This department shifted to four-year B. Pharm. However, in view of the jurisdiction of Pharmacy Council of India and the purview of Pharmacy Act of 1948 getting extended to UT of J&K post abrogation of Article 370, this department is now mandated to revise the syllabus and course structure of its four-year B. Pharm. degree programme is being conducted by J&K Board of Professional Entrance Examination (BOPEE)

As such a meeting of Board of Studies of this department was convened on 17-06-2022 with a view to revise the syllabus and course structure of four-year B. Pharm. degree programme and bring it in consonance with Pharmacy Council of India Regulations. A copy of the minutes of said BOS meeting is attached herewith as *Annexure-I*, wherein it has been resolved as under:-

"After threadbare discussion it was resolved that the course curriculum and course structure devised by PCI, New Delhi vide Education Regulations, 2014 shall be adopted and got approved by the statutory bodies of the university like Academic Council. However instead of 100 days, 90 days calendar will be followed per semester. As such a copy of course curriculum and course structure for the four-year B.
