At the outset of the meeting, the matter was discussed threadbare and resolved:

Following the guidelines, post re-accreditation from NAAC, a robust and transparent internal quality mechanism has been evolved.

DIQA has started Performance Based Appraisal System (PBAS) as per UGC norms. With the PBAS, the institute evaluates faculty members on their teaching and research performance.

- The evaluation of student feedback helps the faculty member in improving upon the teaching pedagogy and also motivates them for better research work and publication.
- Beside this, student feedback on course content and subjects taught is taken by a course review committee headed by Dean of the faculty before conduct of exam.
  - Online feedback system by students operational
  - Online API system introduced
  - Promotions / Probation of the teachers linked with student feedback

Dr. Irfan Rashid,  
Coordinator , DIQA

At the outset the Chief Coordinator briefed the members about the preparations. Since the accreditation of the University expired in ending September 2016, however, in view of the certain circumstances SSR Report could not submitted in time. A period of six months was granted to the University for doing the same and the office was ready with the Report but due to the change in the format by NAAC at the final moment the University has no other option but to wait for further directions by the NAAC.

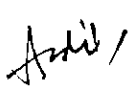

It was unanimously resolved by the members that the SSR for NAAC reaccreditation will be prepared strictly according to the newly prescribed format by the NAAC.

Further resolved that the prescribed templates with the concerned Departments and Centres for data acquisition will be shared.

Resolved that there is no mechanism presently with the university to track career progression of students except for Kashmir University Alumni Association website, to which of late some alumni have filled-up their details.

The members were of the opinion that Tracking Career Progression of students passing out from University is an exclusive domain of Centre for Career Planning Counselling who have unfortunately not attended to this important area till date.

The members of Quality Assurance Cell unanimously resolved that CCPC be asked like other universities to devise a robust mechanism to track career progression of students and if need be they can take consultations from the members of IQAC-DIQA as well. CCPC can also have Directors of NAD/I.T of necessary support on board.

**Item No. 01**

Considered the UGC Guidelines 4.3.0 (iv) regarding Qualifications for the post of Associate Professor.

The Committee after threadbare discussion resolved that the candidates having research guidance experience either at M.Phil or Ph.D level shall be considered eligible subject to registration of minimum of research students. Resolved further that award of degree to the student shall not be treated as mandatory while determining the eligibility of candidates for the post of Associate Professor and Professor.

**Item No: 02**

Considered the UGC guidelines 4.3.0 (iii) regarding minimum of eight years experience of teaching and/or research in an academic /research position equivalent to that of Assistant Professor in a University or College.

The matter was discussed threadbare viz-z-viz Clause 10.0 regarding counting of the past services for direct appointment and promotion under CAS in terms of UGC Regulations 2010.

It was resolved that as per conditions laid under clause 10.1, research experience obtained by candidates at JRF/SRF/RA or Post-Doctoral Level, prior to their joining as Assistant Professor on a substantive post shall not be considered equivalent to that of an Assistant Professor, while counting experience of teaching and/or research for the purpose of direct appointment and promotion under CAS in terms of UGC Regulations 2010.

**Item No: 03**

Considered the representation submitted by Dr. Mohsin Ahmad Bhat, Assistant Professor, Department of Chemistry for placement in Senior Scale in terms of UGC Regulations -2000.

The Committee resolved that the course Capacity Building programme on Multimedia and E-Content Development attended by Dr. Mohsin Ahmad Bhat be considered equivalent to Orientation Course as one time exception.

*Dr. Mohsin Ahmad Bhat*

**Item No: 04**

Considered the representation submitted by Dr. Syed Tanveer, Assistant Professor, Department of Zoology for promotion as Associate Professor under CAS in terms of UGC Regulations – 2000.

The Committee resolved that since the teacher concerned has been placed in Stage III under CAS in terms of UGC Regulations -2010, her request now for her promotion under old Career Advancement Scheme 2000 is not maintainable.

**Item No: 05**

Considered the promotion of Dr. Saleema Jan, Research Scientist, and EMMRC as Associate Professor under CAS in terms of UGC Regulations 2000.

The Committee resolved that Administration Teaching Wing be requested to intimate whether CAS meant for teachers is applicable to Dr. Saleema Jan.

**Item No: 06**

Considered the placement of Mr. Farooq Ahmad Lone, Ex-Producer, EMMRC in Senior Scale under CAS in terms of UGC Regulations – 2000.

The Committee resolved that since Mr. Lone was holding non academic position at the time of his superannuation, the promotion case does not come under the CAS meant for teaching staff. The Committee further resolved that the matter be referred to the General Administration for further necessary action as per relevant rules.

### Resolutions:

1. The Committee examined the case forwarded by the Deputy Secretary, Governor's Secretariat seeking report on the representation of Dr. Aijaz Ahmad Dar, Assistant Professor, Department of Chemistry for his appointment as Associate Professor vis-à-vis case of Dr. Parikshat Singh, University of Jammu. The Committee after a threadbare discussion on the issue resolved as under:
  - a. *That the University of Jammu be approached to provide details about the appointment of Dr. Parikshat Singh Manhas, the Business School for perusal before submitting any recommendations.*
  - b. *The Registrar, University of Kashmir may approach the UGC for expeditious disposal of the communication dated 17-06-2014 regarding the authenticity of the letter dated 24-03-2014 received from UGC.*
  - c. *In the meantime, a report regarding the case may be communicated to the Rajbhawan conveying the present status of the case as desired by the Hon'ble Chancellor.*
2. The Committee examined the report submitted by Director, DIQA in respect of Category iii for promotion of Dr. Inayatullah Tahir, Department of Botany as Professor under CAS. After re-evaluating the API score, it was observed that the request made by the teacher was genuine and his actual effect after deducting the scores of a publication dated November 2010 falls on 24<sup>th</sup> August 2010. It was, therefore, recommended that the case be resubmitted to the Hon'ble Chancellor with the request to consider the date of effect of promotion of Dr. Inayatullah as Professor as 24<sup>th</sup> August 2010 instead of 01-01-2011.

3. The case forwarded by the Teaching Wing regarding change of designation of Scientist – D to Associate Professor in respect of Dr. Manzoor Ahmad Chachoo and Dr. Muheet Ahmad Bhat, Department of Computer Science was discussed and the following was resolved:
- a. *that the Council resolution dated 19-10-2012 does not make any mention of the change in nomenclature of Scientist- D as in case of other positions.*
  - b. *That the Teaching Wing may process the case in the light of eligibility conditions for the appointment of Associate Professor laid down in UGC Regulations – 2010 clause 10.0 and 10.1.*
4. The Committee while screening the application forms of the teachers for their placement/ promotion under CAS found that some of the teachers are very casual while filling their applications and, therefore, resolved that a circular be issued mentioning therein that henceforth all the concerned teachers shall fill up the application forms carefully. It was, further, resolved that application forms found incomplete/ incorrect will be summarily rejected. No addition/ alteration, whatsoever, shall be allowed to application forms after the last date of submission.
5. Resolved that all cases already forwarded by the Recruitment Section pending for screening, shall be cleared by the Screening Committee by 30<sup>th</sup> August 2014.
6. It was also resolved that all pending cases be forwarded to the Screening Committee by or before 30<sup>th</sup> August 2014 and the Committee will ensure that the screening process is completed at the earliest possible.

### Resolutions:

1. *Application forms for the open posts of Associate Professor and Professor not received through proper channel.*

While perusing application forms received against various open posts of Associate Professor and Professor, the Committee observed that many of the candidates have not followed the proper procedure at the time of applying for the post. Since the advertisement notices issued in respect of such positions clearly specifies that the in-service candidates must send the Application Form through the administrative authority concerned and Registrar of their respective Universities.

In order to ensure sanctity of the recruitment process, it was resolved that all such candidates be informed to submit no objection certificates from the concerned employer for appearing in the interview.

2. **Research Guidance Experience for the open post of Associate Professor and Professor**

Among other eligibility conditions, Research Guidance Experience required for appointment of Associate Professor and Professor under direct Recruitment, laid down under the UGC Regulations 2010 is as under:

**For the post of Professor:** A minimum of ten years of teaching experience in University/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research at doctoral level;

**Associate Professor:** Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of having guided doctoral candidates and research students

*Signature*

Screening Committee while screening the Application Forms for the post of Associate Professor and Professor resolved to screen the applications on the basis of following criteria in respect of **research guidance experience** at doctoral level:

**For the post of Professor:**

- I. Awarded or registered minimum two Doctoral candidates, for at least one year on the last date of submission of Application Form
- II. Awarded minimum of one M. Phil scholar, on the last date of submission of Application Form;

**For the post of Associate Professor:**

- I. Awarded or registered minimum of one Doctoral candidate, for at least one year on the last date of submission of Application Form
- II. Guided/awarded one M.Phil scholar, for at least for one year on the last date of submission of Application Form;

**3. Counting of Teaching / Research experience for direct appointment of Associate Professor and Professor:**

The University advertised several posts of Associate Professors and Professors in terms of UGC Regulation – 2010. The Clause 3.9.0 of the Regulations 2010 reads as "the period of time taken by candidates to acquire M. Phil and/or Ph.D. Degree shall not be considered as teaching/research experience to the claimed for appointment to the teaching positions".

The Committee after threadbare discussion on the issue resolved that till the resolution of matter pending in the office of the Hon'ble Chancellor, two and one years teaching experience or actual period of absence (whichever is maximum) in respect of such candidates, who have obtained Ph.D. / M.Phil degrees on part-time basis as well as full-time basis respectively shall be deducted, while counting their teaching experience required for appointment to the post of Associate Professor and Professor.

**4. Representation submitted by Dr. Aijaz Ahmed Dar, Department of Chemistry for considering his appointment as Associate Professor on the analogy of Dr. Parikshat Singh Manhas of the University of Jammu.**

The representation of Dr. Aijaz Ahmed Dar, forwarded by Deputy Secretary, Raj Bhavan regarding above cited subject was examined by the Screening Committee at its meeting held on 23-08-2014. The Screening Committee after threadbare discussion on the issue resolved that details about the appointment of Dr. Parikshat Singh Manhas as Associate Professor in the Business School, University of Jammu be sought before any recommendation is made in the matter. Accordingly, the Registrar, University of Jammu was requested to provide documents in support of the case history of Dr. Parikshat Singh appointed as Associate Professor in the Business School, University of Jammu. The University of Jammu furnished the requisite information vide letter dated 04-09-2014 and the said information was perused and discussed by the Screening Committee. The following was observed:

- a) The case for promotion of Dr. Parikshat as Professor under CAS was submitted to the Chancellor for approval, and the Chancellor noticed some shortcomings in his appointment as Reader in the said Department in 2007 in terms of the requisite teaching experience of five years laid down under clause 4.3.0 of UGC regulations 2000 which is reproduced as under:

*"Good academic record with a doctoral degree or equivalent published work. In addition to these, the candidates who join from outside the University shall also possess at least 55% marks or an equivalent grade of B*

in the seven point scale with letter grades O,A,B,C,D,E & F at the masters degree level.

Five years of experience of teaching and/or research excluding the period spent on obtaining the research degrees and has made some mark in the areas of Scholarship as evidenced by quality of publication, contribution to educational innovation, design of new courses and curricula"

- b) In response to the agenda no. 75.45 of Jammu University Council meeting held on 11.10.2013, the following was resolved:

*"That the earlier appointment of Dr. Parakshit Singh Manhas" as Reader (in 2007) in the Business School may be considered valid and the Vice Chancellor shall ensure, in future, that every promotion/appointment is made strictly as per the Statutes"*

Instead of granting clear cut approval in the matter, the Council resolved that the earlier appointment of Dr. Manhas as Reader in the Business School in 2007 may be considered valid with an instruction that the University Vice Chancellor shall *ensure, in future, that every promotion/appointment is made strictly as per the Statutes, which implied that the Chancellor did not approve counting of time spent by Dr. Manhas in obtaining Ph.d degree on part time basis while teaching in the University of Jammu and did not find the promotion strictly as per the statutes.*

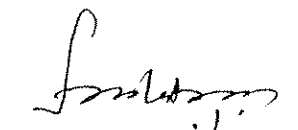

In view of the above, the Screening Committee recommended in its meeting held on 31.12.2014 that *"though the Case of Dr. Dar appears to be similar to that of Dr. Manhas, in view of the spirit/language of University of Jammu Council resolution and practice in vogue in the University of Kashmir, (whereby such period is not considered in terms of clause 10.0 and 10.1 of the UGC guidelines, while determining eligibility of candidates at the time of appointment of Associate Professors), the request made by Dr. Dar for processing his appointment case which stands turned down earlier by the Hon'ble Chancellor, is not maintainable."*

Based on the approved record note of the committee, draft letter addressed to the Deputy Secretary Governor's Secretariat was submitted for the consideration of the authorities. It was desired that the matter may be again placed for re-examination by the Screening Committee.

The committee while re-examining the case observed that since the selection committee which recommended the appointment of Dr. Dar was held prior to the Council decision of the University of Jammu, therefore his case also deserves to be considered on the lines of benefit extended to Dr. Parakshit Singh Manhas.

| 5. Dr. Ashfaq Ahmad Zarri   | Deputy Registrar (Recruitment)                 | Member Secretary |

The Committee discussed the agenda items threadbare and resolved as under:

1. To peruse the approval/remarks of authorities viz-a-viz the record note of the Screening Committee held on 04-03-2015

The Committee after perusal of the remarks of the authorities resolved that since decision regarding the recommendation of the Screening Committee pertaining to research guidance experience required for the post of Associate Professor / Professor submitted for approval in the record note of the meeting dated 04-03-2015 is pending, screening of applications cannot be carried out.

Also in addition to the above, decision with regard to counting of teaching / research guidance for direct appointment of Associate Professor / Professor submitted at item no. 02 of the record note of the meeting held on 04-03-2015 is pending. Therefore, the screening of the applications should be deferred till approval is received.

2. Peruse the Legal Notice submitted by Tasaduq Hussain (Advocate) in J&K High Court Srinagar

Through the medium of Legal Notice the above advocate pointed out that some in service candidate has been screened through by the Screening Committee in violation of the established procedure.

The committee after perusal of the legal notice resolved that the procedure proposed in such matters vide resolution No. 1 (modified in the meeting held on 09-05-2015) which is reproduced hereunder shall be followed subject to approval of the competent authority.

*"In order to ensure the sanctity of the recruitment process, it was resolved that such candidates be informed to submit **No Objection Certificate** /certificate from the concerned employer to the effect that the claims made by him/her are genuine at the time of appearing in the interview"*

3. To peruse the representation of Dr. Tariq Ahmad Chesti, Associate Professor in Directorate of Distance Education regarding eligibility of candidates for the post of Professor, Mathematics.

The Committee after perusal of the representation of the Dr. Tariq Ahmad Chesti resolved that application of Dr. Bashir Ahmad Zarger be screened afresh as per relevant UGC guidelines in order to ensure that no discrimination is meted out to the complainant.

4. Modalities for considering applications of such teacher candidates for the post of Professor, who are already holding the post of Professor for several years in the same Departments of the University.

It has been observed that various Professors/ Associate Professor choose to apply for the open post of Professor / Associate Professor advertised by the University. It was resolved that all such candidates already holding the post of Professor/ Associate Professor on their submission of application for the post of Professor/ Associate Professor in the same Department shall be asked to submit an undertaking to the following effects:

- a. They shall appear in interview at the time of holding the Selection Committee Meeting.
- b. They shall accept the recommendation of the Selection Committee whatsoever.

5. To peruse the representation of Mr. Javiad Iqbal, Assistant Professor, Computer Sciences for reckoning his placement in Stage-II with effect from 15-02-2012 instead of 15-02-2013.

It was resolved that clarification be sought on file from Academic Section for considering his request before taking any decision in the matter.

6. Adoption of Criteria / Parameters for attributing 50% weight-age to the Academic Record and Research Performance as laid down in UGC Regulations 2010, for making appointment of Assistant Professor/ Equivalent posts.

The Committee perused the proposed criteria / parameter and suggests minor modification as reproduced hereunder:

## UNIVERSITY OF KASHMIR, SRINAGAR

Minutes of the Screening Committee meeting held on May 24, 2016 and June 8, 2016 in the office chamber of the Dean Academics Affairs

Following were present:

1. Dean Academics Affairs
2. Dr. Manzoor Ahmad, Department of Islamic Studies
3. Dr. Manzoor Ahmad, Chief Coordinator, DIQA
4. Mr. Showket Shafi, Deputy Director, DIQA
5. Dr Feroz Ahmad Gurku, Deputy Registrar, TW
6. Muzamil Masood Mattoo, Deputy Registrar Recruitment
7. Dr. Mudasir Mufti, Department of English
8. Dr. Javaid Iqbal, Department of Computer Sciences
9. Dr. Adil Bashir, Department of Social Work

Following issues were discussed:-

1. **Clarification to Clause 1.1 of Schedule for Clause 6.8.0 of UGC Regulations 2010.**

The Committee has gone through the clarification issued by the UGC vide letter dated 17 August, 2015 with regard to the existing Clause 1.1 of Schedule for Clause 6.8.0 of UGC guidelines, 2010. It was observed that the eligibility rules as reflected in the UGC Regulations 2010 will not have any impact by virtue of the said clarification.

As such the promotion under this clause cannot be denied in light of the above clarification. Accordingly, it was resolved that subject to fulfilment of other eligibility conditions, recommendations of the Screening Committee already made, may be considered for authorization.

The relevant portion of the UGC clause of UGC Regulations 2010 is reflected as Annexure I, for perusal.

2. **Clause 10.1 of UGC Guidelines 2010 for Counting of Past Service for Direct recruitment and promotion under CAS.**

Issue of counting of past service rendered by teachers (Assistant Professors) in State Higher Education Department and other institutions, claiming benefit under the above clause 10.1 of the UGC Regulations (reflected in Annexure II),

*[Handwritten signature]*

*[Handwritten signature]*

came up before the Screening Committee. After a through discussion, it was resolved that the applicants claiming the benefit under the Regulations, shall have to fulfil all the conditions envisaged in Clause 10.1 and produce documentary proof in support of their claim. It was also resolved that the Application Form should also reflect a separate Section for applicants claiming benefit under the said Clause.

**3. Representation of Mr. Javaid Iqbal, Assistant Professor, Department of Computer Science, for consideration of MCA as a professional degree.**

The issue came up in the previous Screening Committee whereat it was resolved to have a copy of notification or resolution of the competent academic body declaring the MCA as professional degree and due to non-availability of satisfactory reply to the observation, the request was not considered.

The issue again came up before the Screening Committee and it was resolved that the case be forwarded to the Deputy Registrar (Academic) for a policy decision by the competent body with regard to declaration of the MCA degree as professional degree or other wise.

**4. Determination of eligibility of Dr. Saleema Jan, Research Scientist, EMMRC.**

The committee perused all the relevant available records and resoled as under:-

- i) Dr. Saleema Jan shall be designated as Research Scientist (Selection Grade I) and evaluated strictly as per the relevant scheme w.e.f. 9.8.2004.
- ii) After Selection Grade I, Dr. Saleema Jan shall be designated as Research Scientist (Selection Grade II) and evaluated strictly as per the relevant scheme applicable to the next level.
- iii) However, it was resolved that Dr. Saleema Jan shall have to fulfil all other conditions of eligibility under the relevant Scheme/s, except the required teaching service which shall be substituted by the parameters laid down for other research Centres namely CCAS, CORD and the like. Other conditions of eligibility and evaluation shall be followed as per the relevant scheme/s applicable to her from time to time.

**5. Promotion case of Dr. Rana Hashmi/re-designation as Teacher**

Appointed as System Analyst on August 6, 1992. Granted Senior Scale w.e.f. 19.3.1998 as per the CAS scheme in vogue at that time. On Dec. 22, 2012, Dr. Hashmi stood designated as "Scientist C". Dr. Hashmi applied for Selection Scale which falls due prior to her change of designation as "Scientist C" and redesignation as Faculty in the Department.

The case was discussed in detail and was resolved that :-

- i) Dr. Hashmi shall be evaluated for Selection Scale, under the relevant provisions of the scheme prevalent at that time, which becomes due to her, prior to change of her designation as "Scientist C";

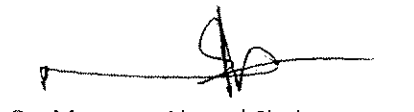

- ii) After the change of her designation as "Scientist C" and in light of University Council resolution dated 19.10.2012, notified vide order No. F(Change-Nomenclatr)/Adm/TW dated Dec. 22, 2012, with regard to conversion of Computer Centre to that of Department of Computer Sciences, she shall have to be evaluated as per the guidelines relevant for her new designation;
- iii) If Dr. Hashmi does not fulfil the evaluation criteria as laid down under (ii) above, she shall have to wait for the scheme to be approved for other Scientists working in the University.
- iv) However, before initiating the process of her assessment, it was resolved that details with regard to treatment of her period of absence be first got confirmed from the Teaching Wing.

1. **Counting of leave availed towards the award of Ph.D./M.Phil degrees in respect of CAS eligibility in light of UGC clarification dated 1 March, 2016.**

*Resolved that the Leave/Study leave taken for pursuing research degree (M.Phil/Ph.D.) shall not be taken as the teaching/research experience for the purpose of eligibility under the CAS and shall be deducted.*

*Resolved further*

- *that in respect of candidates proceeding on following kinds of leave, API of category I and II will not be compulsory. In all such cases the API of these categories will be assessed on the basis of analogy on the available (preceding or succeeding) year:*
  - a) *Maternity Leave*
  - b) *Child Care Leave*
  - c) *Medical Leave*
  - d) *Any other similar leave*
- *that leave taken for any teaching assignment in a foreign/national University will be deducted.*

2. **Research Experience in respect of CAS promotion to Associate Professor and Professor, is taken in respect of open posts**

*The Committee felt that Research Experience of guiding at least two scholars for a period of one year may also be stipulated for promotion under CAS.*

*4/3*

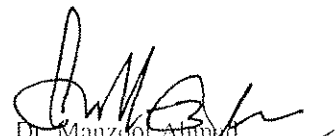

**3. Consideration of other types of Courses in place of Refresher/ Orientation/Research Methodology courses for promotion to Stage II (Assistant Professors)**

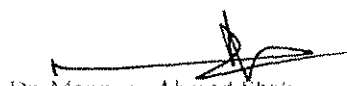

*Resolved that the Courses having relevance to the discipline attended by the applicants other than the Refresher/Orientation/Research Methodology Courses organised by ASC/Universities, shall be considered. However it was resolved that the Screening Committee shall decide about these Courses attended by the Faculty, on case to case basis.*

**4. Counting of past service for CAS eligibility in respect of candidates having rendered service in other institutions of higher learning:**

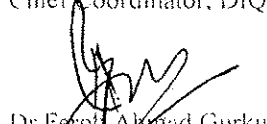

*Resolved that all those teachers who have applied for counting of past service for consideration of their promotion under CAS shall, besides fulfilling other conditions of eligibility as stipulated under 10.0 of UGC regulations, have to submit document/s from the previous Recruiting Agency, certifying the fulfilment of essential qualification for the post at the time of their appointment besides that the appointment made in accordance with the prescribed selection procedure as laid down under UGC Regulations, from the parent employer.*

## UNIVERSITY OF KASHMIR, SRINAGAR

Recommendations of the Screening Committee for re-designation of Scientists working in the Department of Computer Sciences, held on January 23, 2017, in the office chamber of the Dean Academics Affairs.

*Re-designation of Dr. Manzoor Ahmad Chachoo and Dr. Muheet Ahmad Butt, Scientist 'D' Department of Computer Sciences as Associate Professor in terms of University Council Resolution dated 19-10-2012, and notified vide order dated Dec. 22, 2012.*

The matter forwarded by the Teaching wing for redesignation of the above Scientists as Associate Professor along with their applications was perused and the following was observed.

- Prior to the appointment of Dr. Manzoor Ahmad Chachoo and Dr. Muheet Ahmad Butt, as Scientist 'D' in the Department of Computer Sciences in the Pay band of Rs. 15600-39100 with GP of Rs. 7600 vide order dated 08.10.2012 both were holding the post of Scientist B in the pay band of Rs. 15600-39100 with GP of Rs. 5400.
- Since one of the essential requirements for appointment to the post of Associate Professor laid down under Clause 10.0.0 (b) is "the post is/was in an equivalent grade or of the pre-revised scale of pay as the post of Assistant Professor/(Lecturer) Associate Professor (Reader) and Professor"
- In the instant case both the employees could have been treated equivalent to Lecturer in terms of Grade Pay from the date their initial appointment as System Analyst/Information Officer as the case may be to the date of adoption of the UGC Regulations -2010 on 04.10.2010, because prior to adoption of the UGC guidelines both System Analyst and Lecturer were holding the same Pay Scale i.e. Rs. 8000-13500 but by virtue of revision of pay scales with effect from 01.01.2006 the pay scale of System Analyst and Information officer was revised to Rs. 15600-39100 with GP of Rs. 5400, while as that of Lecturer was fixed as Rs. 15600-39100 with GP of Rs. 6000, therefore the benefit cannot be extended in terms of (b) above.
- The total service/experience of Dr. Manzoor Ahmad Chachoo and Dr. Muheet Ahmad Butt is as under:

## In case of Dr. Muheet Ahmad Butt

| Service Experience  | Duration         |

| Appointed as Scientist D<br>Pay Band 15600-39100 GP Rs. 7600<br>From the date of his joining on 08.10.2012 till date   | 4 years 3 months |

- e) Dr. Muheet has acquired Ph.D. degree as on 9.9.2013 and Dr. Chachoo as on / /2012, which is a pre-requisite for consideration for a teaching post.

In view of the above and keeping in view the ~~UGC Regulations 2010~~ the UGC Regulations 2010, the committee recommends that –

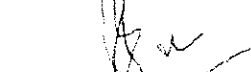

- The applicants be designated as Assistant Professors from the date they have acquired the Ph.D. degrees, that is fulfilment of eligibility requirements for the said post;  
OR
- The applicants be considered for re-designation as Associate Professors from the date they will <sup>complete</sup> acquired eight years of service, from the date they have acquired Ph.D. degree and assessed as per the Regulations prevalent at that time.

At the outset, coordinator DIQA welcomed the members to the meeting. In the meanwhile the, Deputy Director DIQA informed the members that DIQA office bearers of Kashmir University have sought feedback about the IV-amendment of UGC guidelines published recently in Gazette of India for the appointment and promotion of teachers in universities and colleges. Since there are not any specific guidelines for the promotion of teachers working in Open and Distance Learning (ODL) system which have generated serious concern among the faculty members of the Directorate from time to time. In this connection the Appraisal Performance indicators as proposed by departmental committee of DDE in view of the different nature of job profile of faculty members were discussed threadbare among the members and following was resolved : .

**2. Placement/ Promotion case of Dr. Bilal Ahmad Malik, Scientific Officer, USIC.**

It was decided that placement/ promotion to Dr. Bilal Ahmad Malik will be granted as per the report of the Committee constituted earlier to examine the representation of Dr. Bilal Ahmad Malik, Scientific Officer, USIC with regard to his promotion which comprised of:

- a. Prof. Khursheed Ahmad Butt, Dean, School of Business Studies;
- b. Prof. G. M. Bhat, Director, USIC &
- c. Deputy Registrar, Recruitment.

However, this will be subject to the verification/ confirmation of his service, leave salary contribution and other related issues by the Administration (Teaching Wing), thereafter subject to evaluation of his Application & Self Appraisal Reports as per the relevant Regulations.

**3. Placement/ Promotion case of Dr. Rana Hashmy, Scientist "C".**

The Committee decided that Dr. Rana Hashmy will be placed in the Selection Grade from the date of her eligibility in light of notification issued by University of Kashmir on 01-09-2005 regarding Modalities/ procedure for placement of lecturers in the Senior Scale/ Selection Grade and Reader (Promotion) under CAS. Subsequently, she will be promoted/ re-designated as Reader from the date she has been awarded Ph.D., in terms of UGC Regulations in vogue at that time.

However, this will be subject to the verification/ confirmation of her service, leave salary contribution and other related issues by the Administration (Teaching Wing), thereafter subject to evaluation of his Application and Self Appraisal Reports as per the relevant Regulations.

**4. Counting of past service for placement/ promotion under CAS.**

It was unanimously decided that UGC guidelines pertaining to counting of past service for direct recruitment and promotion under CAS shall be implemented in toto. The following candidates who have applied for counting of past service as prescribed in the UGC Regulations, shall be forwarded to Administration (Teaching Wing) for perusal and verification of fulfilment of conditions:-

- i) Dr. Aijaz Akbar Mir, Management Studies
- ii) Dr. Wakar Amin Zargar, (Social Work)
- iii) Dr. Reyaz Ahmad Qureshi, Management Studies
- iv) Dr. Manzoor Ahmad Mir (Bio-resources)

It was further decided that the university shall issue a notification wherein applications will be invited from the University Teachers for counting of their past

services (if any) rendered in other institutions for placement/ promotion under CAS.

In addition, the committee proposed the following mechanism /conditions in respect of counting of past service of teachers:-

- i) Administration (Teaching Wing) shall verify all the documents/ antecedents regarding such cases and ascertain fulfilment of all the conditions as prescribed under rules.
- ii) Past service shall be counted in respect of those teachers only who fulfil all the conditions laid down in clause 10.0 of UGC Regulations – 2010, and whose eligibility of promotion/appointment falls on or after 30 June, 2010 (i.e. after implementation of 2010 Regulations).
- iii) API score will be calculated afresh for the period of assessment for such teachers who would claim counting of services rendered in other Institutions/Universities, besides the documents sent for verification to the parent institution/University.

5. *Representation of Mr. Tariq Ahmad Lone, Assistant Professor, the Business School for counting of his services in terms of exemption granted by the UGC in his favour vis-à-vis his qualifying SET examination.*

The Committee discussed the matter and resolved that the same may be addressed in accordance with the instructions of the UGC mentioned in the letter received in this regard. It was decided that the case be forwarded to Administration (Teaching Wing) for consideration under rules.

6. *Treatment / calculation of API Score in terms of Category I and Category II during the period of authorised leave in favour of teachers for placement/ promotion under CAS.*

The Committee resolved that the period of leave will be exempted for obtaining API Score in terms of Category I & II, subject to the condition that the leave was duly authorised, under rules. The API for the period of active service will be calculated proportionately, keeping in view the academic calendar during which active classroom teaching is carried out.

7. *Ph.D guidance obtained from other institutions and UGC letter from UGC letter dated July 6, 2015 thereof.*

It was resolved that no Research Guidance will be considered for eligibility/API calculation if the scholar is not registered in the parent University or its affiliated colleges. This resolution of the committee is in light of the UGC letter dated 06-07-2015 (**Annexure A**) which clearly states that teachers can only supervise scholars who are registered in their Universities/affiliated colleges.

8. Finalizing draft modalities/ API Scoring for 4<sup>th</sup> Amendment in respect of Teachers of Directorate of Distance Education.

It was decided that the Directorate of Internal Quality Assurance (DIQA) will examine the case and submit a detailed report to the Chairman of the Screening Committee for perusal and authorisation of the competent authority.

9. Individual cases

- Date of effect for placement/ promotion of Dr. Nahida Tabassum to various stages under CAS;
- Date of promotion of Prof. Adil Amin Kak as Professor under CAS;
- Confirmation of services of Mr. Peerzada Bashir Ahmad as Reader in the Department of Arabic.

It was decided that a sub-committee comprising the following be constituted to discuss the above mentioned three cases:

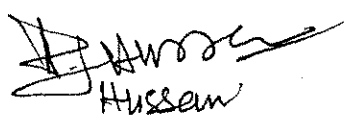

- Prof. Altaf Hussain Pandith (Department of Chemistry);
- Dr. Manzoor Ahmad Shah (Chief Coordinator, DIQA);
- Deputy Registrar (Recruitment) &
- Dy/Assistant Registrar (Administration, Teaching Wing).

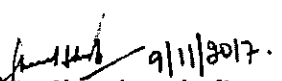

The Committee will examine the cases and submit a detailed reports/ observations before the Screening Committee at its next meeting.

The Committee ended with a vote of thanks to the Chair.

No. F(DIQA VISIT-SC)KU/2017  
Dated 08/05/2017

### TEAM DIQA VISIT TO SOUTH CAMPUS

### REPORT

①

On 01-05-2017, the DIQA team visited the South Campus of the University to take students' feedback and interact with the students and the faculty.

With the support of ITSS, we were able to complete the feedback for all courses taught at the south campus except Urdu for which there is still no permanent faculty.

During its interaction with the students the following main points emerged which need the attention of the authorities:

1. Many female students complained of the absence of a girls' hostel in the campus. They were also of the opinion that if due to some reasons it is not possible to build a hostel immediately, a proper accommodation should be temporarily provided to them in the town on rent.
2. Students also complained of the overloaded buses carrying them to and from the campus and want their daily travel to be more comfortable.
3. There is a scarcity of pure drinking water.
4. There is no lady doctor/ nurse in the health centre.
5. Central library is poorly equipped and there are no departmental libraries. Students especially want that the relevant books/material be made available to them in multiple copies. As of now only a few copies of the text books are available. Moreover, students want an access to Iqbal Library of the main campus.
6. There is no seminar hall.
7. There are very little sports activities in the campus.
8. The canteen in the campus is not up to the mark and does not offer quality food.
9. Students of MCA complained that there are no lecture rooms, only 2 labs which are not fully equipped. The systems there have last been updated in 2009.
10. Some of the classrooms are in a poor shape and need upgrading.
11. There is not a single permanent faculty for the Department of Urdu. There are no class rooms available for teaching Urdu.

In the afternoon all the faculties of south campus were given a power point presentation regarding the latest UGC guidelines regarding appointment and

promotion of teachers and there followed a fruitful session of interaction. Some of the demands of the faculty were as follows:

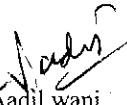

1. Granting the eligible teachers status of research guides.
2. Granting them a share in paper setting and evaluation.
3. Providing proper facilities in the residential quarters.

The team DIQA felt that the recent appointment of New Director at the campus has generated lot of hope among students, faculty and the ministerial staff that things will shape for better at the campus. One could feel that the new Director has already taken lot of initiatives to streamline the affairs of the south campus.

Sir,

On 01-05-2016, the DIQA team visited the South Campus of the University to take students' feedback and interact with the students and the faculty.

With your support, we were able to complete the feedback for all courses taught at the south campus except Urdu for which there is no permanent faculty available.

During interaction with the students the following main points emerged which, on the directions of the authorities are brought to your kind notice.

1. Many female students complained about the absence of a girls' hostel in the campus. They were also of the opinion that if due to some reasons it is not possible to make girls' hostel in campus functional immediately, a proper accommodation should be temporarily provided to them on rent basis in the main township of Anantnag.
2. Students also complained of the overloaded buses carrying them to and from the campus and want their daily travel to be more comfortable.
3. There is scarcity of pure drinking water within the campus.
4. Female students complained that there is no lady doctor/ nurse in the health centre.
5. Central library of the South campus is poorly equipped. Students especially want that the relevant books/material be made available to them. As of now only a few copies of the text books are available. Moreover, students want access to Iqbal Library of the main campus.
6. There are very little or no sports activities in the campus.
8. The canteen in the campus does not offer quality food.
9. Students of MCA complained that there are no lecture rooms.

Minutes of the meeting of the Screening Committee held on 27 December, 2017 at 11 a.m. in the office chamber of the Dean Academics Affairs:

Following were present:-

1. Prof. Musadiq Amin Sahaf, Dean Academics Affairs
2. Prof. Khurshed Ahmad Butt, Registrar
3. Prof. Altaf Hussain Pandit
4. Deputy Director, DIQA
5. Deputy Registrar (Teaching)
6. Deputy Registrar (Recruitment)
7. Dr. Manzoor Ahmad, Chief Coordinator, DIQA
8. Dr. Mudasir Mufti
9. Dr Irfan Rashid

Following were discussed and resolutions thereof are reflected below:-

1. **Examine the criteria for research supervision for the post of Associate Professor and Professor in direct recruitment (open posts);**

Henceforth, the research supervision for the purpose of eligibility for the posts of Professor and Associate Professors in direct recruitment would be determined as under:

**For Professor**

1. At least one Doctoral Degree awarded, under his/her supervision, on the last date of submission of Application Form; and
2. Supervising at least one scholar registered for M.Phil/Ph.D. for a period not less than one year, on the last date of submission of Application Form.

**For Associate Professor**

- 1 M.Phil or equivalent degree awarded to at least, one scholar under his/her supervision, on the last date of submission of Application Form; and
- 2 Doctoral scholar registered under him, at least one, for a period of one year, on the last date of submission of Application Form;

A research degree will be considered equivalent to M.Phil., subject to the fulfilment of the following conditions:-

- a) One year research work for partial fulfilment of a masters level or equivalent degree
- b) Submission of hardbound research dissertation as per the standard format like that of M.Phil.
- c) Evaluation of dissertation by external examiner
- d) Conduct of viva-voce or final defence of the dissertation
- e) Degree shall make the student eligible for direct admission to PhD programme.

However, it was further resolved that in respect of scholar registered for Integrated Ph.D. programme, minimum registration period of guidance shall have to be one and a half years.

*Signature*

2. **Inclusion of only those journals for the calculation of score for the remaining posts of Assistant Professors which were listed in the 1<sup>st</sup> list of UGC.** Since the forms were screened when the 1<sup>st</sup> UGC journal list was out and we have already adopted it in case of other Assistant professor positions which were filled in the beginning of 2017, the decision may be ratified.

It was resolved that all the journals enlisted in the UGC approved lists of journals submitted by the candidates in Online Application Forms, as on the date shall be included for evaluation.

Further, it was resolved that all advertisements henceforth shall carry the clause: '*Only those journals will be considered for evaluation which feature in the UGC list on the day of advertisement*'. The resolution is based on the fact that the UGC list is dynamic and, therefore, shall keep on changing.

3. **Adopting of the parameters for Academic Background for Associate Professors and Professors already discussed and finalized in the last Screening Committee.**

Since the parameters for Academic background for Associate Professors and Professors stand already approved by the Vice-Chancellor, it was resolved that the Evaluation Format shall be devised jointly by a sub-committee consisting of Chief Coordinator, DIQA, Dr Mufti Mudasir and Deputy Registrar (Recruitment), and submit the same to the Chairman of the Committee, for its submission to the authorities, for approval.

4. **To discuss the Modal proposed by DIQA for distribution of points for joint publications for research articles for Open and CAS promotions.**

It was resolved that the guidance of the UGC shall be obtained and till then existing procedure in vogue shall continue.

5. **To discuss the model designed by DIQA for classifying of publishers as Local/National and International.**

It was resolved that the procedure in vogue for determining the status of publisher shall continue.

6. **In Category III, UGC mentions awards along with fellowships and gives 15 points to each which obviously means that UGC holds these awards in high estimate. Many candidates claim awards given by local or national organisations, NGOs etc and those too which seem to be of ordinary nature like 'Best Paper Award' etc. The following clause may hence be adopted:**

It was resolved that only those awards will be considered for API calculation which are tangible and given by prestigious State level, National and International organisations and Government Institutions.

7. **Since Research Guidance is one of the activities included in the recently cleared 4<sup>th</sup> Amendment and a teacher can have a maximum of 50% of Direct Teaching from it, DIQA proposes to adopt the following clause:**

It was resolved that for calculating the API score of teachers in the sub-category Research Guidance in Category-I (Direct Teaching) there shall be a fixed allocation of 2 hrs per scholar per week. Teachers can claim a maximum of 50% of the points required in Direct

*Teaching from Research Guidance. This shall be applicable to all teachers irrespective of designation. Teachers applying under CAS will attach a proof of their research supervision/co-supervision with the time tables reflecting their regular classroom teaching.*

8. **API Score for research papers of research scholars which also feature their supervisor and co-supervisor will be shared equally by supervisor and co-supervisor.**

It was resolved to seek clarification from the UGC and till then the practice in vogue shall continue.

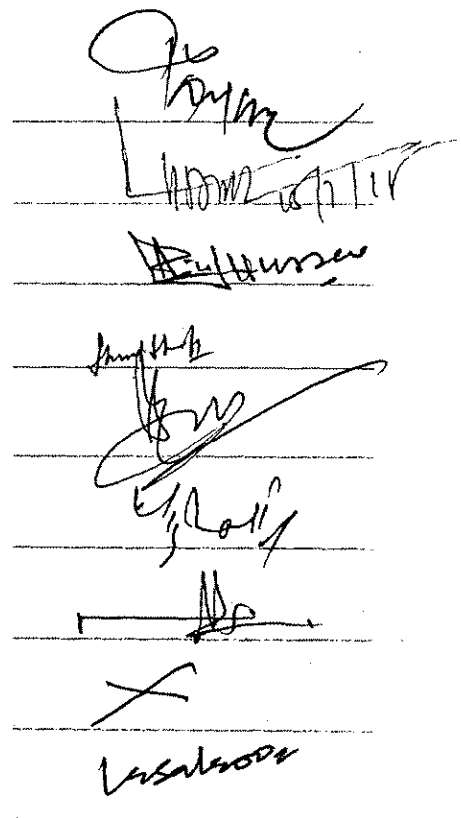

9. **Decision regarding the minimum number of years for eligibility to a teaching position (Associate or Professor) of those candidates who are enrolled as full time scholars in a University but later produce some evidence that their Ph.D. was converted to part-time basis.**

It was resolved that UGC Regulations in this regard shall be adhered to after obtaining the service certificate from the employer, as resolved by the Screening Committee at its meeting held on Nov. 3, 2017, with regard to service and availing of leave for pursuing the Ph.D. programme. (Given in Annexure)

10. **Complaint against orientation/refresher course in respect of Dr. Javid Ahmad Sheikh and Dr. Shabir Ahmad Parah, Department of Electronics & Instrumentation Technology.** Since the Refresher Courses were considered by the Screening Committee, subsequently approved by the Vice-Chancellor and, therefore, the issue of seeking permission/deputation is an administrative issue. It was resolved that the University Administration will take a final decision in this regard.

Meeting ended with a vote of thanks to the chair.

**2. Placement/ Promotion case of Dr. Bilal Ahmad Malik, Scientific Officer, USIC.**

It was decided that placement/ promotion to Dr. Bilal Ahmad Malik will be granted as per the report of the Committee constituted earlier to examine the representation of Dr. Bilal Ahmad Malik, Scientific Officer, USIC with regard to his promotion which comprised of:

- a. Prof. Khursheed Ahmad Butt, Dean, School of Business Studies;
- b. Prof. G. M. Bhat, Director, USIC &
- c. Deputy Registrar, Recruitment.

However, this will be subject to the verification/ confirmation of his service, leave salary contribution and other related issues by the Administration (Teaching Wing), thereafter subject to evaluation of his Application & Self Appraisal Reports as per the relevant Regulations.

**3. Placement/ Promotion case of Dr. Rana Hashmy, Scientist "C".**

The Committee decided that Dr. Rana Hashmy will be placed in the Selection Grade from the date of her eligibility in light of notification issued by University of Kashmir on 01-09-2005 regarding Modalities/ procedure for placement of lecturers in the Senior Scale/ Selection Grade and Reader (Promotion) under CAS. Subsequently, she will be promoted/ re-designated as Reader from the date she has been awarded Ph.D. in terms of UGC Regulations in vogue at that time.

However, this will be subject to the verification/ confirmation of her service, leave salary contribution and other related issues by the Administration (Teaching Wing), thereafter subject to evaluation of his Application and Self Appraisal Reports as per the relevant Regulations.

**4. Counting of past service for placement/ promotion under CAS.**

It was unanimously decided that UGC guidelines pertaining to counting of past service for direct recruitment and promotion under CAS shall be implemented in toto. The following candidates who have applied for counting of past service as prescribed in the UGC Regulations, shall be forwarded to Administration (Teaching Wing) for perusal and verification of fulfilment of conditions:-

- i) Dr. Aijaz Akbar Mir, Management Studies
- ii) Dr. Wakar Amin Zargar, (Social Work)
- iii) Dr. Reyaz Ahmad Qureshi, Management Studies
- iv) Dr. Manzoor Ahmad Mir (Bio-resources)

It was further decided that the university shall issue a notification wherein applications will be invited from the University Teachers for counting of their past

services (if any) rendered in other institutions for placement/ promotion under CAS.

In addition, the committee proposed the following mechanism /conditions in respect of counting of past service of teachers:-

- i) Administration (Teaching Wing) shall verify all the documents/ antecedents regarding such cases and ascertain fulfilment of all the conditions as prescribed under rules.
- ii) Past service shall be counted in respect of those teachers only who fulfil all the conditions laid down in clause 10.0 of UGC Regulations – 2010, and whose eligibility of promotion/appointment falls on or after 30 June, 2010 (i.e. after implementation of 2010 Regulations). ?
- iii) API score will be calculated afresh for the period of assessment for such teachers who would claim counting of services rendered in other Institutions/Universities, besides the documents sent for verification to the parent institution/University.

5. *Representation of Mr. Tariq Ahmad Lone, Assistant Professor, the Business School for counting of his services in terms of exemption granted by the UGC in his favour vis-à-vis his qualifying SET examination.*

The Committee discussed the matter and resolved that the same may be addressed in accordance with the instructions of the UGC mentioned in the letter received in this regard. It was decided that the case be forwarded to Administration (Teaching Wing) for consideration under rules.

6. *Treatment / calculation of API Score in terms of Category I and Category II during the period of authorised leave in favour of teachers for placement/ promotion under CAS.*

The Committee resolved that the period of leave will be exempted for obtaining API Score in terms of Category I & II, subject to the condition that the leave was duly authorised, under rules. The API for the period of active service will be calculated proportionately, keeping in view the academic calendar during which active classroom teaching is carried out.

7. *Ph.D guidance obtained from other institutions and UGC letter from UGC letter dated July 6, 2015 thereof.*

It was resolved that no Research Guidance will be considered for eligibility/API calculation if the scholar is not registered in the parent University or its affiliated colleges. This resolution of the committee is in light of the UGC letter dated 06-07-2015 (**Annexure A**) which clearly states that teachers can only supervise scholars who are registered in their Universities/affiliated colleges.

8. Finalizing draft modalities/ API Scoring for 4<sup>th</sup> Amendment in respect of Teachers of Directorate of Distance Education.

It was decided that the Directorate of Internal Quality Assurance (DIQA) will examine the case and submit a detailed report to the Chairman of the Screening Committee for perusal and authorisation of the competent authority.

9. Individual cases

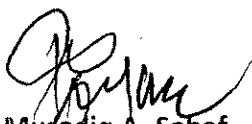

- Date of effect for placement/ promotion of Dr. Nahida Tabassum to various stages under CAS;
- Date of promotion of Prof. Adil Amin Kak as Professor under CAS;
- Confirmation of services of Mr. Peerzada Bashir Ahmad as Reader in the Department of Arabic.

It was decided that a sub-committee comprising the following be constituted to discuss the above mentioned three cases:

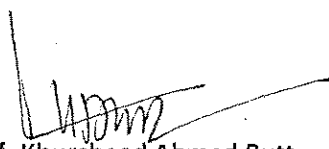

- Prof. Altaf Hussain Pandith (Department of Chemistry);
- Dr. Manzoor Ahmad Shah (Chief Coordinator, DIQA);
- Deputy Registrar (Recruitment) &
- Dy/Assistant Registrar (Administration, Teaching Wing).

The Committee will examine the cases and submit a detailed reports/ observations before the Screening Committee at its next meeting.

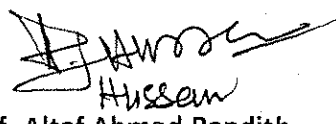

The Committee ended with a vote of thanks to the Chair.

Minutes of the meeting of the Screening Committee held on 27 December, 2017 at 11 a.m. in the office chamber of the Dean Academics Affairs:

Following were present:-

1. Prof. Musadiq Amin Sahaf, Dean Academics Affairs
2. Prof. Khurshed Ahmad Butt, Registrar
3. Prof. Altaf Hussain Pandit
4. Deputy Director, DIQA
5. Deputy Registrar (Teaching)
6. Deputy Registrar (Recruitment)
7. Dr. Manzoor Ahmad, Chief Coordinator, DIQA
8. Dr. Mudasir Mufti
9. Dr Irfan Rashid

Following were discussed and resolutions thereof are reflected below:-

1. **Examine the criteria for research supervision for the post of Associate Professor and Professor in direct recruitment (open posts);**

Henceforth, the research supervision for the purpose of eligibility for the posts of Professor and Associate Professors in direct recruitment would be determined as under:

**For Professor**

1. At least one Doctoral Degree awarded, under his/her supervision, on the last date of submission of Application Form; and
2. Supervising at least one scholar registered for M.Phil/Ph.D. for a period not less than one year, on the last date of submission of Application Form.

**For Associate Professor**

- 1 M.Phil or equivalent degree awarded to at least, one scholar under his/her supervision, on the last date of submission of Application Form; and
- 2 Doctoral scholar registered under him, at least one, for a period of one year, on the last date of submission of Application Form;

A research degree will be considered equivalent to M.Phil., subject to the fulfilment of the following conditions:-

- a) One year research work for partial fulfilment of a masters level or equivalent degree
- b) Submission of hardbound research dissertation as per the standard format like that of M.Phil.
- c) Evaluation of dissertation by external examiner
- d) Conduct of viva-voce or final defence of the dissertation
- e) Degree shall make the student eligible for direct admission to PhD programme.

However, it was further resolved that in respect of scholar registered for Integrated Ph.D. programme, minimum registration period of guidance shall have to be one and a half years.

*Signature*

2. Inclusion of only those journals for the calculation of score for the remaining posts of Assistant Professors which were listed in the 1<sup>st</sup> list of UGC. Since the forms were screened when the 1<sup>st</sup> UGC journal list was out and we have already adopted it in case of other Assistant professor positions which were filled in the beginning of 2017, the decision may be ratified.

It was resolved that all the journals enlisted in the UGC approved lists of journals submitted by the candidates in Online Application Forms, as on the date shall be included for evaluation.

Further, it was resolved that all advertisements henceforth shall carry the clause: '*Only those journals will be considered for evaluation which feature in the UGC list on the day of advertisement*'. The resolution is based on the fact that the UGC list is dynamic and, therefore, shall keep on changing.

3. Adopting of the parameters for Academic Background for Associate Professors and Professors already discussed and finalized in the last Screening Committee.

Since the parameters for Academic background for Associate Professors and Professors stand already approved by the Vice-Chancellor, it was resolved that the Evaluation Format shall be devised jointly by a sub-committee consisting of Chief Coordinator, DIQA, Dr Mufti Mudasir and Deputy Registrar (Recruitment), and submit the same to the Chairman of the Committee, for its submission to the authorities, for approval.

4. To discuss the Model<sup>e</sup> proposed by DIQA for distribution of points for joint publications for research articles for Open and CAS promotions.

It was resolved that the guidance of the UGC shall be obtained and till then existing procedure in vogue shall continue.

5. To discuss the model designed by DIQA for classifying of publishers as Local/National and International.

It was resolved that the procedure in vogue for determining the status of publisher shall continue.

6. In Category III, UGC mentions awards along with fellowships and gives 15 points to each which obviously means that UGC holds these awards in high estimate. Many candidates claim awards given by local or national organisations, NGOs etc and those too which seem to be of ordinary nature like 'Best Paper Award' etc. The following clause may hence be adopted:

It was resolved that only those awards will be considered for API calculation which are tangible and given by prestigious State level, National and International organisations and Government Institutions.

7. Since Research Guidance is one of the activities included in the recently cleared 4<sup>th</sup> Amendment and a teacher can have a maximum of 50% of Direct Teaching from it, DIQA proposes to adopt the following clause:

It was resolved that for calculating the API score of teachers in the sub-category Research Guidance in Category-I (Direct Teaching) there shall be a fixed allocation of 2 hrs per scholar per week. Teachers can claim a maximum of 50% of the points required in Direct

*Teaching from Research Guidance. This shall be applicable to all teachers irrespective of designation. Teachers applying under CAS will attach a proof of their research supervision/co-supervision with the time tables reflecting their regular classroom teaching.*

8. **API Score for research papers of research scholars which also feature their supervisor and co-supervisor will be shared equally by supervisor and co-supervisor.**

It was resolved to seek clarification from the UGC and till then the practice in vogue shall continue.

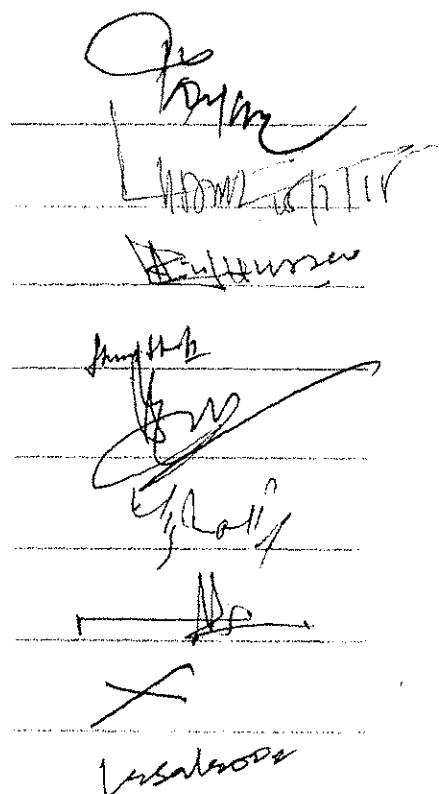

9. **Decision regarding the minimum number of years for eligibility to a teaching position (Associate or Professor) of those candidates who are enrolled as full time scholars in a University but later produce some evidence that their Ph.D. was converted to part-time basis.**

It was resolved that UGC Regulations in this regard shall be adhered to after obtaining the service certificate from the employer, as resolved by the Screening Committee at its meeting held on Nov. 3, 2017, with regard to service and availing of leave for pursuing the Ph.D. programme. (Given in Annexure)

10. **Complaint against orientation/refresher course in respect of Dr. Javid Ahmad Sheikh and Dr. Shabir Ahmad Parah, Department of Electronics & Instrumentation Technology.** Since the Refresher Courses were considered by the Screening Committee, subsequently approved by the Vice-Chancellor and, therefore, the issue of seeking permission/deputation is an administrative issue. It was resolved that the University Administration will take a final decision in this regard.

Meeting ended with a vote of thanks to the chair.

1. Prof. Mussadiq Amin Sahaf, Dean Academics
2. Prof. Khursheed Ahmad Butt, Registrar
3. Prof. Altaf Hussain Pandit
4. Deputy Director, DIQA
5. Deputy Registrar (Teaching)
6. Deputy Registrar (Recruitment)

At the outset of the meeting, the Dean Academic Affairs, the Chairman of the committee apprised the members about the item regarding the policy for student evaluation of faculty placed before the University Council at its meeting held on 21-03-2015. The basic purpose of the meeting was to examine and evaluate the action taken on the policy approved by the University Council. The matter was thread barely discussed in the meeting and finally was resolved as under:-

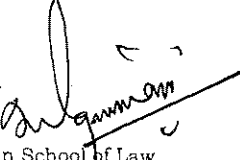

- i) *That the policy in question has so far been partially implemented by the University and it would be proper to implement fully the said policy from the academic session 2017-18.*
- ii) *That the copy of the policy so adopted should be circulated among all the Departments/Centers and satellite campuses so that every faculty member is informed about its scope and implications.*
- iii) *That the existing 5 point scale for assessing the performance of teacher should be replaced by 10 point scale.*
- v) *A Student who falls short in statutory/requisite attendance shall not be eligible to participate in the evaluation process.*

The meeting terminated with a vote of thanks to the chair.

7. Dr. Manzoor Ahmad Shah, Chief Coordinator, DIQA
8. Dr. Adil Bashir
9. Dr. Irfan Rashid

At the outset Chairman welcomed the members. Thereafter the following items came up for discussion:-

**1. To examine the eligibility of Peerzada Bashir Ahmad, Department of Arabic.**

The Committee examined the entire case as presented in Appendix I and resolved that the matter be placed before the Syndicate with following two alternatives:-

- a) The Syndicate may uphold the recommendations made by the Selection Committee after giving due cognizance to the publications presented by the teacher before the Committee and endorse his appointment as Reader from 24.03.1997 to the University Council;

OR

- b) The Syndicate may stick to its decision and while authorizing/ confirming his reversion to the erstwhile post of Lecturer, authorize his placement as Selection Scale Lecturer from 03.04.1997 and Reader from 01.01.2006 as per the Career progression identified by the Committee in Appendix I at 3 and 4.

**2. To consider the service rendered by Mr. Tariq Ahmad Lone, Assistant Professor as Teaching Assistant for the purpose of consideration of his service towards promotion under CAS**

- Teaching Assistant on a consolidated salary from 29.3.2004
- Qualified SLET on 08.12.2005
- Assistant Professor w.e.f. 21.6.2006 the date the UGC convened its concurrence for qualifying NET within a period of two years.

The Committee resolved that the item may be placed before the competent body for consideration of his appointment as Lecturer from the date of qualifying the SLET Examination i.e. 08.12.2005 and accordingly the service be considered for purpose of promotion under CAS.

**Case history of Mr. Peerzada Bashir Ahmad for determination of his eligibility as Reader and Career Progression under relevant CAS Regulations**

Page | 4

1. Mr. Peerzada Bashir Ahmad was appointed as Reader on temporary basis vide order dated 24.3.1997, subject to certain conditions.
2. An Item was placed before the Syndicate at its meeting held on 6.12.2003 for consideration or otherwise of Mr. Peerzada, in which it is mentioned as a note that:  
*the designation of Reader to a non-Ph.D. is as such against the UGC norms and that in a similar case in MERC, Mr. Nasir Mirza was reverted back and given the designation of Selection Grade lecturer.*
3. The Syndicate at its meeting held on 6.12.2003 resolved as under:-  
*"Resolved that he shall be reverted to the post of Lecturer but shall be given the designation of Senior Lecturer/Selection Grade lecturer depending on length of his service and eligibility to these designations. This shall be on the analogy of the case of Mr. Nasir Mirza, MERC."*
4. Recommendations were placed before the University Council at its meeting held 10.1.2004 whereat it was resolved as under:-  
*"That the matter being sub-judice be deferred and perused in the Court of Law."*
5. Meanwhile Mr. Peerzada agitated the matter in the Court of Law and the Hon'ble High Court has passed the following directions :  
*"..... in the meanwhile, at this stage for purpose of ad-interim initial provisional relief, having regard to the facts and circumstances, the respondents/ competent authority is placed under restraining not to proceed further to fill up the post of Reader occupied by adverse to petitioner and is further directed to continue petitioner as such Reader on the post, if in place. This direction is limited in time till the matter is on board next after vacations."*
6. Hon'ble High Court at its judgement dated 9.2.2017 disposed off the case with the following direction:  
*For the last four consecutive hearings, neither petitioner nor his counsel present, which shows petitioner has lost interest, even otherwise also the petitioner's claim to confirm him against the post of Reader can be considered by the respondents on the touch stone of norms, rules and applicable laws.*  
*In view of above the writ petition is disposed off the case with a direction to respondents to consider the claim of petitioner for his confirmation as Reader in terms of applicable norms.*

The matter thereafter having been referred to the Committee for assessing the eligibility of the teacher under applicable norms as per Hon'ble Court order, the committee discussed the issue in detail which among others included the recommendations of the Selection Committee held on 23.2.1997 for appointment of the incumbent to the post of Reader. It surfaced that the resolution of the Syndicate at its meeting held on 6.12.2003 is not in tune with the

resolution of the Syndicate at its meeting held on 6.12.2003 is not in tune with the recommendations of the Selection Committee, which had recommended his appointment as Reader, by acknowledging the research/publication work of the applicant, at par with Doctoral level. As per the record made available to the committee, the teacher at that time had 8 publications and the selection apparently in due cognizance of these publications had recommended his appointment as Reader.

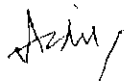

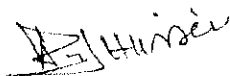

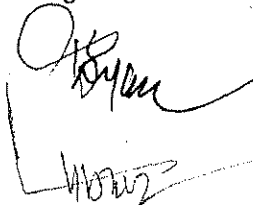

Page | 5

Keeping in view the resolution of the Syndicate at its meeting held on 6.12.2003, the Committee also examined the career progression of Mr. Peerzada Bashir, in light of the relevant UGC Regulations from time to time, which is as under:-

1. Mr. Peerzada Bashir joined on 4.4.1980 in the Department of Arabic;
2. The teacher was placed in Senior Scale (3000-100-3500-125-5000) vide order dated 21.2.1991 with effect from 22.04.1989;
3. Mr. Peerzada is due for placement as Selection Grade lecturer as per the applicable Regulations from 03.04.1997 (Pay scale 3700-5300) and re-designated as such, as per the [The UGC Act, 1956 (as modified upto the 20<sup>th</sup> December, 1985)], as he would be putting up 8 years service subject to the conditions by 3<sup>rd</sup> April, 1997 and subject to the conditions that he fulfils other conditions as required for both Open Reader and for Selection Grade Lecturer. Having faced the selection committee for the post of Reader and fulfilling other conditions, Mr. Bashir's progression will stand shifted to CAS scheme.
4. Thereafter, as per the Clause 6.8.0 and point 3.1 of its Schedule of UGC 2010 Regulation, Mr. Peerzada's is due for consideration of his placement in the Pay Band of Rs. 37400- Rs. 67,000 GP of Rs. 9000, and designated as Associate Professor as on 1 January, 2006.

### *Observation 1*

#### **Choice Based Credit System has not been introduced in the University**

##### *Actions Taken:*

In accordance with the Ministry of Human Resource Development (HRD), Govt. of India's initiatives for developing New Education Policy (NEP) in the country to bring in reforms in Indian education system, the University strictly followed the University Grants Commission's (UGC) directive to introduce the Choice Based Credit System (CBCS).

- The Choice Based Credit System (CBCS) has been introduced in the University of Kashmir from the academic year 2014 in all almost all postgraduate degree programmes offered by the University at its Main campus and Satellite campuses. The primary objective of the CBCS is to make the programmes student-centric rather than system or teacher-centric. The introduction of CBCS has given enough flexibility to students to choose the courses of their choice within and across faculties out of the diverse basket of courses.
- By feedback from the students and faculty, the CBCS scheme was improved significantly over the subsequent year's right from the academic session 2015 with an aim to make it more effective, result oriented and student friendly. Under the modified CBCS a master's student is required to complete 12 core credits, 8 Discipline Centric (DCE) credits, and four credits from General Electives (GEs) in each semester. Besides, there is a range of discipline-centric, generic and open elective courses that the students can choose from to earn remaining credits of the requisite 96 credits for a Masters programme.
- A maximum of 6 credits in a semester are to be earned by a student from the discipline centric courses in the concerned department. A student is also required to obtain at least 6 Credits in a semester from the Open and Generic Courses offered by departments other than his /her parent department. A student can opt Generic and Open Electives from any of the Departments of the University/ Satellite Campuses/ P.G Centers.
- The CBCS is continuously monitored to ensure its effective implementation with a seniors Professor designated as Chief Coordinator CBCS along with a team of Coordinators. The University is open to any suggestions/modifications that would make CBCS more meaningful regarding desired deliverables and outcomes.

- From 2017 the “Choice Based Credit System (CBCS)” for Post-Graduate Programmes for the academic session 2017 was modified further in the light of the UGC guidelines adopted by the University to ensuring that a ‘cafeteria’ type approach of learning be provided to students. The Modified Scheme is directed to strengthen the core component of the PG Programme while allowing the students to take courses of their choice within their respective schools and also across schools in case of Open Courses. The Scheme while retaining the interdisciplinary approach to learning entails a good number of new skill-based open courses.
- The semester based CBCS has also been introduced in under-graduate (UG) programmes offered in different affiliated colleges of the University from the academic year 2016. The duration of each of the UG Programmes extends over six semesters (three academic years). Each semester is of at least 16 weeks with 22 credits in a semester and 132 credits in 3 years for a General Course and a total of 148 Credits for an Honors’ Course.
- Besides the Core Courses and Elective Courses, there are Ability Enhancement Courses (AEC) offered under the UG-CBCS. The AECs consisting of 2 papers of 4 credits each are taught in first and second semester each with the content that leads to knowledge-enhancement in the Environmental Studies and Communicative English. The Skill Enhancement Courses (SECs) comprising of 4 papers of 4 credit each are taught from the 3<sup>rd</sup> to 6<sup>th</sup> Semester to impart knowledge of different open and soft skills to the students.
- From 2016, the University has adopted the credit transfer policy to facilitate the students to undertake the courses of their choice in any of the institutions within or outside the state or country.

## *Observation 2*

### **Feedback from stakeholders like Alumni, Parents, Community and Employees is only through informal interaction**

#### *Actions Taken:*

- Recognizing the significance of the feedback in improving performance, the University has succeeded in developing both the formal and informal systems of feedback. Directorate of Internal Quality Assurance has been seeking manual feedback from student community, the most important stakeholders, especially the outgoing batches on a prescribed format up to 2014. However, the University introduced online feedback system from the academic session 2015. In 2015-16 academic session 1655 students participated in the feedback process and evaluated 290 teachers while in 2016-17 the number of students who participated in feedback rose to 2826 and so rose the number of teachers evaluated by them to 323.
- Other stakeholders give their opinions, suggestions, or register complaints etc. on the feedback/grievance forum through the feedback/grievance portal of the university through its website (<http://egov.uok.edu.in/feedbackforum/>). Alumni, parents, community members and employees also participate in the feedback process (see the details below). For instance, more than 9000 students, around 400 employees, 218 research scholars and many other stakeholders have registered their feedback in the online feedback forum. Moreover, the students can voice their concerns and complaints online round the year on the feedback/grievance portal of the University DIQA website.
- In addition to this the university has also been collecting feedback from.
- For any instant queries and feedback, the contact details (official address, phone numbers, email id etc.) of key University functionaries such as Vice-Chancellor, Dean Academic Affairs, Dean Research, Dean College Development Council, Registrar, Controller of Examinations, and PRO etc. are available on the University website. They are thus accessible to not only the students and university fraternity but also to the general public via phone, email, SMS, WhatsApp etc.
- Frequent meetings are held by the University authorities formally with student representatives, research scholars, alumni and parents to seek their suggestions and to address issues of concern or grievances.

- Grievances pertaining to University received by the office of the Hon’ble Chancellor and State Higher Education Department are also properly addressed.
- The Alumni Association conducts meetings on different issues pertaining to feedback from stakeholders and prompt follow up action is taken to redress the grievances or address issues of importance.

### *Observation 3*

#### **More initiatives are required for introduction of interdisciplinary courses**

##### *Actions Taken:*

- Some interdisciplinary masters programmes, such as Nanotechnology, Disaster Management, M. Tech Embedded Systems, M. Tech. Computer Science and Engineering, Microbiology, Archaeology etc. were introduced during the assessment period. The interdisciplinary programme of Bio-resources has been running now successfully for last 7 years. Besides, a number of departments such as Madanjeet Institute of Kashmir studies, Centre of Central Asian Studies (CCAS), Iqbal Institute of Culture and Philosophy, Markaz-i-Noor Institute of Sheikul Alam Studies are also running some interdisciplinary programmes.
- The University has switched over to the “School System” mainly to promote interdepartmental and interdisciplinary teaching and research. The faculty recruited at the School level teach across different departments within a school.
- To forge the interdepartmental collaborations within the University, the University was granted a Centre for Potential of Excellence in Himalayan Biodiversity by UGC, which provides a platform for the interdisciplinary teaching and multidisciplinary research. The Departments involved in this programme include Botany, Zoology, Biotechnology, CORD and Geography.

- The University has successfully implemented Choice Based Credit System (CBCS) system both at PG and UG levels which provides every student an opportunity to choose courses from diverse disciplines. Students now take courses of their choice in terms of Open Elective Courses in any Department of their choice.

#### *Observation 4*

- a) **No specific bridge/ remedial programmes offered to students belonging to disadvantaged communities and slow learners**
- b) **No student-mentoring / tutor-ward system present**

#### *Actions Taken:*

- The supplementary classes are arranged for the slow learners. Some teachers even take zero classes for the slow learners.
- University has taken a major leap in the production of e-tutorials, e-contents and MOOCs so that they are available all the time to slow learner's beyond classroom timings to learn at their convenience. The e-tutorials can be accessed at <http://egov.uok.edu.in/elearning/>, the details of MOOCs are available at <http://emmrc.uok.edu.in/Main/ViewPage.aspx?Page=mooc&active=lnk3>, while the e-content details are at <http://emmrc.uok.edu.in/Main/Default.aspx>.
- Under the CBCS the tutorial component has been added and the student-mentoring / tutor-ward system has been put in place. Tutorial system acts as a pedagogic model to create special learning opportunities through interactive sessions in which students defend, analyze and critique their own ideas or that of a fellow student and even their teacher's ideas and arguments.

- A special position of the Academic Councilor has been created in all the Departments of the university to have personal rapport with the students and counsel them regarding the ideal choice of the courses and the selection of appropriate departments where the courses are to be undertaken under the CBCS system.
- To help the slow learner, mentor-mentee system has been put in place that enables them getting enough time for interaction with their assigned mentors.

### ***Observation 5***

**Only about 25% of faculty has served as resource persons at conferences/seminars**

#### ***Actions Taken:***

Post accreditation, the University has made a quantum jump in the number of faculty members who have served as resource persons in conferences / seminars held the various parts of the world. The UGC Human Resource Development Center of the University has organized more than 80 General Orientation Courses, Refresher Courses, Summer Schools, workshops and other programmes since last reaccreditation cycle in which more than 8000 teachers participated and a number of faculty members of the University of Kashmir served as resources persons, besides the eminent resource persons of national and international repute. The exhaustive list of these members is given in the annual reports available on the University website at: <http://diqa.uok.edu.in/Main/ViewPage.aspx?Page=3eaa3be6-bb46-4d27-bf8f-60a319cf84c2&active=lnk3>.

### ***Observation 6***

**Only 55% of programmes focus on experiential learning**

#### ***Actions Taken:***

Post re-accreditation, the University has paid a special focus on experiential learning. More than 90% of the programmes directly offer emphasize on field-based projects, internships, industrial tour, field surveys and site excavation. The other modes of experiential learning include moot courts and legal aid programmes for the students of LAW, attending General Assembly sessions by the students of political science, youth parliament activities for other students to mention a

few. Besides, the students of Journalism work with the reputed National and Regional Media Houses, Students of Management and Pharmacy regularly attend internships with industry and corporate houses. Students of Food Science and Technology Department learn through experience of mushroom cultivation, food processing, preparing jams and jellies, etc. Further, with introduction of CBCS at both postgraduate and undergraduate levels students enrolled in programmes which have no or less experiential component, now move to other departments and take a course / courses which focuses on experiential learning. Furthermore, various university departments and centers such as Directorate of Life Long Learning, USIC, etc. offer short-term courses such as mobile repairing, food processing and packing, mushroom cultivation, bee hiving and tanning programs in collaboration with various NGOs with entire focus on experiential learning.

### *Observation 7*

**a) A large number of young faculty is yet to receive research projects**

**b) No provision for seed money for research**

#### *Actions Taken:*

- 187 projects are presently going on with a financial outlay of Rs. 69.84 crores of which Rs. 42.67 crores stand released. Most of these projects have been granted to the young faculty.
- Post-reaccreditation, the number of young faculty has dramatically gone up. Besides earning about 70 research projects funded by various national funding agencies, some of our young faculty earned highly competitive international projects as well such as Indo-US, Indo-Canadian and Indo-German. Various funding agencies that have granted these projects include ICMR, ICSSR, ICPR, DBT, DST, SERB SERC, Department of Ayurveda, Yoga and Naturopathy, Unani, Siddha & Homeopathy, Govt. of India, Department of SPACE, Ministry of Law and Justice Govt. of India, Ministry of Environment & Forests, Ministry of Earth Sciences and University Grants Commission with an outlay of financial assistance amounting to Rs. 6. 43 crores.
- The number of departments with special assistance from the funding agencies such as UGC, DST, and DBT significantly increased during the assessment period. The 15 specially funded departments or centres of the University include 7 with UGC-SAP, 9 with DST-FIST, 1

DST-SERB, 2 DBT and 1 UGC-CPEPA. Mostly the young faculty is involved in running these projects.

- Seed money worth Rs 50,00,000.00 was distributed among the young faculty members to carry out their research activities and set a stage for applying for research grants from various funding agencies. The dividend of such an effort was exponential increase in the number of grants earned by the young teachers.

Fig. 1: Increasing trend of Departments with special funding over the years

### *Observation 8*

**Research output is not commensurate with the high percentage of faculty having Ph.D. since the ‘h’ index of the University for 2002-2011 is only 15 with average citation of 1.8**

### *Actions Taken:*

Cognizant of the aforementioned observation, the faculty members of the University during the post-reaccreditation assessment period published their research work in reputed international journals with high impact factor. An independent analysis of the quality research publications by the University has identified **3290** papers in the most standard international databases in the period **from 2013 to 2017**.

Fig. 2. Publication trend of the University of Kashmir from 2013 to 2017 shows an increasing trend over the years (a) in general and (b) in major databases such as SCOPUS, Web of Science, PubMed, ICI etc.

The number of citations to publications produced by University of Kashmir has shown a respectable increase. The number of citation to the articles published has shown a considerable increasing tread as can be seen from figure 3 below.

Fig. 3. Citation Trend line

The total number of citations to publications has reached 8,119 citations from 2001-2016. The h-Index, based on the distribution of citations received by a given university's publications, is considered as one of the most robust indices of the quality of research. A quantum jump in the h-index of the University from a mere 5 in the previous accreditation cycle to 43 in the post reaccreditation period is the indicator of the priority and pace that research has taken in the university. The h-Index of 'University of Kashmir' in Scopus has reached to 43 in the year 2018.

Fig. 4: h-Index of the University of Kashmir [SCOPUS]

### ***Observation 9***

#### **Awards and recognitions in the field of extension activities are absent**

##### ***Actions Taken:***

The University has done an exemplary work in the field of extension activities during the assessment period that stands duly recognized through a series of awards and appreciations from various quarters. For instance, the wide-ranging extension activities of the NSS have been awarded by the President of India in 2012. The University has added to its credentials a number of award winning documentaries and short films produced and directed by the EMMRC of the University on a variety of themes of societal relevance such as forest fires, waste management, floods and other natural disasters, biodiversity depletion, degradation of lakes and wetlands vis-à-vis restoration and other aspects of environment. One of the best extension activities of the University was the enormous help it extended to the flood hit areas and people during the historically devastating 2014 floods in the valley. The University has also awarded Special Appreciation Certificates to the departments and centres engaged in extension activities such as DLL, NSS, Social Work Department, Red Ribbon Club, DSW and University Landscaping Division. Of late, the University has also constituted such an award comprising of certificate and a cash prize of Rs 25000/= to be given to a department/employee/student of the University for outstanding contribution in the field of extension education.

### ***Observation 10***

#### **Need for further augmentation of equipment in some labs and creation of infrastructure is felt**

##### ***Actions Taken:***

- The University has made a remarkable progress during the present assessment period in terms of earning about 200 major research projects, including some international projects, from different funding agencies through which the equipment has been significantly procured and augmented in the labs.
- The number of Departments receiving special funding under SAP, FIST, and BSR etc. increased significantly through which new equipment was procured.

- Seventeen labs have been renovated / upgraded under RUSA out of which two model labs upgraded in the Department of Botany with State of the Art infrastructure were inaugurated by the then Hon'ble Minister of Human Resource Development, Govt. of India.
- The major equipment and facilities procured as central facility in the University during the assessment period include Portable Photosynthesis System, Flow Cytometer, UV-Visible spectrophotometers, Plant growth chambers, and Greenhouses.
- New labs have been created in the satellite campuses at Leh, Kargil and Kupwara which are in the process of being equipped with basic research facilities.
- Almost all the post-graduate science departments have upgraded their labs and added infrastructure and equipment by utilizing 50% of the revenue available to them through self-financing seats.
- A special central lab facility is created under the CPEPA with the State of the Art equipment worth more than 2 crores.

### ***Observation 11***

**Budget for maintenance needs to be enhanced. However, the existing maintenance is optimally used**

#### ***Actions Taken:***

- The assigned budget for academic facilities excluding salary for human resources was more than 102.81 Crores during last five years while the assigned budget for physical facilities excluding salary for human resources was more than 4.30 Crores, most of which is spent for maintenance during the period.
- The budget head for the Maintenance and Repair subhead has been enhanced from about Rs 1.00 Crores to 1.75 Crores by the State Government after resolution to this effect was passed by the Finance Committee and endorsed by the Syndicate and University Council.
- The University also spends a substantial amount for maintenance of labs and equipment out of the contingency and overhead part of the research grants. By virtue of the University Council decision 40% of overhead charges of the extramurally funded projects is at the disposal of the Principal Investigators and they have the flexibility to use it for maintenance of their labs and the equipment therein. Since post reaccreditation, University has earned substantially very large number of projects during the assessment period, the amount therefore is quite significant.
- Departments carry out many maintenance works out of the Local Funds of the various departments of the University.

### ***Observation 12***

**Library has no book bank, and reading room facilities need to be improved**

#### ***Actions Taken:***

- The book bank facility has been created in the University especially for the benefit of underprivileged and poor students not only at the Allama Iqbal Library (Central Library) but also at various departments like Department of Computer Science, Department of Electronics and Department of Law. Besides the hard copies being made available to them, they are given a special access to the e-book repository of the Central Library throughout the academic session.

- The Departmental/Seminar Libraries are also available in all the departments for all the students to borrow books round the year without any restrictions.
- The Library distinguishes itself by providing Remote Access Facility (RAF) to all its users. This facility helps the registered users to access all the e-Resources available with the Allama Iqbal Library from anywhere and anytime at their convenience.
- The Library has created the “Virtual Library” that acts as a gateway to thousands of free e-resources including e-journals, e-books, Open Courseware, Online libraries etc.
- The Library has digitized its collection of rare books, manuscripts, theses, etc. All the digitized manuscripts and rare books are available on the Allama Iqbal Library’s website and can also be downloaded freely.
- Reading room facilities have been improved both in terms of number and infrastructural facilities. One more spacious reading room has been created in the zero floor of the Central Library. Besides, 24x7 library facility is already in place in the ground floor of the Central Library.

### *Observation 13*

**20-25% of students pursue higher studies; no information about progression to research and employment.**

#### *Actions Taken:*

Over the years, the placement of students has significantly increased. For instance, 23.96 % of the students have been enrolled in the higher studies in the year 2017 and so is the trend for years before that. As compared to the previous reaccreditation cycle when the number of students awarded M.Phil and Ph.D was respectively, 305 and 234, in the present assessment period the number of M.Phil and PhD awardees is over 500 and 800, respectively. The upsurge in the number of students progressing to higher studies is depicted below:

Fig. 5: Number of students awarded M Phil and Ph D Degrees

Similarly, the number of students qualifying competitive exams at state and national level such as NET and SLET has also shown a significant jump from less than 3000 in the previous cycle to around 6000 during the present assessment period. While thousands of the University pass-outs have been employed in the Department of School Education at high school and higher secondary level, more than 1000 university pass outs have been appointed as the Assistant Professors in Colleges and Universities during the assessment period. The records in the Placement Cell of the University reveal that hundreds of the University pass outs have made it different national and multi-national companies either through campus placements or through other means. The University has a separate functional Placement Cell that exclusively deals with the career progression of the students. Most of the Departments have placed the student progression and employment details on their websites. The University is in the process of evolving an online interface through which the progression of students can be easily monitored.

### ***Observation 14***

**Girls participation in sports limited to 15.2% (overall), 10.1% at the inter-university level, 1.1% at the inter-departmental level; only 6 social service activities out 72 multi-component activities**

#### ***Actions Taken:***

The participation of girls in all the sports activities, including inter-department tournaments, inter-college, inter-university and, has remarkably improved. The University campus is quite busy with myriad of women tournaments every now and then. Girls have especially participated in sports, such a cricket, hockey, volleyball, badminton, cycling, judo, road race, table tennis, kayaking and canoeing. The year wise participation of girls in sports activities during the assessment period is given below.

| Year    | Inter-College Tournaments |       | Inter-Department Tournaments |       | Inter-University Tournaments |       |

### ***Observation 15***

**In the absence of computerized Management Information System, effective Governance becomes difficult**

#### ***Actions Taken:***

To bring the efficiency and transparency in the administrative and examination systems, the University in 2012 has successfully established Computerized Management Information System. The University has fully automated the process of student registration, admission, examination and result declaration. Further, marks secured by students are shown online with provision of

showing scanned copy of the evaluated papers. Manual award submission has been replaced by online award submission system. Other prominent initiatives taken by the Directorate of IT and SS of the University with regard to automation through computerization include:

- Successful implementation of Electronic File Tracking System to dispatch, receive and track file moment in the University Campuses
- e-Governed e-Office Management System with a provision for online proposal submission and disposal through eNote/s and e-Office
- Online application filling, fee payment and status updates
- e-Governed Centralized Admission System fully automated and online (single window admission process with One Student One Form, No Examination Form, No Registration Return and Single Programme Enrolment Number in place)
- e-Governed UG Semesterised Choice Based Credit System (CBCS)
- e-Governed Recruitment automation has been established which features that include: automated calculations of API scores, short-listing and call letter generation with auto SMS and email submission systems
- Established an archive for storing backup copies of sensitive documents.
- Established Online Grievance Cell
- Online Financial / Account Management system in progress

In addition to above measures, the Directorate of IT and SS has succeeded in establishing the following systems:

**e-Admissions:** This system has been developed to automate all admission processes of the University. Students submit admission forms for various programmes of the University from any place with an access to the Internet. The fees can be paid through online mode using payment gateway or can be paid through offline mode in any branch of the JK Bank and can be reconciled online with the forms submitted.

**File Tracking System ([fts.uok.edu.in](https://fts.uok.edu.in) or [egov.uok.edu.in/fts](https://egov.uok.edu.in/fts)):** File tracking system introduced by the University 2015, is an application to monitor the files and assist in their easy tracking. It is an integrated package which has features such as, opening of new files, tracking the movement of the files, dispatch of letters/files and finally records management. The application has been developed to provide a complete visibility of the file during its movement in approval process

and offers an efficient electronic system to govern administrative activities. This electronic system makes file tracking and retrieval easy. The system provides various functionalities to different users.

**KU Android Application** (<http://egov.uok.edu.in/Results>): KU Android Mobile app allows students/employees to be updated about all the notifications/events/latest news of the University. This application allows students to check status of various applications like Result/Student Academic Details/Certificate dispatch status etc. Using this app, a user can view:

- Coming events;
- Notifications about various things like admissions, jobs, tenders, etc;
- Student details, results, migration status, etc;
- Integrated notification from all departments/campuses;
- Employee salary statement and attendance;
- Department information and location;
- Telephone Directory;

**Revaluation Module:** With the help of this application, a student can apply online for re-evaluation by selecting the desired paper/subject. In fact, it enables the student to check the status of his/her application as and when s/he requires. The University has made a roadmap to have e-governance system in-place for all other academic, research and administrative functions.

**URL:** <http://egov.uok.edu.in/Results>

With the help of this application, a student can apply for reevaluation by selecting the desired paper/subject, also it enables the student to check the status of his/her application.

### ***Observation 16***

**A well-conceived Human Resource Development and Management programme continuum from recruitment till superannuation needs to be put in place**

#### ***Actions Taken:***

As an unwritten policy matter, the University encourages and facilitates teachers for career progression with specific needful things at specific stages of career progression. The University encourages and facilitates teacher's right after their recruitment to attend induction programs,

orientation courses and refresher courses. The University also provided seed money to its young faculty to start their labs and set a stage for applying for extramural grants and become rather more independent scientists. Moreover, teachers are encouraged to attend training workshops, seminars and symposia organized at national and international level. Since 2013 as many as 801 faculty development and other related programmes have been attended by the teachers within and outside the country. In the past few years, around 35 teachers have availed opportunities to work in foreign universities which has given them international exposure. After the initial stages, for further career progression through different stage up to the superannuation, the University motivates the teachers to give their best and rewards them for their exceptional contributions in different ways. The University contemplates out of turn promotions and some additional increments for teachers who perform outstandingly well. The teachers in their advanced stages of career who show promise in terms of their administrative and leadership qualities, are involved in various academic administrative positions.

### *Observation 17*

**University has not received any major donation. Potential to generate income from consultancy is not fully realized**

#### *Actions Taken:*

The University has managed to get significant donations over the last few years. For instance, South Asia Foundation has donated scholarships worth more than 150 crores for South Asian Students through Institute of Kashmir Studies. Recently, J &K bank donated Rs. one crore to the University. Also worth mentioning amongst these include ambulances donated by J&K Bank, two vehicles donated by Indian Army, additional ambulances donated by Chief Minister, Ashaie Reading Room and two special vehicles for disabled people by J&K Bank. Of late, the J&K Bank has agreed to sponsor all the gold medals in the Science stream. 100 bicycle have been donated by J & K Bank recently.

Regarding consultancy, the University has undertaken a series of consultancy projects and generated significant income as detailed below:

**Table: Details of consultancy projects conducted by the University of Kashmir**

| <b>S. No.</b> | <b>Title of the project and duration</b>  | <b>Amount sanctioned (in lacs)</b> | <b>Funding Agency</b>                            |

### *Observation 18*

#### **The Directorate of Internal Quality Assurance (DIQA) needs to be further strengthened**

##### *Actions Taken:*

- The Directorate is headed by Director/Chief Coordinator supported by a Deputy Director, five Coordinators, one Information Officer, some IT professionals and an office looked after by the Section Head. The post of Deputy Director DIQA was advertised and filled up on 31-01-2014. The positions of 03 Assistant Directors DIQA will be filled up shortly.
- Presently the DIQA functions in a spacious 5 room accommodation, in addition to a Central Documentation Centre that works under the ambit of DIQA.
- The DIQA has extended its base to all the Departments and the Satellite campuses wherein separate Departmental Internal Quality Assurance Units (DIQUs) have been created under the chairmanship of Head/Director of the Department/Centre and one faculty member as Nodal Officer who liaisons between DIQA and the Department/ Centre. The DIQAU comprises of various faculty members, research scholars and student representatives. The Nodal Officer looks into the matters pertaining to Quality Assurance at Departmental level.
- The Directorate has also Advisory Board comprising of alumni, civil society representative and eminent scholars from different walks of life.
- The DIQA also looks after the All India Survey on Higher Education (AISHE) with a fully functional AISHE Cell.
- Moreover, the Statistical Unit of the University under the aegis of DIQA was further strengthened with the creation of a Central Documentation Cell.
- The DIQA is involved in the screening of the application forms for recruitment and promotion under CAS of faculty and also for the direct appointment of the teachers and officers. Five members from DIQA are members of the Central Screening Committee of the University.
- The details are given at the following link: <http://diqa.uok.edu.in/Main/Default.aspx>

### ***Observation 19***

#### **No regular mechanism exists for compiling the incremental academic growth of students from disadvantaged sections**

##### ***Actions Taken:***

The University has adopted measures to track the growth of all students including those from disadvantaged sections. There are provisions in place to help such students to cope up with the challenges in their academic pursuits. A regular record of students admitted in various courses under different categories is maintained by the Dean Student's Welfare Office, which is also planning to develop a mechanism to track their progression. Moreover, the Directorate of Lifelong Learning (DLL) and Women's Studies Centre has geared up in the recent years to address the issues of students of disadvantaged sections including their academic growth. For instance, the DLL has taken several initiatives to set up various skill development centers at various places of the valley for disadvantaged sections of the society.

### ***Observation 20***

#### **More efforts required to involve parents, employers and other stake holders for the institution building in a systematic manner**

##### ***Actions Taken:***

- The University solicits feedback, suggestions and grievances from the parents and other stakeholders regarding various aspects of institution building through a dynamic web based interface.
- Various important bodies of the University such as University Council, Academic Council, Research Council, Boards of Studies, DIQA Advisory Committee, Planning Board, University Cost and Works Committee, Library Advisory Committee etc. have some respectable members from the civil society.
- The University switched over to a zero budget approval framework for which two members are senior and reputed bureaucrats of the State Government whose feedback is pretty important to formulate policies and allocate resources to different departments depending upon the public and state priorities.

- On an average at least around 15 delegations including parents, employers and other stakeholders' call upon Vice Chancellor, and of course other major functionaries of the University, to give their feedback regarding institutional betterment and progress.
- On the recommendations of NAAC 2011, the University established a Centre for Societal Interface at the Department of Sociology that acts as a liaison between the University and Society for different aspects that help in institutional building in a systematic manner.
- The details are given at the following link: <http://egov.uok.edu.in/feedbackforum/>

### *Observation 21*

#### **To attract dedicated Faculty members of National competence overcoming location and Socio-Economic Constraints**

##### *Actions Taken:*

- The University has created a special provision for scholars with exceptional background and prestigious fellowships such as Ramanujan Fellowship, Ramalinga Swami Fellowship, DS Kothari, Inspire Faculty Programme etc. to work on tenure five years after which they are taken on regular faculty by a virtue of the approval of University Council.
- The open faculty positions are advertised nationally and there is a provision for interview through Skype to overcome locational constraints. The candidates not only from different states of India but also from various foreign countries appear in such interviews.
- The University has significantly improved over the years in terms of its linkages and collaborative discourses with the institutions of excellence, nationally and internationally that significantly facilitate faculty exchanges.
- Besides having residential quarters for faculty and ministerial staff, the University has spacious guesthouses with all modern facilities, a dedicated hostel for international students and scholars has been commissioned during the period.
- The retirement age for the teaching faculty has been increased from 60 to 62 years and efforts are on to get the age enhanced to 65 years as per the UGC guidelines so that it adds to the attraction of scholars to target University as a potential employer.
- The quality academic discourse and research work carried out by the University has been duly recognized by the MHRD by ranking the University in top 50 Universities of the

country that surely makes this institution as a preferred destination for the eminent scholars regardless of the location barriers.

### ***Observation 22***

**To attract more students from diverse backgrounds and other states and institutions a mechanism to promote and measure incremental Academic growth among the University students**

#### ***Actions Taken:***

- In response to this observation, the University has taken the following measures:
  - 2% reservation has been made for outside the State students and 5% reservation for foreign nationals over and above the intake of each programme.
  - The University has established satellite campuses in geographically far off regions such as Ladakh and Kargil and Kupwara to attract students from diverse backgrounds.
  - Further, the sub office at Jammu is attracting students from diverse background and also students from other states to our distance education courses.
  - The novel thrust areas of research in the Institute of Kashmir Studies such as International Relations, SAARC Countries Pluralism and Composite Culture of Kashmir, Human Development, Political Economy of South Asia, Governance and Development in India, Gender and Society in South Asia, Literature of South Asia, Kashmir Philosophy and Learning, Kashmir and Central Asia has helped Kashmir University to attract students from diverse backgrounds from all the SAARC countries and other states of the country.

### *Observation 23*

**To bring about formal collaboration and linkages through MoUs and agreements with National/International Universities and institutes to cope up with the advances due to internationalization of higher education**

#### *Actions Taken:*

During the post accreditation period, the collaboration network of the University has significantly improved. The University is not only a part of some national network projects but has also been in a position to get some prestigious international collaborative projects. Some of the worth mentioning collaborative projects are annexed herewith. Tens of MOUS have been signed post accreditation with reputed organizations and institutions of higher learning. The following MOUs signed with reputed organizations and institutions are worth mentioning:

- Montana Tech, University of Montana, USA
- Universality of Delhi
- Eurasian Research Institute (ERI), Akhmet Yassawi University, Kazakhstan
- Bedil International Foundation, New Delhi.
- Centre for Central Eurasian Studies, University of Mumbai
- Academy of Third World Studies, Jamia Millia Islamia (JMI), New Delhi
- Indian Council of Cultural Research (ICCR), Regional Office Srinagar
- Management Development Institute, Gurgaon, India
- MoU signed with International Union for Conservation of Nature and Natural Resources (IUCN) Academy of Environmental Law, University of Ottawa, Canada
- International Union for Conservation of Nature and Natural Resources (IUCN)
- Academy of Environmental Law, University of Ottawa, Canada
- Management Development Institute, Gurgaon, India.

### ***Observation 24***

**Evolving the University as a residential campus for all needy teachers, researchers and students to maximize productivity of research and quality in teaching, learning and extension outputs**

#### ***Actions Taken:***

The residential character of the University has been strengthened over the years right from 2012 onwards. The following measures are worth mentioning in this regard:

- In addition to the residential flats for all levels of faculty in the main campus, there is a dedicated residential campus at Mirzabagh just adjacent to the main campus.
- The satellite campuses including Leh and Kargil are completely residential, while in North and South campuses also there are staff quarters and hostels for students.
- Two new girls' hostels one for PG students and one for research scholars with a capacity of 160 students each came up in the main campus over the assessment period. Overall, there are four girls' hostels on the main campus.
- Meanwhile University has constructed two hostels at Zakura Campus, one having a capacity of 238 students and the other one with a capacity of 250. One more boys' hostel with a capacity of 170 came up at the Main Campus to cope up with the requirement of the students for providing better Hostel accommodation. Including one scholar's hostel with a capacity of around 60, there are four boys' hostels on the main campus.

### ***Observation 25***

**Students Performance evaluated through continuous assessment schemes with 20% weightage evaluation examinations**

#### ***Actions Taken:***

- 20% weightage has been vogue for all PG programmes of the University where the performance of the candidate is assessed by the concerned teacher. Of late, the University even switched over to a “continuous assessment-based examination” system placing more emphasis on the continuous assessment.

- The contents of the assessment test are being decided by the Departmental Committees and the performance of the students is excellent both in terms of pass percentage and the marks obtained.

### *Observation 26*

#### **Mechanism for grievance redressal regarding evaluation exists, even though provision for photocopies of answer scripts does not exist**

#### *Actions Taken:*

- Mechanism for redressal of grievances of students has been implemented to the satisfaction of students. Earlier, any student who is not satisfied with the evaluation of his/her answer script could apply for revaluation. This is still vogue. However, of late the University has made it mandatory for teachers to have the evaluated answer scripts endorsed by the students before the submission of awards.
- From the Academic Session 2016-2017, the students after upload of marks award by the concerned teacher are now in a position to instantly move the Chairperson of the Departmental Committee with their grievances for a resolution regarding their evaluation within three days. If a student is still not satisfied, he/she can register a grievance before the concerned Dean of the Faculty and also the Dean Academic Affairs.
- Especially from the Academic Year 2017, the University has switched to a 'Continuous Assessment Based Scheme' of examination for all P.G. Courses in which students need to appear in examination immediately after the completion of the first unit in each paper. The answer scripts are returned to the students after evaluation for their cross-examination and any doubts/grievances are discussed by them with the teacher concerned. After the students are satisfied with evaluation and put their signatures on the answer scripts, they are returned to the teacher and kept ready for the end term exams. This helps students identify their deficiencies within the course of writing one exam.
- In addition to the above, the University has adopted a procedure in 2016 whereby a student after the declaration of results can apply for re-evaluation of his scripts which involves a face-to-face discussion with the examiner in which the latter has to justify his/her evaluation.

If the student is still dissatisfied, he/she can approach the HOD/Dean Faculty /Dean Academic Affairs for getting the grievance redressed.

- If a candidate requests for a photocopy of his/her answer scripts, the same is being provided under RTI Act.
- Furthermore, in PG Entrance Test, all the students get back the copy of their OMR sheet as well as question booklet. The key to each booklet is made available on the University website on the very day of the conduct of the Entrance Test to solicit any complaint /grievances from the candidates regarding the questions. The Departmental Committee of the subject concerned takes note of the complaints (if any) and a revised key is uploaded within 12 hours.
- Prior to the issuance of the final selection list, the merit list of the aspirants is kept available on the University website for the sake of transparency in admissions to various programmes of the University.
- The University from academic session 2016-17, has introduced the SMS alert facility for students concerned by virtue of which they get a copy of the marks award as soon as it is uploaded by the evaluator concerned.

### ***Observation 27***

#### **Security of evaluation system needs to be better addressed and result declaration needs to be expedited**

#### ***Actions Taken:***

Several measures for the security of evaluation system and timely declaration of results have been taken over the years. Some of the major measures are summarized below:

- Coding of the answer scripts before they are delivered to the evaluators for evaluation.
- The evaluation is done mostly at Centralized Evaluation Centres under the respective Head Examiners.
- Circulation of 'evaluation guidelines' among all examiners at each evaluation centre before the beginning of evaluation process.
- Surprise visits by the top officials of the Examination Wing to ensure that guidelines are followed in letter and spirit, are now an integral component of evaluation process.

- The examinees upload the awards from their own account created for each examiner. The same is being used by the Automation Section for preparation of result.’
- E-award / SMS inform students about their results prior to the declaration of results.
- Before the result is declared, three printouts of the marks files are obtained and the same are verified twice by reference to answer scripts to doubly ensure that there is no discrepancy between the marks awarded by the examiner and those entered by the data operator. Though this procedure leads to some delay in the declaration of the results, but it has given lot of respectability to our results.

### ***Observation 28***

**To keep academic calendar intact and to conduct the University examinations and announce the results of these examinations in time in the background of locational and climatic changes of the State and to take care of the career advancement of the unsuccessful students**

#### ***Actions Taken:***

- Painstaking efforts at all possible fronts have been made to put the academic calendar on track. At postgraduate level, the University has de-centralized the conduct of examinations by authorizing the Heads of the Departments to conduct the examinations of students enrolled at their respective departments, evaluate their answer scripts within a stipulated time and submit the awards to the Examination Wing for declaration of the results. This has significantly helped to the conduct of examinations and declaration of results in time.
- With the introduction of the Choice Based Credit System (CBCS), the University has switched over to a carry on system in post-graduate programmes where a student has to pass a stipulated number of credits within a span of 5 years in a flexible manner. With the introduction of semesterised CBCS from 2015-2016 academic session at the undergraduate level, similar carry on system is followed at the undergraduate level.
- The University is in process of converting the status of positions of teachers from vocational to non-vocational in order to meet the time line of academic calendar. Moreover, the University has already shortened the period of winter vacations by about 15 days. With the cooperation of teaching and non-teaching staff of the University, the University despite the

devastating floods of 2014 restored the academic calendar. The faculty conducted zero-classes, conducted classes in vacations and holidays to safeguard the future of its enrolled students.

- The timely admissions to various programmes is key to commence the classwork timely. In past the University used to conduct the entrance test examination for its postgraduate programmes only after the deceleration of the result of the final semester of undergraduate programmes. Since 2015-2016 academic session, the admission process to various postgraduate programmes commences before the deceleration of the results of final semesters of undergraduate programmes. This has saved nearly two months and new sessions now begin in accordance with our academic calendar.

### ***Observation 29***

**Person holding charge of more than one department / office need to be minimized**

#### ***Actions Taken:***

The process of one man one post has been implemented wherever possible.

### ***Observation 30***

**Evolving a robust and transparent Internal Quality Assurance System to facilitate the holistic quality mechanism at the University**

#### ***Actions Taken:***

Following the recommendations from NAAC, a robust and transparent internal quality assurance mechanism has been evolved in the University to institutionalize the process of quality assessment and improvement in teaching, research and administration. Some salient features of the functioning of Directorate of Quality Assurance (DIQA) are:

- Monitoring and evaluation of the teaching and learning process with the help of various committees, coordinators and Nodal Officers.
- DIQA has appointed the Nodal Officers for each Department who liaison with the Directorate regarding existence and working of various facilities to the satisfaction of

students. DIQAUs organized debates, extension talks and guest lectures in the Departments for which a provision of honorarium is there out of DIQAU funds.

- The DIQA undertook critical assessment and evaluation of the research output of the University through a third part intervention and identified the best individuals and departments. DIQA continues with critical review of the research footprint of different departments in standard international databases, especially Web of Science, Scopus and ICI (Indian Citation Index).
- The DIQA, being one of the important parts of the screening process, ensures that the best possible candidates are recruited. It ensures implementation of Performance Based Appraisal System (PBAS) of teachers in light of UGC guidelines for promotions.
- One of the important quality assurance features of DIQA has been to regularly collect feedback of students about teachers and other academic aspects of the University. The feedback is shared through Dean Academic Affairs and concerned Deans with faculty members. The evaluation by students helps the faculty member in improving upon the teaching pedagogy and alerts them to any shortcomings whatsoever. A consistently poor performance in student feedback calls for measures such as extension of probation period for the newly appointed teachers and stopping of an annual increment for a permanent faculty member.
- Reviewing of teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals is an essential activity carried out by DIQA.
- DIQA coordinates the presentation of University for different accreditations and rankings in and outside the country. The recent placement of the University at 47<sup>th</sup> rank among the Indian Universities by NIRF and its performance under QS ranking are some of the indicators of its quality.
- DIQA also awards certificates of appreciation to the best teachers in terms of their research contribution.

### *Observation 31*

**Strengthening of the existing Internal Quality Assurance Cell by the name, “Directorate of Internal Quality Assurance (DIQA)” as a statutory body of defined powers and functions with IT – Component, infrastructure and manpower to evolve as the Central documentation cell and to facilitate quality sustenance and quality enhancement:**

#### *Actions Taken:*

Following the NAAC recommendations, Directorate of Internal Quality Assurance (DIQA) was set up at the University for realizing the goal of quality enhancement and sustenance.

- The DIQA acts as a watchdog for quality assurance in the University. It is the main Documentation Centre of the University, and jointly with the Directorate of Information Technology and Support System (ITSS), the DIQA procures online data from all the Departments/Centers and faculty members through a web-based portal. The DIQA periodically publishes various reports such as Annual Report and Annual Quality Assurance Report reflecting various facets of progress by the University.
- The DIQA is advised by an Advisory Board under the Chairmanship of the Vice-Chancellor comprising of eminent academics, representatives of the State Government such as Commissioner Secretary of Higher Education, civil society members, eminent alumni and scholars from different walks of life.
- DIQA has extended its scope to the Departments and various campuses. Separate Departmental Internal Quality Assurance Units (DIQAUs) have been created under the chairmanship of Head / Director of the Department/ Centre/ Campus and one of the faculty member as Nodal Officer who liaisons between DIQA and the Department / Centre. The DIQAU has representation from faculty members, research scholars and student representatives. The Nodal Officer coordinates between the Directorate and the DIQAU.
- DIQA also looks after the All India Survey on Higher Education (AISHE) and has created a full-fledged AISHE Cell in the Directorate with Registrar of the University as its chairman. Moreover, DIQA looks after the Statistical Unit of the University, which has eventually emerged as a Central Documentation Cell.

- DIQA is involved in the screening of the application forms of faculty for recruitment and promotion under CAS as well as the direct appointment of officers. Five members from DIQA are the members of the Central Screening Committee.
- DIQA is mandated to collect and consolidate
- DIQA has over the years strengthened its IT component with the introduction of following measures:
  - Successfully designed and developed the framework for submission of online applications for various teaching positions, both for open recruitment and promotions under CAS, in collaboration with IT&SS with a mechanism of automated API score calculations.
  - Put into practice the mechanism of online feedback from students regarding evaluation of teachers in a highly transparent, yet confidential manner.
  - Automated the process of submission of departmental performance details by the Heads/Directors, and personal assessment details by the teachers on annual basis in a user-friendly and retrievable way. The portal is kept open round the year for regular updating which, in turn, becomes the basis for compilation of the University Annual Report and the Quality Assurance Report as well in a rather fool proof manner.
  - The DIQA has been provided the services of some IT professionals including an information officer, and 2 computer professionals who manage the IT section of the Directorate including an Information Officer, Technical Cell, and AISHE Cell.
- Further details are available at the following link:  
<http://diqa.uok.edu.in/Main/Default.aspx>

### *Observation 32*

**Re-introducing the “Faculty Talent Promotion Scheme” for all faculty members to provide exposure and expertise for upgrading knowledge, skill and attitude in teaching-learning, evaluation and research**

#### *Actions Taken:*

While the “Faculty Talent Promotion Scheme” as such couldn’t be reintroduced in view of the lack of financial support, nevertheless the University has taken several initiatives to enrich the talent of its faculty members.

- The University deposes teachers to various institutions of repute at national and international level for various programmes.
- Around 20 faculty members have availed postdoctoral fellowships in reputed international/national universities during the past few years.
- UGC HRDC at the University regularly conducts a series of training programmes, orientation and refresher courses for updating and refreshing the domain knowledge of University and college teachers. Since last reaccreditation cycle, around 80 such programmes were conducted by the HRDC. Besides, teachers are also deputed for refresher courses to various other national / international institutes of excellence.
- Faculty members of the University are facilitated and encouraged to visit various national/international laboratories to carry out their research work and research projects.
- Faculty members frequently attend National / International conferences and present their research work in the form of research papers and posters.

### ***Observation 33***

**Strengthening of campus wide networking and intranet connectivity to successfully implement e-governance as end to end solution for students, faculty and stakeholders**

#### ***Actions Taken:***

- The main campus and the satellite campuses, including affiliated colleges, have been networked. Infrastructure has been procured over the years, software solutions have been developed in-house which cater to most of the requirements of students, teachers, administration and other stakeholders. However, there is a larger goal of going paperless and automating all the services pertaining to the University academic administration and examination.
- The internet connectivity has been extended to hostels, residential quarters, Mirza Bagh campus, and satellite campuses of the University.
- Moreover, all affiliated colleges are connected to the University network and all Government colleges have an IT Unit catering to their needs.

### ***Observation 34***

**Multi-dimensional motivational efforts by the University to facilitate all the departments and faculty to apply and secure centers for excellence in research and major research projects under UGC/ DST/ DBT/CSIR etc through performance-linked incentive scheme and de-bureaucratization of research projects administration**

#### ***Actions Taken:***

- The University has succeeded to get a Centre with Potential of Excellence in Himalayan Biodiversity by UGC under its CPEPA scheme. In this centre five departments of the University are working on different facets of Himalayan Biodiversity in a collaborative manner. Other departments are also encouraged to apply for such Centers of Excellence and the University is eventually targeting soon to apply for the University with Potential for Excellence.

- In view of the reasonably large number of research projects earned by the University during the assessment period, 40% the institutional overhead charges of the projects are kept at the disposal of the Principal investigators as a token of encouragement. Around 188 projects are ongoing with a financial outlay of Rs. 74,75,31,341.00 of which Rs. 47,34,72,425.00 was released. Nine Departments are DST-FIST funded, 06 are UGC-SAP funded and 02 Departments are DBT funded Departments.

### *Observation 35*

**The University being located in difficult area needs to have strong linkages with society to ensure societal development. A centre for University Society interface could be established towards this goal**

#### *Actions Taken:*

- Following the recommendations, a Centre for University Society Interface has already been established in the Department of Sociology with a senior professor as its head.
- The Directorate of life Long learning offers many job-oriented courses and skill development programmes to empower youth to take up challenges faced ahead.
- The University has full-fledged centre namely J&K State Resource Centre funded by Ministry of Human Resource Development, Govt. of India, New Delhi. It has a specific mandate to provide academic and technical support base in terms of material, training, field programmes, media backup, research, monitoring and evaluation to various sections of the society in all the three regions of the state comprising 22 districts in Jammu, Kashmir and Ladakh. The major objective of the Centre is to work towards building a literate, educated and disease-free society in J&K State and also, to provide resource support base for all literacy and adult education programmes conducted by the State Government or other Non-Government agencies.

### ***Observation 36***

**Attempts to institute autonomous college system in the University providing opportunities for affiliated colleges to become autonomous colleges and also to introduce semester system in the colleges and PG courses for eligible colleges**

#### ***Actions Taken:***

- Semester scheme has been introduced in the colleges followed by the introduction of CBCS as well.
- Autonomous status has been given to Islamia College of Science and Commerce and affiliated college of the University.
- Different PG courses are independently run by the eligible colleges for instance, Amar Singh College, S.P College, Islamia College, Women,s College, M.A Road, Govt. Degree College, Baramulla as an attempt towards their goal of autonomous functioning.
- First Cluster University comprising of 5 prominent city colleges has started functioning with Former Dean Research Kashmir University as its first Vice Chancellor.

### ***Observation 37***

**Provision of additional hostels for students in the background of the overcrowded present hostels, hygienic cafeteria at different locations of the University, modern shopping center. ATM facility and transport facility to the University may be taken up on priority**

#### ***Actions Taken:***

The residential character of the University has been strengthened over the years right from 2012 onwards. Following measures are worth mentioning in this regard:

- Two new girls' hostels one for PG students and one for research scholars with a capacity of 160 students each came up in the main campus over the assessment period. Overall, there are four girl's hostels on the main campus.
- Meanwhile University has constructed two hostels at Zakura Campus, one having capacity of 238 students and the other one with a capacity of 250. One more boy's hostel

with a capacity of 170 came up at the Main Campus to couple up with the requirement of the students for providing better Hostel accommodation. Including one scholar's hostel with a capacity of around 60, there are four boy's hostels on the main campus.

- Another hostel specifically for students pursuing civil services examinations has come up on the main campus with the support of Ministry of Minority Affairs, Govt. of India.
- One boy's hostel each has come up at South Campus and North Campus for students, besides residential quarters are already operational in south campus for teaching and non-teaching faculty members.
- Ladakh and Kargil campuses of the University are fully residential.
- A sports hostel has also been established for the residential purposes of the players participating in different sports activities and games.
- Five small cafeterias (*dhabas*) for student refreshment and one small club with all sports and fast food facilities have been established in the University. In addition, a University Cafeteria and a Café Coffee Day are also functional in the University. The cafeteria and canteens are also functional at satellite campuses as well.
- The Transport facility has been provided to the staff and students who come from different districts of the Kashmir Division on all important and major routes. Transport facility has even been extended up-to the Nowgam Railway Station from the main campus for those students who travel via train from different far flung areas and districts.
- Besides, transport facility is been provided to the students and staff who have been admitted in various satellite campuses of the University.
- Five ATMs of different banks have been installed across the University campus.
- A special shopping complex with modern facilities has been established in the University.

### ***Observation 38***

**Maximizing the use of ICT in the regular activities of the departments as interactive teaching–learning methods and by providing virtual classroom facilities and e-learning resources for all programmes of the Department of Open and Distance Learning**

#### ***Actions Taken:***

- Almost all the teaching departments in the University are using Information and Communication Technology (ICT) in their teaching-learning process.
- The EMMRC and Allama Iqbal Library have already introduced virtual classroom facility and e-learning resources on need basis.
- E-contents produced by the EMMRC are used by the target students not only in the valley but also across the country.
- Most of the Departments have installed the interactive boards, LCD Projectors and ICT related facilities to improve teaching learning methodologies.
- The Distance Education under the School of Open Learning has switched over to the soft version of learning material production and dissemination.

### ***Observation 39***

**Introduction of school system among the departments of the University, Deans concept for decentralization of academic administration with implementation for choice-based credit system and credit transfer facility to enhance collaborative teaching and research among the University departments**

#### ***Actions Taken:***

As a follow up to NAAC recommendations 2011, the School system was introduced in the University with the following is its structure:

| <b>Existing Nomenclature</b>        | <b>Revised Nomenclature</b>              |
|-------------------------------------|--|
| Faculty of Arts/Faculty of Oriental | School of Arts, Languages and Literature |

|  |  |

Deans are the chairpersons of the final defense committee for the conduct of MPhil and PhD viva -voice. They also forward the panel of examiners for the PhD thesis of the concerned candidates. With the implementation of choice-based credit system, the credit transfer facility was also simultaneously implemented to enhance collaborative teaching and research among the University departments.

#### *Observation 40*

**Modernizing the examination system to suit the locational and climatic challenges to the State keeping the academic calendar and time schedule of announcement of results intact and incorporating transparency by provision of Photostat copies of answer scripts to students who apply for**

#### *Actions Taken:*

- The entire examination system has been modernized and IT component has been introduced to each and every aspect of the examination. The University has initiated a number of measures to enhance transparency and accountability in academics and examinations.
- Under the typical climatic conditions, especially in winters, in view of the difficulties to carry question papers to different affiliated colleges physically, the password protected question papers are sent to the concerned Principals that can open it just before the onset of examination.

- The University implemented very effectively the e-transit and e-award system through which the evaluators upload the awards online.
- Live marks visualization enables students to see their marks as soon as the awards are uploaded by evaluators. This way the students have not to travel all the way down to the University for Various Result related issues.
- Application process for revaluation has been made online. Any student who is not satisfied with the evaluation of his/her answer script can apply for re-evaluation subject to fulfillment of necessary criteria. Besides revaluation, the student can also apply for rechecking of answer script.
- In the PG entrance test all the students retain a copy of their OMR sheet as well as question booklet. In case of other exams as well, if a candidate requests a photocopy of his/her answer scripts, the same is provided as well.
- Student approval for answer book evaluation mandated to make evaluation process completely transparent. Students have been empowered to make them feel comfortable in the system. From 2016-17 onwards the students are in a position to instantly move to the Chairman of the Departmental Committee with their grievances for a resolution within three days. And if a student is still not satisfied, he/she will be at liberty to register his/her grievance before the Dean concerned, and also the Dean Academic Affairs if needed.
- The Degree Certificate has been modernized with a number of smart features.
- The University became one of the only few institutions in the country to be completely compliant with the National Academic Depository (NAD) and a dedicate Directorate of NAD and Data Analysis was established.
- In-house built student friendly mobile App. developed to facilitate the students live interface with the University.
- The Universty makes use of smart teaching-learning tools such as e-tutorials, e-contents and Massive Open Online Courses (MOOCS) to help keeping the academic calendar and to compensate for the time loss for students due to unforeseen circumstances. Through e-tutorial system faculty member can add, view, delete tutorial for their assigned subjects after successfully logging into e-Tutorials while student can download subject wise tutorials uploaded by the faculty.
