	<b>Statute 10(v)&amp;(vi) as it exists</b>	<b>Statute 10(v)&amp;(vi) as it would read after amendment</b>
	(v).Final result after re-evaluation will be based on average marks of 1st & 2 <sup>nd</sup> Examiners. As such, the marks may increase or decrease after the re-evaluation.  (vi). In case there appears to be deviation of 30% or more marks in the original and the re-evaluation result in a particular Answer Script it shall be referred to a panel of subject experts, constituted for the purpose, for final assessment and suitable action shall be initiated against the negligent evaluator after affording him / her a chance to be heard, and the decision of the panel with regard to the result of the candidate and the punitive action, if any, for the negligent evaluator shall be final and binding. If after the final evaluation of such Answer Script there is a positive change in the result of the candidate to the extent of 30% or more marks the Re-evaluation fee charged from the candidate shall be refundable and the same shall be levied from the negligent evaluator in addition to the penalty imposed by the panel.	i. After re-evaluation the marks upto the difference of 30% in the two evaluations, the best of the two shall be considered. However, if the difference is more than 30%, the answer script shall go to the 3 <sup>rd</sup> examiner and in such situation best of the three evaluators shall be considered as final with a ‘caution note’ to the first examiner. Further, the 1 <sup>st</sup> examiner shall be barred for one (01) year if again 30% or more difference re-occurs in his/her next evaluation. The poor evaluation shall also be reflected in the APRs of the Evaluator (1 <sup>st</sup> ).

## Annexure-I

<p>Notes</p>	<p>5</p> <p style="text-align: right;">Crown/1000pads/June/2015</p> <div style="text-align: center;"><h1>UNIVERSITY OF KASHMIR</h1><p>HAZRATBAL, SRINAGAR</p></div> <p><b>SUGGESTIONS FOR INCORPORATION IN THE REGULATIONS OF UNDER-GRADUATE CBCS AFTER WIDER DELIBERATIONS WITH ALL THE STAKE HOLDERS AND CONSIDERATION BY THE DEANS COMMITTEE:</b></p> <p><b>Item No. 1. Swapping of General English Course (to 1<sup>st</sup> &amp; 2<sup>nd</sup> Semesters) with MIL (to 3<sup>rd</sup> &amp; 4<sup>th</sup> Semesters):</b></p> <p>As per the UGC Guidelines in the first four semesters there is a provision of teaching of General English (6+6 Credits) for 2 Semesters and a Modern Indian Language (6+6 Credits) for 2 Semesters, with a freedom to the University with regard to the choice of consecutive semesters with regard to these two courses. In the existing scheme first two semesters had been chosen for MIL in order to avoid duplication of content of General English with Communicative English, if any. However, it seems to have created another issue as many arts students having an interest to pursue their future studies in some Indian Languages for all the six semesters ended up choosing MIL instead of subjects like Urdu/Hindi/Kashmiri Language and Literature, which they are not able to continue beyond second semester. Accordingly it is proposed, if approved, to consider swapping of <b>General English</b> of 3<sup>rd</sup> and 4<sup>th</sup> Semester with MIL of 1<sup>st</sup> and 2<sup>nd</sup> Semester for Arts and Commerce streams at the UG level. This may also help in bringing the Credit weightage of General Programmes of Arts as well as Commerce Streams at par with that of Science, as 2 additional credits of <b>Additional English</b> at the 3<sup>rd</sup> and 4<sup>th</sup> semester level each could be incorporated as is presently available for the Science Stream. However, this may require some changes in the syllabus of General English at the 1<sup>st</sup> and 2<sup>nd</sup> Semester level for Arts and Commerce.</p> <p><b>Item No. 2. Not allowing students of Bachelors in Arts (General Course) to choose same subjects from the MIL Group (Group-I) and Literature Group (Group-IV):</b></p> <p>The concept of introduction of Compulsory MIL in the UG Course Curriculum for two of the first 4 semesters by the UGC has been to acquaint all the students of Arts &amp; Commerce Streams to be able to read, write, understand and speak at least one of the Modern Indian Languages. Accordingly, the course content of these languages has been designed in such a way that the basic essentials of the concerned languages only are incorporated. However, some students who already have studied a language up to 10+2 level and desire to delve deeper into the literary aspects of the language by opting for it as a full-fledged six semester course also choose the same language from the MIL group which is of a preliminary nature for such students and, as such, cannot get any additional benefit by opting for it may not be asked to opt for a different language from the MIL Group.</p> <p><b>Item No. 3. Conduct of Examination of Tutorial Components of all Courses on the pattern of Practical Examinations in the Laboratory Oriented Courses at the College Level:</b></p> <p>For all the lab oriented courses Principals of the Colleges have been authorised to arrange the conduct of Practical Examinations making use of the university stationery, before the conduct of theory Examinations, on the basis of the pattern devised by the concerned Boards of UG studies. As such, the university directly conducts the examination of 4 credits all the theory papers of Core and Discipline Specific Elective Courses. In this connection, it is proposed, if approved to consider following a similar pattern for all the non-lab oriented courses, where the 2 credit practical component is replaced by the 2 credit tutorial component. This can, it is felt, can bring in parity between the question papers of all such courses in addition to introducing a concept of internal assessment in the system. However, the only additional requirement for adopting the system shall be to identify the tutorial components of each course while devising the syllabi at the level of UG Boards of Studies, on the pattern of Practical components in the lab oriented courses.</p> <p style="text-align: right;">contd.</p>
	<p style="text-align: center;">(7)</p>

Item No. 4. Conduct of Examination of all the Skill Enhancement Courses at the Institutional Level:

It may be worthwhile to consider the conduct of Examination of all the Skill Enhancement Courses at the institutional level to reduce the burden on the University system and also to fulfil a requirement of the CBCS system of incorporating more and more internal assessment component into the system. This may also help introduction of more and more area specific skills in different institutions. However, it would be pertinent that the curriculum for all such courses is devised by the Boards of UG Studies constituted for the purpose.

Item No. 5. Conduct of Examination of 2 Credit Additional English Papers of 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> Semesters of BA/BSc/B Com at the end of even Semesters as 4 Credit Papers:

To bring parity in the pattern of Question Papers of all courses it may also be pertinent to consider the conduct of English-III & IV at the end of 4<sup>th</sup> Semester and English-V&VI at the end of 6<sup>th</sup> semester of BA/BSc/B Com (General Course) as 4 Credit Papers on the pattern of EVS and English Communication Skills. In case the suggestions at 3, 4 & 5 are adopted all the theory papers for which the University will have to conduct the examination can have the same format, pattern and weightage.

Item No. 6. Replacement of General Programme by Honours Programme in all the Specialised Courses:

It has been observed that by the introduction of CBCS at the under-graduate level the course content in some of the specialised Programmes like B. Com., instead of getting strengthened has faced some dilution. In this connection it may be in the interest of the students passing out through the institutions affiliated to this university to consider following the Honours mode instead of the conventional General Pass Course mode. As it would help the students to cover more areas of their specialisation. In this connection if B. Com (General) versus B. Com. (Honours) is taken a case in point a General programmes students has to study only 8 Core Courses (48 Credits) and 4 Discipline Specific Courses (24 Credits) totalling to only 72 Credits whereas an honours student studies 14 Core Papers (84 Credits) and 4 Discipline Specific Courses (24 Credits) totalling to 108 Credits of the Specialisation giving the student an advantage of 36 Credits of Commerce Specialisation compared to a Pass Course student. In view of this it is proposed, if approved, to consider initiating discussion at different levels for substitution of General Pass Course Programme by the Honours Programme for B. Com., B. Sc. Information Technology, B. Sc. Home Science etc., wherever the student has to go for a specialised course.

For Arts and Science Programmes, where a wider background of subjects provides a selective advantage to students the replacement of the General Programme by Honours Programme may not serve such a purpose. However, Introduction of Honours Programmes in some subjects in some institutions alongside the General Pass course programmes may also been given a consideration.
