## SATISH DHAWAN AWARD- 2018

### CITATION

#### *Shakil Ahmad Romshoo*

Prof. Shakil A. Romshoo born on April 24, 1964, has obtained his Ph.D. in Water resources engineering from the University of Tokyo, Japan and M.S. in Remote Sensing and GIS from the Asian Institute of Technology, Bangkok Thailand. He has worked, in the past, as a Scientist at the Japan Aerospace Exploration Agency (JAXA), Tokyo and Fellow at the Energy and Research Institute (TERI), New Delhi, India. Currently, Dr. Romshoo is Professor and Head, Department of Geoinformatics, University of Kashmir, India. He has won various awards for his academic achievement and notable among them is the National Geoscience Award from Government of India conferred by the President of India in 2013.

Prof. Shakil Romshoo has a multidisciplinary academic and research background with more than 31 years' professional experience in the field of Remote Sensing and GIS. He has published more than 150 peer reviewed publications and made an outstanding contribution in the development and application of Remote Sensing and GIS techniques in various applied sciences with the geographic focus in the western Himalaya.

IN VIEW OF HIS OUTSTANDING LIFE TIME CONTRIBUTIONS IN THE DEVELOPMENT AND APPLICATION OF VARIOUS REMOTE SENSING AND GIS TECHNIQUES FOR EARTH AND ENVIRONMENTAL SCIENCES, THE INDIAN SOCIETY OF REMOTE SENSING CONFERS SATISH DHAWAN AWARD FOR THE YEAR 2018 ON DR. SHAKIL AHMAD ROMSHOO.

**Letter of Recognition under the DST-GATI Program- reg.**

Dear Prof. Khan,

As you are aware, DST had conceptualized the Gender Advancement for Transforming Institutions (GATI) program in the year 2019, which was launched by the Hon'ble President of India on the occasion of National Science Day in the year 2020. It has an objective of acceleration in participation of women in STEMM. The Women in Science and Engineering (WISE) - KIRAN Division, DST has been playing an instrumental role in implementing the program.

I am happy to share that India is among seven countries to make such kind of framework which is inspired by Athena SWAN UK, but developed in Indian context for Indian institutions to achieve Gender Equality in Science. DST has worked in partnership with British Council and a mechanism to evaluate Science and Technology institutions on the basis of Gender Equality in STEMM has been worked out. The GATI Achiever recognition developed during the pilot program is to appreciate efforts and transformative contributions made by institution in the field of women in science and technology. Your institution's exemplary work showcased its commitment to driving next step by making action plans to ensure enhanced participation of women scientists at all levels.

I am delighted to inform you that University of Kashmir has been recognized as a "GATI Achiever" by the Department of Science and Technology (DST), Govt. of India, among the identified pilot institutions. This is prestigious and the first of its kind of recognition of institutions for their remarkable work done for women in STEMM through GATI program. The recognition would be valid for next five years from the date of this letter.

We acknowledge the tireless efforts made by your GATI Self-Assessment Team and Dr. Rabia Hamid, nodal scientist at University of Kashmir, who were consistent in their work under GATI. We look forward of effective implementation of action plans by your institute in future. With this, your institute has become a role model for other institutions who are willing to participate in this initiative.

We wish you continued success in all your future endeavors. We all are committed to fostering collaboration and driving impactful change together for promoting more participation of women and girls in science.

Once again, we convey our heartfelt congratulations on this well-deserved recognition.

With best wishes,

Yours sincerely,

(S. Chandrasekhar)

## Indian National Young Academy of Science भारतीय राष्ट्रीय युवा विज्ञान अकादमी

Dear Prof./Dr. Aijaz Ahamad Dar (In), (Member ID: 2024\_01)  
University of Kashmir, Jammu & Kashmir

Date: 01.01.2024

Welcome to the Indian National Young Academy of Sciences!

It is indeed a great pleasure to notify you that you have been selected for membership in the Indian National Young Academy of Sciences (INYAS) for a period of 5 years from the formal induction during our next AGBM to be held in February 2024. Please consider this as the confirmation of your selection. The list of selected members is also available on our website: <https://inyas.in/>

We received an extraordinary number of outstanding applications this year, and your notable credentials and commitment to service to society through science rose to the top of this very competitive pool. We look forward to working together and hope that you are ready to help us drive the INYAS forward by actively participating in our outreach and networking activities, giving a voice to young scientists at the national/international level, as well as by assuming leadership roles within the organization.

Please note the INYAS membership is one time and below are the steps for joining the same.

1. Please respond to this email confirming that you officially accept this membership (cc to [inyasoffice@gmail.com](mailto:inyasoffice@gmail.com)). We appreciate your immediate response but need to hear from you latest by 7th January 2024 for your membership to be official.
2. As a new member, you are hereby cordially invited to the General Body Meeting (GBM) which is scheduled during February 16-18, 2024, at INSA, New Delhi. A detailed program schedule of GBM will be shared shortly. We request you to mark these dates in your calendar to participate in the GBM.
3. We are here to support you from the very beginning of your membership! We also include your short profile and photo in the next annual newsletter of INYAS and update the same on our website after your formal induction during the GBM. I will send you a formal invitation letter for GBM with other details.
4. Please regularly check our website (<https://inyas.in/>) for all our updates, like INYAS on Facebook (<https://www.facebook.com/INYAS-1662728413946122>), follow on Twitter (@INYAS\_INSA) and subscribe our INYAS YouTube channel (<https://bit.ly/Inyastube>).

Congratulations once again on both your outstanding track record as a successful scientist and your commitment to applying science for the benefit of society. The entire INYAS family joins me in welcoming you, and we look forward to meeting you in February 2024 in person.

In the interim, please do not hesitate to get in touch if you have any queries or need more info.

With warm wishes for a very happy and prosperous new year 2024.

Yours sincerely,

Rajendra S. Dhaka  
(Chairperson, INYAS)
