MESSAGE

I am glad to know that the Directorate of Internal Quality Assurance is bringing out an issue of the Annual Report of University of Kashmir for the year 2019. The year 2019 was a great year for our University in terms of the identification of its efforts and hard work. In the year, we again volunteered for re-accreditation by the National Assessment and Accreditation Council (NAAC) for the 3rd cycle and we were accredited as a grade (A+) University with institutional CGPA of 3.31. In addition to this, during National Institutional ranking framework survey conducted by Ministry of Human Resource Development, we stood at 53rd position among all the Indian Universities. This is a reflection and recognition of the high standard of quality teaching, research and extension activities conducted by the University of Kashmir, that we all should be proud of.

University of Kashmir has seen a considerable growth in past few years in terms of introduction of new courses of study, new disciplines and various other new initiatives. In context of change unfolding in the knowledge society, University has devised a mechanism that is user friendly and supportive of flexible organizational designs, transformational leadership, and is rich in service systems of integrative curriculum and teaching methods and instructions.

We at the University of Kashmir are committed to provide an intellectually stimulating environment for productive learning to enhance the educational, economic, scientific business and cultural environment of the region.

I heartily compliment team DIQA, for preparing the Quality Assurance Report 2019 and hope like previous years it will prove a mirror of the university functioning and will be beneficial to the society at large.

MESSAGE

I am happy to know that Directorate of Internal Quality Assurance is bringing out the annual report of the University showcasing the academic and research activities carried out by the departments / research centers / satellite campuses along with the research and academic achievements of the individual faculty during the year 2019.

World-class organizations are defined by certain core characteristics: expertise, innovations and a passion for serving constituents, to name a few. We at Kashmir University always try to imbibe these. We have moved from class A to class A+ university and are within top 50 universities of India (NIRF 2020). Although it is a great achievement but we are not complacent and are committed to move ahead with more vigour and enthusiasm to scale more heights.

I appreciate the efforts put in by the entire DIQA team under dynamic leader Prof. Anwar Hassan in bringing out the annual report. I know it has not been an easy task but they made it possible for which they deserve accolades.

I am sure anybody who happens to lay hand on the compendium would enjoy going through its pages.

MESSAGE

I feel great pride as I am writing a message for the university Annual Report 2019-20. Several generations of teachers, students, scholars, and staff, have created a lasting foundation for the university and each year, it is up to us to build upon it and to renew our commitments to transform the prestigious University of Kashmir into a leading and agile institution in the country through the implementation of various policies and instruments. Thanks to our steady progress towards teaching and research competitiveness, we were rated 47th in the country under NIRF ranking and achieved A+ score in the NAAC assessment which are both worthy of celebration. The Directorate of Internal Quality Assessment (DIQA) has always risen to the challenges; be it the publication of the annual reports, filing applications for different national and international university rankings, NAAC assessment of the university etc. and therefore its efforts in highlighting the achievements of the university in various spheres are commendable.

As part of our aim to create a strong and enduring research foundation, the university has expanded the footprint which has helped us to generate impressive knowledge that is having a meaningful impact on society in a range of fields, such as environment, natural resources management, disaster management, health care, industry, business, art, culture, and socio-economic upliftment, to name just a few. We continue to break new grounds in various fields and our faculty members' excellence in research is demonstrated by the scholarly contributions reported in the Annual Report.

By bringing excellent research and teaching together with collaborative innovation, the university is tackling the pressing issues of the society by inspiring the enquiring minds in the university to take on the challenges of tomorrow. The research questions addressed by our investigators lead to high levels of knowledge generation that guides policymaking and facilitates the translation of knowledge into practice by addressing the burning issues facing the masses.

This past year, we made significant progress on each of the priorities identified in our framework. Even under the challenging political and social constraints, we stepped up our efforts, using all the available means of communication, to provide new ways of experiential teaching and learning. We delivered the entire curriculum content to the students online preparing and equipping them with knowledge and skills, and thus boosting the promising futures of our next generation in new ways even under the challenging circumstances.

As this past year revealed, there is plenty to celebrate about when it comes to our university's long and distinguished history. Now, with the new National Education Policy (NEP-2020) already being discussed for implementation in the country, the scenario is going to change for all universities. We are going to face new challenges that demand different approaches to maintain and build on our academic distinctiveness. The new academic year promises to be a stimulating year for the university and the higher education sector. The students, faculty and staff of the University of Kashmir will have to accomplish a great deal during this year and work together as a community to fulfil the priorities and objectives of our University for achieving excellence. I am looking forward to it.

MESSAGE

I am glad that the Directorate of Internal Quality Assurance (DIQA) Kashmir University is bringing out the Annual Report for the year 2019. This report like previous years is a gist of achievements of the institution for this year.

The Annual Reports play a pivotal role in systematic data consolidation of institutions and it is the timely consolidation of these reports and their presentation at the relevant forums that university is able to showcase its achievements.

During the year 2019, we volunteered for our third cycle of re-accreditation and were accredited as a A+ University by National Accreditation and Assessment Council.(NAAC) . The credit for this goes first to our Hon'ble Vice Chancellor Prof Talat Ahmad who from the very first day of his joining as Vice chancellor for the second term in August 2018, geared up all the units of the University to face the challenge. I also thank all other stakeholders of this prestigious institution who shared responsibility and made it happen.

DIQA all these years has been able to create an enabling and competitive environment wherein the best practices in teaching, research and extension are encouraged and appreciated in this institution. With our collective wisdom and sense of responsibility there would be no limit to what we can achieve while treading the path of academic excellence.

Finally I wish all the best to the editorial board of the annual report and hope the publication will be well taken by all stakeholders.

MESSAGE

The Annual Report-2019 is in your hands. It is a reliable objective and systematic database of performance for the year 2019. For its preparation an all out effort was made by the Directorate of Internal Quality Assurance (DIQA) to bring the information in the present form.

In so many ways it is also an effort to have self-introspection of our achievements and weaknesses and to encourage accountability, excellence and bring in qualitative changes which can lead the University further on the path of excellence.

A quick look at the annual report 2019 gives us the idea that the University of Kashmir has registered an exponential growth since its inception in 1948 upholding its legacy of academic excellence in teaching, training and research. The University of Kashmir has been instrumental in bringing about the requisite transformation in the society by evolving into an institution of relevance in a knowledge-based economy. The University undoubtedly, has kept pace with the world at large and not lost sight of its primary purpose of offering programmes of scientific and technical education that conform to the employment requirements of both the corporate world and the industry.

I place on record my gratitude to Prof Talat Ahmad our Vice chancellor for his keen interest in this publication. It was under his dynamic leadership that University of Kashmir again volunteered for its third cycle of accreditation and was accredited this year in 2019 as a Grade A⁺ university with institutional CGPA as 3.31. This is a significant achievement in deed.

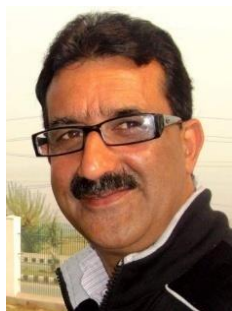

I am personally grateful to Registrar of the University, the Heads of the Departments/Directors of Research /Extension Centers, Nodal Officers of Departments/Centers, faculty members, coordinators of DIQA, officers and administrators of the University who provided the required information for preparing this report.

My compliments to the Editorial board of the Annual Report, Coordinators of the DIQA , Professional staff of DIQA, and the office staff of DIQA to make it happen.

THE ROAD AHEAD

Directorate of Internal Quality Assurance (DIQA) right from its birth as Internal Quality Assurance cell (IQAC), till its present status as directorate, has all along been striving for quality assurance at Kashmir University and the results are already very encouraging. Seven parameters have been put forth for assessing the Quality Assurance of the Higher Education Institutions and these include: 1) Curricular Aspects, 2) Teaching, Learning and Evaluation, 3) Research, Consultancy and Extension, 4) Infrastructure and Learning Resources, 5) Student Support and Progression, 6) Governance, Leadership and Management, and 7) Innovations and Best Practices. Going through the contents of this Annual Report 2019 Published by DIQA, it is evident that the University has made significant progress in all these parameters which can be visualized from the comparative data being provided in this report.

A look at the annual report will give the reader an idea that the University at present is not only consolidating and strengthening the existing educational programmes and infrastructure, but new, creative, innovative and futuristic programmes are also being introduced. Several departments have bagged special funding under Special Assistance Program (SAP) of the University Grants Commission and DST Fund for Infrastructural Development (FIST) and the University is well positioned to be the University

with Potential for Excellence (UPE). The University has promoted best practices in all aspects of teaching-learning and evaluation process to the satisfaction of the stakeholders. The University's Common Entrance Test is completely transparent and highly credible with strict adherence to the reservation policy in admissions and taking due care of aspirants from weaker and underprivileged sections of the society. The comprehensive interdisciplinary curricula prepare the students for various competitive examinations at national and state levels besides allowing them to earn research fellowships in the frontier areas of science, technology, social sciences, arts and humanities. The University is moving on the road of excellence. It is evidenced from the fact that this year we were accredited as Grade A+ University by NAAC, which in itself is a great achievement. Now the faculty of this University is increasingly being invited by the Universities of repute within and outside the country for interaction. Major breakthrough has been made in the research activities, as national agencies of repute are now funding good number of research projects of our faculty members; quality publications of the faculty are published in journals of repute and the number of faculty members receiving prestigious fellowships has increased.

The University of Kashmir with all sense of responsibility and collective wisdom is treading the path of excellence. There would be no limit to what we can achieve in the amphitheatre of academic excellence so long we are really in love with the idea of critical self-introspection for the institutional perfection.

An Overview

The University of Jammu and Kashmir was founded in the year 1948. In the year 1969 it was bifurcated into two full-fledged Universities: University of Kashmir at Srinagar and University of Jammu at Jammu. The University of Kashmir is situated at Hazratbal in Srinagar. It is flanked by the world famous Dal Lake on its eastern side and Nigeen Lake on the western side. The Main Campus of the University spread over 247 acres of land is divided into three parts – Hazratbal Campus, Naseem Bagh Campus and Mirza Bagh Campus (serving residential purpose). Additional land has been acquired at Zakura near the main campus for further expansion of the University. The tranquil ambience of the Campus provides the right kind of atmosphere for serious study and research.

Over the years, University of Kashmir has expanded substantially. It has established Satellite Campuses at Anantnag (South Campus) and Baramulla (North Campus) and three more Satellite Campuses at Kupwara, Kargil and Leh are being established to make higher education more accessible to people living in remote areas of Kashmir valley. The University has also established a Sub-Office at Jammu to cater to the needs of the candidates enrolled with the University from outside Kashmir.

The University is committed to provide an intellectually stimulating environment for productive learning to enhance the educational, economic, scientific, business and cultural environment of the region. The University offers programmes in all the major faculties; Arts, Business & Management Studies, Education, Law, Applied Sciences & Technology, Biological Sciences, Physical & Material Sciences, Social Sciences, Medicine, Dentistry, Engineering, Oriental Learning and Music & Fine Arts. It has been constantly introducing innovative/ new programmes to cater to the needs and demands of the students and the society.

The University has marched towards excellence in its programmes and activities. It has been re-accredited as Grade-A⁺ University by the National Assessment & Accreditation Council (NAAC) of India in the year 2019. This is recognition and reflection of the high standard of quality in teaching and research at the University of Kashmir. The University of Kashmir has also participated in National Institutional Ranking Framework (NIRF) and World QS Ranking for BRICS Universities, for which results are encouraging. The University treading the path of excellence with all enthusiasm and without being complacent is open to self introspection for the institutional perfection.

ACADEMIC POLICY

- (i) The benefit of admission under a Reserved Category/Supernumerary seats (Tables 1 & 2) shall be granted only once to a candidate. However, a subsequent benefit under SN category can be availed in case of non-availability of other SN category candidates.
- (ii) If a candidate is eligible to apply for admission under more than one reserved category, he/she shall be required to choose (while submitting the online Application Form) only one Reserved Category for one programme under which he/she would like to be considered, which shall be final, and unchangeable. For example, if a candidate is eligible under three categories RBA, NCC, and Sports, he/she shall have to choose only one of the three categories under which he/she shall compete for admission to a particular programme. Say, if he/she is an applicant for PG programmes in A, B, C and D subjects, he/she may compete in all the programmes but only under one of these three categories (RBA, NCC or Sports whichever he/she likes) or he/she may compete (say for instance) under RBA for A, under NCC for B, under Sports for C and under RBA for D. He/she is not, however, permitted to compete under more than one category for a single programme i.e., he/she cannot, for instance, apply under RBA as well as NCC for a single programme.
- (iii) Only candidates residing within the territorial jurisdiction of Kashmir Division and /or those who have passed their qualifying examination through University/Board of Kashmir are eligible to seek admission under open merit as well as reserved categories (1-10) (Table 1). However, in case of courses/programmes not offered by Universities of Jammu Division, candidates residing in any part of the state are eligible to apply under open and reserved categories (1-10) (Table 1).
- (iv) The certificate under clauses 1-10 except that at Sr. No. 8 in Table 1 must be in accordance with SRO 126 of 28 June 1994 of the J&K Government and subsequent SRO's issued by the Government in this regard.
- (v) For programmes like MBA, MBA (Financial Management), MCA, M.Sc. Bio-Technology there shall be no supernumerary seat under category "Persons from outside the Kashmir Division" (Sr.1 Table 2).
- (vi) Candidates residing outside the territorial jurisdiction of Kashmir Division (who have not passed their qualifying examination through University/Board of Kashmir Division) shall be eligible to apply under category OSJ (Sr. No. 1 Table 2) for all subjects/programmes, unless otherwise indicated/subject to determination of their eligibility/equivalence to the degree.
- (vii) One Supernumerary seat in each programme (irrespective of number of Campuses/Colleges) belonging to children of Permanent Employees of the University of Kashmir (under Category 3) (Table 2), in order of merit provided he/she produces a Certificate from the Registrar, University of Kashmir. The eligibility for admission and the procedure of selection would be the same as prescribed for categories shown in Table-1 above.
- (viii) Foreign students shall be considered under the Supernumerary category "2" (Table 2) and shall be governed by the admission policy reflected under Clause of the Prospectus "ADMISSION OF FOREIGN STUDENTS".
- (ix) In case of M.Sc. Bio-Technology and M. Pharm programmes only two seats for each programme shall be available for candidates under reserved categories and shall be offered to two candidates who top the merit list of reserved categories, provided that only one candidate shall be taken from one category.

V. PREPARATION OF SELECTION LIST

The following procedure shall be adopted to prepare selection list:

- (i) Total seats available for a particular program shall be divided among each category as specified in the reservation policy.
- (ii) All seats available under the open merit category except any fractional part shall be allotted to eligible candidates in order of their merit irrespective of their applied categories.
- (iii) In case, no eligible candidate is available under a particular reserved category, the seat(s) including fractional part under that category shall be shifted to open merit category. In case, the number of

- eligible candidates available under a particular reserved category is not sufficient, the remaining seat(s) including fractional part under that category shall be shifted to open merit category.
- (iv) Fractional part attached to open merit category left in (i) above and seats resulting from (iii) above including their fractional parts shall be clubbed together (added) to calculate further seats to be allotted under open merit category. This number shall be rounded to nearest integer (i.e. if greater than or equal to 0.5, one seat shall be allotted).
 - (v) A seat matrix indicating number of seats and fraction of seat for each reserved category shall be prepared.
 - (vi) Candidates shall be selected in order of their merit from each reserved category as per the seat matrix prepared in step (v) above leaving behind any fractional part at this step.
 - (vii) Selection of candidates against fractional seats shall be made from only those reserved categories whose fractional part was added in step (vi) above.
 - (viii) The fractional seats shall be given to candidates in order of their respective merit, from each reserved category, which has not been represented in step (vii).
 - (ix) Remaining fractional seats (if available) shall be allotted to candidates in order of their respective merit from reserved category (subject to maximum of one seat per category) whose fractional part was added in step (vi) but were not given a seat in step (vii).
 - (x) If at any stage no eligible candidate is available for admission from a reserved category, that seat/fractional part shall be shifted to open merit category and filled up.

VI. SHIFTING FROM RESERVED CATEGORY QUOTA TO OPEN MERIT QUOTA

A candidate seeking admission under a particular Reserved Category shall at first instance be automatically shifted to the Open Merit Category, (if otherwise eligible), if the total marks scored entitle him/her to figure in the open merit list. However, once admission granted, the candidate cannot be shifted to Open Merit in subsequent lists at the same Campus/College. However, if any reserved category candidate shifted to Open Merit on the basis of merit wants to remain in the respective reserved category to which he/she belongs. He/she has to submit a written representation to the Dean Academic Affairs for the same.

VII. ADMISSION OF FOREIGN STUDENTS

- 1) The number of seats for admission under the category shall be 5% of total intake capacity fixed for the Programme and shall be over and above the existing intake capacity. The admission under the category shall be open for the following categories of students. However, in case a given Department is willing to admit more foreign students in view of its adequate accommodation and infrastructural facilities, the Vice-Chancellor is authorized to increase the number of seats on the recommendation of the Departmental Committee.
 - a) **General Category:** The Foreign National shall not be required to appear in the entrance test. They shall apply on the prescribed format for admission as and when admission notification is issued by the University;
 - b) **Cultural Exchange Programme:** The students seeking admission under the Cultural Exchange Programme of Government of India shall be required to approach the Indian Council of Cultural Relations, Azad Bhavan, IP State, New Delhi 110001, India. In the event of their selection, the Council will be informed about their selection
- 2) The foreign students shall be required to fulfill the required eligibility conditions for obtaining admission to different courses.
- 3) In case, the number of applications is more than the seats available in a programme, the admission of students shall be granted on the basis of merit in the qualifying examinations;
- 4) Foreign nationals admitted to the Programme shall be required to get medical insurance cover and the same shall be mandatory for all such foreign students;
- 5) The foreign nationals admitted under this category shall be required to get clearance from all the relevant agencies of the Government of J&K and Govt. of India;
- 6) Other terms and conditions of admission shall be same as are in vogue for admission under other categories of admission.

VIII. RESULT OF ENTRANCE TEST

The Answer Key of a subject shall be displayed on the University website immediately after the test is conducted. Complaints and queries in writing or online at deana@kashmiruniversity.ac.in from the examinees shall be solicited within one working day (upto 4:00 p.m.) from the date of uploading of

keys/displaying of keys on the University website, which will be attended promptly. No complaints, whatsoever, shall be entertained thereafter and the result of the test/s shall be processed.

IX. DECLARATION OF MERIT LISTS/SELECTION LISTS

- (i) All the notifications shall be uploaded on the official website of the University. The University does not own any responsibility for a candidate not being informed and candidate shall not be informed separately.
- (ii) The detailed merit lists mentioning entrance points, details of the qualification examination and other components, as per the procedure of admission for various Programmes, shall be displayed on the University website. Complaints and queries in writing to the Dean Academic Affairs, with documentary proofs, if any, with regard to Merit lists shall be open for two working day (upto 4:00 p.m.) from the date of uploading of merit list on website. The same shall be attended promptly. Thereafter, the Selection Lists shall be issued. No complaints whatsoever shall be entertained with respect to individual merit of a candidate after publishing of the selection list.
- (iii) The first two selection lists for all programmes/courses shall be issued on the basis of relative merit and preferences given by the candidates in the Application Form.
- (iv) In case vacancies are available / are caused even after issuance of two selection lists, admission against vacant seats shall be made on counselling. Therefore, students in their own interest shall remain in touch with the Admission Unit. While issuing the Counseling Notification on the University website, seat matrix in various categories across various Campuses/ Colleges shall also be made available and the students shall have the option to give fresh Option on Counseling Application Form available on the University website while attending the Counseling Session/s. The candidates shall have to attend counselling alongwith the Original Marks/Qualifying/other documents. If a candidate is selected for admission, he/she shall have to submit the original certificates of Qualifying Examinations & DOB certificate on spot. Submission of original Documents shall be taken as consent of the candidate for seeking admission in the given programme. After the deposition of original certificates, the candidates would be required to deposit fees within 3 days. If a candidate fails to deposit fees within 3 days he/she shall forfeit the chance for admission, and the next candidate in sequence from the counselling list shall be offered admission.

(a) ADMISSION AT SATELLITE CAMPUSES AND COLLEGES

For admission to post-graduate programmes which are also offered in Satellite Campuses of the University, Govt. Degree Colleges and Private Colleges affiliated to the University of Kashmir, the procedure of selection shall be the same as described

above, with the provision that a candidate shall have to indicate in clear terms his/her order of preference for the campuses/ colleges, where the course is offered in the space provided for the purpose in the Application Form and in the Counseling Form as the case may be. For example, if a post-graduate programme (say M A in subject X) is offered at three places, Campus A, Campus B and College I, the applicant may give his/her order of preference in any one of the following ways:-

S.	Programme	1st	2nd	3rd
No.		Preference	Preference	Preference
a.	MA in X	Campus B	College I	Campus A
b.	MA In X	Campus A	College I	Campus B
c.	MA in X	College I	Campus B	Campus A

Candidates must note that shifting/ migration from campuses to University or from one teaching Department/Centre/Institute to another (even on mutual basis) is not provided under rules. No recommendation from any Department/College/Campus in this regard shall be entertained. The preference indicated by a candidate during submission of online Application Form shall be treated as final and in the event a candidate fails to mention preference, he/she will not be considered for admission in 1st and 2nd selection lists.

XI. ADMISSION UNDER SELF-FINANCED SEATS CATEGORY

The notification for admission under Self-financed seats shall be issued separately after issuance of 1st selection list and only those candidates who have appeared in the Entrance Test and apply for admission under Self Financed Category on the prescribed format available on the official website of the University shall be considered for admission under this category. However, in Programmes where the number of applicants is less, admission can be granted on the basis of qualifying examination merit.

The selection of candidates shall be made on the basis of merit (among the applicants for this category of seats) which shall be the same as prescribed for selection of candidates against open seats. The candidates selected against Self-financed seats shall be required to pay normal fee as chargeable to other candidates, in addition to the fee charged under self-financed seats. The fee for self-financed seats shall be non-refundable payable in two equal installments at the time of admission to 1st and 3rd semesters of the course. If a candidate leaves a seat/quit a course after closing of admission and the seat remains vacant, the fee shall not be refunded/ transferred, even if the same candidate is selected for some other course within the University. In case of IMBA, the self-financed seat fee shall have to be deposited in four equal installments at the time of admission to 1st, 3rd, 5th and 7th semesters. The normal fee in both the cases has to be deposited at the time of the admission.

XII. CLOSURE OF ADMISSION

A notice of at least one week shall be given for the closure of admission, to provide sufficient time to all concerned to fill up all the available seats. In the event seats remaining vacant, the concerned officials shall submit in writing to Dean Academic Affairs the reason for the same.

XIII. REFUND OF ADMISSION FEE

If a student chooses to withdraw from the programme of study in which he/she is enrolled, the following four-tier system for the refund of fees remitted by the student shall be followed:

Sr. No.	Percentage of Refund of Aggregate fees*	Point of time when notice of withdrawal of admission is served
* 1	100%	15 days before the formally-notified last date of admission
2	80%	Not more than 15 days after the formally-notified last date of admission of the concerned programme
3	50%	More than 15 days but less than 30 days after formally-notified last date of admission of the concerned programme
4	Nil	More than 30 days after formally-notified last date of admission of the concerned programme

** (Inclusive) Course fees and non-tuition fees but exclusive of caution money and security deposit)*

In case of (1) in the table above, an amount of 10% of the aggregate fees shall be deducted as processing charges from the refundable amount.

Admission Policy

I. ELIGIBILITY:

Candidates having passed the qualifying examination with the required minimum percentage of marks in aggregate as given below are eligible to apply for admission to the respective programme/s.

- (a) **M.Tech (Embedded Systems & Solutions), M.Tech (Computer Science) M. Sc. Bio-Technology, M. Pharm, LL. M, M. Ed**

Open Merit	55%
Reserved Categories (1-10 of Table 2)	50%

- (b) **MBA, IMBA, B.Tech., MBA (Financial Management), MSW, MCA, M. Sc. IT, MCME, MTTM, PGDIT**

(c) Other	Open Merit	50%
	Reserved Categories (1-10 of Table 2)	45%
	Programmes	
	Open Merit	45%
	Reserved Categories (1-10 of Table 2)	40%

Notes:

- For candidates falling under the Reserved Categories namely (i) "Persons from outside the Kashmir Division", (ii) "Foreign Nationals" and (iii) "Children of Permanent Employees (serving/retired) of the University of Kashmir", the minimum eligibility shall be the same as that for the open merit category in various programmes/Courses.
- Candidates possessing postgraduate degree/s are eligible to seek admission in another postgraduate programme or in a Diploma/ Certificate course, if they fulfill the eligibility criteria laid down for admission; however, no benefit of reserved category can be granted if already availed.
- A candidate can simultaneously pursue a full-time PG Programme and one part-time (Morning/Evening) Certificate Course.

II. ENTRANCE EXAMINATION:

- The eligible candidates shall be required to appear in Entrance Test comprising of 60 multiple choice questions (MCQ) carrying a total of sixty marks covering the syllabus prescribed for the concerned subject/programme. The detailed syllabi and previous year's entrance papers of all PG and other programmes "to which University is offering admission" are available on the official website of the University (www.kashmiruniversity.net).
- Entrance Test may not be conducted for admission to a programme/ course where intake capacity is equal to or more than the number of eligible applicants.
- Negative marking shall be @25% i.e. for each wrong answer 0.25 marks shall be deducted.
- In respect to the below mentioned Programmes, candidates must have a valid score in national level tests conducted by various agencies shown against each:-

S. No.	Programme	Test/Examination
1.	MBA/MBA (Financial Management)/ MCME	CMAT
2.	M.Tech.	GATE
3.	M.Pharm	GPAT
4.	B.Tech	JEE (Main) (Paper I)
5.	IMBA (BBA-MBA)	UGAT

III. ADMISSION PROCEDURE

(A) General Courses

The selection of a candidate shall be based on his/her performance in the Entrance Test. The Entrance Test 2017 shall carry weight of 60 marks and a candidate shall be considered for selection if he/she has obtained positive score. Further, where a programme is offered at more than one Campus/College a candidate having given Campus/College preference shall only be considered.

Where two or more candidates have secured equal marks in the entrance test for admission to a particular programme, the tie shall be decided (1) on the basis of aggregate merit obtained in the qualifying examination, i.e. a candidate with higher aggregate marks shall be given preference, (2) If the tie still persists, the aggregate merit of the subject in which the admission is sought shall be reckoned by taking the merit of that subject in all the three years BA/B.Sc./B.Com, 1st year, 2nd year and 3rd year into account (3) In case the problem still remains unresolved or the candidate seeks admission to a Programme where the discipline in which he/she seeks admission is not taught at undergraduate level, then candidate with higher academic merit in the preceding examination i.e., merit in Hr. Sec. Part-II (10+2) where the minimum qualification is graduation and merit in Matric where the minimum qualification for admission is 10+2 shall be given preference.

(B) M.Sc. Biotechnology and M.A. Mass Communication & Journalism

A candidate shall have to appear in the Entrance Test based on two papers (Paper I and II) on a single day. Question Paper I shall comprise 60 multiple choice questions [in a similar manner as in other subjects] carrying 60 marks as per the syllabus prescribed for the purpose.

The Question Paper II of Biotechnology (of 2 hours duration) shall comprise 20 very short answer type questions of 2 marks each (total 40 marks) based on the syllabus prescribed for Paper I.

For MA Mass Communication & Journalism, Question Paper II shall comprise 5 questions carrying 40 marks on broad topics specified in the prescribed syllabus. The candidates shall be required to attempt all the questions in 2 hours.

On the basis of their merit in Paper I, answer books of Paper II of the candidates numbering five times the intake capacity (both under open merit and reserved categories) shall be evaluated.

Final selection for admission to the programmes of this category shall be based on the combined merit obtained by the candidates in Paper I and Paper II.

(C) MBA/MBA(Financial Studies)/MTTM/MCME/ IMBA

The admission to MBA/MBA (Financial Studies)/MTTM Programmes shall be made on the basis of latest CMAT score.

The admission to MTTM Programme shall be made on the basis of Written Test followed by Group Discussion to be conducted by the University. 80% weightage shall be given to performance in Written Test and remaining 20% weightage to the performance in Group Discussion

The admission to MCME (Craft Development) shall be made on the basis of customized MAT test examining the design aptitude of the candidates to be conducted by the University.

The admission to IMBA (BBA-MBA) 5 year programme shall be made on the basis of latest UGAT score.

Candidates desirous to seek admission to these Programmes must have appeared in CMAT/UGAT examinations as already notified by the University.

(D) M.Tech. Programmes

Candidates desirous to seek admission to M.Tech. Programme must have valid GATE score.

(E) B. Tech. Programmes

In case of B. Tech programmes, the admission shall be made on the basis of the latest JEE Main (Paper I) score.

(F) M.Pharm

The admission of the candidates shall be made on the basis of valid GPAT score. In case GPAT applicants are less or the seats remain vacant, then Entrance Test shall be conducted for filling up the vacant seats.

(G) M.P. Ed.

For M.P.Ed. programme only those applicants who qualify physical efficiency test shall be eligible to appear in the Entrance Test.

IV. RESERVATION OF SEATS

Sixty Seven percent (67%) of seats available in a Programme/Course of study, shall be filled up from Open merit category candidates. Remaining 33% of seats available in a Programme/Course shall be filled up from amongst the reserved categories in order of merit. Supernumerary seats shall be in addition to intake capacity of a programme. The breakup of seats for various reserved

RESEARCH POLICY

1. Purpose

This policy relates to the overarching framework for development, implementation, monitoring and assessment of all the policies and programmes aimed at creating an enabling research ecosystem for the faculty members, researchers and research students.

2. Organizational Scope

This is a University-wide policy which includes satellite campuses, constituent and affiliated colleges of the University of Kashmir.

3. Definitions

For purposes of this policy, unless otherwise stated, the following definitions shall apply:

- a) “Act” means the Kashmir and Jammu Universities Act, 1969;
- b) “University” means the University of Kashmir as defined under Section 2(k) of the Act ;
- c) “Statutes” mean Statutes as defined under Section 2 (h) of the Act;
- d) “Regulations” mean Regulations as defined under Section 2 (h) of the Act;
- e) “Syndicate” means the Syndicate as constituted under Section 2 of the Act;
- f) “Academic Council” means the Academic Council as defined under Section 2 (a) of the Act;
- g) “College” means a College as defined under Section 2 (c) of the Act;
- h) “Constituent College” means the Constituent College as defined under Section 2 (d) of the Act; and includes autonomous college designated so by the competent authority;
- i) “Affiliated College” means an affiliated College as defined under Section 2(b) of the Act;
- j) “DRC” means Departmental Research Committee as constituted under Statute 4 of these Statutes and would mean the Department/ Centre/ Institute where the candidate is being or has been registered;
- k) “BORS” means the Board of Research Studies as defined under Section 2(e) of the Act;
- l) “BOE” means the Board of Examiners appointed to evaluate and assess Dissertation /Thesis of scholars for M.Phil/ Ph.D/ Integrated M.Phil & Ph.D programme.
- m) “External Examiner” means an examiner who is not on the pay rolls of the University of Kashmir; n. “Registration” means registration of candidates for M.Phil/integrated Ph.D. granted by the BORS under these Statutes and includes re-registration also;
- n) Research Progress Assessment Committee (RPAC) means a prescribed committee constituted under these Statutes to evaluate and assess the research progress of the registered scholar;
- o) M.Phil means M.Phil as conferred under the Statutes;
- p) “Ph.D.” means Doctor of Philosophy as conferred under the Statutes;
- q) Integrated M.Phil & Ph.D means the Integrated M.Phil & Ph.D Degree as conferred under the Statutes.
- r) “Research Council” means the body approved by the competent authority to formulate policies and programmes for promotion of research in the University.
- s) Research: It is original, independent investigation undertaken to contribute to the existing body of knowledge. Research particularly involves inquiry of an experimental or critical nature driven by hypothesis or intellectual positions subject to rigorous assessment by experts in a given discipline. Research results into work that has direct relevance to the social, intellectual or ethical needs of communities, government, industry and commerce. In some disciplines, research may be in the form of artistic works, performances or designs that lead to new or substantially improved insights.

Research may include: contributions to the intellectual underpinnings of subjects and discipline, the use of existing knowledge in experimental development to produce new or substantially improved materials, devices, products, communications or processes, and the synthesis and analysis of previous research to the extent that it is new and creative.

Research findings must be open to scrutiny or formal evaluation by experts within the field. This may be achieved through various forms of dissemination including, but not limited to, publication, manufacture, construction, public presentation, or provision of confidential reports. Research does not include activities that are part of routine standard practice or outputs that do not embody original research.

4. Research Management

The activities related to research in the university are governed by a set of norms formulated by the University Research Council (URC) which has following powers/functions and composition:

Powers and functions:

1. To advise on matters related to improving overall research environment of the University, including need assessment for research administration, research infrastructure, quality benchmarking of research output and R&D needs of the University.
2. To suggest ways and means of supporting, promoting, encouraging and assessing research activities and output in the University and its adjuncts.
3. Provide a forum for discussion on new, innovative and strategic research initiatives, including proposals for augmentation of R&D infrastructure in the University.
4. To discuss, debate and recommend to the Syndicate and University Council amendments, modifications, changes etc. in the statutes and rules for various research programmes in the University, including fee structure, number and emoluments of university research scholarship/fellowship etc.
5. To consider proposals from Boards of Research Studies, Deans of various Schools and other relevant bodies/authorities regarding capacity building in R&D, new initiatives for promotion of research and research output, ethical conduct, technology transfer, utilization of research grants and make appropriate recommendations for consideration of competent bodies.
6. To counsel on matters related to inter-disciplinary, trans-disciplinary and collaborative research at local, regional, national and global level and identify 3 opportunities for partnerships to support research interests of the University of Kashmir.
7. To consider policies regarding Intellectual Property (IP) including ownership, sharing of licenses, technology transfer and royalty resulting from IP created by the University of Kashmir and other activities related to IP and recommend to the competent authority for their adoption.
8. The URC shall be a recommendatory/advisory body and shall not take any decision on any matter falling within its competence which involves financial and administrative implications, without obtaining prior approval of the Syndicate or the University Council, as the case may be.
9. The URC shall have powers to appoint standing committee with appropriate members with power to invite distinguished researchers for advice on matters of urgent nature.

Composition:

The URC shall consist of the following members, all of whom shall be members ex-officio

1. The Vice Chancellor
2. Two distinguished researchers nominated by the Chancellor
3. One distinguished researcher not associated with the University of Kashmir to be nominated by the Vice-Chancellor
4. Dean Research
5. Dean, Academic Affairs, University of Kashmir
6. Deans of Faculties/Schools, University of Kashmir
7. Dean Research or equivalent of the Universities/Institutes in the State of Jammu and Kashmir
8. One Head of Department/Director of a Centre, University of Kashmir by rotation to be nominated by the Dean of the Faculty/School.
9. Nodal Principal, Kashmir Province
10. Three Principal Investigators/Coordinators who have brought in significant research grants from national international agencies
11. Chairpersons of the Subcommittees that report to the University Research Council. Representatives of Govt. departments/agencies such as Science and Technology, Agriculture, Forests, Industries, State Pollution Control Board etc. to be approved by the Vice Chancellor on the recommendation of Dean Research.

Terms of reference

- a) The term of office of the members (other than ex-officio members) will be three years from the date of nomination.
- b) The University Research Council shall meet at least once a quarter/six months.
- c) Fifty percent of the total membership shall form the quorum for any meeting.

Subcommittees to report to the University Research Council

- a. The Standing Operations subcommittee, comprising faculty from across campus, investigates specific aspects of research and its infrastructure in depth, makes recommendations to the URC for improvement, and provides a forum for faculty input into the overall research environment of the University.

- b. Research Ethics subcommittee, comprising of selected faculty members, to look at all ethical aspects of research including plagiarism, ethical clearance wherever required.
- c. Bio safety subcommittee – comprising of selected faculty from across the School of Biological sciences, to look at bio safety related issues including impediments to the conduct of clinical and translational research, and provides recommendations to the URC regarding solutions and best practices.
- d. Research Extension/Awareness subcommittee - ensures that the research mission of the KU is highly integrated into overall societal development and plays important role in Government's policy planning.

5. Requirement to Undertake Research

- a. Each teacher/scholar will carry out independent research, and/or creative activities that are appropriate to his/her discipline. In doing so they will individually or in collaboration with colleagues:
 - I. supervise research students;
 - II. broadly disseminate research results (i.e. through more than one medium or one audience) through their teaching practices and, wherever appropriate, protect the results of their research;
 - III. contribute to the research environment and culture of University of Kashmir through activities such as mentoring, engaging in new research initiatives and strengthening the research infrastructure; and
 - IV. participate in initiatives designed to secure financial support for research activities from external sources (including for example, government funding, industry partnerships and contracts, philanthropic gifts, research translation and commercialization opportunities).
- b. The requirement to undertake research is a prerequisite for professional growth and will be balanced with other obligations of academic staff including teaching and administrative responsibilities. c. Nothing in this policy is to be construed so as to prevent Deans of Schools/Heads of Departments/Coordinators etc. from allocating teaching and other responsibilities in the light of the research record of academic staff.

6. Statutory and Ethical Obligations

- a. Faculty, scientists and research scholars are required to carry out their research in compliance with all the University's obligations under legislation and other ethical and contractual obligations.
- b. Research projects that involve human or animal subjects, including those undertaken as part of a teaching programme, must be approved in advance by the competent committees.
- c. All academic staff, students, and visitors of the University are required to make themselves aware and follow the contents of the University Act, Statutes and other policies duly approved by the competent authority.
- d. While formulating research projects, the Scientists are expected to keep not only the national and regional priorities into consideration but also generate research output that augments the efforts to address some global issues.

7. Resources Support for Research

(a) University Research Fund

- i. The general principle governing the allocation of all research funding in the University is that it is an investment intended to maximize the research outcome from faculty, scientists and research scholars. Proposals for allocation of funds for research will be finalized in the Research Council for approval by the competent bodies/authority.
- ii. The University Research fund shall be exclusively used for promotion of research in whatever manner possible with due approval of the competent authority.

(b) Faculty and School Research Grants

Various departments, Research Centres will be allocated grants as per their requirements and such requirements are assessed through a rigorous process inviting different sections of University e.g Budget, Development, Research etc.

(c) External Research Funding

- i. All applications for any external research funding are to be submitted through the office of Dean Research. ii. All the research projects or any other research contracted by an external party is administered by the office of Dean Research.
- ii. The office of Dean Research provides financial and non-financial management services to Investigators, Coordinators etc.
- iii. The researchers are encouraged to submit projects to different funding agencies and the Dean Research keeps a close vigil on the Investigators of different funding agencies wherein

research proposals are invited for funding. Accordingly concerned scientists are persuaded to submit proposals.

(d) **Compliance with project guidelines** of the University and funding agencies Faculty and other researchers are expected to comply with the management of external research, consultancy and other contracts in accordance with prescribed guidelines, norms and procedures.

(e) **Faculty members are eligible** to apply for leave in support of their research including research and Study Leave, Overseas Conference Leave etc which shall be considered for approval after fulfilling the requirements in terms of the leave rules of the University of Kashmir

(f) **University Research scholarships** are available through the Faculties and Schools to support M.Phil and Ph.D scholars.

8. Research planning

Each faculty/school and its constituent academic units are required to develop and implement their own research plan that is consistent with and delivers to the University Research Strategy and the University Strategic Plan.

9. Evaluation and Monitoring of Performance

- a. Dean Research has the responsibility for evaluating the University's Research performance. Boards of Research Studies of each School/Faculty advise the University Research Council on the University's performance, its alignment with external research funding sources available, opportunities for development and the impact and intensity of its research.
- b. The Dean of the concerned School/Faculty monitors the performance of Departments and research centres in accordance with the evaluation of the University's research performance.
- c. Staff are required to participate in the external assessment of performance through DIQA and other similar bodies.
- d. Staff are required to supply full and accurate details of their research outputs as required by their Head of School (or delegate)/Director (or delegate). This shall be done at least annually. The information is supplied to the DIQA/Office of Dean Research
- e. DIQA publishes an Annual Report wherein the research outcomes, research publications, extra-mural funding, etc. are presented.

10 Recruitment and Staff Development

- a) An important characteristic of a university is to engage in research at a higher level. Therefore, the appointment of new academic staff must give appropriate consideration to the quality of their research record and ensure that it commensurate with the requirements of the position. Responsibility for oversight of this rests with the relevant Selection Committees and competent bodies.
- b) Academic staff are required as part of the annual process to prepare a Research plan and to review that plan annually in consultation with their Head of Department or Director and Dean of the School/Faculty. Consultation should include a review of: Research objectives, anticipated applications for external research funds, details of other initiatives to secure financial support for their research activities, opportunities for collaboration, timelines and expected outputs for the dissemination of their research results, protection of their research results where appropriate, supervision opportunities, activities within the Research community, activities to enhance the impact of their Research.
- c) Deans of School should ensure that newly appointed staff are familiar with research evaluations, research training and funding opportunities and the importance of publishing in suitable journals, both within the University and external to it.

11. Publication and Intellectual Property

- a. The University expects that all research outputs are publicly available.
- b. Research outputs may be withheld by the University where "good reason" exists.
- c. To the extent permitted by law, Research outputs may be embargoed as required by the University's Intellectual Property Policy.
- d. University has a mechanism in place to check the plagiarism of publications. Plagiarism and other scientific misconduct is not only checked but has been made punishable.

12. Research Centres and Institutes

Characteristics of Research Centres and Institutes

- a. The University establishes Research Centres to raise the research profile of the University, focus on areas where there is (or the University wishes to develop) research excellence (including areas of applied research) and to maximise external research funding. Research Centres help position and promote the University's areas of research excellence and build the University's research reputation. They also serve as vehicles for engaging with other research institutions and industry and facilitate interdisciplinary and multidisciplinary relationships.

13. Distinctive Thrust Areas/Themes

Like Research Centres and Institutes, a plethora of multidisciplinary themes may be identified that augment the academic policy and framework of the University. They promote an outlook that goes beyond disciplinary, school, faculty and other traditional boundaries and frame and develop research and public engagement endeavours of the University of Kashmir.

14. Statutory Compliance

The University is required to manage its policy documentation within a legislative framework. The legislation directing this policy includes the: The Jammu & Kashmir Universities Act, 1969 University Grants Act, 1956

Any other relevant legislation enacted from time to time either by the Central Govt. or the State Govt.

Department of Computer Science

cs.uok.edu.in

Name of Head : Prof. M. Arif Wani

Action plan for the year:

Establish high end Computer labs for students and research scholars. Extension of the current building for Faculty rooms and Class rooms. Complete renovations of existing faculty offices and computer labs.

Plans of the Department for next year :

Continue building up a quality post-graduate and research environment while adhering to world-class standards.

Servers	2	0	0.00
Servo-Stabilizer for department	0	1	800,000.00
Computer Systems	60	10	720,000.00

Financial Aid / Scholarship provided to students:

Type	No. of students	Amount per student	Total ammount
Student Aid Fund	8	6,000.00	48,000.00
OBC	3	15,000.00	45,000.00
Minority Scholarship	3	60,000.00	180,000.00

Guidance and Counseling:

Visit to Software Technology Park of India(Rangreth) for MCA 6th Sem(Project) students.

Status of passout students (placement / higher studies):

Organisation Name	Description	No. of students placed
Higher Education	Assistant Prof / Contractual Lecturer	15
J&K Bank	Banking Associate	5
Udhan /Himayat Projects	Software Developer/ Customer Support	6

Performance of students in sports activities:

Name of the Game	No. of students		Performance
	Male	Female	
Football	12	0	
Cricket	16	0	

Healthy Practices of the Department:

Regular interaction with students, try to solve their Problems (Academic as well as personal and career-oriented).

Weaknesses of the Department (if any) :

Needs more permanent faculty members to meet teaching requirements. No new faculty added despite introduction of M.Tech. programme.

Faculty Strength:

Directorate of IT&SS

itss.uok.edu.in

Name of Director: Dr. Maroof Naicem Qadri

Action plan for the year:

Development and Implementation Of Administration Management System (AMS) with modules like Leave Management System, Salary, Budget. Integration of main website with other applications, Development and Implementation of Kashmir University Institute Affiliation Application (KUIAA), Journal Submission System, Phd Admission Module, Diqa Data Information Module, Modification in Entrance Applications, Modification in Admission Form Application, New Distance Admission Application Forms, Web Based UG Diploma Certificate Courses Registration Return Application, Connecting the various remaining departments of Kashmir University through Fiber, Giga network for hostels, Departments. Enhancement of the college connectivity.

Achievements of the previous year proposed plans:

Implementation of new UGC Amendments 2018 in CAS (Career Advance Scheme), Distance Education Admission application, Integration of 7th Pay commission, Validated idea of Proposal Management System, New features in existing Mobile Application, Main website maintenance update, New Changes in Entrance Application for 2019, Department Management System currently only with inventory management, Implementation of new SMS service, Officer Application form 7th Pay arrears calculation and release, Salary APIs for various software applications E-Challan System, Hostel management system Dean research Budget Management System, Developed Proposal Management System (eoffice), website developed for GDC Ganderbal, GDC Kulgam, IHM Rajbagh. Application support to Cultural department, Govt of J&K. Offline Fess Reconciliation System, Single Log in Service (SLS). Developed and Implemented Support app for most of IT Online applications. Network(Under E-Governance Initiative(Project)): Installation and commissioning of Modular Data Centre at Main Campus, Campus LAN, Giga Byte Through Fiber, Establishment Of IT Centers with Connectivity At Remaining Govt. Affiliated Colleges. Establishment of Structured networking and installation of WiFi devices at Habba Khatoon Girls Hostel, Rabia Basri Girls Hostel, Qurat ul Ain Girls Hostel and Bibi Aamina Girls Hostel, CORD, Environmental Science, Business School, Bandwidth Up-gradation of Satellite Campuses.

Plans of the Department for next year :

Development and Implementation Of Administration Management System (AMS) with modules like Leave Management System, Salary, Budget. Integration of main website with other applications, Development and Implementation of Kashmir University Institute Affiliation Application (KUIAA), Journal Submission System, Ph.d Admission Module, Connecting remaining departments through Fiber, Giga network for hostels, Departments. Enhancement of the college connectivity.

Department of Electronics & Instrumentation Technology

electronics.uok.edu.in

Name of Head: Dr. M. Tariq Banday

Action plan for the year:

- Upgradation of laboratories, library, classroom infrastructure and other facilitation for the students and scholars of the Department.
- Upgrading the course structure of M. Tech Course in Embedded Systems and Solutions.
- Arranging the faculty exchange programme for M. Tech. students.
- Submission of new projects to different national organizations.
- Organizing National Seminar and International Indexed Conference on Electronic Devices, Systems and Information Security.

Achievements of the previous year proposed plans:

The laboratories, library and classrooms of the Department were upgraded in terms of infrastructure, software, equipments, components and other facilities. The new projects were submitted to different national organizations. Some high end equipment and Software such as Cadence Virtuoso IC design Software were procured.

Plans of the Department for next year:

More state-of-art test and measuring equipment and design and analytical software's shall be procured for strengthening and augmenting research in thrust areas of the Department. Besides, the Departmental library will be upgraded with more reference books as well as journal subscriptions. Furthermore, the Department is planning to organize an international conference in the month of September 2020 (COMMUNE-2020). The state-of-art test and measuring equipment and design and analytical software's shall be procured for strengthening and augmenting the research laboratories of newly introduced M. Tech. Programme. The Department shall work to fill the vacant faculty positions. More project proposals for financial assistance shall be submitted to financing institutions such as UGC, DST and MeitY etc.

Healthy Practice of the Department:

- The department is organizing training programs and workshops for up-grading the skill of students and making them professionally competent.
- The faculty uses state-of-the-art ICT infrastructure such as projectors, simulations, visualizers to impart education.

Weaknesses of the Department (if any):

- Unfilled Faculty positions and inadequate number of sanctioned positions.

Department of Pharmaceutical Sciences

pharma.uok.edu.in

Name of Head: Prof. Nahida Tabassum

Action plan for the year:

1. Increase in the infrastructure facilities of the Department with regard to research labs for Ph.D scholars and M Pharma students.
2. Creation of more posts for teaching, technical non- technical staff.
3. Faculty and Student exchange programmes to be taken up with other Institutions of repute like Jamia Hamdard, NIPER, DIPSAR, etc.
4. Separate Faculty Status for the Department.
5. Improvement in washroom facility for girl students.

Achievements of the previous year proposed plans:

Faculty and Student exchange programmes were carried with Institutions of repute like CSIR Lucknow, IIIM Jammu, Jamia Hamdard, NIPER - Mohali, DIPSAR, etc.

Plans of the Department for next year :

1. Increase in the infrastructure facilities of the Department with regard to research labs for Ph.D scholars and M Pharm students.
2. Creation of more posts for teaching, technical and non technical staff.
3. Faculty and Student exchange programmes to be taken up with more Institutions.
4. Separate Faculty Status for the Department. 5. Improvement in washroom facility for the girl students.

Thrust areas of research:

1. Pharmacological screening of herbal/synthetic drugs for their neuroprotective, antihepatotoxic, antidiabetic, anti-epileptic, memory enhancing, antidepressant, anti-inflammatory and antiulcer activities.
2. Formulation Development and evaluation of Novel drug Delivery systems
3. Phytochemical and Pharmacognostic studies on medicinal plants with emphasis on the ones available in Kashmir Valley.
4. Isolation, characterization, structure elucidation and quantification of bioactive compounds from medicinal plants by using sophisticated spectroscopic techniques.
5. Adverse Drug Reaction Monitoring in Kashmiri Patients.
6. Antimicrobial & Antioxidant studies of herbal drugs.
7. Pharmaceutical Biotechnology - Studies on microbial natural products.

Conferences / Seminars / Workshops / Symposia organized by the Department

Student achievements and awards:

1. ICMR fellowship was sanctioned in favour of three students- one RA and two SRF-form our department.
2. BIRAC fellowship was awarded to three students from the department amounting to Rs.100000.00.
3. Two projects were sanctioned by New Gen IEDC to two research scholars each amounting to Rs.2.50 lacs.

Guidance and Counseling:

Students are regularly guided regarding the carrier opportunities in the field of Pharmacy.

Status of passout students (placement / higher studies):

Organisation Name	Description	No. of students placed
SUN PHARMA	Clinical Associate	1
Health & Medical Education	Lab Attendent	1

Honours /Awards to the Faculty:

Dr. Mubashir Hussain Masoodi (Associate Professor) was sanctioned Travel Grant by JK State Council for Science & Technology for attending an International conference at Thailand, Bangkok on October 3-4, 2019.

Healthy Practices of the Department:

1. Industrial training forms an integral part of B. Pharm Curriculum.
2. Campus recruitment of B. Pharm and M. Pharm students for placement in Pharma industries.
3. Interaction with research and academic institutions.
4. Students are taken for Pharmacognostic/CNP tour to IIIM facilities.

Weaknesses of the Department (if any):

1. Dearth of Space creating hurdles in increasing the intake capacity of a very prestigious course for which there is a great demand from Students and Society.
2. Dearth of Laboratories both for PhD and M. Pharm.
3. No separate Seminar room, Common room and Library.
4. Dearth of Wash rooms for Girls due to dearth of space.
5. No proper animal house for carrying out research activities which creates problems in research work.
6. No classrooms for M. Pharm students.

Action plan for the year: For the last few years, the Department of Biochemistry is in a process of strengthening its research infrastructure, to convert into a state of art research facility. In this direction, the department intends to make operational Research lab 3 operational, currently in the last phase of development under RUSA. The department has procured several high end research equipments like LICOR, HPLC, Nano drop etc. under DST-FIST support grant. For Masters Laboratory, Department is procuring scientific and research equipment worth Rs. 30 lakhs needed to enhance the experimental skills of students.

Department of Bioresources

bioresources.uok.edu.in

Name of Coordinator:

Dr. Manzoor Ahmad Mir

Action plan for the year:

- To have a separate Departmental status and apply for DST- FIST & UGC SAP.
- 2. To establish Animal Cell culture Laboratory with liquid Nitrogen facility.
- 3. To establish full-fledged Library.

Achievements of the previous year proposed plans:

Most of the proposed plans achieved like

- Reorientation of Bioresources Block
- Establishment and inauguration of research labs and Animal Cell & Tissue Culture Lab
- Establishment of Library
- Separate entrance test in Ph. D admission.
- Installation of AC in classroom

Plans of the Department for next year:

- Separate Departmental status.
- More space/ infrastructure for Department.
- Establishment of more research infrastructure.

Innovations in curricular design and transcription at UG / PG level:

Revised the CBCS syllabus for PG, UG and Ph. D course work

Percentage of syllabus revised during the current year:

40%

Interdisciplinary programmes started during the current year:

Cellular and molecular Immunology as DCE paper

Thrust area of research:

- Stress and Tolerance Biology
- Cancer Immunology
- Fungal Drug Resistance
- Tuberculosis Drug Resistance

Research projects initiated and completed:

Description	Title of the Project	Faculty Name	Acting As	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during current year (in Rs.)

Student achievements and awards:

- UGC NET & JRF
- DST-INSPIRE FELLOWSHIP
- GATE

Guidance and Counseling:

- Counseling for PG and Ph. D admissions in other Universities.
- Guidance for JRF-NET Exams.
- Guidance to College students for choosing Science as a career

Status of passout students (placement / higher studies):

Organisation Name	Description	No. of students placed
Kashmir University and IIIM Jammu/Srinagar	Ph D	8
Govt. of J&K	Bank Associates	2
Govt. of J&K	Education (School Teachers)	5
Govt. of J&K	Other Govt Departments	7

Honours /Awards to the Faculty:

- Teachers Excellence Award (TARE) Received By Dr. Manzoor Ahmad Mir, Coordinator of the Department
- Summer Research Fellowship SRFP-2019 by Indian National Science Academies Awarded to Dr. Manzoor Ahmad Mir, Coordinator of the Department

Healthy Practices of the Department:

- Department has ICT Technology for classroom teaching.
- Department has an efficient system of grievanceredressal for students.
- Department has a good mechanism of waste disposal.
- Department has online admission in examination process.

Weaknesses of the Department (if any):

- Department needs a separate status as well as separate full-fledged research Centre.
- Need more research laboratories to accommodate more research scholars and students.
- Need to establish Animal cell culture lab with Liquid Nitrogen Facility.
- Require more financial assistance from University.
- Require more permanent faculty positions.

Department of Bio-Technology

biotechnology.uok.edu.in

Name of Head : Prof. Khalid M Fazili

Action plan for the year:

The Department will start the annual research meet . It will provide a platform for researchers and students to discuss with the eminent scientists and scholars of the country. This will be in addition to the extension lectures from the postdoc fellows and scientists to be organised by the department. The instrumentation procurement from the SAP and FIST projects will be completed this year.

Plans of the Department for next year:

The departments will apply for the grants under the schemes like PURSE, SPARK, STRIDE and centre for excellence. These grants will boost the infra structure and the research of the department. like pervious years we will conduct extension lectures from internationally reputed scientists.

Healthy Practices of the Department:

Department has started the annual Research meeting from this years to boost the research environment. The theme of this years was RECENT TRENDS IN CELL & MOLECULAR BIOLOGY. Eminent researchers from the reputed institutes delivered talks on the recent trends in the cell and molecular biology and interacted with the students. Department is organizing extra classes for national level examinations like NET, BET.

Thrust area of research:

- Biodiversity characterization, conservation and sustainable utilization in relation to regional development
- Plant invasions: species invasiveness, community invisibility, risk analysis, impact assessment and management
- Mycorrhizal functional diversity and its role in plant performance and ecosystem functioning
- Physiological, biochemical, molecular & nutritional aspects of pseudocereals from Kashmir
- Physiology of flower senescence and regulation of vase life in select ornamentals
- Reproductive biology, multiplication and conservation of endangered and endemic plants.
- Micropropagation, conservation and bioprospection of threatened medicinal and economically important plants
- Diversity and characterization of micro- and macro-fungi of Kashmir Himalaya
- Genetic diversity and conservation of Rosaceous fruits of Kashmir Himalaya with special reference to Apple and Apricot.
- Cytogenetics and genetic improvement of important medicinal plants of Kashmir Himalaya
- Systematic studies on flora of Jammu and Kashmir state
- Climate change, phenology and alpine ecosystem dynamics
- Micro-propagation of threatened and economically important plants
- Epidemiology, etiology and management (biological control and IPM) of pathogenic diseases of important crops
- Crop biotechnology, functional genomics and proteomics of plant stress

Action plan for the year:

The department plans to upgrade the infrastructure for the existing diagnostic laboratory and to acquire the manpower for smooth functioning of the diagnostic laboratory. The collaboration with university hospital will continue for training of our 3rd semester students. We plan to establish MOUs with new institutes and R&D based bio-medical companies for research collaborations and training of our 4th semester students for internships in addition to continuing the current academic research collaborations with national & International institutions. The department also aims to apply for the central grant schemes such as PURSE, SAP & FIST.

Innovations in curricular design and transcription at UG / PG level:

E-lecture modules were prepared uploaded for all the courses.

Thrust area of research:

- Development of monoclonal antibodies and recombinant antibody based tools for research and development and diagnostics.
- Design and development of crystallization chaperons using avian recombinant antibody fragments for structural and biochemical characterization of difficult membrane proteins.
- Exploration and characterization of novel biologically active proteins from medicinal plants.
- Structural and functional studies of intrinsically disordered proteins, a class of proteins that lack well-defined three-dimensional structures, and modulation of protein fibrillation/aggregation in presence of chemical chaperones.
- Free Radical Biology and oxidative stress, Stress Biology and Cancer Biology.
- Metabolic syndrome; PCOS • Cystatins: study of structure, folding patterns and their use as diagnostic markers
- Transcription and Epigenetics

Center of Research for Development (CORD)

cord.uok.edu.in

Name of Director :

Prof. Azra Nahaid Kamili

Action plan for the year:

- To develop infrastructure for an state of art diagnostic laboratory.
- To start collaboration with different reputed institutions of the country.
- To establish MOUs with new institutes and R&D based companies for research collaborations and training of our 4th semester students for their dissertations.

Achievements of the previous year proposed plans:

- A few projects successfully completed.
- Publications in reputed journals.
- Third batch of microbiology was successfully admitted in the centre.
- The core courses, various general elective and discipline centric elective courses were taught to 1st batch of PG students of Microbiology as well as many of the other faculties of University.
- Ist batch P.G students were sent to different reputed institutions for project dissertations. one student of its batch P.G Microbiology was sent to Korea for M.Sc dissertation.
- New projects submitted and implemented.
- New research collaborations made with different reputed institutes. NET-JRF and NET Exam qualified by scholars.
- SET Exam qualified by few students. Several MPhil and PhD scholars were awarded their degrees.

Plans of the Department for next year :

The Department continues with its intent to strengthen its teaching and research areas by augmenting the infrastructure and human resource potential. State of art labs and library infrastructure is proposed to be had soon following the up gradation of all PG and Research labs library. Through different research grants submitted adequate measures will be taken to realize the goals set to work on the thrust research areas. Generation of funds through research projects and consultancy projects. To organize research methodology workshops for research scholars. To develop linkages and memorandums with national international academic and research bodies.

Guidance and Counseling:

- Students and scholars counseled by the faculty to facilitate their academic as well as research initiatives
- Students are being counseled to work in various national laboratories for their project dissertation.
- Counseling was provided to students and scholars for various competitive exams and research fellowships are a regular activity in our Centre.
- The students on regular basis are counseled by the faculty to facilitate the students in their academic as well as research initiatives.
- The students of 1st semester, 2019 were called for counseling in order to opt for suitable elective allied and elective open courses as per CBCS.
- Students opted for research programmes like M. Phil and Ph. D are also counseled and guided by the Faculty members by convening them through regular DRC's.

Healthy Practices of the Department:

- Imparts training to officials/ scientists of other State and Central Institutions like LAWDA, Fisheries, Deptt of Central Silk Board, Pollution Control Board, etc.
- Conducts water analysis of various samples provided by State Government agencies like State Pollution, Control Board, Lakes & Waterways Development Authority, Economic Reconstruction Agency, Public Health Engineering, NIT Srinagar, ERA, J & K Govt, Fisheries Department, etc.
- Environmental Management plan formulated for several developmental projects of the state.
- Management plans for biodiversity board of Jammu and Kashmir.
- Students and research scholars are provided a platform to interact with the scientists of national and international repute through organization of special invited lectures.
- The syllabus has been formulated as such so as to keep it in tune with the national standards so that the students find it easier to qualify national level examinations such as CSIR-UGC, NET, ICAR, GATE Etc.
- Research projects funded by the national agencies such as DBT, DST, CSIR, UGC etc. are routinely undertaken by the revered faculty members.
- The departmental faculty keep on attending conferences/seminars/Orientation and refresher Courses to Improve upon their teaching pedagogy.
- The focus of the research in the department has always been in tune with the contemporary issues and challenges

Weaknesses of the Department (if any):

The Department at present faces the following shortcomings: i, Shortage of space for PG programme in terms of classrooms and Labs, as well as Research Labs and faculty cabins i, No proper electrification leading to damage and at times non functioning of important gadgets and equipments i, Lack of animal house to cater to research areas involving animal studies i, Shortage of staff positions which need to be augmented to maintain high standards of teaching and research.

Department of Nanotechnology

nanotechnology.uok.edu.in

Name of Head/Coordinator: Dr. Rabia Hamid

Action plan for the year:

- Introducing a research programme in Nanotechnology
- Creation of individual research labs for faculty members
- Creation of Classroom and Lab Infrastructure for PG programme

Achievements of the previous year proposed plans:

- The Department was able to draw a substantial amount of grant from the University for purchase of necessary equipment to boost the teaching and research infrastructure. The state of art equipment was procured and is being installed in the laboratories for use.
- Working research Labs for the faculty members are being established and almost ready to shift into.
- Classrooms for PG students with heating facility have been established.
- State of art classroom/ library/conference cum seminar room furniture has been procured.
- IT tools (projectors, screens, etc.) as teaching aids were procured.
- The faculty members were able to draw research grants from various funding agencies.
- The Department received the honor of being invited to convene and co-host the 6th World Congress on Nanomedical Sciences (ISNSCON 2018) jointly organized by University of Delhi and Jamia Hamdard, in New Delhi on Jan 7-10, 2019.
 - As a Co-host Institute of the Congress, the University of Kashmir was represented by the Department of Nanotechnology under the convener-ship of its Coordinator, who led a delegation of faculty members, research scholars and PG students from various Science Departments of the University.
 - A one-day Technical Session on “*Nanotechnology in Drug and Vaccine Development*” was successfully organized and conducted in the Congress in which resource persons and delegates from more than 30 countries participated.

Plans of the Department for next year:

- Strengthening the departmental faculty profile to make the Department of Nanotechnology eligible for applying to various infrastructural research grants like FIST, SAP, etc.
- Starting an interdisciplinary research programme in Nanotechnology.
- Outreach programmes to sensitize students and faculties about Nanotechnology prospectus at UG level and school level.
- Hosting of national workshops/seminars on Nanoscience and Nanotechnology.
- Establishing a state of art departmental library for PG students and a conference-cum-seminar room for the department.

Thrust area of research:

- Nanomaterial synthesis and thin-film deposition through solution-based routes
- Nanofiber synthesis using the electrospinning method
- Nanomaterial characterization, their properties and applications
- Nanomaterial functionalization and applications in drug delivery, tissue regeneration and biomedical engineering
- Cancer biology and nanomedicine
- Cell Signaling
- Nanotherapeutics/ Drug discovery and delivery systems
- Nanoformulation of medicinal plant bioactives and their therapeutic effects

Thrust area of research:

- Air, Water & Soil Pollution
- Aquatic Ecology
- Terrestrial Ecology
- Natural Resource Management
- Environmental Microbiology/ Molecular Biology (Molecular Oncology)
- Environmental Toxicology
- EIA/EMP
- Meteorology and Climate
- Medicinal Plants Research

Departmental journal and its ISSN No.:

Journal of Himalayan Ecology and Sustainable Development. ISSN: 0973-7502

Conferences / Seminars / Workshops / Symposia organised by the Department

- Organised local workshop entitled *Two Day workshop on Beat Air Pollution and Recent Trends in Environmental Science*. Sponsored by Department of Environmental Science, University of Kashmir Srinagar, 11-06-2019 to 12-06-2019

Research projects initiated and completed:

Description	Title of the Project	Faculty Name	Acting As	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during current year (in Rs.)

Student achievements and awards:

- IrfanaAsad and others Research scholar of Environmental Science bag second position in poster presentation competition on the eve of World Environment Day 2019 organised by Department of Environmental Science, University of Kashmir Srinagar.
- Mohd SharjeelSofi and others won position in poster presentation competition on the eve of World Environment Day 2019 organised by Department of Environmental Science, University of Kashmir Srinagar.
- Dr Arshid Jehnagir and Mr. Muneer Ahmad Wani Awarded Best Poster Presentation titled “**Potential of Amino Acid Proxy for Determining State of Organic Matter Degradation in the Sediments of Ahansar Lake of Kashmir Himalaya**” in national Seminar on "Climate Change and its Impact on

Himalayan Ecology and Food Security" organized by *Division of Environmental Science, SKUAST-Kashmir, Shalimar* from 13-14th March, 2019.

Guidance and Counselling:

Counselling was made for preparation of NET and SET exams

Guidance was imparted to fourth semester students for converting project work into good research publications

Counselling's was carried out for outgoing fourth semester students for targeting the best institutions for the research for interested students

Honours /Awards to the Faculty: HUC- Fellowship granted to Dr. Sami Ullah Bhat by HUC-ICIMOD Nepal

Healthy Practices of the Department:

Intensive field studies of the PG Programme

EIA Consultant services, water and air related consultancy

Weaknesses of the Department (if any): Lack of faculty positions

Thrust area of research:

- Bioprospection of natural products from high altitude medicinal plants of Kashmir Himalayas. Exploration of new scaffolds/ novel molecules/ bioactive constituents from endemic plant species of Kashmir.

- Isolation and biological evaluation of principal constituents of various naturally occurring medicinal plants sources
- Non-linear dynamics and applications; Synthesis of polymers having commercial and industrial importance.
- Computational: Studies on energy storage and conversion systems, H₂ storage, structure-activity relationships of biological importance and microscopic structure-property relationship for applications based on transport, optical, magnetic and electrical behavior of condensed systems.
- Synthesis, Characterization and adsorption/ion-exchange/sensing studies of new and novel nano-composite materials useful for monitoring and abatement of environmental pollution.
- Development of Stimuli responsive hydrogels for biomedical applications and Micellar based multistep FRET systems for development of multicolor photo luminescent materials.
- Exploring nanophase materials and electrochemical methods as means to address challenges related to energy, environment and health
- Design and screening of compounds towards biological targets (DNA, Proteins) for pharmacological application And Coordination Modulated Redox Behavior Of Transition Metal Systems.
- Supramolecular Chemistry & Crystal Engineering

Student achievements and awards:

A good number of students were selected for higher education studies leading to PhD programme, Post-doc at National and International Institutes of repute.

Guidance and Counseling:

The departmental faculty is engaged to provide counseling and guidance to the students for their academic and administrative problems.

Status of pass out students (placement / higher studies):

- Theoretical Nuclear Physics
- High Energy Physics
- Neutrino Physics
- Material Sciences
- Superconductivity
- Nanophysics
- Quantum Entanglement
- Atmospheric Physics

Conferences / Seminars / Workshops / Symposia organized by the Department

- Organized national seminars entitled *Growth Points in Physics*. Sponsored by UGC, 15-07-2019 to 17-07-2019

Research projects initiated and completed:

Description	Title of the Project	Faculty Name	Acting As	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during current year (in Rs.)
New project sanctioned	7. Estimation of Diffuse Extra Galactic Background Light Through VHE Gamma ray Observation of Blazars	Dr. Naseer Iqbal	PI	BRNS, DAE Govt of India	01-10-2019	3,400,000.00	
Ongoing project	X ray Study of Galaxy Clusters	Prof. Manzoor Ahmad Malik	PI	ISRO Respond	07-09-2018	2,338,000.00	935,000.00

MoU's signed during the current year:

Continuing already signed MOU with National Atmospheric Research Laboratory, Department of Space, Govt. of India for establishing collaborative research work in the field of Atmospheric, Ionospheric and Space Sciences. The MOU came into force on 29th of October, 2016. Dr. Ramkumar (NARL) and Prof. Manzoor Malik (Physics Department) are the joint PIs of the project under that MOU.

Eminent Scholars who visited / Extension lectures delivered in the Department:

Guidance and Counseling:

Head Prof M Farooq and Coordinator Dr. Nisar are consistently guiding and counseling students.

Healthy Practices of the Department:

- Democratic atmosphere in dealing day to day issues.
- Cordial atmosphere

Weaknesses of the Department (if any):

- Many faculty members are not updating data which reflects us weak inspite of having something better to present.
- Evaluation and award upload often delayed.

Centre of Central Asian Studies (CCAS)

ccas.uok.edu.in

Name of Head: Prof. G N Khaki/ Prof. Tareak A Rather

Action plan for the year:

- Complete the Silk "Route Expedition Phase V".
- Excavation- exploration of Pre-historic sites of J&K
- Publish XXVI issue of the Journal of Central Asian Studies
- Publish research papers in National and International Journals
- Conduct one International Conference and two national seminars
- Sign MOUs and Develop Linkages with prestigious National and International Institutions.

Achievements of the previous year proposed plans:

- Published XXIV issue of the Journal of Central Asian Studies
- Conducted one International Conference and two national Seminars
- Deputed faculty and research scholars to the area of specialization for the field studies
- Published a good number of papers in reputed journals.

Plans of the Department for next year:

- To complete the interdisciplinary research programme on the Silk Route
- To explore the possibilities for further improving bilateral and multilateral relations between India and Central Asia
- To study the major Islamic Revivalism in Central Asia
- To share the platform with other Area Study Centres of India in order to address the contemporary regional issues
- To work with other premier relevant international institutes for management of the regional resources.
- To sign MOUs with the premier Research institutions of the study region.

Programmes offered and enrolment:

The Centre of Central Asian Studies is the biggest interdisciplinary research centre in India conducting research programmes (PhD & MPhil) in Archaeology, Economics, Geography, History, Islamic Studies, Library & Information Science, Sociology, Kashmiri, Persian, and Sanskrit.

Departmental journal and its ISSN No.:

The Centre has been uninterruptedly publishing annually "The Journal of Central Asian Studies (ISSN 0975086X)" for the past 26 years. It has an international Editorial Board and is acclaimed across the world for its quality, style and content. Of late, this refereed journal, with the research papers received from across the world are being evaluated by experts from the world over. Besides, printing its hard copies, it is also available on-line and indexed in the world's two leading databases EBSCO and Pro Quest. It has been recently included in the journals hosted by the Library and Information Network (IFLIBNET), UGC. It is also been enlisted in the UGC approved journals. The centre has already published the XXV volumes of the journal.

Departmental publication other than journal and its ISBN No.:

- The Centre also publishes the "Central Asian Digest" annually to abreast the society in general and authorities in particular about the academic and research activities of the Centre.
- The Centre also publishes the reports of field surveys of the ongoing interdisciplinary research project "Silk Route: Relevance and Revival"

Conferences / Seminars / Workshops / Symposia organized by the Department

- Organized National Conference on "Right to Information Act in Jammu & Kashmir: Achievements and Challenges" organized by the Centre of Central Asian Studies, University of Kashmir in collaboration with the J&K RTI Movement on 20-3-2019.
- Organized National Conference on "Contribution of Sufis and Saints to Composite Culture of Jammu & Kashmir" organized by the Centre of Central Asian Studies, University of Kashmir in collaboration with the Indian Council of Philosophical Research (ICPR) on March 23-24, 2019.
- Organized International Conference "Silk Route- Historical and Contemporary Relevance" organized by the Centre of Central Asian Studies, University of Kashmir on March 25-26, 2019.
- Organized International Conference "Common Human Values in Sufism and other Religion Faiths" jointly organized by the Centre of Central Asian Studies, University of Kashmir and Bedil International Foundation on March 29-30, 2019.

Research projects initiated and completed:

Description	Title of the Project	Faculty Name	Acting As	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during current year (in Rs.)

Student achievements and awards:

- Six scholars of the Centre have been selected as Assistant Professors in various institutions in India.
- Fourteen scholars qualified the JRF/NET/SET examinations conducted by the University Grants Commission and other agencies.
- A good number of scholars have published/presented papers in reputed journals and conferences respectively.
- The scholars got the scholarships from various national organizations like ICHR, ICSSR and UGC.
- Five scholars have been deputed to field studies in Central Asian Republics and India.
- The Faculty members along with the students of PG Archaeology have conducted excavations/explorations at various sites in Jammu, Kashmir & Ladakh.

Weaknesses of the Department (if any):

- Inadequate Space for the Faculty, Scholars, Students and Library
- Deficiency of Good Cartographic Lab
- Inadequate funds for the Books, Journals and other Learning resources

Department of History

history.uok.edu.in

Name of Head: Professor Bashir Ahmad Khan

Action plan for the year:

The Department plans to take forward the Oral History Project with an avowed objective to democratize knowledge production by bringing to the frame of history people and communities that have hitherto remained hidden from history. In this regard, we would like to conduct Oral History workshops to impart training to students in Oral History. The Final Semester Students (4th Semester) shall be trained in particular and acquainted with the nature and purpose of Oral History. The Department also intends to do field study in side valleys of Gurez and Karnah to produce micro- histories of these regions. We are also planning to create a Newspaper archive. For developing the Heritage Museum, we are planning to visit different parts of the state to engage with the community to make them appreciate the value of heritage. This may help us in getting access to a good number of archeological and cultural artifacts.

Achievements of the previous year proposed plans:

Around 200 Oral History Interviews were conducted during the year. Heritage Museum was significantly updated and new artifacts have been added. The Department started work on the Museum Dairy. Micro-histories of around 100 villages were produced. We were able to put in place a good number of student facilities.

Plans of the Department for next year:

- Development of Heritage Museum
- Do Oral Histories
- Create Newspaper Archive
- Produce Micro-histories across the regions of the state
- Automation of the Departmental Library
- Conduct National Seminars-
- Do Fieldwork [Ethno history] of Kashmir Valley
- Create Smart Class Rooms

Organized an interaction programs highlighting the need for inclusive Education

Guidance and Counseling:

Orientation programme was organized for the newly admitted students to aware them about the facilities in place and also to help them in sorting out issues regarding accommodation etc.

The Department organized a programme emphasizing upon the need to be sensitive towards gender issues and the issues of specially abled students

Status of passout students (placement / higher studies):

Organisation Name	Description	No. of students placed
School education	General Teacher	25
Universities	Ph.D/Integrated M.Phil&Ph.D	15

Healthy Practices of the Department:

The Department is actively involved with democratizing knowledge production process and in this regard we are training students in oral history. We believe oral history will not only supplement the extant historical record but will make history doing inclusive to a great extent.

We are producing micro- histories of different regions of the valley.

The Department of History carries out research on marginalized communities and is trying to explore the historical roots of marginalization in the region of Kashmir

Weaknesses of the Department (if any):

The Heritage Museum of the Department does not have adequate space to accommodate artifacts and antiquities contributed by students. None of the Classrooms are air conditioned and the Departmental library is also in need of expansion to accommodate the growing number of books published in the discipline and its sister disciplines each year.

Healthy Practices of the Department:

- To impart to the students and research scholars the knowledge based on considerate enquiry in order to develop their capacity for independent and critical thinking and to acquaint them with the methodology of experimental and investigative academic research.
- To conduct the sustained research and thoughtful inquiry in the issues of historical importance and contemporary relevance.
- To inculcate the spirit of tolerance and patience in order to promote communal harmony and mutual understanding in a pluralistic society.
- To develop the spirit of objective analysis based on impartiality, genuineness, authenticity, legitimacy and relevance.
- To make the students and scholars capable of thinking independently.

Weaknesses of the Department (if any):

The Department is still housed in wooden barracks. The Department is in dire need of state of Art concrete building with all modern amenities.

Healthy Practices of the Department:

- We promote an active and a friendly student teacher interaction in the department at all levels.
- Guidance and counseling for NET and career panning is provided to the students.
- We organize regularly DC meetings for smooth conduct of departmental affairs.
- The department has been able to stick to a time schedule for academics and examinations.
- The department organized a series of special sessions by eminent media scholars, journalists of repute and other media luminaries along with extension lectures, weekly seminars and presentations.

Weaknesses of the Department (if any):

- Major lacuna of the department is dearth of space due to increase in number of students.
- Paucity of equipment for broadcast journalism
- Department is in dire need of more faculty.
- Extension of current building for classrooms and faculty rooms.

Department of Mathematics, South Campus

southcampus.uok.edu.in

Name of Head:

Dr Firdous A. Shah

Action plan for the year:

The department aims at providing quality education to students by making them well acquainted with the recent trends in the development of Mathematics across different fields of science and engineering. During the current academic session, the department mulls to conduct a national level workshop to facilitate research and academic activities in the department.

Plans of the Department for next year:

To develop a sophisticated Computational lab for facilitating both research and academic activities in the department.

Directorate of Distance Education

ddeku.edu.in

Name of Director:

Professor M A Khan / Professor T.A Chisthi

Action plan for the year:

- To equip the study centers with necessary infrastructure and ICT tools.
- To strengthen the e-governance initiatives in the work flow management system of Distance Education.
- To implement choice based credit system.
- To start a UG /PG programmes through Distance Mode which were previous offered through private mode.
- To conduct seminars workshops for the capacity building of the faculty involved in the ODL System .
- To devise strategies and modus operandi for realizing the objectives of UGC-ODL Regulations 2017.

Achievements of the previous year proposed plans:

- Launching of masters in Islamic Studies from the current session.
- MA Education programme was revived after getting approval from UGC –DEB

Plans of the Department for next year:

The Directorate is committed to bring all the programmes which were previously offered under private mode under the ambit of distance mode exercise in this direction has been initiated, broad based panel of script writers has been identified and job assigned to them with vigorous follow up from the directorate to get the material ready before the commencement of the next session.

Innovations in curricular design and transcription at UG / PG level:

Preparation of Summarized version of study material, exchange of curricular inputs with the students with the help of various sharing tools like email, whatsapp, orkut, facebook, twitter, website, mobile, Bluetooth, share-it

Percentage of syllabus revised during the current year: 40%

Thrust area of research:

- Evolving new methodology/models to accommodate maximum number of students without sacrificing the essence of quality.
- Designing experimental studies for developing comprehensive formative and summative models for evaluating the performance of distance learners
- Designing self-learning material in such a way to derive maximum academic productivity from it
- Dropouts in distance education
- Comparative studies in distance education
- Effectiveness of Radio/TV programmes offered by distance education institutions
- Demographic Profile of Distance Learners
- An Objective Based Evaluation of Distance Education System in our state.
- Preparation of ICT based model for distance education
- Preparation of Computer Assisted Self learning packages for various courses of distance education

Departmental journal and its ISSN No.:

The Directorate publishes two research Journals: The Communications (ISSN NO. 0975-6558) in English and The Tarseel (ISSN NO. 0975-6555) in Urdu devoted to the best practices in open and distance learning.

Departmental publication other than journal and its ISBN No.:

The Directorate publishes the study material which is in self-learning format. In addition the students are provided with supplementary reading material.

Conferences / Seminars / Workshops / Symposia organised by the Department

- Organized local seminars entitled *science education in the 21st century*. self-sponsored, dated 28-02-2019

- Organized local seminars entitled *teacher education challenges and prospectus*. self-sponsored, dated 10-04-2019

Student achievements and awards:

The students of directorate of distance education were involved in various meaningful extension and outreach activities. They conducted various community mobilization perogrammes like awareness programmes related to environment, health, hygiene, menace of various social evils prevalent in the society for sensitization of the youth.

Guidance and Counseling:

All the teachers provide guidance and counseling to the students on day to day basis. The Directorate has also started coordinator-student-meet at respective study centers where the students discuss their course related difficulties with their teacher. In addition to it contact classes are conducted at regular interval of time. 65 % attendance in contact classes is compulsory for eligibility in examinations. Tests / internal assessments are conducted at regular intervals and students are given the necessary feedback to improve their performance. Students are also required to submit the assignments / response sheets which are tutor marked. Lesson scripts in the form of self-learning format containing subject content, self-check exercises, suggested readings are also provided to the students. Micro study groups are being constituted where students focus on cooperative learning.

Honors /Awards to the Faculty:

Cluster University of Kashmir awarded best paper presentation award to one of the faculty of the Directorate, the theme of the paper was "construction and standardization of scientific temper scale"

Healthy Practices of the Department:

- Quality assurance is given priority in all the programme activities
- Organizing **Extension Lectures** is a continuous process in the Directorate for the benefit of the students
- Special emphasis is given on Organizing workshops and/or for effective participation of faculty in such programmes for their professional development to learn new techniques and methods of ODL System
- Online Grievance Redressal system.
- Internal Assessment Tests are conducted twice in an academic year in all the courses and subjects.
- In addition to Internal Assessment Tests students of B.Ed and M.Ed Programmes are also required to submit Assignments in all papers.
- Creation of electronic data base of each student
- Single Window Information Student Services
- ICT induced Work Flow Management System in the Directorate

Weaknesses of the Department (if any):

Shortfall in our admissions because the admissions are not conducted immediately after the declaration of undergraduate results, examinations are not conducted on time and there is a huge gap between the conduct and declaration of results.

Networking of DIQA at Departmental level (DIQAU):

To give representative character for effective monitoring, management, organization and assessment, each Department/ Centre/ Satellite Campus/ Administration/ Examination, etc. elects one of the teachers /officers as the Nodal Officer for consolidation of Departmental activities and coordination with DIQA. Each such Department / Centre, etc. has a unit called Departmental Internal Quality Assurance Unit, DIQAU that plays a pivotal role in implementing policies for quality enhancement. Each DIQAU has maximum of seven members consisting of Nodal Officer, 3 faculty members, one representative each of scholars and students working under the chairmanship of HOD/Director. It helps in organizing academic and extracurricular programmes, extension lectures, workshops, seminars, etc. and encourages younger scholars and students to promote and adopt sustainable initiatives for value based quality education. The Nodal Officer establishes coordination among all stakeholders like students, scholars, faculty, administration, etc for promotion and management of quality education.

Plans for 2020**The plan of action chalked out by the DIQA in beginning of the year towards quality enhancement:**

- To submitted online AQAR to NAAC in-order to maintain overall and Grade awarded by NAAC.
- To obtain the student feedback online in a more transparent and convincing way.
- To improve the online submission process of AQAR format and involve all the Sections / Units of the University in this process.
- To institutionalize the process of assessment of teachers for direct recruitment and promotions under CAS on fast track basis.
- To strengthen the collaboration network nationally and internationally via more effective MOUs and develop international linkages and tie-ups for exchange of faculty and students.

Centre for Career Planning and Counseling

ccpc.uok.edu.in

Name of the Director: Prof. Mohammad Shafi Sofi

Brief About the Centre:

The University of Kashmir established the Centre for career Planning and Counselling in 2004 with an aim to help students to attain academic and Career goals, in fact the basic purpose of the Centre has been to provide the students with the opportunity to realize their career potential by exposing them to career planning, career options, decision making skills, occupational information, reinforcement of appropriate work skills and attitudes, to prepare them for various competitive examinations and to provide them a platform for training and placements. To attain the basic purpose the Centre has been working towards the following objectives:

- To provide the services and resources to the students that are essential in their career and educational planning as well as in their job search,
- To provide an integrated platform for the youth to enhance their employability and to provide them placement services;
- To advise any members of academic, administrative or supporting staff on how to help a student who appears to have any problem that has become a constraint for him/her to achieve academic and career goals; and
- To provide information and training for the faculty and administrative staff through staff development programme that will help them to act as academic counsellors in different departments/ Units of the university.

Status and activities of the Centre:

The Centre provides service not only for the registered students of University of Kashmir but also to such potential candidates, particularly from socially and economically weaker sections, who desire to appear for various competitive examinations like civil services, defence Services, NET/SLET. The Centre has also developed a strong interface with the industry to provide placement & training opportunities to the youth of the state. The Centre also intends to establish an integrated Incubation Centre to promote entrepreneurship in the state of Jammu & Kashmir. Under the directions of the Director, CCPC, this Centre provides service in the following areas:

- Career information resources;
- Research on industry's future needs
- Career Planning
- Career Counselling;
- Coaching;
- Training & Placement;
- Liaison between the University and the employers; and
- Workshops and seminars on Career Planning and Placements;
- Incubation Centre

Coaching Programmes and recruitment drives conducted during the year:

The following Coaching programmes have been initiated like KAS/NEET/JEE/ started in the year 2019. The Centre works in collaboration with a host of reputed coaching agencies which are empanelled by the University. Two eminent agencies like Sarthak Priyasass for NEET/JEE and Click IAS for IAS/KAS.

S.No.	Coaching programmes	Candidates enrolled	year
01	NEET/JEE	227	2019
02	KAS (Civil Services)	162	2019

Besides, the Centre for Career Planning and Counselling (CCPC), University of Kashmir was organized recruitment drive in collaborated with ROOMAN TECHNOLOGIES for the year 2019 is recorded as below:

S.No	Name of the Company /Agency	Positions Offered	Date	No. of Candidates Registered	No. of Candidates Interviewed	No. of Candidates Shortlisted	No. of Candidates Selected
01	Rooman Technologies	Relationship Executives	April 2019	87	52	43	27

Achievements of the Centre:

The Centre has been helping the student set and reach career goals by working with a career counsellor who helps them not only in exploring their values, interests, ability and personality but also in determining how these and other factors influence their career goals. The Centre has been providing services not only for the registered students of the University but also to such potential candidates who desire to appear for various competitive examinations like Civil Services, Defence Services, NET/SLET. The Centre has conducted 24 Coaching Programmes for Centre and State Civil Services Examinations which were attended by more than 700 students during the last few years.

As a result of these efforts three students of the Centre qualified Centre Civil Service examinations like IAS and IPS over the past few years and large no. of students qualified Kashmir Administrative services (KAS) during the period. In addition to this the Centre conducted a number of workshops and orientation programmes during the period where the participants were educated about various dimensions of civil Service Examinations.

The Centre for Career Planning and Counselling, University of Kashmir has also evolved as a centre for providing comprehensive training and placement support to the students of various streams within and outside the university. The centre has developed a close liaison with the corporate sector for training and placement of the students. The centre also works in close collaboration with major chambers of trade and industry including Confederation of Indian Industries (CII) and PHD chamber of commerce. Besides this over fifty students of the university have successfully completed their training at the CII- Godrej centre of Excellence, Vikroli Mumbai. The centre has also organised training of students by Bharat Heavy Electricals Limited (BHEL) and Oil & Natural Gas Corporation Ltd. (ONGC), leading public sector companies of the country. The objective of these training programmes is to provide comprehensive training to the students and to equip them with necessary skill sets required for their productive employment.

In addition to these training programmes the Centre for Career Planning and Counselling, University of Kashmir has attracted leading business houses of the country for the recruitment of educated youth from the state of Jammu and Kashmir. The main objective of these efforts is to provide a platform to the educated youth wherein they are exposed to the opportunities in corporate India outside the state. These efforts also help the centre showcase the talent pool of the state to the corporate India. Some of the leading companies that have visited the centre in recent months include Godrej & Boyce India Ltd; HDFC Bank Ltd; Standard Chartered Bank; Infosys Technologies; Hindustan Unilever Ltd; IYogi (India), Yes Bank; Tata Consultancy Services (TCS), Religare; Axis Bank; Saint Gobain; HCL Technologies etc. Hundreds of educated youth from the state have been recruited as a result of these placement drives. The centre has an ambitious plan of developing into a hub for providing comprehensive training and placement to the students.

We strongly believe that the problem of unemployment can not only be solved by providing employment opportunities to the talented youth but also by encouraging entrepreneurship among the youth. The centre has also initiated several measures to develop a full fledged Incubation Centre for promotion of entrepreneurship in the state of Jammu & Kashmir. The proposed incubation centre will provide financial, administrative and technical support to the budding entrepreneurs. To initiate the process Centre intends to enter into an MOU with major agencies to setup a comprehensive Incubation Centre.

Objectives of the Centre:

As of now, the objectives of this centre are:

- To provide coaching facilities, as also testing and evaluation, to enable the aspirants to succeed in various competitive examinations for recruitment to services under the central and state governments, public and private undertakings etc.
- To provide coaching facilities for admission to a variety of professional courses.
- To provide coaching in communication and skills and personality development.
- To provide study material and library facilities.

The centre draws upon qualified faculty with professional orientation to meet the requirements of the coaching programmes. Students are selected for coaching on the basis of an entrance test conducted for the purpose, and they are offered classroom teaching, which is supplemented and strengthened by periodic tests and evaluation. The library of the Centre has a holding of relevant material on a variety of subjects which is replenished regularly to facilitate student's access to current and relevant material available in the required areas.

This Centre for Coaching and Career Planning needs to be expanded, refurbished, and reoriented as the University has strengthened and re-defined its academic priorities and employability potential of its students.

Guest Lecture on Fundamental Duties

In order to create awareness on fundamental duties in the Union Territories of Jammu & Kashmir and Ladakh, the Department of Students Welfare, University of Kashmir hosts a special lecture on fundamental duties among students, scholars and teachers of Higher Education. The lecture was delivered by Prof. Mehraj-ud-din Mir, the Vice Chancellor Central University of Kashmir. While tracing the history of Indian constitution, Prof. Mehraj said "When the constitution of India was adapted on 26 Nov, 1951 it only talked about fundamental rights and there was no mention of fundamental duties at that point of time. It was only in 1976 with the 42nd constitutional amendment that fundamental duties were added to the Indian constitution."

Deliberating upon some of the fundamental duties and their origin Prof Mir said "Some of the duties including promoting harmony and brotherhood, protection of environment and taking care of our elderly and children are enshrined in the religious scriptures of mankind and these are the values which we inherit from our families." While maintaining that that fundamental rights and duties go together Prof. Mir said "However under article 51 A fundamental duties as such are not enforceable in the court of law whereas fundamental rights are enforceable in the court of law." In his presidential address VC KU Prof Talat Ahmad said "University of Kashmir has been nominated as nodal agency by UGC to create awareness about fundamental duties in higher educational institutions in the Union Territories of Jammu and Kashmir and Ladakh. However we feel it should not be confined to higher education only and programs should be held at village level also to involve the common people also in this exercise and spread awareness."

Dr Shahid Rasool presented vote of thanks on the occasion whereas Dean & Head School of Law KU Prof Mohd Ayub presented the welcome address. Dean Students Welfare, Prof. Raies A Qadri was also present on the occasion.

The workshop was conducted by the Cultural Officer, Mr. Shahid Ali Khan. Various other experts in the field of Music and Fine Arts from the Faculty of Music and Fine Arts were also invited for the workshop. During the workshop students were given training in Music, Theatre, Fine Arts and Literary activities and were trained to participate in the AIU's 35th Zonal and National Youth Festivals. But unfortunately due to heavy snowfall in the Valley, the Srinagar Jammu National Highway remained closed for so many weeks. The air traffic to the Valley also remained suspended for almost seven days therefore University Cultural Contingent couldn't participate in the aforesaid youth Festivals.

National Service Scheme

nss.uok.edu.in

Present Programme Coordinator: Dr. Musavir Ahmad

National Service Scheme is basically an educational extension scheme from campus to community implemented by the students utilising their leisure time while they are studying in educational institutions. That means, education through community service and community service through education. The students of college and +2 both from village and slum constitute the majority of the population of the country and there is a general belief that these students may easily be misguided by the anti- social elements and as a result a tendency of separatism or alienation grows in their minds. To guide the students in a right way, to instill the idea of selfless social or community service in particular and the nation in general, NSS was introduced in the educational institutions of the country. In implementing the scheme NSS student volunteers have to make an attempt to break the barriers between education institutions and the villages. Or we may say that today's students are the future of the country, the real policy makers and that is why an attempt has been made through NSS to introduce the real situation faced by the country in which we are living so that in future the student days' experience will help them to formulate a concrete useful practical policy for the country.

The broad objectives of National Service Scheme are

- To understand the community in which they live,
- To understand themselves in relation to their community
- To identify the needs and problems in the solution of which they can be involved
- To develop among themselves a sense of social and civic responsibilities
- To apply their education in finding practical solutions to individual and community problems
- To develop competence required for group living and sharing responsibilities,
- To gain skills in mobilizing community participation
- To acquire leadership qualities and democratic attitude 9. To develop capacity to meet emergencies and natural disasters
- To practice national integration. The Motto of National Service Scheme : 'NOT ME BUT YOU' is the Motto or watch word of NSS. 'NOT ME BUT YOU ' expresses the essence of democratic living and upholds the need for selfless service and appreciation of the other man's point of view and also to show consideration for fellow human beings. In a society the welfare of an individual is ultimately dependent on the welfare of the society as a whole. Therefore, the NSS volunteers should always be prepared to demonstrate this motto in their day-to-day activities.

Vision

To make NSS volunteers ambassadors of change in society

To increase the volunteers across all the educational institutes of Kashmir Division
