Vision:

To orient and augment the knowledge capital of teachers, administrators, senior functionaries, scholars and non-teaching staff of colleges and universities through well-designed, innovative, diverse training modules and continuing education programmes so as to pave way for their professional and career development and make them effective contributors towards knowledge society.

Mission:

To provide adequate opportunities for the professional and career development of teachers in higher education system within the framework of knowledge society and to inculcate values, motivation and the skills in their art of teaching.

To provide opportunity for the teachers of colleges and universities to update their knowledge in the subject, technology and acquire new methods of curricular transactions in each area of their chosen fields.

To enhance competencies, skills, abilities, knowledge, efficiency and motivation of teachers, administrators, senior functionaries, scholars and non-teaching staff of colleges and universities so that they can play an enabling role in the development of students, not only in terms of imparting knowledge and skills to them but also in their counseling, developing critical and innovative thinking, research, consultancy and extension work.

Mandate:

Professional training is a powerful measure in upholding teacher competence and sustaining teacher motivation. The Orientation Courses are for duration of four weeks. These are essentially concerned with the objective of sensitizing participants on current issues of higher education and immediate social relevance. Due emphasis is laid upon strengthening skills in teaching and communication and bringing innovations in teaching. Attempts are made in motivating and developing competence in scientific research. The young teachers, with less than eight years of experience are eligible for enrolling in these courses.

Refresher Courses are organized for a duration of three weeks. The objective of these courses is to update the teachers with recent developments in their concerned disciplines. Local Programme Planning and Management Committee (LPPMC) decides the subjects for Refresher Courses for the year. The Refresher Courses in various subjects have a definite thrust area.

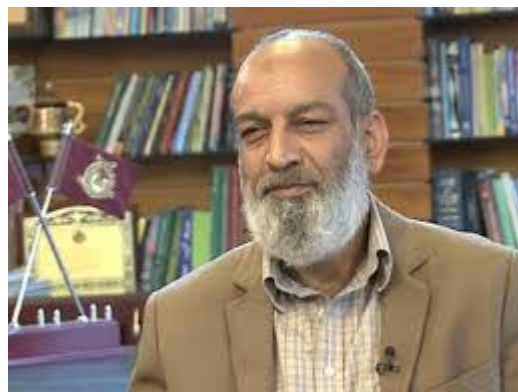

UGC-Human Resource Development Centre (formerly Academic Staff College) also organizes week long workshops for the principals of degree colleges from the state of Jammu and Kashmir. Every workshop is structured on a definite theme. Apart from these programs, one week training program namely 'Professional Development Programme' is organized for senior teachers and administrators on a focused theme.

Message of the Vice-Chancellor, University of Kashmir

Human Resource Development Centre of the University of Kashmir is an academic centre of excellence that is entrusted with the job of conducting various types of training programmes for university and college teachers which substantially build their capacity as agents of socio-economic change and national development. These programmes enable the teachers to discover themselves and their potential through a positive appreciation of their role in the entire knowledge society within which they function and of which they are important members.

Under the flagship of Human Resource Development Centre, it is intended to inculcate in young lecturers the quality of self-reliance through their awareness of the social, intellectual and moral environment. In a place where teachers are able to fulfill their responsibility with awareness and confidence, the educational system becomes relevant and dynamic.

It is equally important to recognize that the academic programmes offered by Human Resource Development Centre should not be rigid since no scheme for orientation of teachers can succeed if the decision-makers and administrators of higher education do not understand the importance of their respective roles. Therefore, along with courses for newly appointed teachers, orientation programmes for non-teaching staff, heads of departments, principals, deans, administrative officers etc must also be organized regularly with a view to acquaint top-level administrators with the latest advancements in technology, higher education administration and management. This exposure will enable decision-makers and administrators to modify their own roles as supervisors of higher education by incorporating recent trends and newer advancements in their day to day functioning.

Human Resource Development Centre of our University has been doing a commendable job over the past 30 years of its existence. I congratulate entire staff of the HRDC for taking the initiative of compiling a progress report of its activities over the past three years and urge upon them to make it a regular exercise in future to publish an annual or biannual newsletter informing about all its programmes and activities and the progress made in achieving its overall goals of promoting professional development of our teaching as well as non-teaching communities. I wish HRDC all the very best in its academic endeavours and assure them of my full support and cooperation in every possible manner.

Prof. K. I. Andrabi

Message of the Director, UGC-HRDC

Higher education system is expected to provide adequate skilled human resources equipped with the knowledge and technical skills to cater to the global challenges in education as well as to the fast growing national economy. The main objective of 66 Academic Staff Colleges spread across 26 states in India is to provide adequate opportunities for the professional development of teachers in higher education system within the framework of knowledge society to inculcate values, motivation and skills in the art of teaching. They aim to provide opportunity for the teachers to update the knowledge in the subject, technology and acquire new methods of curricular transactions in each area of their chosen disciplines.

Specially designed orientation, refresher and short-term courses offered by the UGC-Human Resource Development Centre, formerly known as Academic Staff College of University of Kashmir are aimed at enhancing the core competencies and providing adequate opportunities to teachers as well as scholars, non-teaching staff, and administrators of various universities and colleges for their timely professional and career development and at sufficiently orienting them to the experiential methodologies for teaching/learning and the value of innovative and creative work to fulfill their roles and responsibilities effectively.

Eversince I took over as Director of this prestigious institution, it has been my endeavour to incorporate as many innovations as possible in the design and implementation of our training programmes. Top priority has been accorded to outreach and extension activities besides making best possible resource persons and useful resource material available to the participants. Greater thrust has been accorded to problem-solving mode and experiential mode of education by conducting workshops, presentations and case studies during our courses. Idea was to give the participants an insight on how to overcome various difficulties in pursuit of their academic goals and missions and that is surely going to stand them in a good stead in times to come. Regular feedback has been sought from the participants about the course, resource persons and the centre as well. Based on the feedback received we have tried to improvise upon the design and conduct of our courses.

While formulating the list of courses to be conducted by the centre, provision has been made to keep the duration of courses flexible so that it caters to the needs of a vast group of teachers belonging to different cadres. Simultaneously care has been taken to cover all the faculties and give more preference to the upcoming, key areas of crucial importance in every discipline so that our training curriculum does not become outdated and we are able to keep pace with changing times and trends.

Besides regular General Orientation, Refresher and Short-term Courses, our Academic Staff College has envisaged to conduct quality improvement programmes, methodology workshops, teaching-learning evaluation technology programmes, summer schools, seminars and symposia for college and university teachers, interaction programmes for M.Phil/Ph.D scholars, skill development programmes for non-teaching staff, professional development programmes for administrators and senior functionaries of colleges and universities, in future. Aim is to modernize, innovate and diversify the types of programmes offered by our College for the broad-based professional and career development of human resource in our higher education system.

In the coming days, it shall be our utmost priority to upgrade our programmes, staff, services, infra-structure and other facilities to the largest extent possible and raise the standards of our training programmes to the highest level possible so that we are able to carve a niche for ourselves in the national arena and figure among the topmost academic staff colleges of the country. I urge upon all teachers, administrators, resource persons and other stake-holders to extend their wholehearted support and cooperation in this endeavour and join hands with us in emerging as a centre of excellence in academics.

Prof. Gull Mohammad Wani
DIRECTOR

Brief Profile of the University of Kashmir:

The University of Kashmir is situated on the outskirts of Srinagar city at Hazratbal, spread over a sprawling campus of 263 acres of land, flanked by the world famous Dal Lake on one side and Nigeen Lake on the other and situated amidst delightful natural surroundings, with the Himalayan

mountain range in the background. The University was founded as the University of Jammu and Kashmir in 1948 with Mr. A. A. Fayzee as its first whole-time Vice-Chancellor. By an ordinance promulgated by the Governor of the State of J&K on 5 September 1969 - which was subsequently replaced by an Act of the State Legislature, the University of Jammu and Kashmir was bifurcated into two full-fledged Universities: the University of Jammu and the University of Kashmir. The University of Kashmir today is a teaching and affiliating institution recognized under section 2(f) of the UGC Act. In the year 2002, the National Accreditation & Assessment Council (NAAC) of the UGC accredited Kashmir University as an A-Grade University and subsequently re-accredited the University for a further period of five years in August, 2011 at A Grade with a CGPA of 3.11 on a four-point scale. At present the University of Kashmir has 13 faculties, 38 teaching departments and 15 research centers. It offers 65 courses in diverse disciplines of science, arts, humanities and technology. The University has established five satellite campuses in its territorial jurisdiction in South (Anantnag) and North Kashmir (Delina Baramulla) respectively with the aim of reaching out to people living in remote areas of the Kashmir division and providing educational facilities to these communities for their socio-economic development. Three more satellite campuses have been established at Kupwara, Kargil and Leh for the benefit of people living in these far flung areas.

Besides administrative blocks and various departmental buildings, the University Campus comprises of a guest house, hostels, a post office, J&K Bank Branch with ATM counter, shopping complex and Central Allama Iqbal Library. The Allama Iqbal Library along with its network of 43 departmental libraries is the largest library system in the state that round the clock caters to the academic needs of the large chunk of University community consisting of

faculty members, research scholars, PG and diploma students in various disciplines. It is the only ISO 9001:2008 certified library in entire North India. At present, it has a collection of approximately 6.15 lac books, 56,275 journals (Back volumes), 363 manuscripts and rare books, 297 current print journals besides 85000 online journals through portal. The V-SAT and Radio link connectivity installed in the Library provides much needed internet facility to the faculty members, research scholars and PG students.

The University provides reasonably comfortable residential facilities on first-come-first-serve basis to students in five hostels that include three hostels for male students, one for female students and one for research scholars. The University has its own health center with well-qualified doctors, para-medical staff and computerized diagnostic laboratory, X-ray and ECG units. The University has a full-fledged department of Physical Education & Sports with a director and a team of qualified coaches in various sports. University has a Proctoral Organization to ensure security of all the students and prevent incidents like ragging etc. within the campus. A Women's cell in the University headed by the Dean Students Welfare is meant to address issues concerning woman students on the campus. University offers merit and research scholarships as well as Student Aid Fund to the deserving students of the campus. Department of Students' Welfare headed by Dean, Students' Welfare functions for the overall benefit and the welfare of the student community of the University and encourages their participation in various social, cultural and academic activities. There is also a students' grievance cell which redresses any grievances of the students and acts as a bridge between the University authorities and the student community. A Centre for Career Planning and Counseling and an Entrepreneurship Development Cell has also been established in the University.

About Human Resource Development Centres:

The UGC Academic Staff Colleges (ASC) were established in Universities as autonomous units within them for organizing staff development programmes funded by the UGC. The main objective of Academic Staff Colleges is to provide adequate opportunities for the professional development of teachers in higher education system within the framework of knowledge society to inculcate values, motivation and the skills in the art of teaching. Since, the knowledge explosion worldwide has become phenomenal, it has become difficult to cope with the large volume of knowledge being generated, new information technology and the methodology and techniques of generating and imparting knowledge. The Academic Staff Colleges aim to provide opportunity for the teachers to update the knowledge in the subject, technology and acquire new methods of curricular transactions in each area of their chosen disciplines. The objectives of the Academic Staff College programmes are thus expected to be very different from the traditional B.Ed. /M.Ed. courses.

In the Eleventh Five Year Plan, one more dimension has been added viz., Training in Information Technology and e-content development. With this, the UGC has extended the scope of training to administrative staff in colleges and universities. The ASC draw resources

from the parent University as well as academic resources from other institutions within and outside the state according to the needs. They have functional freedom within the broad framework of the UGC guidelines. In continuation of knowledge enhancement, new strategies of governance for

promotion of innovations and creativity, the XII Plan guidelines were proposed to transform the existing 66 academic staff colleges into Human Resource Development Centres.

In order to achieve the objectives laid down under the National Policy on Education (NPE, 1986) and its Programme of Action, an initiative was taken by University Grants Commission in the year 1986 and over a period of time, 66 Academic Staff Colleges (ASCs) were established in different universities. During the last two decades or more, the system of ASCs has come to be accepted well and established in the university system with plan to plan financial support of the UGC and cooperation extended by the universities in providing basic infrastructure and other support, required for functioning of the ASCs. As of now, a total of 66 ASCs are functioning in the institutions of higher education across the country.

In line with the foregoing objectives and for achieving quality assured system for capacity building, continuous knowledge enhancement, new strategies of governance for promotion of innovations and creativity, new guidelines have been proposed by the UGC to transform the existing ASCs into two level systems in the form of a Scheme of setting up Human Resource Development Centre (HRDC) and Regional Centres for Capacity Building (RCCB) in selected universities in the country to create new such systems commensurate with the expansion of higher education institutions by the University Grants Commission (UGC) with following broad plan of action.

- a) To organize specially designed Orientation Programmes (OPs) in pedagogy, educational psychology and philosophy, and socio-economic and political concerns for all new entrants at the level of Assistant Professor.
- b) To organize advanced level and more discipline oriented Refresher Courses (RCs), for capacity enhancement and continuous knowledge up-gradation and exposure to emerging developments of faculty involved in teaching in institutions of higher education.

- c) To ensure that every teacher in higher education system of our country is exposed to an OP and a RC at least once during the first three to five years; of his/her career.
- d) To organize specially designed OPs/RCs to enable the faculty involved in teaching and research in institutions of higher education to utilize fast growing Information and Communication Technology support to teaching and research.

The following main target groups have been identified for capacity building, knowledge enhancement and similar other programmes with the objective of a holistic approach focused on transformation of our institutions of higher education to a more facilitating academic environment conducive to innovations, creativity and quality advanced learning and research.

- Faculty members in institutions of higher learning engaged in teaching and research
- Teacher Educators
- Key non-academic functionaries in institutions of higher learning for better governance and to facilitate efficient use of various fast growing ICT resources and applications
- Research scholars

About UGC-HRDC, University of Kashmir:

UGC-Academic Staff College, University of Kashmir was established in the year 1987 with an aim of generating awareness among the teaching faculty particularly among freshly appointed teachers about linkages

between society, environment, development and education, about philosophy of education, higher education system and pedagogy, resource awareness and knowledge generation and about management and personality development. Overall aim is their professional, personality and career development. To achieve this aim, Academic Staff College of the University of Kashmir endeavours to design, organize, conduct, monitor and evaluate General Orientation and Refresher Courses for college and university teachers; interaction

Programmes for doctoral and post-doctoral scholars; short-term courses for senior administrators, heads of departments, principals, deans and other decision makers and teaching programmes for non-teaching staff, in accordance with UGC guidelines. Besides imparting knowledge and skills to participants of these programmes, Academic Staff College envisages to provide them opportunities to interact with eminent resource persons and facilitate their exchange of ideas with peers from various parts of the state and country as well. This considerably helps in an overall improvement in the quality of education and research in higher education institutes by enhancing the competencies of the teachers.

Since its inception, UGC-Human Resource Development Centre of the University of Kashmir has conducted 74th General Orientation and 142 Refresher Courses till March 31st, 2017 that were attended by a total of 5497 college and university teachers. Besides these courses 19 short-term courses on different topics have also been conducted that were attended by a total of 827 participants that included college principals, heads of departments and senior administrative officers of various educational institutions of the valley. Out of a total of 1917 participants that have attended 74 General Orientation Course conducted by the UGC-Human Resource Development Centre, 1354 were male and 563 were female whereas 1557 participants were from within and 360 from outside the valley of Kashmir. Similarly in case of 143 Refresher Courses conducted by the College so far, out of a total of 3580 participants, 2359 were male and 1221 were female participants whereas 2329 were from within and 1251 from outside the valley of Kashmir. During the session 2016-2017, UGC-Human Resource Development Centre of the University of Kashmir conducted Four General Orientation, Two Refresher and Three short-term courses. Refresher Courses were conducted in the subjects of Home Science, Physics, Chemistry, English, Zoology, Botany, Economics, Computer Application, Biotechnology, History, Commerce, Law, Education, Sociology, etc. Other Course Special Winter School and short term courses were conducted on Research Methodology in Sciences, Social Sciences, and IT Workshop.

With the new education policy being drafted for the country, the challenges for higher educational institutions are getting compounded day in and day out. The institutions have to come up to the expectations of all the stakeholders-students, teachers & society. In such a scenario, the knowledge creation and its transfer requires a well thought out vision, a well documented action plan and a well managed administrative system. India, being a country with the highest young population needs to take advantage of this situation and develop adequate human resources not only for herself but also for the world economy. As a sequel to this, a target of 30% Gross Enrolment Ratio was fixed to be achieved by the end of the 12th five year plan and the thrust areas to be covered were identified as expansion, inclusiveness, quality, relevance and value based education. This demands a fresh look towards whole higher education system of the country and orient it to accommodate these five areas. Consequent upon this, the mission and vision of higher education needs to be re-created, the objectives to be re-defined, the strategies to be re-formulated, and the system to be re-designed. With this changed milieu, the human resources manning the organizations engaged in higher education need a fresh mind set, a new set of skills, and an innovative approach to the creation, & transfer of knowledge in the society. Realising this fact, the 66

Human Resource Development Centers established by the UGC are supposed to act as change agents and bring transformation throughout the country. The Human Resource Development Center, University of Kashmir (UGC-HRDC) is one of them.

The Vision of UGC-HRDC envisages to contribute to the nation building by training Academic and Administrative human resources for the higher educational institutions of the country at par with international standards. In the next 5 years, the UGC-HRDC aspires to become a state of the art world class institution craving for excellence in competencies, skills, abilities and motivation of both teaching and non-teaching staff of educational organizations.

The Centre would like to assume the crucial role in developing critical and innovative thinking, Counseling, research, consultancy and extension work. The main focus of the centre is as under:

1. Professional Development of teachers by organizing General Orientation & Subject specific and knowledge up gradation Refresher Courses.
2. Special capacity building programmes for women and underprivileged staff.
3. Sensitisation workshop on nation building in line with constitutional ethos.
4. Awareness about Ecology, environment and climate change & the art of living among the youth.
5. Building leadership qualities in youth and training them through value based education and composite culture.
6. Information, Technology awareness and launching of short term courses on MOOC platform to make our programmes available to those who are not able to attend our programmes physically.
7. Development of E-Content and digitise the lectures of top notch resource persons which would be available to the students, scholars, teachers, staff and general public 24x7.
8. Development of interactive website on various issues of education and societal needs.
9. Methodology workshops for Research Scholars in the areas of Sciences, Social Sciences & Humanities to be organized, so that innovative ideas get birth and new approaches would be searched to nurture these ideas into research projects, patents and products.
10. Undertaking specific skill development programmes through which employability of the students and the research scholars will improve.

Cumulative Performance of 2013-2014:

Since its inception, UGC-Human Resource Development Centre of the University of Kashmir has conducted 64 General Orientation and 125 Refresher Courses that were attended by a total of 4647 college and university teachers. Besides these courses 12 short-term courses on different topics have also been conducted that were attended by a total of 504 participants that included college principals, heads of departments and senior administrative officers of various educational institutions of the valley. Out of a total of 1746 participants that have attended 64 General Orientation Course conducted by the UGC-Human Resource Development Centre, 1161 were male and 585 were female whereas 1399 participants were from within and 347 from outside the valley of Kashmir. Similarly in case of 125 Refresher Courses conducted by the College so far, out of a total of 2901 participants, 2028 were male and 873 were female participants whereas 1881 were from within and 1020 from outside the valley of Kashmir. During the session 2013-2014, UGC-Human Resource Development Centre of the University of Kashmir conducted three General Orientation, three Refresher and three short-term courses. Refresher Courses were conducted in the subjects of Applied Sciences, Arts, and Computer Applications, Other Course Special Winter School, Special Summer School and short term courses were conducted on Research Methodology in Disaster Management, Basic Computer & Acc. for Non Teaching Staff, Ph.D/M.Phill Research Scholars.

Short Term Courses Conducted

11. **One Week Research Methodology workshop for Science Scholars w.e.f 17th July, 2014 to 24th July, 2014**

S.No.	Name of Resource Persons	Topics
1	Dr. Tariq Rashid Jan Sr. Assistant Professor, Department of Statistics, University of Kashmir	Basic Statistical Techniques, Inferential Statistics using Software's, Useful Statistical Test, Tests using statistical software SPSS
2	Dr. M. A. K. Beigh Associate Professor, Department of Statistics, University of Kashmir	Sampling Techniques
3	Dr. Sheikh Parvaiz Ahmad Sr. Assistant Professor, Department of Statistics, University of Kashmir	Exploratory Data Analysis, An introduction to R-Software, Application of R-Software using data analysis
4	Dr. Riyaz Ahmad Rainayee Associate Professor, Department of Business & Financial Studies, University of Kashmir	Questionnaire construction, Reliability & validity
5	Prof. Nisar Ali Retd. Professor, Department of Economics, University of Kashmir	Research Methodology Basic Concepts, Research Methodology in Social Sciences
6	Prof. Suresh Kumar Sharma Punjab University, Chandigarh	SPSS, CORR, Regression, Factor Analysis, Principal Component, Non Parametric
7	Prof. Umesh Singh Department of Statistics, B.H.U.	Descriptive Statistics, Distribution: An introduction, Statistical inference

	Varanasi, U.P	
--	---------------	--

12. One Week Research Methodology workshop for Social Sciences, Commerce and Management Scholars w.e.f 25th August, 2014 to 30th August, 2014

S.No.	Name of Resource Persons	Topics
1	Prof. Bilal Mustafa Department of Business Administration, Aligarh Muslim University, Aligarh	Exploratory factor analysis, Confirmatory factor analysis, Scale Development, Reliability & Validity
2	Prof. R.L.Bhat Head, Department of Economics, Central University of Jammu	Research-A Scientific Approach, Report Writing, Primary Data
3	Dr. Riyaz Ahmad Rainayee Associate Professor, Department of Business & Financial Studies, University of Kashmir	Hypothesis Testing-Concept & Application, Hypothesis Testing application of X-Test & T-Test, Reliability & Validity, Application of Exploratory factory analysis in research
4	Dr. Javaid Ahmad Assistant Professor, Department of Statistics, University of Kashmir	Application of Parametric Tests through SPSS
5	Dr. M. A. K. Beigh Associate Professor, Department of Statistics, University of Kashmir	Non-Parametric Tests & the applications
6	Ms. Elizaibath Maryam Assistant Professor, Department of Economics, University of Kashmir	Logit Profit Models
7	Dr. Tariq Masood Assistant Professor, Department of Economics, University of Kashmir	Statistical Analysis using STATA
8	Dr. S.M.Shafi Associate Professor, Department of Business & Financial Studies, University of Kashmir	Research Ethics
9	Dr. Ishtiaque Hussain Qureshi Assistant Professor, The Business School, University of Kashmir	Research Design, Designing & measurement of scales

13. One Week Research Methodology workshop for Language Scholars w.e.f 28th October, 2014 to 3rd November, 2014

S.No.	Name of Resource Persons	Topics
1	Prof. Pradeep Kumar Das Department of Linguistics, J.N.U, New Delhi	Component of Research in Social Sciences, Difference approaches to methods & methodology, Language and cognition for research, Alternatives of research in Social Science
2	Prof. N.A.Dhar Retd. Professor, Department of Linguistics, University of Kashmir	Research Methods-Basics, Research Methods-Field cuts
3	Prof. Shafi Shouq Retd. Professor, CCAS, University of Kashmir	Research Methodology in Comparative linguistics, Research Methodology comparative literature
4	Prof. Mohammad Aslam Dean, Faculty of Arts, Central University of Kashmir	Research Methodology
5	Prof. Mahmood Ahmad Khan Dean & Head, Department of Education, University of Kashmir	Experimental Research-I
6	Prof. Hameed Naseem Rafiabadi Head, Department of Islamic Studies, University of Kashmir	Research Methodology Writing
7	Dr. Tariq Rashid Jan Department of Statistics, University of Kashmir	Introductory Statistics, Introduction to SPSS, Testing of Hypothesis using SPSS, Live demonstration of data analysis
8	Dr. Aijaz Mohammad Associate Professor, Department of Linguistics, University of Kashmir	Research Methodology: Some Issues, Making of a Questionnaire, Writing the synopsis, Preparing dissertation
9	Prof. B. A. Nehvi Director, South Campus, University of Kashmir	Iqbal's relevance in modern era

Other Courses

14. **Special Summer School w.e.f 19th August, 2014 to 08th September, 2014**

S.No.	Name of Resource Persons	Topics
1	Prof. Gull Mohammad Wani Director, Institute of Kashmir Studies, University of Kashmir	<i>Human Governance in J&K</i>
2	Dr. Nisar Ahmad Department of Pharmaceutical Sciences, University of Kashmir	<i>Formulation Designing</i>

3	Prof. Bilal Mustafa Department of Business Administration, Aligarh Muslim University, Aligarh	<i>Research Techniques & SPSS</i>
4	Prof. R.L.Bhat Head, Department of Economics, Central University of Kashmir	<i>Human Development-Concept & Methodology, Food Security in India</i>
5	Prof. G. M. Bhat Dean, Faculty of Engineering, University of Kashmir	<i>Entrepreneurship Development in India, PRISIM Programme for technology development</i>
6	Dr. M. A. Shah Department of Physics, NIT, Srinagar	<i>Molecular Engineering, Small Science</i>
7	Dr. M. I. Geer Department of Pharmaceutical Sciences, University of Kashmir	<i>J&K towards Universal Health coverage- Barriers & Challenges, J&K towards Universal Health coverage-Prospects & opportunities.</i>
8	Dr. Aziz Hajini Centre for Sheikh-ul-Alam Chair, University of Kashmir	<i>Development of Creativity among students</i>
9	Prof. Fayaz Ahmad Director, DIQA, University of Kashmir	<i>Measuring Performance through API, Promotion under CAS vide UGC regulations</i>
10	Prof. Mohammad Ashraf Wani Dean Academic Affairs, University of Kashmir	<i>History of Kashmir</i>
11	Dr. Bashir Ahmad Joo Associate Professor, The Business School, University of Kashmir	<i>Minimization of tax liability, Tax plan for employees</i>
12	Prof. Gulshan Majeed Ex-Professor, CCAS, University of Kashmir	<i>Re-interpreting quranic verse "Ashab-ul-feel", Kashmir society at the advent of Islam</i>
13	Prof. S.M.Afzal Qadri Retd. Professor, Department of Law, University of Kashmir	<i>Human Rights & its application</i>
14	Dr. Seemin Rubab Department of Physics, NIT, Srinagar	<i>An introduction to Crystallography</i>
15	Dr. S.M. Shafi Associate Professor, Department of Business & Financial Studies, University of Kashmir	<i>Choice Based Credit System: Rationale, Mechanism & Challenges</i>
16	Dr. Mufti Mudasir Department of English, University of Kashmir	<i>Mysticism in Poetry</i>
17	Dr. Syed Zammer Associate Professor, SKUAST-K	<i>Micronutrient deficiency or hidden hunger in industries & work, Role of food technology to fight against hunger</i>

19	Prof. Mehraj-ud-Din Mir Hon'ble Vice Chancellor, Central University of Kashmir	Human Rights

Short Term Courses

9. **One Week Workshop on Research Methodology for Science Scholars/College & University Teachers w.e.f 25th August, 2015 to 31st August, 2015**

S.No.	Name of the Resource Persons	Topics
1	Prof. Sheikh Javid Ahmad Dean Research, KU	<i>Basic Concepts in Research</i>
2	Prof. Zafar Ahmad Reshi Deptt. Of Zoology, KU	<i>Problem formulation and hypothesis testing in Scientific Research</i>
3	Dr. Rajinder Prasad	<i>Design of Experiments</i>

	IASRI New Delhi	
4	Dr. Rajinder Prasad IASRI New Delhi	<i>Design of Experiments</i>
5	Dr. U. C. Sood IASRI New Delhi	<i>Sampling</i>
6	Prof. M. Sultan Bhat Deptt. Of Geography & Regional Development, KU	<i>Research Methodology: Focus on Correlation & Regression Analysis</i>
7	Dr. Mukhtar Ahmad Khanday Deptt. Of Mathematics, KU	<i>Mathematics & its applications in other Sciences</i>
8	Dr. Fayaz Ahmad Director, DIQA, KU	<i>Integrated Doctor of Philosophy (PH.D) Programme</i>
9	Dr. Bilal Ahmad Bhat Assistant Professor, Faculty of Fisheries, SKUAST-K	<i>Non-Parametric Test, Factor/Cluster Analysis</i>
10	Dr. Shakeel Ahmad Head, Division of Agriculture Statistics, SKUAST	<i>Design of Experiments</i>
11	Prof. Shakeel Ahmad Romshoo Head, Deptt. Of Earth Science, KU	<i>Research in Earth Science</i>
12	Prof. M. A. Sofi Emeritus, Deptt. of Mathematics, KU	<i>Research Methodology-Teaching & Research in Science</i>
13	Dr. T. R. Jan Sr. Assistant Professor Deptt. of Statistics	<i>Testing of Hypothesis</i>
14	Dr. Sheikh Parvez Ahmad Sr. Assistant Professor, Deptt. Of Statistics, KU	<i>SPSS/M-Tab/R</i>

10. One Week Workshop on Research Methodology For Social Science, Commerce, Management Research Scholars/College & University Teachers wef: 12th September, 2015 to 18th September, 2015

S.No.	Name of the Resource Persons	Topics
1	Prof. Effat Yasmin Head, Deptt. Of Economics, KU	<i>Research in Social Science-An Overview</i>
2	Prof. Gull Mohd Wani Head, Institute of Kashmir Studies, KU	<i>Research Methodology in Conflict Situation</i>
3	Mr. Javaid Iqbal Khan Deptt. Of Economics, KU	<i>Sampling Methods & Techniques, Calculating Sample Size</i>
4	Mr. Bashir Ahmad Bhat Population Research Centre, KU	<i>Questionnaire Design</i>
5	Prof. M. S. Bhat	<i>Correlation & Regression Analysis</i>

	Deptt. Of Geography & Regional Development, KU	
6	Dr. Tariq Masood Deptt. Of West Asian Studies, Aligarh Muslim University, Aligarh	<i>OLS Modeling, ANOVA, Factor Analysis</i>
7	Prof. Riyaz Ahmad Rainayee Head, Deptt. Of Business & Financial Studies, KU	<i>Hypothesis Testing-I, Hypothesis Testing-II</i>
8	Dr. Anisa Jan Assistant Professor, School of Business Studies, IUST	<i>Scaling Techniques</i>
9	Dr. Bilal Ahmad Bhat Assistant Professor, Faculty of Fisheries, SKUAST-K	<i>Time Series Analysis, Use of Correlation & Regression Analysis in Research</i>
10	Prof. M. H. Wani, Professor Rajiv Gandhi Chair, SKUAST-K, Shalimar	<i>Impact Assessment & Analysis</i>
11	Dr. Sumeer Gul, Sr. Assistant Professor, Department of Library and Information Science, KU	<i>Online databases</i>
12	Ms. Elizabeth Mariam, Assistant Professor, Department of Economics, KU	<i>Game Theory: Application in Social Sciences</i>
13	Dr. Abhay Kumar, Executive Director, Lokashraya Foundation, New Delhi	<i>SPSS Software & Descriptive Statistics, Merging Data File in SPSS, Tabulation Testing, Correlation, Regression in SPSS, Factor Analysis in SPSS</i>

11. One Week Workshop on Research Methodology for Humanities Research Scholars/College & University Teachers wef: 01st September, 2015 to 08th September, 2015

S.No.	Name of Resource Persons	Topics
1	Dr. Aejaz Mohammad Sheikh Department of Linguistics, KU	<i>Research: Some Basics, Undertaking Literature Review, Structure & Format of Dissertation</i>
2	Prof. Shafi Shauq Retd. Professor, Deptt. of Kashmiri, KU	<i>Research Semantics & Methodology</i>
3	Prof. Nazir Ahmad Dhar Department of Linguistics, KU	<i>Research Methodology-Basic concepts & Orientation of Thesis</i>
4	Prof. Hamid Naseem Rafiabadi Shah-i-Hamadan Institute of Islamic Studies, KU	<i>What is Research Methodology</i>
5	Prof. Aadil Amin Kak Department of Linguistics, KU	<i>Research Methodology in Social Science</i>
6	Prof. R. C. Sharma	<i>Research Methodology: Basic Concepts</i>

	Head, Centre for Advance Studies, University of Delhi	<i>from Language & Linguistics, Review of Literature</i>

22	Prof. Arun Sidram Kharat Director, UGC-HRDC, Dr. B.A.M. University, Aurangabad, Maharashtra	<i>Team Based Learning & Concept Mapping: Innovative way to impact knowledge</i>
23	Dr. S.M.Shafi Associate Professor, Department of Business & Financial Studies, KU	<i>Investment in Shares</i>

Consolidated evaluation of participants:

Number of Participants 637 all obtained Grade “A”.

List of Coordinators of Various Courses:

S.No.	Name of the Courses	Name of the Course Coordinators
1	<i>Refresher Course in Life Sciences</i>	Prof. Khalid Fazili, Dept. of Bio-Technology, University of Kashmir.
2	<i>One Week Workshop on Information Technology</i>	Dr. Muheet Ahmad Butt, Dept. of Computer Science, University of Kashmir.
3	<i>Refresher Course in Gender Studies(I.D)</i>	Prof. Nilofar Khan, Director, Women Studies Centre, University of Kashmir.
4	<i>Refresher Course in Disaster Management (I.D)</i>	Prof. Ishtiaq Mayer, Head, Dept. of Geography & Regional Development, University of Kashmir.

5	<i>Refresher Course in Human Rights (I.D)</i>	Dr. M. Hussain, Dept. of Law, University of Kashmir.
6	<i>Refresher Course on Teacher's Educators</i>	Prof. Mehmood Ahmad Khan, Head & Dean, Faculty of Education, University of Kashmir.
7	<i>One Week Workshop on Research Methodology for Science Scholars/College & University Teachers</i>	Prof. Anwar Hassan, Head, Department of Statistics, University of Kashmir, Srinagar
8	<i>One Week Workshop on Research Methodology for Social Sciences, Commerce & Management Research Scholars/College & University Teachers</i>	Prof. Effat Yasmin, Head, Department of Economics, University of Kashmir, Srinagar
9	<i>One Week Workshop on Research Methodology for Humanities Scholars/College & University Teachers</i>	Dr. Aejaz Mohammed Sheikh, Associate Professor, Department of Linguistics, University of Kashmir, Srinagar

Cumulative Performance during 2016-2017:

Since its inception, UGC-Human Resource Development Centre of the University of Kashmir has conducted 74 General Orientation and 144 Refresher Courses that were attended by a total of 5453 college and university teachers. Besides these courses 24 short-term courses on different topics have also been conducted that were attended by a total of 1081 participants that included college principals, heads of departments and senior administrative officers of various educational institutions of the valley. Out of a total of 2012 participants that have attended 74 General Orientation Course conducted by the UGC-Human Resource Development Centre, 1354 were male and 658 were female whereas 1607 participants were from within and 405 from outside the valley of Kashmir. Similarly in case of 144 Refresher Courses conducted by the College so far, out of a total of 3441 participants, 2365 were male and 1076 were female participants whereas 2301 were from within and 1140 from outside the valley of Kashmir. During the session 2016-2017, UGC-Human Resource Development Centre of the University of Kashmir conducted Four General Orientation, two Refresher and three short-term courses. Refresher Courses were conducted in the subjects of Child Development and Behavioural Science, Other Course Special Summer School, and short term courses were conducted on Research Methodology in Sciences, Social Sciences and IT.

List of courses conducted from 01.04.2016 to 31.03.2017:

No. of Courses Conducted during 2016-2017		10				
No. of General Orientation Conducted		04				
Name of Course		No. of Participants				
		Local		Non Local		Total
		Male	Female	Male	Female	
1	<i>71st General Orientation Course (from 30-04-2016 to 27-05-2016)</i>	11	02	10	01	24
2	<i>72nd General Orientation Course (from 07-11-2016 to 06-12-2016)</i>	34	04	-	01	39
3	<i>73rd General Orientation Course (from 06-12-2016 to 04-01-2017)</i>	13	14	02	-	29
