**Subject: Technical Snag in one of 2x 50KWp Off-Grid Solar Plant at University of Kashmir**

Dear Sir,

One of the 2x 50KWp off-grid solar plants installed by your department at the University of Kashmir has encountered a technical snag. We kindly request that you arrange for your technical experts to visit the site and resolve the issue at the earliest. The plant's optimal performance is crucial for the university's energy needs, and any delay in resolving the technical snag may cause inconvenience. Your prompt attention to this matter would be greatly appreciated.

Thank you for your time and consideration.

Yours Sincerely,

  
Executive Engineer

**Sub. Installation of Solar Power Plant**

Sir,

Kindly refer to letter No.F-7(MC-VC)/KU/10 dated 3.12.2010 of Vice Chancellor, University of Kashmir (copy enclosed) whereunder he has given his consent for setting up of 100 kW Solar Power Plant at University of Kashmir Srinagar and accordingly a project proposal was submitted to the Ministry of New Renewable Energy, Govt. of India which was sanctioned by them. Thereafter JAKEDA floated tenders and after finalization of tenders supply order has been placed on M/s TATA Power Solar for the same. The firm has intimated that the material is ready for dispatch at their works and as such it is requested that adequate space for battery bank and invertors may kindly be provided so that the installation could be taken up smoothly. The necessary drawings indicating the details of the space required for the said purpose are also enclosed herewith. Further temporary storage facility for the material may also be provided to the firm.

Yours faithfully

Asstt. Chief Executive Officer  
JAKEDA
