> Transfer apparatus - 1

-> Incubator Shaker - 1

-> Centrifuge - 1

-> Pipette set - 4
-> Autoclave - 1

-> Incubator - 1

Consumables: Rs. 1400000

Travel Cost: As per norms or proposed by PI which ever is less Contingencies: As per norms or proposed by PI which ever is less

Other costs: Rs. 200000 Overhead: As per norms

You are now requested to upload the lowest quotation for equipment/s (including freight, insurance, customs charges etc., if any) and salary structure for the project staff (including HRA, Medical Benefits, if applicable etc.) at the earliest so as to enable us to issue the financial sanction. A certificate stating that any visit abroad for a period more than eight weeks would be undertaken after due permission from SERB, may also be submitted.

Kindly upload RTGS details of the implementing institute to facilitate transfer of the fund as per the template. Kindly quote the reference number in all future correspondence. The project's reference no. ECR/2016/000463 may also be mentioned in all research communications arising from the above project.

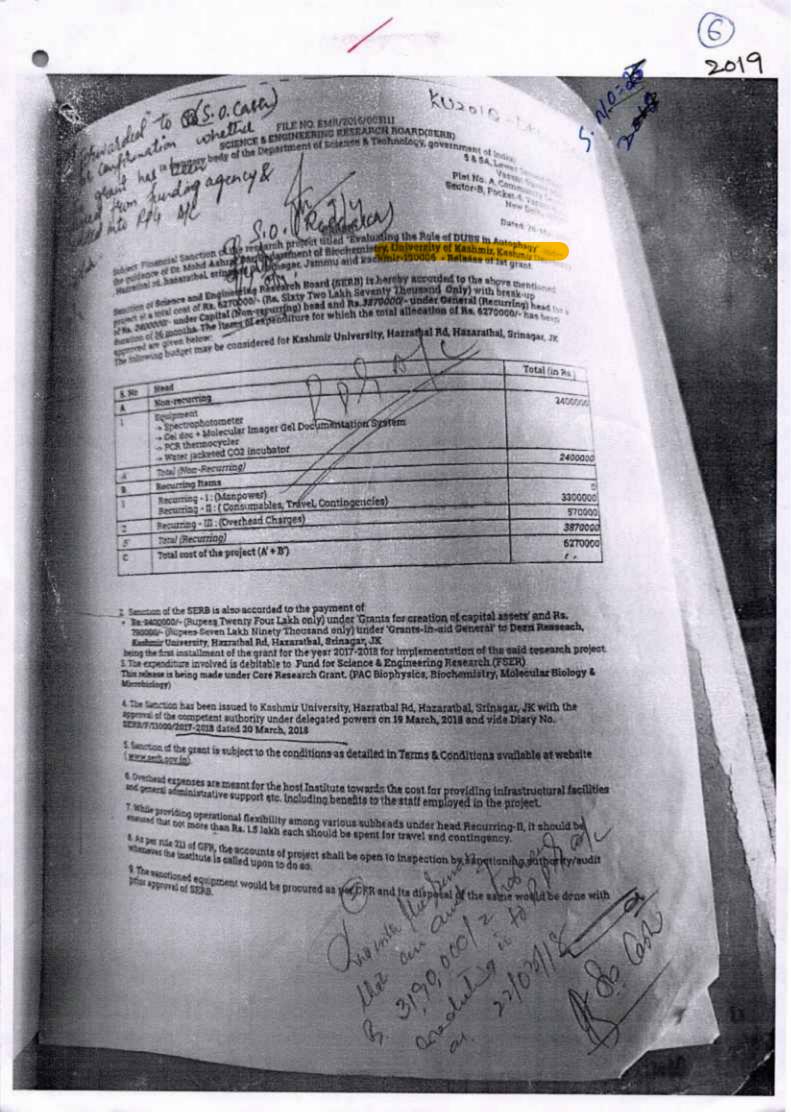

Yours sincerely,

SANCTION ORDER

F.No. G-37/2017-18/ICSSR/RP

Dated: March 28, 2018

The Registrar, University of Kashmir Hazratbal Srinagar Jammu & Kashmir - 190006

Subject: Sanction of Research Programme entitled "Language Use, language Attitudes and their Determinants: A Sociolinguistic Study of Bursho, Pakhtoon and Tibetan Immigrants in Eashmir" to Prof. Aadil Amin Kak.

Dear Sir.

- The indian Council of Social Science Research (ICSSR) considered the above Research Programme submitted by Prof. Aadil Amin Kak, Dept. of Linguistics, University of Kashmir, Hazratbal, J&K -190006. Co-Project Directors of the study are: Dr. Sajad Hussain Wani, Assistant Professor, Dept. of Linguistics, University of Kashmir, Hazratbal, J&K - 190006. The study, as proposed by the researcher, is to be located at and financially administered by your institution as per the guidelines of this award.
- The ICSSR has sanctioned a grant-in-aid of Rs.20,00,000/- (Rupees Twenty Lakhs only) for the above research project and the grant will be released as follows:

First instalment	:Rs.05,00,000/-
Second instalment	: Rs.05,00,000/-
Third instalment-Partial	: Rs.04,00,000/-
Third remaining	:Rs.01,00,000/-
Fourth Instalment	: Rs.04,00,000/-
Publication cost*	; Rs.01,00,000/-
Total	:Rs. 20,00,000/-
Overhead charges @ 5% or Rs.1,00,	.000/- ** whichever is fesser.

KSSR would publish it subject to recommendation by the expert and relevant Committees
for the purpose, from the overall budget, so to be retained by the ICSSR.

(The break-up budget approved by the ICSSR of Rs., 20,00,000/- is enclosed.)

- The First installment of the approved grant-in-aid will be released after receiving the grant-in-aid bill duly filled in, stamped and signed by the Project Director as well as the affiliating organization. (GIB already received).
- 4. In case, the study involves survey research, the finalized schedules/questionnaires (2 copies) designed to elicit information should be sent to the ICSSR as per the following schedule:

Approval of the competent authority is hereby conveyed under the Rule 18 of the Delegation of Financial Power Rules, 1978 for implementation of the project entitled "Groundwater security of Indus basin (Ladakh) in present and future climate and land use scenarios" by University of Kashmir, Hazratbal Srinagar and IIT Kharagpur at an estimated cost of Rs. 73,06,000/- (Rs. 45,12,000/- for Univ. of Kashmir and Rs. 27,94,000/for IIT Kharagpur) for a period of three years.

Objectives: 2.0

This project aims to set up the following objectives:

To develop an authoritative account of groundwater resources in the basin.

To characterize the groundwater flow by measurement, monitoring and modeling to understand the regional groundwater dynamics of the basin.

To understand the chemical evolution of the groundwater in the basin in order to decipher the solute sources and processes.

· To delineate the existence of any yet-unknown geo-genic or anthropogenic groundwater pollutants and if so, to understand its fate and transport.

The project proposal aims to find out how resilient groundwater resources in the Indus basin in Ladakh area and to provide a robust scientific base to help guide policy makers for groundwater development and management in these areas. The project would study the groundwater hydrodynamics and will try to delineate the existence of any geogenic and anthropogenic pollutant in groundwater. The study would be done by coupled physical and chemical hydrogeological techniques, which includes field sampling point installation and sampling of groundwater along various transects, oriented perpendicular and parallel to the Indus basin for local paths; delineation of discharge zones, aquifer frameworks. The project will involve collection of aggregation of available subsurface data to understand the aquifers architecture, very high-resolution groundwater and river level measurements to determine the groundwater-Indus water interactions, and several rounds of groundwater sampling from each location and subsequent computer simulation modeling. It is expected that the knowledge gained from the successful completion of the project would lead to enhance the understanding of the

SANCTION ORDER (NCAOR/2018/HICOM/02-Revised)

Director, NCAOR, is pleased to sanction a sub-project entitled "Response of northwestern Himalayan glaciers to climate change: A case study from Jhelum basin" to University of Kashmir, Harratbal, Srinagar, J&K, India under the Himalayan Cryospheric Observations and Modelling (HiCOM) initiative at a total cost of Rs.32,23,000 /- (Rupees Thirty Two Lakhs And Twenty Three Thousand Only) for a period of three years (2018-2020) on the terms and conditions detailed here under:

The Project

HiCOM: Response of north-western Himalayan glaciers to climate change: A case study from Jhelum basin

2. Implementation:

This project will be carried out at the University of Kashmir, Hazratbal, Srinagar, J&K, India as detailed at Annexure I. The project will be executed by <u>Dr. Pervez Ahmed University of Kashmir</u>, <u>Hazratbal</u>, <u>Srinagar</u>, J&K, India as <u>Principal Investigator (PI)</u>. The concerned PI will report about the progress to Head of the respective institution and PI will be responsible for implementation of the project. The time period for implementation of the project is for three years (2018-2020). The project will be initially funded for a period of one year from date of sanction. The release of funds for the subsequent years will be based upon recommendation of the duly constituted Project Monitoring Committee based on the progress of the project.

NCAOR has identified <u>Dr. Paramanand Sharma</u>, <u>Scientist E</u>, as a collaborator for the project from ESSO-NCAOR.

3. Project Objectives

- To make an inventory of Kashmir Himalayan glaciers and to estimate a basin scale mass balance estimates using geospatial techniques.
- To estimate mass and energy balance of two Benchmark glaciers and assess the glacier dynamics response to meteorological variables (temperature and precipitation).
- To measure annual terminal changes of the glaciers to estimate change in areal coverage of the basin

Prof. Zafar A. Reshi Department of Botany University of Kashmir, Srinagar-190 006,

Sub: Request for Establishment of Himalayan Knowledge Network (HKN) State Chapter in 18K

Dear Sir.

Greetings from GBP-NIHE, Almoral

- 1. The NITI Aayog, Govt. of India has stressed upon the need of establishing a centralized data/information management for the IHR, and identified this Institute as a Centralized Data Management Agency (CDMA). To develop the CDMA, a strong network of Knowledge Institutions is required, which has necessitated the establishment of 'Himalayan-Knowledge Network' (HKN). This Institute is facilitating the implementation of the HKN initiative (under the Himalaya Calling project) with support from National Mission on Himalayan Studies (NHHS) under the aegis of Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India.
 - 2. The HKN is conceptualized to enhance collaboration and networking among all relevant institutions engaged with Himalaya specific R&D activities leading to environmental conservation and sustainabledevelopment practices to cater the needs of planners and policy makers. HKN is envisaged as a platform to listen to the distress call from the Himalaya, and generate, integrate and collate the data/ knowledge to respond to these calls with actionable solutions. A base document which briefs on the scope and activities of HKN is attached herewith for your kind information/records (Annex. I).
 - 3. In the above context, I am taking this opportunity to request your good self to kindly consent for being "Partner Agency" for the aforesaid program toward establishing 'HKN State Chapter' in 3&K under your esteemed University for which some grants are available under the NMHS project. The State Chapter is intended to facilitate sharing data/information related to 'Science-Policy-Practice' interface in the state for Environment & Development. I shall appreciate it if you could kindly agree to our request and act as a 'Nodal Person' from your organization for further follow up.

Looking forward to your kind support and agreeing to our request; following which the detailed project activities will be shared and discussed with you by the PI of this Project (Dr. G.C.S. Negl, Scientist G, GBPNIHE, Kosi-Katarmal, Almora; Mob. 9411105170).

With best regards,

Sincerely,...

The project entitled "Titanium dioxide (TiO2) functionalized multi-walled carbon nanotubes (MWCNTs) and doped with silver (Ag) nanoparticles (NPs) encasing poly(s-caprolactone) nanofibers for bone regeneration" is a collaboration between Department of Chemical and Materials Engineering King Abdulaziz University (KAU), Jeddah, Saudi Arabia and Nanostructured and Biomimetic Lab. Department of Nanotechnology, University of Kashmir (UOK), Srinagar, India. This project is based on the research work funded by the Institutional Fund Project under grant number "IFPIP-191-135-1443" supported from the Ministry of Education, Saudi Arabia. Both parties (KAU and UOK) agreed to deliver the project outcomes according to the project guidelines set by the Deanship of Scientific Research (DSR), King Abdulaziz University.

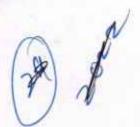

In order to maintain transparency between two collaborative teams, it is mandatory to highlight important tasks between two teams:

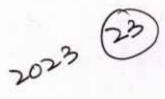

1. Both parties team members presented in table 1 should present full concentration and seriousness regarding project tasks.
