The Hague, April 29th 2014

Dear Ms. Anna BASHIR,

I have the pleasure of informing you that you have been awarded one of the scholarships for the Hague scholarship granted by the Hague Academy of International Law for the Private International Law Session 28 July – 15 August 2014. This scholarship amounts to € 1150, from which a reduced registration fee of € 480, will be deducted. The Academy will additionally reimburse part of your travel expenses to a maximum of € 800, upon presentation of your rail/plane tickets.

I am kindly requested, after having received your entry at the reception desk in the Hall of the Academy, to present yourself at the registration desk. There you will be informed of the exact time when you can meet Mr. Andries KRAMPEN, Head of the Financial Department, in order to receive the scholarship. *Please note that the amount of € 700, during the 11 week of the session, will be refunded during your week of stay in the hall of the Academy.*

All non-Dutch attendees are required to have adequate health insurance coverage during their stay. Please note that visa applicants must obtain such insurance before coming to the Netherlands. We consequently advise you to check with your insurance company, whether you are already covered before leaving for The Hague, e.g. this is the case for certain nationals of the European Union. When registering at the Academy, you will need to produce a certificate of health insurance together with this letter in order to receive your identity badge. If you cannot produce such a certificate, temporary coverage will be taken out in your name and at your address in The Hague through a local company. You will be required to pay an additional amount of € 60, as Mr. Andries KRAMPEN in order to cover these insurance fees.

You will receive a letter concerning your accommodation by e-mail and sent by Mrs. Merel Oudejans Legal Lady.

The Academy reminds you of the regulations pertaining to scholarships, with www.hagueacademy.nl/regulations. By applying, and in accordance with Article 2, you have indicated that you strictly comply with the regulations governing the choice of scholarship holders. Special attention should be paid to Articles 7 and 8 of the abovementioned regulations.

As is customary, I would be grateful if you could write a letter to thank Mr. Jozias VAN AMSTEN for having funded your scholarship. Copy of The Hague scholarship at
