University of Kashmir has treaded a long way since its establishment and carved a niche for itself in the higher education landscape at the country level. Already accredited as grade A+ University by NAAC, University of Kashmir is ranked amongst the top institutions in National Institutional Ranking Framework conducted by Ministry of MHRD, Government of India over the past few years.

Universities are the key players in the development of a nation. Their research and teaching performances are the basis for success in the knowledge-based economies that mark the contemporary globalized era. The University of Kashmir, in this context, is trying to keep pace with the rapidly changing times. The Global Network for Higher Learning is not a pipe dream. The leading scholars and educationists now know that Universities and their faculty can no longer work in isolation but must work on collaborative basis for better learning and knowledge production. The modern day Universities are beset with many new challenges. They have a challenge to be able to keep pace with these rapid changes in order to be socially relevant as per the expectations of the stakeholders. In the new global order, the Universities are supposed to be engaged with the industry, and orient its teaching and research in tune with the market driven demands. Many of the world's major multi-national companies are in fact now working in close partnership with universities.

The University of Kashmir from the last 10 years has virtually been put on the research mode. Various research extension centres are exclusively engaged in research projects funded and sponsored by various National and International agencies. A number of MOUs have been signed with several institutions of repute within and outside the country to foster close academic collaboration in various ventures of mutual interest. In view of the new challenges we also have many ambitious plans, such as introduction of new courses and programmes, forging new academic

collaborations and cementing mutually beneficial industry-academic partnership in socially relevant areas of interest.

**The Statistical Digest** of the Directorate of Internal Quality Assurance is an exercise aimed at undertaking self-introspection of the teaching, research and extension programmes of the University of Kashmir. The report also helps to identify impediments in the way to our goals and how they can be removed in order to mobilize efforts in a focused manner. This self-assessment report is of vital importance for promotion of quality of teaching-learning and research that will finally lead us in establishing a strong knowledge society and also help us face the challenges in view of globalization. We are marching ahead on the path of expansion and excellence.

I heartily compliment the Directorate of Internal Quality Assurance (DIQA) for preparing the Statistical Digest, and hope that it will prove like a mirror of the University functioning and will be beneficial to the Society and stakeholders at large.

One of the principal objectives of the strategic planning process for Universities is the establishment, communication and execution of the fundamental purpose of the University. It is the construct within which challenges and opportunities are examined and analyzed, strategic issues framed, and strategic goals and thrusts articulated. The primary components of the University's purpose are its mission, vision, and guiding values. Also important to understanding and articulating its purpose are statutory and other mandates that serve as legal parameters regarding the University's mission and function. This all becomes possible only when a University has its statistical data over the years available in all areas of its functioning which is properly analyzed before the plans and strategies are implemented.

Kashmir University has always taken a lead in this. I am happy to know that Directorate of Internal Quality Assurance is bringing out yet another issue of the Statistical Digest of the University for the year 2020-21 showcasing the specific areas where University has moved forward besides activities carried out by the departments / research centers / satellite campuses along with the research and academic achievements .

World-class organizations are defined by certain core characteristics: expertise, innovations and a passion for serving constituents, to name a few. We at Kashmir University always try to imbibe these. We have moved from class A to class A+ University and are within top 50 Universities of India in (NIRF 2020). Although it is a great achievement but we are not complacent and are committed to move ahead with more vigour and enthusiasm to scale ever new heights.

I appreciate the efforts put in by the entire DIQA team in preparing this statistical digest for the year 2020-21. I know how DIQA encourages all the stakeholders of this prestigious institution to share responsibility in order to ensure that academics and other allied activities are undertaken in conformity with the preamble and mission of the University. Our endeavour is to create an enabling and competitive environment wherein the best practices in teaching, research and extension activities are encouraged and appreciated. With our collective wisdom, prudence and sense of responsibility there would be no limit to what we can achieve on the horizon of academic excellence so long we are really in love with the idea of critical self-introspection for the institutional perfection. I request all the fellow colleagues of teaching fraternity, research scholars, students and members of non-teaching/administrative staff of the University to help us by way of their constructive criticism, valuable suggestions, and quality information to achieve the zenith of success

The pulse of the progress of an institution can be felt by the data on key academic parameters and its trends over the years. The Statistical Digest 2020-21 you have in your hands now systematically presents the statistics of the key performance indicators of the University for the target year. A quick glance through the Statistical Digest gives us an idea of the significant progress and exponential growth that the University of Kashmir has registered over the years upholding its legacy of academic excellence in teaching-learning, research and outreach. The University of Kashmir has been instrumental in bringing about the requisite transformation in the society by evolving into an institution of relevance in a knowledge-based society. The University undoubtedly has kept pace with the world at large and not lost sight of its primary purpose of offering programmes of scientific and technical education that conform to the employment requirements of the government, corporate world and the industry.

Such type of digests and reports help a great deal in having self-introspection to better assess our strengths and weaknesses besides encouraging accountability, excellence and bringing in qualitative changes for furtherance of excellence. It is pertinent to mention that the University of Kashmir has been accredited as a Grade A+ University with institutional CGPA as 3.31, which is quite a significant achievement. Furthermore, an evidence of the progress is the consistent standing of the University in top ranking institutions of the country as per NIRF.

I place on record my gratitude to Prof Nilofer Khan, Hon'ble Vice chancellor and Registrar for their keen interest in this publication.  I am personally grateful to the Deans, Heads of the Departments/Directors of Research /Extension Centers, Nodal Officers of Departments/ Centers, faculty members, Coordinators of DIQA, officers and administrators of the University who provided the required information for preparing this report.

The effort made by the team of Directorate of Internal Quality Assurance (DIQA) to bring out the information in the present form is highly commendable. My compliments to the Editorial Board of the Statistical Digest, Professional staff of DIQA especially Mr Wasim Hussain for making it a success.

## Need for Creative, Innovative Strategies

Importance of statistical reports in the life of Higher Education Institutions cannot be underestimated in any way. These reports and their final analysis and consolidation help to provide a big picture of trends and patterns of higher education institutions. The analysis of the data also helps to streamline processes, create efficiencies and improve the overall functioning of these Higher Education Institutions (HEI's) besides improving the overall student experience.

In this context the University of Kashmir has always been on the forefront to regularly publish Annual reports , Annual Quality Assurance reports and statistical reports which provide an understanding of the University functioning and help our policy makers to frame new policies which take University further on the path of development .

The 2020-21 Edition of the Kashmir University statistical *Digest* is in your hands now. The primary purpose of this publication is to provide a compilation of statistical information covering the broad field of our Educational activities in the main campus, the satellite campuses, and affiliated colleges of the University of Kashmir.
The publication contains information on a variety of subjects in the field of Higher Education Statistics of the University of Kashmir , including the basic information of the Main Campus / Satellite campuses and affiliated colleges like category wise student enrolment, details of the faculty , details of non-teaching employees , details of programmes run through regular and distance mode , scholarships /fellowships given to students scholars , financial details , infrastructure developed besides highlighting the achievements of the University in various fields .

A unique feature of the digest is the pictorial representation of data in the form of vertical bars which show the progression of the University from 2018 onwards till 2021 i.e last three years. The important areas highlighted through vertical bars range from Overall ranking and score of the University in National Institutional Ranking Framework (NIRF) among all Higher Educational Institutions of India including IITS, IISC, IIMS, ISERs etc**,** to Number of Scholars Registered and admitted for Ph.D. Number of applications received for admission and admissions granted to various courses in the Main Campus and Satellite Campuses, Number of Students admitted to various courses under reserved categories in main and satellite campuses, Number of admissions granted through Directorate of Distance Education, number of students who qualified CSIR-UGC NET, UGC NET and SET Qualifiers, Permanent teaching faculty, Enrolment in Affiliated Colleges, Hostel accommodation provided to students at main and satellite campuses and many other parameters .

The future of University of Kashmir stands on the legacy of extraordinary achievement and academic excellence provided by previous generations of faculty, students, staff, and other key stakeholders. To sustain its status and take it further in a highly competitive environment of the future, our upcoming strategic plans have to be innovative that enable the University to adapt to and take advantage of the opportunities presented by an expanding global marketplace for research, education, and training. This environment not only poses challenges but also opportunities as well for the University. Consequently, the creative and innovative strategies must be developed and implemented through the strategic planning process that would enable the University to successfully compete in this environment and to manage the strategic issues that are critical to achieving its vision.

# An overview of the University

The University of Jammu and Kashmir was founded in the year 1948. In the year 1969 it was bifurcated into two full-fledged Universities: University of Kashmir at Srinagar and University of Jammu at Jammu. The University of Kashmir is situated at Hazratbal in Srinagar. It is flanked by the world famous Dal Lake on its eastern side and Nigeen Lake on the western side. The Main Campus of the University spread over 247 acres of land is divided into three parts – Hazratbal Campus, Naseem Bagh Campus and Mirza Bagh Campus (serving residential purpose). The tranquil ambience of the Campus provides the right kind of atmosphere for serious study and research.

Over the years, University of Kashmir has expanded substantially. It has established Satellite Campuses at Anantnag (South Campus) and Baramulla (North Campus) and one more Satellite Campuses at Kupwara to make higher education more accessible to people living in remote areas of Kashmir valley. A full-fledged Institute of Technology has been established as a separate campus at Zakura. The University has also established a Sub-Office at Jammu to cater to the needs of the candidates enrolled with the University from outside Kashmir.

The University is committed to provide an intellectually stimulating environment for productive learning to enhance the Educational, Economic, Scientific, Business and Cultural Environment of the region. The University offers programmes in all the major Schools; Arts Languages and Literature, Business Studies, Education and Behavioural Sciences, Law, Applied Sciences and Technology, Biological Sciences, Earth and Environmental Science, Physical & Mathematical Sciences, Social Sciences, Open Learning, Unani and Ayurvedic Sciences, Medicine, Dentistry and Engineering. It has been constantly introducing innovative/ new programmes to cater to the needs and demands of the students and the society.

The University has marched towards excellence in its programmes and activities. It has been re-accredited as Grade - A$^+$ University by the National Assessment & Accreditation Council (NAAC) of India in the year 2019. This is recognition and reflection of the high standard of quality in teaching and research at the University of Kashmir. The University of Kashmir has also participated in National Institutional Ranking Framework (NIRF) and World QS Ranking for BRICS Universities, for which results are encouraging. The University treading the path of excellence with all enthusiasm and without being complacent is open to self introspection for the institutional perfection.
