University of
Kashmir

Message from Vice-Chancellor

Universities are the key players in the development of nations. Their research and teaching performances are the basis for success in the knowledge-based economies that mark the contemporary globalized era. The University of Kashmir, in this context, is trying to keep itself in pace with the times.

The Global Network for Higher Learning is not a pipe dream. The leading scholars and educationists now know that Universities and their faculties can no longer work in isolation but must work towards collaborative learning and knowledge production.

The modern day Universities are beset with many new challenges. Universities have generally shown themselves to be capable of rapid change to meet these new challenges. The expectation that universities will also be delivering economic benefits to society has been accompanied by an increasing involvement of commerce and industry in both research and teaching. Many of the world's major multi-national companies, are now working in close partnership with universities.

We at the University of Kashmir felt confident to open our doors to the National Assessment and Accreditation Council. We volunteered ourselves to be assessed and accredited for our performance in academics from time to time and also recently in 2011 and finally emerged as an "A" Grade University. Continuous assessment, Self-Appraisal and Teachers Evaluation form the bedrock of our institution.

The university of Kashmir comprising 13 faculties with 15 Educational and Scientific research centers has emerged as a premier institute of learning over the years. It has established a network of 148 constituent, affiliated and professional colleges in the state of Jammu and Kashmir with periodical monitoring and assessment of academic programmes and vocational add-on courses sponsored by the university grants commission. The University offers a wide range of about 83 Academic and professional courses through formal and non formal modes of education and attracts more than 35000 aspirants annually for admission to postgraduate, diploma and certificate courses.

In tune with its mission of pursuing a continuous process of introspection, analysis, integration, innovation and improvement, the University of Kashmir is bringing out the Annual Report 2013, under the aegis of Directorate of Internal Quality Assurance. This report like previous years, is an exercise aimed at undertaking self introspection of the teaching, research and extension programmes of the University of Kashmir. The report also helps to identify impediments in the way to our goals and how they be removed in order to mobilize efforts in a focused manner. This self assessment report

is of vital importance for promotion of quality of teaching-learning and research which will finally lead us in establishing a strong knowledge society and also the challenges faced by the universities in view of globalization. We are marching ahead on the path of expansion and excellence. University of Kashmir is now a multi campus entity and has its presence across the state of J&K . We have already established our campuses at Baramullah and Anantnag districts in north and south Kashmir. Identification and acquisition of land for establishment of Leh, Kargil and Kupwara Campuses was completed and commissioning of these Campuses is to take place very soon. New Zakura campus being developed at a fast pace.

The University from the last three years has virtually been put on the research mode. The creation of a separate position of the Dean Research and his office has given boost to research activities at the campus. Various research extension centers are exclusively engaged in research projects funded and sponsored by various national and international agencies. Number of MOUs have been signed with several institutions of repute within and outside the country to foster close academic collaboration in various ventures of mutual interest. In view of the new challenges we have also ambitious plans to introduce new courses and programmes, forge new academic collaborations and cement mutually beneficial industry academic partnership in socially relevant areas of interest .

I heartily compliment Director DIQA, and his team for preparing the Annual Report 2013 ,and hope like previous years it will prove a mirror of the university functioning and will be beneficial to the society at large .

Prof Talat Ahmad

Vice Chancellor

Preface

There have been concerted efforts to improve quality education and research in the university which cannot be achieved without continuous self assessment and self introspection at individual as well as institutional level. It is in this direction that the University of Kashmir volunteered itself for assessment and accreditation by NAAC in 2002 and was accredited as Grade "A" University and re-accredited again as Grade "A" University in 2011. The University of Kashmir took a revolutionary step by way of institutionalizing a responsive system of Internal Quality Assurance.

The Directorate of Internal Quality Assurance (DIQA) documents the achievements and weaknesses of the University and presents these before the stakeholders and the society. The compilation of the Annual Report 2013, is aimed at not only to highlight the achievements of the University but also to identify the priorities that call for focused attention so that we are in a position to make this University a globally competitive institute of higher learning.

In the form of Annual Report, DIQA, as an integral and essential component of the University, provides support and helps to bring in qualitative changes in the activities of the University. The Report contains the information about the achievements/ developments of a particular department as well as the information pertaining to all its faculty members regarding the publications, research programmes and seminars/ conferences attended by the faculty. Till 2013 the submission of information by the Departments/Faculty was by and large manual which did not prove beneficial in generating an information hub neither at the departmental level not at DIQA. To overcome this difficulty the DIQA introduced the mechanism of submission of all relevant information on-line from the year 2013. This has become possible by the active support of the Directorate of Information Technology and Support System (IT & SS), University of Kashmir.

The University of Kashmir is trying its best to be very responsive to the changes that are taking place in the arena of higher education and research. In keeping with these new changes, a number of initiatives are being taken to promote quality research and education in the University.

The Annual Report 2013 in your hands now, unveils that the University is moving on the road of excellence which is evident from the facts that: the faculty of this University is increasingly being invited by the Universities of repute within and outside the country for interaction; national agencies are sponsoring a large number of research projects; a good number of faculty is receiving prestigious Ramanujan Fellowship (received by Dr. Mohammad Altaf Bhat, Department of Biotechnology and Dr. Shaida Andrabi, Department of Biochemistry), Post Doctoral Raman Fellowship (Received by Dr. Aijaz Ahmad Dar, Department of Chemistry; Dr. Mubashir Hussain, Department of Pharmaceutical Sciences and Dr. Tasleem A War, Department of English). Moreover, the number of quality publications both at National and International level reflect the dedicated efforts of the faculty in conducting quality research.

The earnest discourse and discussion that would follow this Annual Report would help us not only to strengthen and consolidate our already ongoing programmes but would also help to identify new, creative, innovative and futuristic programmes through participatory engagement of teachers, scholars, students and the learned members of the civil society.

Heartfelt thanks to Prof. Talat Ahmad, Hon'ble Vice-Chancellor, University of Kashmir for his patronage and sustained guidance which has helped me and my team to accomplish this task meticulously. This year on

the advice of our Hon'ble Vice-Chancellor, who also is the Chairman of DIQA Advisory Committee, we have published our Report Journals in two forms: (1) Quality Assurance Report, 2013 and (2) Annual Report, 2013. Both the reports are available in the form of a hard copy as well as on our website: www.diqa.uok.edu.in

Whereas the Quality Assurance Report contains statement of the activities and achievements carried out by the University during the year 2013 when viewed in comparison with the previous years, the Annual Report 2013 contains in a comprehensive form the full details of the activities of the Departments/Centers/Units, the faculty, the scholars, the students and the administration.

I am also thankful to Prof. Zafar A Reshi, Registrar, University of Kashmir for his continued guidance and critical appraisals, time and again, which has helped us to make the report better.

I owe my sincere gratitude to Dean, Academic Affairs; Dean, Research; Controller of Examinations, all the Heads of the University Departments/Directors of the various Centres/Campuses, all Nodal Officers of DIQA and all the officers of the Registry for providing information on different aspects of their respective Departments/Centers/Units. The efforts of the faculty members in uploading their individual contributions on-line is highly acknowledged.

Last but not the least, my heartfelt thanks to my editorial team, officials of the DIQA and my research scholars, who worked relentlessly in preparing this comprehensive Annual Report. I am beholden to my family who spared me on whole-time basis for this endeavour and never complained about my not paying attention to domestic affairs.

Prof. Fayaz Ahmad

Director DIQA

FROM DARKNESS TO LIGHT

An Overview

The University of Jammu and Kashmir was founded in the year 1948. In the year 1969 it was bifurcated into two full-fledged Universities: University of Kashmir at Srinagar and University of Jammu at Jammu. The University of Kashmir is situated at Hazratbal in Srinagar. It is flanked by the world famous Dal Lake on its eastern side and Nigeen Lake on the western side. The Main Campus of the University spread over 247 acres of land is divided into three parts – Hazratbal Campus, Naseem Bagh Campus and Mirza Bagh Campus (serving residential purpose). Additional land has been acquired at Zakura near the main campus for further expansion of the University. The tranquil ambience of the Campus provides the right kind of atmosphere for serious study and research.

Over the years University of Kashmir has expanded substantially. It has established Satellite Campuses at Anantnag (South Campus) and Baramulla (North Campus) and three more Satellite Campuses at Kupwara, Kargil and Leh are being established to make higher education more accessible to people living in remote areas of Kashmir valley. The University has also established a Sub-Office at Jammu to cater to the needs of the candidates enrolled with the University from outside Kashmir.

The University is committed to provide an intellectually stimulating environment for productive learning to enhance the educational, economic, scientific, business and cultural environment of the region. The University offers programmes in all the major faculties; Arts, Business & Management Studies, Education, Law, Applied Sciences & Technology, Biological Sciences, Physical & Material Sciences, Social Sciences, Medicine, Dentistry, Engineering, Oriental Learning and Music & Fine Arts. It has been constantly introducing innovative/ new programmes to cater to the needs and demands of the students and the society.

Over the years ,the University has marched towards excellence in its programmes and activities. It has been re-accredited as Grade-A University by the National Assessment & Accreditation Council (NAAC) of India in the year 2011. This is recognition and reflection of the high standard of quality in teaching and research at the University of Kashmir.

Highlights - 2013

MAJOR EVENTS

- Special Convocation was organized to confer the Degree of Doctor of Science (*Honoris Causa*) on eminent scientist Prof. Goverdhan Mehta, National Research Professor, School of Chemistry, University of Hyderabad. Hon'ble Governor J&K, State and Hon'ble Chancellor, University of Kashmir Shri N.N.Vohra, Hon'ble Minister for Higher Education, Jenab Mohammad Akbar Lone were present on the occasion.
- Twin events of "9th JK Science Congress" and "Regional Science Congress" (run up to 101st Indian Science Congress) on 'Innovations and Advances in Science and Technology' were held at University of Kashmir in collaboration with Indian Science Congress Association; J&K State Council for Science & Technology; Department of Science and Technology, Govt. of India, and J&K Academy of Sciences. About 1100 delegates from across the country participated and about 700 research papers were presented during three days of the conference in 11 parallel technical sessions.
- To felicitate its alumni, the Department of Law hosted a mega felicitation function on June 17, 2013 which was addressed by Jusitce Altamas Kabir (then Hon'ble Chief Justice of India), Justice T. S. Thakur (Hon'ble Judge, Supreme Court of India) and Justice M.M. Kumar (Hon'ble Chief Justice, High Court, J&K). Hon'ble Judges of the J&K high court were also present.
- International Conference on 'Cooperative Development, Peace and Security in Central Asia: Challenges and Prospects' was hosted on June 29, 2013. Hon'ble Governor, J&K state and Chancellor, University of Kashmir, Shri N N Vohra; Hon'ble Cabinet Minister, Ministry of External Affairs, Shri Salman Khurshid, Hon'ble, Chief Minister J&K state and Pro-Chancellor, University of Kashmir, Jenab Omar Abdullah and Hon'ble Vice-Chancellor, Prof Talat Ahmad were present on the occasion.
- In an event organized by UNESCO Madanjeet Singh Institute of Kashmir Studies, the Chairperson South Asian Foundation India Shri Mani Shankar Aiyar interacted with the students at University of Kashmir. He was accompanied by Mme France Marquet, a SAF Trustee and Prof Veena Sikri, Vice Chairperson SAF-India, who also interacted with the students.
- An extension lecture on the theme 'Embattled Liberalism in South Asia' was organized by UNESCO Madanjeet Singh Institute of Kashmir Studies (UMIKS) at University of Kashmir. The lecture was delivered by Harvard Professor and President, Centre for Policy Research, New Delhi, Prof. Pratab Banu Mehta, on September 23, 2013. Hon'ble, Governor, J&K state and Chancellor University of Kashmir, Shri N N Vohra chaired the event.
- Five day INSPIRE programme sponsored by Department of Science and Technology (DST), Ministry of Science and Technology, Government of India, was organized by Department of Botany, University of Kashmir. Hon'ble Governor, Jammu and Kashmir State and Chancellor, University of Kashmir Shri N N Vohra, was the chief guest. The Vice Chancellor, University of Kashmir, Prof Talat Ahmad presided.

- Department of Business and Financial studies organized 2-day international conference on 'Contemporary Issues in Business Management and Finance from September 28 to 29, 2013.
- The University of Kashmir organized a week long intra University youth festival Sonzal at University campus from October 31 to November 06, 2013.
- Department of Statistics, University of Kashmir, organized international conference on "Operations Research for Data Analysis and Decision Analysis "in conjunction with the 46th Annual Convention Operation Research Society of India (ORSI) from October 21 to 23, 2013.
- Centre for Centre Asian Studies, University of Kashmir, organized 2 international seminars on 'Synthesis of Raga and Muqaam in Kashmiri Musical Culture' from 21st to 22nd June and 'Co-operative Development, Peace and Security in Central Asia: Challenges and Prospects' from 29th June to July 1, 2013.
- The University of Kashmir signed Memoranda of Understanding with reputed National and International Institutions to develop linkages and promote quality education and research.

STUDENT ENROLLMENT:

- 106879 students were enrolled in 148 affiliated / constituent colleges.
- 35733 candidates applied for admission in the University for various programmes, of them 18513 were male and 17220 were female applicants.
- 3589 students were enrolled in different departments, of them 1761 were female and 1828 were male students; 2171 were admitted under open merit and 1418 against reserved categories and self financing seats.
- 229 scholars have been registered for M.Phil and 315 for Ph.D programmes in various Departments / Research Centers of the University.

STUDENT ACHIEVEMENTS:

- A record number of 839 students qualified UGC –NET /JRF.
- 125 students qualified the CSIR – UGC NET / JRF.
- A record of 716 students qualified SET, of them 138 were female and 578 were male candidates.
- A record of 179 scholars were awarded M.Phil and 65 Ph.D degrees in different disciplines.
- The University of Kashmir initiated a process of collaboration with various National level Institutions/ companies for skill development of our youth to promote their employability and during the period 44 placement drives were organized in which about 1056 candidates got placement.

ACADEMIC AND RESEARCH ACHIEVEMENTS:

- 121 conference/seminars /workshops were organized by various Departments/ Centres of which 11 were international, 26 were national and 84 were regional / local.
- 1066 conferences / seminars / workshops were attended by the faculty, of which 216 were international, 379 were national and 471 were at regional/state/local level.

- A record of 1172 research articles were published by the faculty in refereed/ national/ international/ ISSN/ ISBN publications of which 955 research papers were published in international journals.
- 24 new mega projects were sanctioned by national funding agencies with an outlay financial assistance of Rs. 14,08,47,800.00 of which 11,21,27,500.00 already stand released by funding agencies

- To enhance the domain of academic and research activities, University has successfully applied for funding under RUSA. After the state Government conveyed its commitment to the Government of India for participation in the Rashtriya Uchchatar Shiksha Abhiyan (RUSA), the University of Kashmir was advised to prepare an Institutional Development Plan (IDP) for inclusion in the State Higher Education Plan (SHEP) under RUSA. Accordingly a detailed Institutional Development plan (IDP) was prepared by the University of Kashmir and submitted to the State Government.
- To make data available online as a requirement of MHRD under All India Survey of Higher Education (AISHE), DIQA uploaded information on AISHE portal for the year 2011-12 on DCF-I (Data Capture Format) and also involved all affiliated colleges for the purpose of submitting the information online. 55 colleges have so far uploaded their information on DCF-II and other colleges are being provided necessary guidance and support for the purpose of uploading information of their colleges on the AISHE portal.

Special Convocation held to confer Degree of Doctor of Science
(Honoris Causa) upon Professor Goverdhan Mehta, FRS an Eminent Scientist

University of Kashmir

Citation

in honour of
Professor Goverdhan Mehta
for
Degree of Doctor of Science (*Honoris causa*)

“Mr. Chancellor,
Sir,

I have the honour to present to you **Professor Goverdhan Mehta**, National Research Professor and Jubilant-Bhartia Chair at University of Hyderabad, Andhra Pradesh, India.

Sir, Professor Mehta is an internationally acclaimed researcher in Organic Chemistry and an influential educator and mentor. He was born in Jodhpur, Rajasthan, where he had his early education. He earned his Bachelor's and Master's degrees from the University of Rajasthan and carried out doctoral research at the National Chemical Laboratory (NCL), Pune, under the mentorship of Dr Sukh Dev. Subsequently, Professor Mehta conducted post-doctoral research at Michigan State University and at Ohio State University, USA. He began his academic career at the Indian Institute of Technology (IIT), Kanpur, in 1970 and moved to the then newly established Central University of Hyderabad as Professor of Chemistry in 1977 where he was also the Vice-Chancellor from 1994 to 1998. He was invited to serve as Director of the prestigious Indian Institute of Science, Bangalore, a position he held from 1998 to 2005. Subsequently, he was CSIR Bhatnagar Fellow at the same Institute from 2005 to 2010. In 2009, he was honoured as National Research Professor by the Government of India and assumed this position at Hyderabad University in 2010.

Professor Mehta's research contributions in Organic Chemistry are exceptionally diverse and encompass the total synthesis of biologically important and structurally challenging natural products, development of new synthetic methodologies, creation of new molecular entities and materials, study of stereo-electronic effects and supramolecular architecture in solid state. However, it is in the area of total synthesis of natural products that he has made a special mark. Over the years, total synthesis of over sixty diverse natural products has been accomplished by Mehta's group employing conceptually simple and diversity oriented approaches. Among many notable attainments in this arena, which are marked by brevity and originality, his synthesis of triquinane system stands out as a seminal example of 'Green Synthesis'.

Professor Mehta has been exceptionally prolific in his scientific contributions and has published nearly 500 original research papers in journals of high repute. He has presented over 250 lectures at major conferences and various institutions in different parts of the world and he has held over a dozen visiting Professorships in different countries and served on the Editorial Boards of a number of leading international journals in Chemical Sciences and Organic Chemistry. He has mentored over a hundred doctoral and post-doctoral students/scientists.

Professor Mehta has also contributed in numerous ways to higher education and science policy matters and to planning of R&D efforts in India and abroad. He has promoted innovations through industry-academia interactions and serves on the Board of Directors and Science Advisory Boards of many pharma and chemical companies.

Professor Mehta's contributions have been widely recognized. Decorated with over fifty awards and medals, which include the Shanti Swarup Bhatnagar Prize in Chemical Sciences (1978); Centenary Medal of the Royal Society of Chemistry, UK; Humboldt Research Prize of Germany; Medals from the Third World Academy of Sciences, Trieste; Science Academies and other organizations in India, Professor Mehta has left an indelible impact on the world of academia. He has been conferred upon with numerous Doctor of Science (*Honoris causa*) degrees in India and abroad, and has received the civilian honors of 'Chevalier de la Legion d'Honneur' and 'Padma Shri' from the Presidents of France and India, respectively.

Professor Mehta is a Fellow of the Royal Society (FRS) of London, Foreign Member of the Russian Academy of Sciences, Fellow of the Third World Academy of Sciences and besides, of many other Science Academies. He has been a President of the Indian National Science Academy (INSA, 1999 to 2001) and had the unique distinction of heading the world's two premier scientific organizations--the Paris based International Council for Science (ICSU) as President (2005-2008) and Inter Academy Council (IAC) as Co-Chair (2000-2005).

Sir, we are privileged to honour Prof. Mehta and pray to you to confer the Degree of Science (*Honoris Causa*) of University of Kashmir on Professor Goverdhan Mehta, National Research Professor and Jubilant-Bhartia Chair at University of Hyderabad, Andhra Pradesh, in recognition of his noteworthy contributions to the field of chemistry”

Degree acceptance speech by Prof. Goverdhan Mehta

Governor of J & K and Chancellor of the University of Kashmir N. N. Vohra Saheb, Chief Minister of the state Omar Abdullah Saheb, Vice Chancellor Professor Talat Ahmad, Distinguished members of the university bodies and faculty, Participants to the Regional and J & K Science Congress, Invitees, Ladies and Gentlemen

At the outset, let me express my deep sense of gratitude to the University for the honor done to me by awarding a degree without attending classes, writing and passing an examination! I think many in the audience, particularly the young who persevere to earn their degrees are entitled to feel envious. The university has been very gracious to formally make me an alumnus of the University and it will be my duty and constant endeavor to promote the cause and aspirations of the University of Kashmir.

I am aware of the impressive academic offerings and research contributions of the University of Kashmir in many diverse areas over the past several decades. The strides you have made, sometimes under far from ideal circumstances, are praiseworthy and deserve appreciation. This university trains many high quality and motivated students and I can vouch for it from personal experience. Over the years, I had and still have close association with students from Kashmir University as doctoral and post-doctoral researchers and I rate them amongst the very best I have come across. With an acclaimed guidance of the distinguished Chancellor and encouragement of the dynamic Chief Minister, the University should endeavor to reinvent itself and position among the very top academic institutions in the country. We have heard from the presentation of the Vice Chancellor about many new initiatives and programs that the university has launched. They are steps in the right directions and define a trajectory that constitutes a leap forward to achieve your ambition. However, let us also be reminded that in today's competitive landscape of higher education, good is not good enough. We should aim to be among the best anywhere.

On this occasion, I wish to make few brief points that I am passionate about which reflect some of my impressions and concerns.

University education world-wide is undergoing major transformation with regard to the pedagogy of learning processes, particularly in terms of content, access, and delivery. In the emergent scenario of 24X7 digital learning environment, blending of formal with the informal, ability to learn across disciplines, imparting flexi- and skill centric learning with options to switch are essential requirements. This necessitates major rethink on issues ranging from redefining the very purpose of education and the function of a university or higher education institution to revisiting the role of the teacher as an integrator rather than as a transmitter of knowledge. There is need to re-craft the student teacher interactions, recalibrate attitudes of the learner in a free learning environment and above all to reclaim the societal esteem that befits educational institutions. My bottom-line would be that no one should

leave higher education institutions without getting a whiff of the world around, without imbibing a global outlook and core human values, without exposure to the underpinnings of a sustainable planet, without sniffing at different disciplinary flavors and without arming with a skill tool-kit. We owe it to our talented and aspirational young generation that they are enabled to take on the world.

Let me briefly switch to another theme that relates to the increasing role of Science, Technology and innovations for sustainable socio-economic development. It has been estimated that S & T was the main engine of growth and accounted for more than 50% of the global GDP output in the 20th century. We need to harness the power of STI in addressing our socio-economic challenges, alleviation of poverty and for wealth creation. Our success in agriculture, space and nuclear energy program indicate that given policy backing we can do it. I am so delighted to learn that the state of J & K has established a robust mechanism for S & T driven inputs for development and progress. There is much potential for harnessing the natural and human resources of the state and building on traditional practices in modern scientific way. The state of J & K also needs to be future ready in terms of the challenges it might face in terms of agriculture and horticulture related activities in view of the recent IPCC report global warming. S & T inputs can help plan for the steps to be taken with respect to adaptation and mitigation as a result of climate change. In the area of prediction and management of man-made and natural disasters also S & T inputs can be critically important. I learn from fellow scientists involved in such efforts that they receive very enthusiastic encouragement from the Governor and the Chief Minister in harnessing the power of S T for the benefit of the people of the state.

Let me turn to my last point. By honoring me today, you have been kind to recognize our research efforts and it will be appropriate to say a few words, not about what I have done, but what I am doing and hope to do in the future. My research focus has been on creating diverse molecular architecture. Just as poets and writers use words for creative expressions, painters do the same using colors, musicians do with compositions and architects do with structures, I use atoms and molecules to do the same in the microscopic world. I design molecules for not only their aesthetic appeal but also for possible use for human good and I will illustrate with an example.

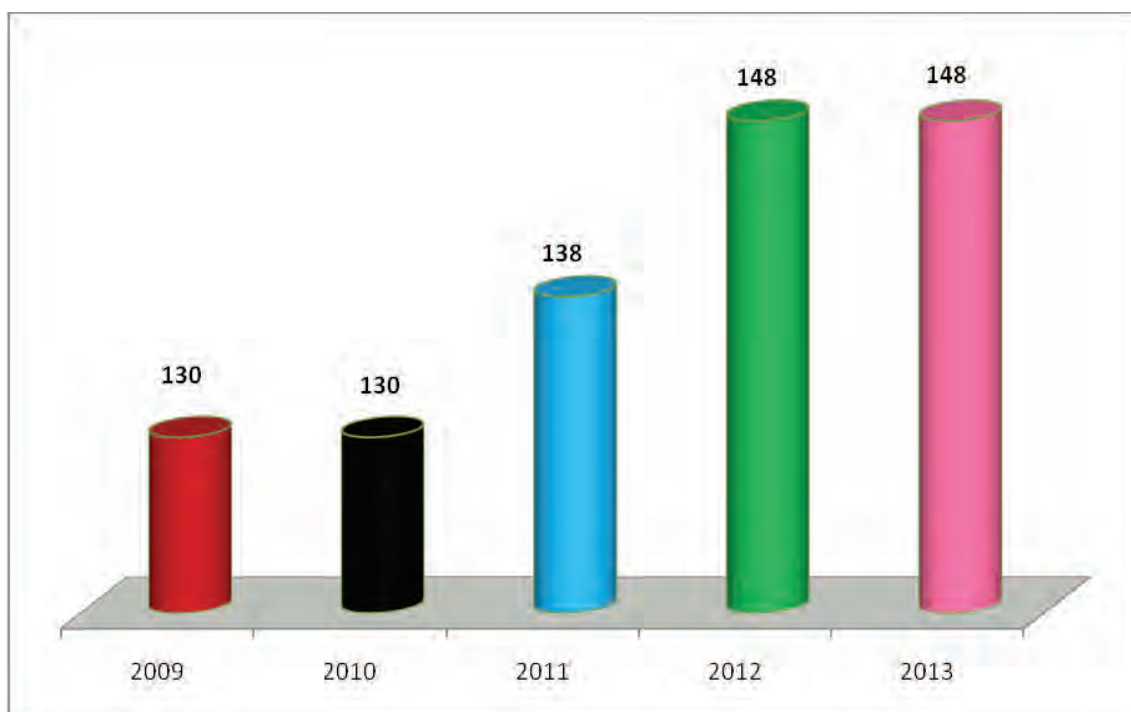

One of the major challenges to human health and well-being in the 21st century, with advancing life expectancy and increasing geriatric population, will be the retention of cognitive functions. My research at the interface of chemistry and biology involves design of molecules that can arrest neuro-degeneration and sustain neuronal health and connectivity. Nature has devised a robust mechanism to prevent toxic and alien materials from reaching the brain through blood-brain-barrier. How does one deliver new molecules in the brain? We craft molecules that can breach the barrier and reach the brain to repair neurons and restore neural networks. We had some recent success in this direction. Let me now raise a tongue-in-cheek proposition. Can we create molecules that can prevent toxic ideas and thoughts from reaching the brain? Is molecularization of ideas and thought processes possible? If it can be done, it will certainly make our world a better place to live. Inshallah it will happen someday.

Let me end by thanking the Chancellor, Vice chancellor and the academic fraternity of the University for the Honor done to me and I wish the institution a great future ahead.

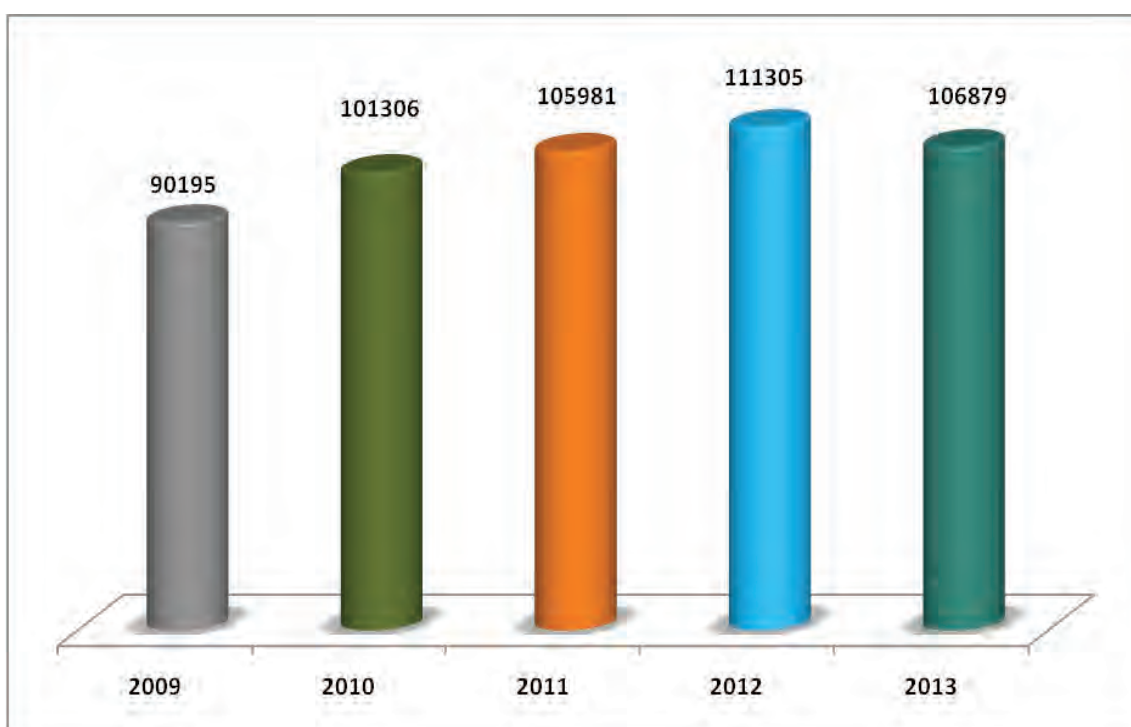

Thank you and God bless all of us.

ACADEMIC POLICY

Post-graduate Programmes and other courses:

The University has a widely acclaimed admission policy to various post-graduate academic, professional and other related courses. This time-tested policy for admissions is transparent and efficient for all its post-graduate and undergraduate professional programmes. Admissions are made through a common entrance test based on multiple choice questions. While 60% weightage is given to entrance test, 40% marks are allotted to the academic merit of the qualifying examination. In case of engineering and medical graduate courses admissions are made through a combined entrance test conducted by the Board of Professional Entrance Examinations of the Jammu & Kashmir State.

Since the demand for the programmes at the University is very high and on an average about 35,000 aspirants compete annually for about 3300 seats available for various programmes at the main and satellite campuses with an average demand ratio of 1:11 (approx.) per available seat, the entrance test has thus served a judicious exercise. Nevertheless due care is taken of aspirants from weaker and under-privileged sections of the society and 3% of seats are reserved for such categories. Special quota of 2% each is also reserved for students participating in NCC and sports events at the National level. Besides, 3% seats are reserved for wards of police and security personnel.

The main features of the admission policy are briefly delineated below:

Candidates having passed the qualifying examination with the required percentage of marks in aggregate as given below are eligible to apply for admission to the programme/s concerned. A candidate who has already obtained one postgraduate degree is eligible to seek admission in a second postgraduate programme or in a Diploma/ Certificate course, if he/she fulfils the eligibility criteria set for admission:

MBA, BBA MBA , MFC, MSW & M Sc IT		MCA (for candidates with BCA)	
Open Merit	50%	Open Merit	50%
Reserved Categories	45%	Reserved Categories	45%
MCA, M Sc Bio-technology, M Pharm and PG Diploma in Computer Applications		All other programmes	
Open Merit	55%	Open Merit	45%
Reserved Categories	50%	Reserved Categories	40%

Note: The minimum eligibility for persons from outside the Kashmir Division including foreign nationals is the same as that for the open merit category.

Entrance Test

The eligible candidates are required to appear in an entrance test comprising multiple choice objective type questions carrying a total of sixty marks spread over the syllabus for the concerned subject/programme. The entrance test for all programmes is conducted during the first/ second week of March. However, the entrance test for the following courses is notified separately and conducted later (preferably in May/June)

- a. MBA/ MFC/ BBA MBA/MTHM
- b. B Pharm/ M Pharm
- c. B Tech
- d. BA LLB/LLM

Admission Procedure:**General Courses**

The selection of a candidate shall be based on his/her performance in the Entrance Test and the qualifying examination. The Entrance Test shall carry weightage of 60% and the qualifying examination will carry weightage of 40%. The merit obtained by the candidate in the Entrance Test (out of 60 marks) shall be combined with the aggregate marks obtained in the qualifying examination (reduced to the base of 40). In case a candidate becomes eligible for admission to a programme/course because of an additional subject, marks obtained in the qualifying examination together with marks of additional subject shall be reduced to the base of 40 for determining the interest merit of such a candidate. Overall merit of the candidates shall be thus determined out of 100 marks.

Where two or more candidates have secured equal marks out of 100 for admission to a particular programme/course, the tie shall be decided on the basis of marks secured in the subject in which the admission is sought, taking the marks of all the three years of BA/B.Sc /B.Com etc into account. However, where the subject offered is not taught at the undergraduate level or where the admission is sought on the basis of an allied subject and also in the case of LLB, BA LLB MLIS, M Com and Mass Communication and similar other programmes, a tie shall be decided on the basis of aggregate marks secured by the candidate in the qualifying examination, i.e., a candidate with higher aggregate marks shall be given preference.

M.Sc. Biotechnology

A candidate shall have to appear in the Entrance Test based on two papers on a single day, with Paper I in the forenoon and Paper II in the afternoon session. Question paper I shall comprise 60 multiple choice questions [in a similar manner as in other subjects] carrying 60 marks as per the syllabus prescribed for the purpose. Question paper II (of 2 hours duration) shall comprise 20 very short answer type questions of 2 marks each (total 40 marks) based on the syllabus prescribed for Paper I and the candidates shall be required to attempt all questions in 2 hours. On the basis of

their merit in Paper I, answer books of Paper II of candidates numbering four times the intake capacity (both under open merit and reserved categories) shall be evaluated. Final selection for admission to this programme shall be based on the combined merit obtained by the candidates in Paper I and Paper II. The marks or GPA obtained by a candidate in the qualifying examination shall be considered only in case of a tie.

M.A. Mass Communication & Journalism

A candidate shall have to appear in the Entrance Test based on two papers on a single day, with Paper I in the forenoon and Paper II in the afternoon session. Question Paper I shall comprise 60 multiple choice questions having only one correct or most appropriate answer [in a similar manner as in other subjects] carrying 60 marks as per the syllabus prescribed for the purpose. Question Paper II shall comprise 5 questions carrying 60 marks, on broad topics specified in the prescribed syllabus and the candidates shall be required to attempt all the questions in 2½ hours. On the basis of their merit in Paper I, answer books of Paper II of candidates numbering four times the intake capacity (both under open merit and reserved categories) shall be evaluated. Final selection for admission to this programme shall be based on the combined merit obtained by the candidates in Paper I and Paper II. The marks or GPA obtained by a candidate in the qualifying examination shall be considered only in case of a tie.

MBA/MFC/IMBA/MTH/MCMA

The admission to MBA, MFC & MTHM programmes shall be made on the basis of three components viz. latest CMAT score, group discussion and interview. The admission to MCME shall be made on the basis of three components viz. latest CMAT score, Design Management Test (DAT) and interview. The University shall conduct group discussion and personal interview separately. However, the admission to BBA-MBA (5-year IMBA) course shall be made on the basis of latest UGAT score obtained by a candidate, performance in qualifying examination, group discussion and personal interview. The candidates desirous to seek admission to

MBA, MFC and IMBA course/s must have appeared in CMAT/UGAT examinations as already notified by the University.

Mode of Selection

MBA, MTHM, MFC & MCME Candidates shall be admitted to the programme on the basis of merit obtained in latest CMAT score 2013 (composite score reduced to the base of 75%), Group Discussion (15%), Design Aptitude test for MCME (35%) and personal interview (10% (15% for MCME)). Only those same on the basis of merit obtained in the CMAT score as provided under rules.

IMBA

Candidate shall be admitted to the programme on the basis on academic merit and his /her performance in the UGAT, Group Discussion (GD) and personal interview (PI).

The marks assigned to each component shall be as under:

- A. Academic merit in the qualifying examination = 30 Marks
- B. Entrance Test Merit = 70 Marks

The Entrance test merit shall be worked as:

- 1. UGAT score (Composite) 75%
- 2. Group Discussion (GD) 15 %
- 3. Personal interview (PI) 10%

Based on the composite score obtained in UGAT, triple the number of seats available shall be shortlisted for GD and PI

B.Tech

In case of B Tech course, the admission shall be made on the basis of the latest JEE Main (Paper I) score. In One supernumerary seat under the category 'Children of Permanent Employees of the University' shall be provided for each programme over and above the prescribed intake capacity. The eligibility for admission and the procedure of selection would be the same as prescribed for categories a – h above. The authority for issuing the eligibility certificate shall be Registrar, University of Kashmir.

Where in case of a programme (s) under a certain reserved category the percentage share allotted is not sufficient to make it one seat or where it does not add up to a whole number and carries also a fractional part of a seat, the following mechanism shall be followed:

- I. In the first place, the number of candidates to be selected for a particular category shall be determined by the integral part of the number of candidates allotted for that particular category.
- II. The fractional parts attached to all reserved categories shall be clubbed together to take care of the remaining seats that shall remain available after taking into account the number of those admitted under (i) above. Here again, selection shall be made as per the relative merit position of candidates competing for admission against those categories with non-zero fractional representation, subject to the following provisos:
 - a) Notwithstanding the individual merit of the candidates, at the most one candidate shall be selected from each category in (ii) above.
 - b) In the case of programmes with the total number of applicants entitled for admission under Reserved Categories exceeding the total number of seats under Reserved Categories, allotment of seats shall be determined by (i) and (ii), while making sure that preference shall be given to those categories which are not represented under (i) case two or more candidates secure the same merit in the said examination, weightage will be given to the merit obtained by the candidates in the qualifying examination.

M.Pharma

The admission of the candidates shall be held on the bases of valid GPAT score. In case GPAT applicants are less/ seats remain vacant Entrance Examination shall be conducted for filling vacant seats.

M.P.Ed

For M P Ed programme only those applicants who qualify physical efficiency test shall be eligible to appear in the Entrance Test However, this condition does not apply to in-service candidates.

Reservation of Seats:

61% of seats shall be filled from open merit category and 39% from amongst the reserved categories in order of merit. In case the fractional part attached to the open merit quota is ≥ 0.5 one full seat shall be allotted to it. The breakup of seats amongst various reserved categories and the authority competent to issue the certificate under a reserved category is detailed in Table-1

Only candidates residing within the territorial jurisdiction of University of Kashmir and/or those who have passed their qualifying examination through University of Kashmir are eligible to seek admission under open merit as well as reserved categories (a – h). However, in case of courses/programmes not offered by University of Jammu, candidates residing in any part of the State are eligible to apply under open and reserved categories (a – h). Candidates residing outside the territorial jurisdiction of University of Kashmir (who have not passed their qualifying examination through University of Kashmir) shall be eligible to apply under category ‘i’ for all subjects/programmes unless otherwise indicated. In case of M Sc Bio-technology and M Pharm however, only two seats shall be available for reserved categories and shall be offered to two candidates who top the merit list of reserved categories, provided that only one candidate shall be taken from one category. In case no candidate/s is / are available have applied under a particular category the seat/s/fraction reserved under that category shall be shifted to open category. The certificate under clauses a, b, c, d, e, f, g and h in Table 1 must be in accordance with SRO 126 of 28 June 1994 of the J&K Government and subsequent amendments/SRO’s issued by the Government in this regard. For programmes like MBA, MFC, MCA, M Sc Bio-technology there shall be no reservation for the category (i) “Persons from outside the Kashmir Division including foreign nationals”. If a candidate is eligible to apply for admission under more than one reserved category, he/she shall be required to choose while submitting the online Application Form only one reserved category for one programme under which he/she would like to be considered, which shall be final, and unchangeable. For example, if a candidate is eligible under three categories RBA, NCC and Sports, he/she shall have to choose only one of the three categories under which he/she shall compete for admission for a particular programme. Say, if he/she is an applicant for PG Programmes in A, B, C and D subjects, he/she may compete in all the courses but only under one of these three categories (RBA, NCC or Sports whichever he/she likes) or he/she may compete (say for instance) under RBA for A, under NCC for B, under Sports for C and under RBA for D. He/she is not, however, permitted to compete under more than one category for a single programme; i.e. he/she cannot for instance apply under RBA as well as NCC for a single programme

Candidates belonging to Gojjar & Bakerwal category shall be required to clearly specify whether admission is being sought under “Scheduled Tribe Category (ST)” or under “Gojjar & Bakerwal category (CGB)”. Also the candidates belonging to “Social Caste” should apply under “Weak and Under Privilege (WUP) Category”.

Shifting from Reserved Category Quota to Open Merit Quota:

A candidate seeking admission under a particular Reserved Category shall at 1st instance be automatically shifted to the Open Merit Category, (if otherwise eligible) if the total marks scored entitle him/her to figure in the open merit list. However, he/she shall have the option to stay on in the Reserved Category, if the act of shifting him/her to the Open Merit Category puts him/her at an obvious disadvantage (i.e., his/her place of admission gets changed to his/her disadvantage), in such case, he/she shall have to intimate the office of the Dean Academic Affairs/Dean of the Faculty/Head of the Department concerned in writing, prior to the expiry of the last date for the completion of the admission formalities

Nominations from Government:

Four supernumerary seats each in the PG Programmes of Botany, Chemistry, English, Physics, Mathematics, Zoology and M.Ed and two each in the PG Programmes of Electronics, Statistics, Computer Applications and PG Diploma in Remote Sensing & GIS shall be reserved for Government nominees, whereas one seat shall be reserved for M A Programme in Psychology. The nomination of in-service teachers shall be made by the State Education Department. Only those nominees shall be eligible for admission, who have passed the three year Bachelors Degree examination with not less than 40% marks in aggregate. However, their admission shall be subject to their performance in the Entrance Test (out of 60 marks) combined with the aggregate marks obtained in the qualifying examination (reduced to base of 20) and service rendered as teacher on substantive basis (two marks per year subject to the maximum of 20 marks). Where two or more candidates have secured the same marks out of 100 for admission to a particular programme/course/subject the tie shall be decided first on the basis of (i) Service rendered in School Education Department and if still un-resolved then on the basis of (ii) marks secured in the subject in which the admission is sought, taking the marks of all the three years of BA/ B Sc/ BCA / B Com of that subject into account.

The in-service candidates must apply within the stipulated time as reflected in the University notification. However, their selection shall be based on the nomination from the State Education Department and criteria reflected above. Two seats in MLIS Programme shall be reserved for candidates with experience in libraries to be deputed by Universities, Colleges and other public sector institutions located within the territorial jurisdiction of the University and two seats each in MA/ M.Sc. in Disaster Management, PG Diploma in Remote Sensing & GIS, Bio-Informatics and M.P.Ed. are reserved for in-service candidates. The selection on these seats shall be made on the same pattern as adopted in supernumerary seats reserved for in-service teachers of the State Government.

Admission of Foreign Students:

The University is planning to reserve 5% seats of the total intake in each Department over and above the intake capacity for foreign students. The procedure for admission for foreign students under this category is being worked out and shall be notified separately.

Result of Entrance Test:

The Answer Key of a subject will be displayed on the University website immediately after the test is conducted. Complaints and queries in writing or online at deana@kashmiruniversity.ac.in from the examinees shall be solicited within one day from the date of uploading of keys and will be attended to promptly. Then the result of the tests shall be processed. Declaration of Merit Lists/

Selection Lists:

The detailed merit lists mentioning the weightage of academic merit and entrance points shall be displayed on the University website. Complaints and queries with regard to Merit lists shall be open for one day from the date of uploading on website and shall be attended promptly. Thereafter the Selection Lists shall be issued by the respective Deans of the Faculties. No complaints whatsoever shall be entertained with respect to individual merit of a candidate after publishing of the selection list.

Admission at Satellite Campuses and Colleges:

For admission to post-graduate programmes which are also offered in Satellite Campuses of the University, Govt. Degree Colleges and in Private Colleges affiliated to the University of Kashmir, the procedure of selection shall be the same as described above, with the proviso that a candidate shall have to indicate in clear terms his/her order of preference for the campuses/ colleges, where the course is offered in the space provided for the purpose in the Application Form. For example, if a post-graduate programme (say M A in subject X) is offered at three places, Campus A, Campus B and College I, the applicant may give his/her order of preference in any one of the following ways.

Selection Notifications

- The first selection list for all programmes/ courses shall be issued on the basis of relative merit and Preferences given by the candidates in the application form.
- In case vacancies remain / are caused even after issuance of selection list the Deans of the concerned faculty/ies shall go for counselling of the candidates for admission against vacant seats.
- Candidates must note that shifting/ migration from campuses to University or from one teaching. Department/Centre/Institute to another (even on mutual basis) is not provided under rules. No recommendation from any Department/ College in this regard shall be entertained.

Admission under Self-financed Seats category

Admission to self-financed seats shall be open to candidates who have appeared in the Entrance Test and have applied for admission under Self financed Category. The selection of candidates shall be made on the basis of merit (among the applicants for this category of seats) which shall be the same as prescribed for selection of candidates against open seats. The candidates selected against Self-financed seats shall be required to pay normal fee as chargeable to other candidates, in addition to the fee charged under self financed seats (details given in Table

2). The fee for self financed seats shall be non-refundable payable in two equal instalments at the time of admission to 1st and 3rd semesters of the course. In case of IMBA, the self financed seat fee shall have to be deposited in four equal instalments at the time of admission to 1st, 3rd, 5th and 7th semesters. The normal fee in both the cases has to be deposited at the time of the admission. The payment charged against Self financed seats shall have to be made in the form of a demand draft drawn in favour of Registrar, University of Kashmir, Srinagar.

The notification for admission under Self-financed seats shall be issued separately and only the candidates who apply for admission under Self financed Category shall be considered for admission under this category.

Closure of Admission

A notice of at least one week shall be given for the candidates for the closure of admission

ACADEMIC CALENDAR

The University plans its teaching-learning process well in advance of commencement of the academic session through the development and publication of an Academic Calendar so that time-bound academic targets are set-forth and accomplished. Besides the tested and age old teaching-practice method special focus is laid on interactive learning through promotion and use of Information Communication Technology (ICT) in class room teaching and supplementing the same with virtual classes, lectures on demand via video conferencing through EduSat programme organized by Educational Multi Media Research Centre (EMMRC) of the University.

Interdisciplinary programmes started during the current year:

One faculty member *i.e.* Dr. Javed Parvez has been involved in teaching subjects and grading final exams for Department of Environmental Science. We anticipate more collaborative teaching and research related effort along these lines in the future.

Thrust area of research:

- Software Engineering, Testing & Reliability.
- Computer Networks, Wireless Networks, Network Security & Mobile Computing.
- Artificial Intelligence, Machine Learning & Natural Language Processing.

Extension lectures delivered in the Department:

Resource person	Theme of the lecture	Date
Prof. M.U.Bukhari, AMU Aligarh	Software Reliability.	6/13/2013
Prof. M.N.Hoda, BVICAM Delhi.	S.T.E.M Education in India.	9/18/2013
Prof. A.Q. Ansari, JMI Delhi.	Fuzzy Systems	11/20/2013

Eminent Scholars who visited the Department:

Resource person	Designation	Affiliation	Purpose	Date
Prof. Salim Beg	Professor/Chairman	Electronics Dept. ZHCET (AMU), Aligarh.	Invited Talk: "Mobile Computing with L.T.E"	9/10/2013
Prof. Nagabhushan	Professor/Scientist	Mysore University	Invited Talk: "Scan-Line Signal-based Character recognition."	10/21/2013

New Books / Journals purchased/subscribed and their value:

Procured 200 books for Rs. 80000.00 and 4 Journals for Rs. 4800.00

Guidance and counseling:

- Provided Counseling to about 250 students who were finally assigned to the MCA programme at Hazratbal campus and five other affiliated MCA programmes in the valley.
- Provided counselling to about 50 aspiring scholars out of which 16 were absorbed successfully into the Ph.D and M.Phil programmes offered by the department.

Placement services provided to the students:

Organization Name	Job Description	No. of students
Various local, national and multinational software companies.	Software Engineer	20
Various local, national companies.	System Analyst	22
Various private and state government organizations.	Computer Application / I.T Support Engineer	18

Healthy Practices of the Department:

Provide MCA 6th Semester Project-based training to MCA students (Main Campus) as well as students from satellite campuses (North Campus).

Achievements of the previous year proposed plans:

Conducted M.Phil/Ph.D entrance exams, counseled research scholars and assigned new scholars to new supervisors in the Department.

Plans of the Department for next year:

Expand research activity and submit proposals for research-based projects to national sponsoring agencies.

Name of Head:

Prof. G. M. Bhat/Prof. Nisar Ahmad Shah

Action plan for the year:

The department shall increase the intake capacity for B. Tech. (ECE) from 40 to 50. AICTE recognition for B. Tech. (ECE) shall be procured. A proposal for introduction of M. Tech. (Electronics Engg.) in the department is under process. The department intends to introduce B. Tech. Programme in some allied subjects. State-of-art test and measuring equipment shall be procured for strengthening and augmenting research thrust areas. The departmental library will be upgraded with more text books as well as reference books for B. Tech. and M. Sc. To fill vacant faculty positions.

Innovations in curricular design and transcription at UG / PG level:

The department has redesigned the syllabi of M. Sc. (Electronics) as per Choice Based Credit System to be implemented from the next academic year. The department uses LCDs, OHPs and other AV aids to augment conventional methods of teaching and improve teaching-learning process. Students of the department are exposed to industry by organizing practical trainings, seminars and workshops in emerging areas of electronics. The curriculum is frequently updated to keep pace with the latest developments in the field of electronics.

Dr Umar Farooq	Associate Professor	Aligarh Muslim University	Examination	9/21/2013

New Books / Journals purchased/subscribed and their value: Procured 633 books for Rs. 573602.00

Improvement in library / laboratory services in Department during the current year:

The library was augmented by the addition of more than 600 books during the current year. Further, library has subscribed to several magazines and newspaper during the year.

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
Lab. Equipment and Demonstration Kits	198	1675068.00
Water Filter and Purifier	1	18300.00
PCB Machine, Transformer	1	997965.00

Financial Aid / Scholarship provided to students:

Type	Amount (Rs)
Merit Scholarships	10000.00
Students Aid Fund	5000.00

Student Achievements and Awards:

- Twelve students of the Department qualified NET/SET in Electronic Sciences.
- Mr. Zameer Ahmad qualified GATE examination in ECE with a percentile score of 99.3 and was subsequently offered PhD admission at IIT, Kharagpur,
- Ms. Zia Malik of B.Tech 7th Semester represented University of Kashmir at Gold Debate Championship at Chennai and at Sydney, Australia.

Guidance and Counseling:

The department has established guidance and counselling cell for helping the students in job placements and higher academic pursuits. In this connection a job fair was also hosted by the department in the month of August 2013. Several national level companies and organizations interviewed the desirous students of the department for possibility of job placement.

Placement services provided to the students:

Organization Name	Job Description	No. of students
ICICI Bank, YES Bank, Axis Bank and others	Executive	15
HCL, DELL, and WIPRO	Executive	15

Performance of students in sports activities:

Name of the Game	No. of students		Performance
	Male	Female	
Football	16	-	The departmental football team won inter-departmental football championship 2013.

Healthy Practices of the Department:

The department is organizing training programs and workshops for up-grading the skill of students and making them professionally competent.

Achievements of the previous year proposed plans:

The department has revised syllabus of both M. Sc and B.Tech Courses offered by the department. The department organized a workshop and a Job Fest. The department has strengthened the research in various contemporary fields of Electronics, Communication and Computer Sciences and has published as many as 41 papers in reputed Journals and 20 papers in reputed conferences. Further, the faculty attended as many as 41 conferences and training courses.

Department of Food Science & Technology

foodscience.uok.edu.in

Name of Head: Prof. F. A. Masoodi

Action plan for the year:

Enhancing the utilization of pilot plant already established in the department. Offering short term courses in processing of foods for entrepreneurs and house wives. Enhancing the linkages with food industry by conducting interactive sessions and identifying the problems faced by industry. Upgrading the skills and knowledge of entrepreneurs in production, preservation and marketing of local products

Assistance provided by national / international agencies:

Name of the Agencies	Year of Sanction	Total Amount Sanctioned (Rs)	Amount released during current year (Rs)
DBT	2013	6565000.00	4748400.00

Thrust area of Research:

- Biotechnological approaches for quality improvement of meat products.
- Beta-glucan- Characterization & health benefits.
- Stability of Phytochemicals during processing.
- *In vitro* antioxidant and antiproliferative properties of foods.
- Value addition of underutilized millets/ cereals.
- Starch characterization and utilization of unconventional foods.
- Quality evaluation of spices like saffron and chilies.
- Food irradiation.

Conferences /seminars /workshops organized by the Department:

- Two day symposium on “*Scenario of Postharvest Management of Fresh Fruits in India*” from May 27-28, 2013.

Research projects initialed and completed:

New projects submitted	Production of Resistant starch from locally grown rice varieties for use in functional foods and as an encapsulating agent	DST	11828000.00	
New projects submitted	Creation of institution society interface for food security and dietary management	UGC		
New projects submitted	Studies on characterization, development and evaluation of soy milk yoghurt (Soghurt) prepared by incorporation of different strains of lactic acid bacteria	DBT	13998000.00	

MoU signed during the current year:

One in pipeline with PAU, Ludhiana

Linkages developed with National / International Academic / Research bodies:

- PAU, Ludhiana, Punjab.
- Pondicherry Central University.
- SLIET, Punjab.

Eminent Scholars who visited the Department:

Healthy Practices of the Department: Industrial visits of students within and outside state.

Achievements of the previous year proposed plans:

- Department got extramurally funded projects in the identified areas of research.
- Biotechnological approaches for quality improvement of meat products.
- Beta-glucan- Characterization & health benefits.
- Stability of Phytochemicals during processing.

Plans of the Department for next year:

Enhancing the utilization of pilot plant. Offering short term training courses in food processing/preservation. Organizing some extension programmes

Weaknesses of the Department (if any):

Insufficient space for laboratories and staff, Inadequate electric supply. Poor linkage with industry.

Merit-Cum-Mean scholarship	795521.00
Student AID Fund provided by University of Kashmir	34650.00

Student achievements and awards:

- One of our student namely Abid Hussain Kar secured 30th rank in GPAT Exams, 2013 at all India Level
- Javeed Iqbal, a research scholar of this department, was awarded best oral presentation in pharmacy at the 9th Science congress held at University of Kashmir

Placement services provided to the students:

Organization Name	Job Description	No. of students
TATA Consultancy Services	Trainee executives	8

Honours /awards to the faculty:

- Dr. Mubashir Hussain Masoodi was selected for Post Doctoral Fellowship programme under UGC sponsored *Raman Fellowships for Post-Doctoral Studies* in USA under Indo-US 21st Century Knowledge Initiative for a period of one year 2013-2014

Healthy practices of the Department:

- Industrial training forms an integral part of B.Pharm. curriculum
- Campus recruitment of B.Pharm. students for placement in Pharma industries
- Interaction/MoUs with other Research and academic Institutions
- Almost every faculty member has a Research Project

Weaknesses of the Department (if any):

- Dearth of space
- Shortage of Faculty and Technical Staff
- Lack of Animal House facility

Conferences /Seminars / Workshops attended/participated

- Participated and presented a paper in the 2 days national seminar "Urdu Zuban -o- Adab Kay Taien Kashmirioon Ki Khidmat" organized by the Department of Urdu, Central University of Kashmir on October 16-17, 2013.
- Participated and delivered a modal lecture in the 7 days workshop "Micro Teaching" organized by the Department of Urdu, University of Kashmir in October 2013.
- Attended 1 day **National Seminar** "Iqbal Ki Farsi Shairi" organized by the Iqbal Institute of Culture and Philosophy, University of Kashmir on 9th November 2013.
- Participated and delivered three lectures in the 3 days capacity building workshop "Development of Language Skill" organized by the State Institute of Education, Srinagar (J&K) in September 2013.
- Attended 1 day **National Seminar** "Kashiri Shara Zaeche Hayat Te Tajruba" organized by the Department of Kashmiri, University of Kashmir on December 10-12, 2013.

Training courses attended:

- Attended 1 day Orientation Course "Development of Urdu E-Content" organised by Educational Multi Media Research Centre. Kashmir University on October 13, 2013.

Other information:

- Participated in a discussion about Development of Poetic Genre Marthiya in the Fort nightly TV Urdu Literary Magazin "Naqoosh" on November 9, 2013 organized by the Doordarshan Kendra, Srinagar.

Department of Biochemistry

kashmiruniversity.net

Name of Head: Prof. Akbar Masood/Prof. M.A. Zargar

Action plan for the year:

The department worked on to diversify its teaching/research activities based on the development of new research facilities (Tissue culture lab, etc) in the department. Further, new projects pertaining to thrust research areas like medicinal plants, cancer biology, proteomics, bioinformatics, etc are being taken up independently as well as in collaboration with other institutes of the country/state. The department also initiated the process of applying for grant under the SAP category. The remaining installment under the FIST programme was sought to be released from DST and is expected soon. Moreover all the faculty members developed and submitted grant applications for further funding to promote their research areas. The faculty also engaged in organizing the Science and Communication workshop.

Assistance provided from national / international agencies:

Thrust area of research:

- Protein Biochemistry/Enzymology
- Environmental Biochemistry/Toxicology
- Medicinal plants Research
- Free radical/Stress Biology
- Molecular Oncology, Molecular Biology and Bioinformatics

Conferences /seminars /workshops organized by the Department:

- Three day **9th JK Science Congress 2013 Regional Science Congress** (ISCA), organized by University of Kashmir [sponsored by J&K SC S&T, DST (GOI) & ISCA], October 1-3
- **One day International Workshop on “Acu-pressure Way of Health”** 2013 organized jointly by the Department of Social Work and Department of Biochemistry, University of Kashmir, April 4.

New Collaborative research Programmes undertaken:

- Evaluation of molecular mechanisms of picosides from *Picrorhiza kurroa* for anticancer Action in collaboration with *School of Biotechnology, JNU New Delhi. (Sanction awaited).*
- ADD1 polymorphism as a risk factor for coronary artery disease in hypertensive Patients of Kashmir and its impact on adducin activity in cells.-*In collaboration with GMC, Srinagar. (sanction awaited)*
- Insulin gene VNTR polymorphism in Kashmiri women with polycystic ovarian syndrome in collaboration with SKIIMS, Srinagar (Sanction awaited)

Linkages developed with National / International Academic / Research bodies:

The Department has established collaborations with national and international institutes for academics and research 1. SKIMS, Srinagar JK (Evaluation of gene polymorphisms in various cancers) 2. Department of Biochemistry GMC, Srinagar (Hypermethylation studies in colorectal and stomach cancers/ gene polymorphisms in CAD) 3. RRIUM, University of Kashmir (Medicinal plants Research) 4. New Books / Journals purchased/subscribed and their value: Procured 50 Books for Rs. 143000.00

Improvement in library / laboratory services in Department during the current year:

- Procurement of latest edition text Books based on students' requirements
- Renovation of Research labs (Vinyl flooring, masonry, carpentry, etc)

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
Lab equipment	1	185400.00
24x7 Generator facility for Department (AMC charges and purchase of fuel)	1	840000.00
Renovation of Research Labs (Vinyl flooring, masonry, carpentry, etc)	2	45000.00
Renovation of Wash room facilities	2	147000.00
Cell Culture and Molecular Biology laboratory infrastructure development - this includes Biosafety cabinet (laminar flow), CO2 incubator, refrigerated centrifuge, water bath, Liquid Nitrogen tank, -20 freezer, PCR machine, Western blotting apparatus	1	4000000.00

Financial Aid / Scholarship provided to students:

Type	Amount
Women Scientist Fellowship-WOSA DST, India (3) @Rs. 20,000 per month	720000.00
DST Project Fellowships (1 SRF+ 1 JRF) @ Rs. 19,200 and Rs. 12,000 per month respectively;	374400.00
INSPIRE Fellowships (2) @Rs. 20,000 per month	480000.00
CSIR Fellowship (1 JRF) @Rs 19,200 per month	230400.00
University Research Fellowships (2+2)	64000.00

Student achievements and awards:

- Research scholars of the department attended and presented papers in various National/State conferences during the current session.
- Research scholars of the department were able to draw grants worth more than Rs. 1 crore from various funding agencies in the form of Research Projects/scholarships.

Guidance and Counseling:

Teachers of the department provide guidance and counseling to students in respect of the following:

- Selection of project work and seminar topics among the courses offered during 4th semester.
- Guidance about NET/SET/GRE/GATE and other national and state level academic competitive examinations.

- Information about the prestigious research institutes conducting research in frontier areas of Biochemistry and procedure for joining these institutions for pursuit of research studies.
- Students have been equally distributed among all the faculty members who act as their advisors/counselors. This has resulted in many of the pass outs being very well placed at National and International Institutes of teaching and research.

Placement services provided to the students:

Honours /Awards to the Faculty:

- Prof. Akbar Masood was awarded as Fellow, Association for the advancement of Biodiversity Science, India
- Prof B A Ganai was awarded **Certificate of Excellence** at Modi Institute of Management and Technology in February at Kota, Rajasthan and was awarded Fellowship award by NESAI in December at Jamia Hamdard, New Delhi
- Dr. Rabia Hamid was adjudged one among the 'Best presentation awardees' at the **National Seminar** on 'Climate Change, Environment and Sustainable Development' organized by National Environmental Science Academy and Department of Botany, Jamia Hamdard University, New Delhi (Dec 9-10). She was presented with a certificate and a cash award to this effect by the Hon'ble Vice Chancellor, Jamia Hamdard New Delhi, Prof G. N. Qazi.
- Dr. Shaida Andrabi was awarded **DBT- CREST Award** 2012-13

Healthy practices of the Department:

- Students have been equally distributed among all the faculty members who act as their advisors/counselors. The students are encouraged to discuss academic and other issues with their faculty counselors to get them resolved and addressed to. This has also resulted in many of the pass outs being very well placed at National and International Institutes of teaching and research.
- Students of IV Semester deliver seminar lectures on various curriculum related and project proposal topics to make them audience compliant and train them for their future assignments.
- Environmental trips are organized for students of both semesters in the academic session to enable them to visit places of their interests.

Achievements of the previous year proposed plans:

The department has been able to establish a state of art the Tissue culture lab and many of the major equipments for it have been procured and installed. The PG/Research labs and the faculty rooms have been connected to the generator facility to equip them with continuous power supply during periods of power cuts/failures, which is necessary for the maintenance of a high quality work/research culture in the department. Infrastructural facilities, in terms of both building and equipments have been improved upon to meet the new requirements. In addition, on the basis of the developments made under the FIST programme, the Department was also able to procure the remaining installment of the grant from DST, India which is likely to be released soon.

Plans of the Department for next year:

The department proposes to make new developments and augment its teaching/ research activities based on the development of new teaching/research facilities in the department. Some new courses under the choice based credit system will be introduced in the PG curriculum. Further, new projects pertaining to thrust research areas will be taken up either independently or in collaboration with other institutes of the country/state for which grant applications will be forwarded to different funding agencies. The department also proposes to apply for grant under SAP to UGC. Moreover some faculty members will be moving outside the country for short term fellowships. Holding of Science and Communication workshop at the University will also be taken up in the coming year.

Weaknesses of the Department:

Inadequacy of space for classrooms and labs in view of the increased number of PG students

- Attended two-day **National Seminar** on ‘Climate Change, Environment and Sustainable Development’ Dec 9-10 (2013) organized by National Environmental Science Academy and Department of Botany, Jamia Hamdard University, New Delhi. And presented paper on '*In vitro* Antioxidant Potential of Leaf Extracts of *Atropa acuminata*.'
- Attended three day **9th JK Science Congress and Regional Science Congress 2013**, from Oct. 1-3 organized by the University of Kashmir in collaboration with JK SC for S&T, DST (GOI), and ISCA, and presented a paper on 'Evaluation of *Begonia ligulata* extract as an inhibitor of Cox 1/2, 5-LOX and pro-inflammatory mediators.'
- Attended one day **International Workshop on “Acu-pressure Way of Health”** 2013 on April 4, organized by the Department of Social Work and Department of Biochemistry, University of Kashmir.
- Attended one week Research Training Workshop on “*Drug Development and Infectious Diseases*” from Jan 14, 2013 organized by School of Life Sciences, JNU New Delhi.
- Attended 12th **International Conference on Global Contemporary Issues, Innovations & Future Challenges in Business, IT & Management** from Jan 5-6, 2013 and presented paper on “Biological Informatics in Scientific Data Management”.

Training courses attended:

- One day **International Workshop** on “Acu-pressure Way of Health” 2013 organized by the Department of Social Work and Department of Biochemistry, University of Kashmir, April 4.
- One week Research Training Workshop on “*Drug Development and Infectious Diseases*” organized by School of Life Sciences, JNU New Delhi. from Jan. 14, 2013

Awards / Medals received:

- Selected '**Member, Panel of Advisory Board**' World Research Journal of Biochemistry, an international journal (2013)
- Recipient of the '**Best Presentation Award (Top 3)**' at the National Seminar on 'Climate Change, Environment and Sustainable Development' organized by National Environmental Science Academy and Department of Botany, Jamia Hamdard University, New Delhi (2013)

Other information:

- Nominated for membership to American Chemical Society, Washington
- On Panel of Advisory Board 'World Research Journal of Biochemistry' International Journal Bioinfo Publications
- Member, American Society for Microbiology, (USA)
- Member, Board of Under graduate and Post-graduate Studies in Biochemistry, University of Kashmir
- Member, Panel of experts for evaluating paper presentations, 9th JK Science Congress, 2013

- Protein Biotechnology

Conferences /Seminars /Workshops organized by the Department:

- 9th JK Science Congress and Regional Science Congress-2013
- Three week Interdisciplinary summer school organized in collaboration with Academic Staff College, University of Kashmir

Research projects initialed and completed:

Status	Title of the project	Funding agency	Amounts sanctioned (Rs)	Amount released (Rs)
Projects completed	Functional evaluation of a novel p16ink4a mutation associated with esophageal squamous cell carcinoma (ESCC)	DST, New Delhi	2250000.00	-
Projects completed	Molecular studies of cold resistance in Brassica oleraceae	DST (J&K)	1157000.00	-
Projects completed	To understand the signal transduction pathway involving the role of p66shc, and RhoGTPase rac1 in neuronal cell	DST, New Delhi	3750000.00	-
Projects completed	Internal ribosome Entry site (IRES) mediated expression of endogenously produced carboxy-terminal domain of connexin 43 (CT-Cx43): Status of expression in the breast cancer	DBT New Delhi	2730000.00	-
Ongoing projects	Effect of stress on cellular localization & expression profile of stress responsive proteins on human esophageal squamous cell carcinoma	DBT New Delhi	2900000.00	1700000.00
Ongoing projects	Identification of bronchogenic cancer marker(s) through proteomic analysis of bronchial alveolar lavages and sera	DST, New Delhi	5466000.00	370000.00
Ongoing projects	Identification and Characterization of nuclear proteins specific to floral homeotic genes in saffron	CSIR	2880000.00	1700000.00
Ongoing projects	Identification of lung cancer marker(s) through proteomic analysis of model human cancer cell lines.	DST, New Delhi	4328000.00	-
Ongoing projects	Functional Genomics Approaches in Understanding the regulation of synthesis & accumulation of apocarotenoids in saffron crocus	DBT New Delhi	6733000.00	4200000.00
Ongoing projects	Increased glycolytic capacity of Astrocytes during hypoxia: Role of the cap-independent Translational of glycolytic enzymes	DBT New Delhi	4629000.00	1000000.00
Ongoing projects	Effect of polyamines and ionic liquids on folding intermediates and solvent induced aggregation in Hen egg white lysozyme	UGC New Delhi	1380000.00	-
Ongoing projects	Genetic Analysis of Lactose Synthase Complex of Exotic High Milk Yielding and Indigenous Low Milk Producing Bovine Breeds	DST, New Delhi	4480000.00	2550000.00
Ongoing projects	A study of natural osmolytes as potential therapeutics for Z α 1- antitrypsin (ZAT) induced chronic obstructive pulmonary disease (COPD) and Liver cirrhosis	DBT New Delhi	4004000.00	2375000.00
Projects sanctioned	Evaluating the synergistic role of identified natural compounds on microenvironment modulation in model lung cancer cell lines	NMPB	1800000.00	-
Projects sanctioned	rapamycin m-TOR-S6K phosphorylation paradox:Evaluation of evidence challenging the dogma	DBT New Delhi	8500000.00	-
New projects submitted	Anti cancer drugs study on alpha-1 syntrophin protein mediated proliferation and migration of breast cancer cell lines	DBT New Delhi	2500000.00	-
New projects submitted	Studies on the role of alpha-1 antitrypsin deficiency associated fever range temperature elevations in ZAT induced liver cirrhosis	DBT New Delhi	3000000.00	-

Dr. Ashraf Dar	Post Doc Fellow	Department of Molecular Genetics University of Virginia Charlottesville, USA	Faculty student interaction	7/4/2013
Dr Khalid Shah	Associate Professor	Harvard Medical School, Department of Medicine, Boston USA	Faculty student interaction	7/6/2013

New Books / Journals purchased/subscribed and their value: Procured 34 books for Rs. 73332.00

Improvement in library / laboratory services in Department during the current year:

New titles added to the library, Laboratory infrastructure is regularly updated

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
Air conditioning units for Research Labs and PG Lecture hall	11	650000.00

Financial Aid / Scholarship provided to students:

Type	Amount (Rs)
DBT studentship per month per student	3000.00

Student achievements and awards:

Five students of the Department have qualified UGC-CSIR NET/JRF examination, out of these five two have qualified SET and three qualified GATE examination with excellent percentile.

Guidance and Counseling:

Department is guiding students for the preparation of national level examinations, NET, SET, BET, ICMR and for the Ph.D entrance examinations of institutes like IISC, JNU, NCBS

Honours /awards to the faculty:

Dr. Abrar Ahmad Qurashi, Assistant Professor has been awarded the prestigious Ramanaujan Fellowship by Department of Biotechnology, Government of India, New Delhi.

Healthy Practices of the Department:

- The department encourages Scientists working in international institutions to avail fellowships from different agencies like UGC, DBT, DST Govt. of India and work in the department. Recently Dr Ajaz ul Hamid Wani, currently at Harvard Medical School has been awarded the prestigious Ramanaujan Fellowship and is likely to join the department very soon.
- The department encourages its graduate students to take up research as their carrier and has developed an excellent infrastructure for research in different areas of Biotechnology.
- The students are encouraged to take up various national level fellowship examinations conducted by CSIR, DST, DBT, UGC and other national agencies.
- Guidance and counseling for NET and career planning is provided to students.
- We promote an active and a friendly student teacher interaction in the department, at all levels.
- The department is active in research in advanced areas of biology, and in generation of resources from extramural funding.

Achievements of the previous year proposed plans:

Development of Research Labs proposed last year has been partially achieved. Two assistant Professors have joined the department this year.

Plans of the Department for next year:

We are planning to increase the faculty strength by filling up of vacant positions, and develop further the research infrastructure. Department is planning to have an independent state of art animal house that will cater to other departments of the science faculty as well. Up-gradation of departmental library and development of additional cell culture facility are also planned.

Thrust area of research:

- Free Radical Biology and oxidative stress, Stress Biology and Cancer Biology.
- Development of Recombinant monoclonal antibody and engineered proteins.
- Metabolic syndrome; PCOS.
- Cystatins: study of structure, folding patterns and their use as diagnostic markers.
- Medicinal plant proteomics.
- Protein Biophysics; Protein Misfolding Diseases, Chemical chaperone-induced Protein structure and folding.

Research projects initialed and completed:

Status	Title of the project	Funding agency	Amounts sanctioned (Rs)	Amount released (Rs)
Ongoing projects	Quantitation and Comparative Evaluation of Insulin resistance, Proinflammatory and Procoagulant Markers in Drug Naive versus Oral Contraceptive Pills (OCP) Treated PCOS Women	J&K, DST	1800000.00	800000.00

New Collaborative research Programmes undertaken:

- Started research collaborations with ACRB, University of Delhi, New Delhi, and IIM, Jammu, Jammu and Kashmir

Linkages developed with National/International Academic/Research bodies:

- Dr. Tanveer Ali Dar has started research collaborations with Dr. R.K. Singh, Ambedkar Centre for Biomedical Research, University of Delhi, New Delhi, India
- Dr. Showkat A. Ganie started research collaborations with Dr. Abid Hamid, Senior Scientist, IIM Jammu, Jammu and Kashmir

Extension lectures delivered in the Department:

Resource person	Theme of the lecture	Venue	Date
Dr. Ashraf A. Ganie, AIIMS, New Delhi	Reproductive Disorder in Adolescents and Young Women	Clinical Biochemistry, University of Kashmir	12/17/2013
Dr. Abhinav Grower	Role of bioinformatics in Medicinal Plant Research	Clinical Biochemistry, University of Kashmir	9/25/2013

Eminent Scholars who visited the Department:

Resource person	Designation	Affiliation	Purpose	Date
Dr. Abhinav Grower	Assistant professor	School of Biotechnology, Jawaharlal Nehru University	Dr. Gorwer has research collaborations with Dr. Rabia, Deptt. of biochemistry and on our request, Dr. abhinav had a very intercative and healthy discussions with our students	9/25/2013
Dr. Ashraf A. Ganie	Assisatnt Professor	Department of Endocrinology, All India Institute of Medical sciences, New Delhi	Screening for PCOS disorder	12/17/2013

New Books / Journals purchased/subscribed and their value: Procured 80 Books for Rs. 90000.00

Improvement in library / laboratory services in Department during the current year:

Procured new books for the library and also added a number of books for various competitive exams like NET, GATE, KAS *etc.* 2. Developed a PG lab with all basic infrastructural and lab facilities and connected with an uninterrupted power supply system 3. Developed a research lab with basic infrastructural facilities and an uninterrupted power supply system

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
Lab Equipments	3	196305.00
Drinking Water facility equipment and Computer accessories	2	27785.00
Furniture for classroom, office and faculty rooms	-	499936.00

Financial Aid / Scholarship provided to students:

Type	Amount (Rs)
Student Aid Fund	19200.00

Student achievements and awards:

Five students qualified NET and SET examinations and two students qualified various examinations held by ICGB, AIIMS and NCBS.

Guidance and Counseling:

- Department recently carried out an awareness session in the department regarding the PCOS in Kashmir in which Dr. Ashraf A. Ganie gave a presentation to our students.
- Dr. Grover from JNU had a counselling session with 1st and 3rd semester students regarding the future prospects of Clinical biochemistry. He encouraged students to go for higher studies like PhD in both national and international institutes.
- Counsel and guidance of students for competitive exams like NET, GATE, SET, KAS *etc.*

Placement services provided to the students:

Organisation Name	Job Description	No. of students
Department of Biochemistry	M. Phil	2
ICGB, New Delhi	Ph.D and project fellow	2
AIIMS	Ph.D	1

Honours /Awards to the Faculty:

Two of our faculty members (Dr. Showkat and Dr. Tanveer) were shortlisted for Research Award 2012-2014 by UGC, GOI

Healthy practices of the Department:

- Arranging institutional assents for internship training in Hospital and medical institutes of repute.
- Arranging special class room sessions for competitive exams like NET, GATE in which the class teachers act as counsellors.
- Arranging special awareness programs/lectures for students related to various clinical disorders like diabetes, PCOS *etc.*

Achievements of the previous year proposed plans:

- Shifted to the new building and developed some basic infrastructural facilities for classroom, office and faculty rooms.
- Started developing the research facilities by devoting one room as research lab in which a number of students are doing their research work. Also procured some equipment like Laminar Air Flow, Colorimeter and Ph meter.
- The department has started gearing up for developing a diagnostic lab for which a portion of the main research lab has been selected for developing the lab.

Plans of the Department for next year:

- Developing a full-fledged state of the art diagnostic lab for community services and research purposes.
- Developing a full-fledged research lab with major focus on clinical research.
- Strengthening research collaborations with the research institutions of the state like SKIMS, IIIM and Govt. medical college Srinagar and Jammu
- The department in collaboration with Directorate of Lifelong learning, University of Kashmir are planning of starting a certificate course in Medical Lab Technology
- The department will work for creating a niche in the University.

Weaknesses of the Department:

In sufficient Non-teaching staff for office and PG lab. No budgetary support from University

Thrust area of research:

- Plant invasions: species invasiveness, community invasibility, risk analysis, impact assessment and management.
- Biodiversity characterization, conservation and sustainable utilization in relation to regional development.
- Physiology of flower senescence and chemical regulation of vase life in selected ornamentals.
- Reproductive biology, multiplication and conservation of endangered and endemic plants.
- Mycorrhizal functional diversity and its role in plant performance and ecosystem functioning.
- Micro-propagation of threatened and economically important plants
- Epidemiology, etiology and management (biological control and IPM) of pathogenic diseases of important crops.
- Cytogenetics, reproductive biology and genetic diversity of rosaceous fruits.
- Exploration and identification of mushrooms flora of Kashmir Himalaya.

Departmental publication other than journal and its ISBN no.:

Botanical Society Bulletin, a newsletter, is published annually to highlight the progress and achievements of the department.

Conferences /seminars /workshops organized by the Department:

- Organized **International Day for Biological Diversity** on May 22, 2013.
- **National Science Day -2013** was celebrated on September 14 and a workshop was organized with a focal theme of "*Genetically Modified Foods and Food Security*"
- Organized Five day **Innovation in Science Pursuit for Inspired Research (INSPIRE)** programme from September 7-11, 2013.
- The Department played an important and active role in the organization of Three day **9th JK Science Congress 2013 and Regional Science Congress** from October 1- 3, on "*Innovations and Advances in Science and Technology*". The department handled the registration of delegates and also conducted 4 Technical Sessions of the Congress.

New Collaborative research Programmes undertaken:

- Dr. Zafer A Reshi, Dr. Irshad A Nawchoo, Dr. Ajaz A Wani and Dr. Manzoor A Shah have undertaken an all India coordinated project on saffron in collaboration with CORD (University of Kashmir), Department of Biotechnology (University of Kashmir), Department of Biotechnology (University of Jammu) and IHBT (Palampur). The project is funded by Department of Biotechnology, Ministry of Science and Technology, Govt. of India.
- Dr. Anzar A Khuroo has undertaken a national project on “Alpine ecosystem dynamics and impact of climate change in Indian Himalaya (PRACRITI-II)” in collaboration with IHBT (Palampur), NBRI

(Lucknow), GB Pant Himalayan Institute of Environment and Development (Almora). The project is funded by Space Application Centre, ISRO, Govt. of India.

- Dr. Riffat John has undertaken a research project on “Developing Cold Tolerant Tomato by Expression of Novel Cold Induced Gene from *Brassica oleracea*” in collaboration with Department of Biotechnology, University of Kashmir.
- Three Environment Impact Assessment (EIA) projects completed by Dr. Zafer A Reshi in collaboration with CORD (University of Kashmir), Department of Geography and Department of Earth Sciences (University of Kashmir).

Besides, there are following existing collaborations:

- Dr. Zafer A Reshi has collaborations: with MIREN for Plant Invasion Studies in Himalayan Mountains; with Centre of Forestry, Laval University, Canada, for Impact Assessment of Plant Invasions on Soil Microbes through Molecular Approaches and with Thapar University, Patiala, India, for Ectomycorrhizal Diversity.
- Dr. Irshad A Nawchoo has collaborations: with Indian Institute of Integrative Medicine (IIIM), Kashmir, for Chemical Profiling and Tissue Culture of Important and Endangered Medicinal Plants; with Jamia Hamdard, New Delhi, for Reproductive Biology and Chemical Profiling of Medicinal Plants; with Delhi University, Delhi, for Assessment of Genetic Diversity of Rare and Endangered Medicinal Plants of N. W. Himalaya and with NBPGR, New Delhi, for Exchange of Seeds/Propagules for Germplasm Conservation.
- Dr. A. H. Wani has collaborations: with SKUAST (K), for Mushroom Cultivation, Assessment of Mushroom Diversity and Development of Biopesticides and with AMU, Aligarh, for Characterization of Plant Viruses.
- Dr. Zahoor A. Kaloo has collaborations: with Indian Institute of Integrative Medicine (IIIM), Kashmir, for Tissue Culture of Medicinal and Aromatic Plants.
- Dr. A. A. Wani has collaborations: with Centre for Cell and Molecular Biology, Hyderabad; with School of Biotechnology, University of Jammu; Dr. Y.S. Parmar University of Horticulture and Forestry, Solan and with GB Pant Institute of Himalayan Environment and Development, Almora, for creating Genomic Platform for Apple Research in India.
- Dr. Manzoor A. Shah has collaborations: with Centre of Environmental Management and Regional Development, Laval University, Canada, for Predictive Modeling of Plant Invasions; with MIREN for Plant Invasion Studies in Himalayan Mountains and with University of Montana for studying Biogeographical Basis of Invasion.
- Mr. Mohamad Arief Zargar has collaborations: with Indian Institute of Integrative Medicine (IIIM), Kashmir, for Phytochemical Analysis of Some Plants; with Amity University, Noida, and Postharvest Education Foundation (PEF), USA, for Postharvest Handling and Cold Chain Management of Horticultural Crops.
- Dr. Anzar A. Khuroo has collaborations: with MIREN and with Dr. Ewald Weber, Institute of Biochemistry and Biology, Biodiversity Research, University of Potsdam, Germany for studying Taxonomic Patterns of Invasive Species.

Extension lectures delivered in the Department:

Resource person	Theme of the lecture	Venue	Date
Prof. S. K. Sopori Vice- Chancellor, JNU, New Delhi	Genetically modified crops and food security	Auditorium, Department of Botany	9/14/2013
Prof. S.K. Mukherjee Professor, Plant Molecular Biology Laboratory, Delhi University	RNA strategies for developing GM Crops and Food Security.	Auditorium, Department of Botany	9/14/2013
Prof. R. Uma Shankar Professor, GKV, Bangalore	Data mining	Auditorium, Department of Botany	6/18/2013
Dr. Meenakshi Munshi Joint Director, DBT, Ministry of Science and Technology, New Delhi	DBT funding opportunities	Auditorium, Department of Botany	5/14/2013

Eminent Scholars who visited the Department:

Resource person	Designation	Affiliation	Purpose	Date
Prof. R. Uma Shankar	Professor	GKV, Bangalore	To give a special invited lecture	6/18/2013
Prof. S. K. Sopori	Vice Chancellor	JNU, New Delhi	To give a special invited lecture	9/14/2013

Prof. S.K. Mukherjee	Professor	Plant Molecular Biology Laboratory, Delhi University	To give a special invited lecture	9/14/2013
Dr. Meenakshi Munshi	Joint Director	DBT, Ministry of Science and Technology, New Delhi	To attend a DBT meeting on saffron	5/14/2013
Prof. Irshad A Hamal	Vice Chancellor	Baba Ghulam Shah Badshah University, Rajouri	To attend the 9th JK Science Congress and Regional Science Congress	10/2/2013

New Books / Journals purchased/subscribed and their value: Procured 88 Books for Rs. 242700.00

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
Student Microscopes	5	82000.00
Gel Documentation System	1	499400.00
Gel Electrophoresis System (Cytogenetics lab.)	1	108960.00
Vertical Autoclave (Cytogenetics lab.)	1	89324.00
Double Distillation Plant (Cytogenetics lab.)	1	85011.00
Electric Oven (Cytogenetics lab.)	1	24062.00
Research Microscope (Cytogenetics lab.)	1	17203.00
Oven	2	105000.00

Financial Aid / Scholarship provided to students:

Type	Amount (Rs)
Students Aid fund (11@4950)	54450.00
Merit scholarship at PG level (4@2400)	9600.00
Student Welfare (1@25000)	25000.00
Research scholars	120000.00

Student achievements and awards:

- Three research scholars bagged first three positions in poster presentation on International Day for Biological Diversity organized by Department of Botany, University of Kashmir, Srinagar.
- One M.Phil. Scholar received first prize in oral presentation on Science Day organised by Department of Botany, University of Kashmir, Srinagar.

Guidance and Counseling:

- Counseling imparted about various competitive academic examinations such as CSIR-UGC JRF/NET, GRE, GATE, SET, ICAR NET and various administrative competitive examinations such as KAS, IAS, IFS, etc.
- Counseling imparted regarding premier institutions both within and outside the country where advanced research on various aspects of plant sciences is undertaken.
- Guidance also provided to students about various fellowships/scholarships.

Performance of students in sports activities:

Name of the Game	No. of students		Performance
	Male	Female	
Cricket	13	-	Participated in intra-university tournament
Sonzal	1	-	Participated

Honours /Awards to the Faculty:

- Gold Medal awarded to Dr. Manzoor A. Shah by the Indian Academy of Environmental Sciences, Haridwar for best paper in a special session during the National Conference on *Status and Conservation of Biodiversity in India with Special Reference to Himalaya*, held at the University of Kashmir, Srinagar on October 4-5, 2013.
- "Paryavaran mitra award" conferred to Manzoor A Shah on 31st August 2013 at the Auditorium, Sher-i-Kashmir Institute of Medical Sciences, Soura, Srinagar, in recognition of the dedicated and outstanding work for preventing ecological destruction and environmental degradation.

- Dr. Seema Singh was granted DST Special package fellowship for a period of three months for research purpose at Punjab University Chandigarh.
- Dr. Riffat John was granted Visiting Scientist Fellowship (For training in advanced research) by Indian National Science Academy INSA.

Healthy Practices of the Department:

- Awards and mementoes are given to students who qualify CSIR-UGC JRF/NET or similar other prestigious examinations.
- Botanical Society Bulletin, a newsletter, is published annually to highlight the progress and achievements of the department.
- Botanical tours are regularly conducted (twice a year) within the state to educate the students about the local biodiversity, its threats and conservation strategies.
- Annual botanical tour outside the state is also conducted not only to educate the students about the biodiversity there, but also to acquaint them about the national/international institutions of educational, botanical and research importance.
- Students and research scholars are provided a platform to interact with the scientists of national and international repute through the organization of special invited lectures, workshops, national tours, etc.
- The syllabus is regularly revised to keep it in tune with the national standards so that the students find it easier to qualify national level examinations such as CSIR-UGC NET, ICAR NET, GATE, IISc entrance, etc.
- Research Projects funded by national agencies such as DBT, DST, UGC, CSIR etc are routinely undertaken by various faculty members.
- The Departmental faculty keeps on attending conferences/seminars/symposia/workshops, both within and outside the country. Many faculty members of the Department are special invitees for delivering talks and key-note addresses in high profile scientific meetings and conferences.
- The focus of research in the department has always been in tune with the contemporary issues and challenges. Continuing the legacy of research excellence, the faculty members of the department have published 66 research papers during 2013, mostly in Science Citation Index (SCI) journals.

Achievements of the previous year proposed plans:

The faculty submitted about 14 project proposals, out of which 7 stand already sanctioned. The Molecular Biology Laboratory and the Computer laboratory were made fully functional. The laboratory infrastructure was also upgraded.

Weaknesses of the Department (if any):

Insufficient laboratory infrastructure to undertake research in more advanced areas of research. Lack of research grants from university to individual laboratories. Insufficient laboratory infrastructure to accommodate a bulk of 114 PG students.

- *Do good science and have fun too*: 62nd Orientation Course, UGC Academic Staff College, University of Kashmir, Srinagar on June 28, 2013.
- *Life in extreme environments*: 61st Orientation Course, UGC Academic Staff College, University of Kashmir, Srinagar on March 20, 2013.
- *Novel applications of extremophiles*: 61st Orientation Course, UGC Academic Staff College, University of Kashmir, Srinagar on March 20, 2013.
- *Create, track and mind your footprint*: 63rd Orientation Course, UGC Academic Staff College, University of Kashmir, Srinagar on December, 27, 2013.

Training courses attended:

- Three week UGC sponsored Refresher Course in Basic and Applied Sciences, University of Kashmir, Srinagar, J&K from May 7-28, 2013.

Awards / Medals received:

- **Gold Medal** awarded by the Indian Academy of Environmental Sciences, Haridwar for best paper in a special session during the National Conference on *Status and Conservation of Biodiversity in India with Special Reference to Himalaya*, held at the University of Kashmir, Srinagar on October 4-5, 2013.
- "**Paryavaran mitra award**" conferred on August 31, 2013 at the Auditorium, Sher-i-Kashmir Institute of Medical Sciences, Soura, Srinagar, in recognition of the dedicated and outstanding work for preventing ecological destruction and environmental degradation.

Other information:

- Upon invitation selected as member of Species Survival Commission (SSC), the largest of the six commissions of IUCN - the International Union for Conservation of Nature for the quadrennial 2013-2016.
- Became a member of Invasive Species Specialist Group (ISSG).

Interdisciplinary programmes started during the current year:

Organized National Standard Examination (NSE) leading to participation in International Science Olympiads, on November 24, 2013. Organized an Australian National Chemistry Quiz (ANCQ-13) in the Department of Chemistry September 15, 2013.

Thrust area of research:

- Non-linear Chemical Dynamics.
- Interfacial phenomena and Surfactant-Polymer interactions.
- Surfactant-Surfactant and Surfactant -Polymer interactions.
- Electrosynthesis in Molten Salt Systems.
- Chemistry of Natural Products.
- Synthetic Organic Chemistry.
- Computational Chemistry.

Conferences /Seminars /Workshops organized by the Department:

- Organized one day National level workshop on "**Chemistry Popularization**" in collaboration with Indian Association of Chemistry (IAC), HBCSE, TIFR, Mumbai and National Council for Science & Technology Communications, DST, New Delhi on 20th of June.

Research projects initialed and completed:

Status	Title of the project	Funding agency	Amounts sanctioned (Rs)	Amount released (Rs)
Ongoing projects	Electrochemical Investigations on Electro-reduction of Polyhalogenated hydrocarbons in room temperature ionic liquids	SERB-DST, India	4920200.00	3945000.00
Ongoing projects	Investigation into structural, opto-electronic and excited state properties of some dye-sensitised semiconductor nano-composite for solar cell applications using density functional theory	UGC	1213300.00	886800.00
New projects submitted	Experimental and theoretical studies on atmospheric volatile organic compounds	Ministry of Earth Sciences, Govt. of India	27910000.00	-
New projects submitted	Atmospheric aerosols in urban and rural environments of Kashmir Himalayas: Measurements, analysis impacts and Management	Inter-university consortium on atmospheric aerosols, Delhi	46287000.00	-

Prof. R. T. Pardasani	Dean, School of Chemical Sciences & Pharmacy	Central University of Rajasthan	Extension Lecture	12/24/2013
Dr. Santanab Giri	Post. Doc. Fellow, Chilli	IIT Kharagpur	Extension Lecture	5/27/2013

New Books / Journals purchased/subscribed and their value: Procured 223 Books for Rs. 216563.00

Improvement in library / laboratory services in Department during the current year:

The library was equipped with LCD projector, UPS and Computer System. The windows were furnished with vertical blinds to ensure comfortable stay for reading and presentation. Regarding laboratory services the whole drainage system of the department has been renovated in order to prevent the blockade of water /seepage in the laboratories.

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
Server for quantum computation	1	270900.00
Desktop PC (All in One)	4	147160.00
PG-Stat with accessories for RDE, EQCM, FRA from Metrohm India.	1	2500000.00
BUCHI-Rotavapour	1	600000.00
Power supply for Electrosynthesis	1	100000.00

Financial Aid / Scholarship provided to students:

Type	Amount in Rs.
Research Fellow 01 No. (Ms. Sumera)	168000.00
UGC Non-SAP Fellowship 01 No.	168000.00
Research Fellow 01 No. (Mr. Sarwar)	168000.00
University Fellowship 04 Nos.	129000.00
Merit Scholarship for 02 students @ 200 per month	4800.00

Guidance and Counseling:

Twenty one students who have been registered for M.Phil./Ph.D. programmes in the department in 2013 were called for counselling w.r.t. research topics, methodology and the collaborations to achieve significant results. Besides, M.Sc. 4th semester students are being called for counseling in order to opt for specialization in the department.

Placement services provided to the students:

Organization Name	Job Description	No. of students
Indian Institute of Integrative Medicine (IIIM), Jammu	Scientist-B	1
Higher Education Department	Teaching	2
School Education	General Line Teacher	6

Honours /Awards to the Faculty:

- Dr. Aijaz Ahmad Dar has been awarded UGC Raman Postdoctoral Fellowship for Indian Scholars to USA (2013-2014), New Delhi for working at Rutgers-The State University of New Jersey, USA from September, 2013 to May, 2014.

Healthy practices of the Department:

- Organization of extension lectures on thrust areas of research and allied subjects, student awareness programmes student counseling, health education & moral education by debit to chemical society and internal quality assurance funds.
- Financial assistance to poor students belonging to under privileged & weaker sections of the society by debit to chemical society funds.
- Academic tour of M.Sc. 4th semester (outgoing students) to the CSIR and National Labs within and outside the state for familiarization with sophisticated scientific instruments and also to have awareness about the thrust areas of research.
- Seminar lectures are being delivered by M.Sc. 4th semester (outgoing students) in order to develop confidence in them for sharing the knowledge before students and learned gathering.

Achievements of the previous year proposed plans:

Renovation/upgradation of the research labs. by debit to 2nd phase of DST-FIST grant has not been done because the expected approved grant of Rs. 69.00 lacs in the 2nd phase of DST-FIST grant is yet to be released. Two new research projects submitted by two faculty members of the department to DST and UGC in 2012 have been implemented successfully. The execution of SAP-DRS under the coordinatorship of Prof. G. M. Peerzada stands shortlisted by the UGC but is as yet to be approved. Four faculty members from the department participated in the National Conference of International repute. One faculty attended three weeks refresher course in Chemistry at University of Pune and two months short course in Advanced Computational Chemistry at National Chemical Laboratory (NCL), Pune.

Plans of the Department for next year:

Follow-up for the release of grant under 2nd phase from DST under FIST so that renovation/upgradation of our research labs. will be undertaken. Submission of fresh research projects by the faculty and implementation of the projects which are under review before DST/UGC at present. Follow-up for the release of SAP-DRS grant from UGC for the development of the department. Renovation / upgradation of P.G. labs, office and glass blowing section for the smooth functioning of the department by debit to departmental payment seats share.

Weaknesses of the Department:

In-adequate Annual Non-Plan grant for the purchase of the equipments, books, lab. expenses etc. Since 2005, there is no enhancement of aforesaid budget heads, despite of hike in prices to the extent of 3 times the cost of these items in 2005. Since, the inception of department (43 years back) the labs. (both P.G. and Research) have not been renovated at all w.r.t. working tables, electric fittings etc. As such all labs. are in dilapidated conditions. It needs some special grant under maintenance head for making the proper renovation/ upgradation of labs. in the Department.

Department of Earth Sciences

geology.uok.edu.in

Name of Head: Prof. Shakil Ahmad Romshoo

Action plan for the year:

The department strengthened the existing collaboration on various aspects of the earth system science with national and international partners. The department focused on ongoing research projects and published a dozen of papers in the impact factor journals. The department won a number of new research projects including a mega-research project on Himalayan Cryosphere and Climate Change. On academic front, the department revised and improved the course curricula for all the three ongoing PG programs in the department and transformed it into the Choice Based Credit System.

Programmes offered and enrolment:

Programme offered	Enrolment
M.Sc. Applied Geology	26
M.Sc. Geoinformatics	13
PG Diploma in Remote Sensing & GIS	6

M.Sc. Applied Geology Programme:

Amount generated through payment seats: Rs.600000.00

Innovations in curricular design and transcription at UG / PG level:

In addition to the revision of the syllabi with special reference to the credit-based system, various new special inter-disciplinary courses have been introduced in the curriculum.

Percentage of syllabus revised during the current year: 25%

Details of research scholars:

Interdisciplinary programmes started during the current year:

No, new interdisciplinary program was started during the year. However, various new elective courses have been started under the CBCS in all the three PG programs already operational in the department.

Thrust area of research:

- Study of Karewas Sediments of the Kashmir Valley
- Ground water studies in Kashmir
- Hydrological Modelling
- Climate change studies
- Glaciology
- Crustal dynamics and deformation studies
- Environmental impact studies

Conferences /Seminars /Workshops organized by the Department:

- National workshop on Environmental Sustainability on 19 January, 2013.
- Organized the “Earth Day” celebrations in collaboration with DSW from 22 -28 April, 2013.
- Hosted and organized the 3rd PAMC meeting of MoES for Geosciences from 8-9 June, 2013
- Hosted and organized the PAMC for CSIR-HRDG on Earth Sciences on 23 August, 2013.

Research projects initialed and completed:

Status	Title of the project	Funding agency	Amounts sanctioned (Rs)	Amount released (Rs)
Projects completed	Snow and glacier studies in Himalayas: Phase I	Space Application Centre, ISRO	2500000.00	2500000.00
Ongoing projects	Himalayan Cryosphere: Science and Society	Department of Science and Technology (DST), Gov. of India	90000000.00	57700000.00
Ongoing projects	Flood Vulnerability of Jhelum for disaster risk reduction and mitigation	Department of Science and Technology (DST), Gov. of India	2500000.00	1200000.00
Ongoing projects	Assessing the impacts of climate change on hydrology of Jhelum Basin	Ministry of Earth Sciences, Govt. of India	7000000.00	3700000.00
Ongoing projects	Impact of climate change on groundwater resources of karst aquifers in Kashmir valley	Department of Science and Technology (DST), Gov. of India	1800000.00	447006.00
Ongoing projects	Role of Snow and Ice in controlling regional hydrology of Lidder Watershed, Western Himalaya	BRNS-DAE	3221625.00	1054900.00
Ongoing projects	Risk Assessment of the Glacial Lake Outburst Flooding (GLOF) in Kedarnath, Uttarakhand	Department of Science and Technology (DST), Gov. of India	2300000.00	1500000.00
New projects submitted	Geological Characterization of the Kashmir Valley with the objective of quantifying probabilistic hazard and risk in high risk areas of the valley using a logically integrated set of geoscientific	Ministry of Earth Sciences, Govt. of India	51733673.00	-
New projects submitted	Assessing the impact of Black Carbon on alpine Himalayan glaciers under the changing climate	MoEF, GOI	20000000.00	-

New Collaborative research Programmes undertaken:

- Part of the Inter-University partnership under Mapping your Neighborhood in Uttarakhand (MANU) at the National Level.
- Indo-Australian joint research collaboration on understanding the Deep Crustal and Surficial Geological Processes during Continental Collision started

Linkages developed with National / International Academic / Research bodies:

Leh International Centre, Leh

Extension lectures delivered in the Department:

Resource person	Theme of the lecture	Venue	Date
Dr. Mrinal K. Sen, Director, NGRI, Hyderabad	Challenges of Computational Seismology: 4th Paradigm of Subsurface Mapping	Department of Earth Sciences seminar room	6/6/2013
Prof. Bharat Desai, International Environmental Law, Jawaharlal Nehru University (JNU), New Delhi	Environment and Development: A Predicament?	Ibn-Khaldun Auditorium, UoK.	7/16/2013
Prof. Nigel Harris, Earth Sciences, The Open University, U.K.	Himalaya & Tibet: The Seismic hazards of mountain building	Biotechnology Auditorium	10/14/2013
Dr. A. M. Dayal, Dr. D. J. Patil and Dr. Kalpana, NGRI, Hyderabad	a) Geochemical analysis for hydrocarbon exploration b) Exploration of shale gas using geochemical exploration	Department of Earth Sciences seminar room	12/6/2013
Dr. Shakeel Ahmad, Deputy Director, NGRI, Hyderabad	Geostatistical approaches to groundwater assessment	Department of Earth Sciences seminar room	12/9/2013
Dr. Shakeel Ahmad, Deputy Director, NGRI, Hyderabad	Geostatistical approaches to groundwater assessment	Department of Earth Sciences seminar room	12/9/2013

Eminent Scholars who visited the Department:

Dr. Devesh Sinha	Professor	Delhi University	As expert for syllabus revision	-

New Books / Journals purchased/subscribed and their value:

Procured 112 books for Rs. 160,000.00 and 3 Journals for Rs. 150,000.00

Improvement in library / laboratory services in Department during the current year:

New text books and reference books have been purchased and changes have been made in the library to make it more organized.

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost in (Rs.)
LCD Projectors	2	169000.00
Trimble GPS Handheld	10	500000.00

Guidance and Counseling:

- Career Counseling and research guidance is a regular feature of the faculty members in the Department. Continuous motivation and encouragement to the students to prepare for state & national level competitive examinations *i.e.* JRF-NET Examination, SET, KAS, IFS, UPSC Geologist Examination and GATE for carrier and higher education.

Placement services provided to the students:

Organization Name	Job Description	No. of students
J&K PDC	Geological Assistants	3

Honours /Awards to the Faculty:

- Prof. Shakil A Romshoo, Head of the Department appointed as Member of the Scientific Advisory Committee (SAC) of the J&K Lakes and Water Bodies Authority (LAWDA)

Healthy practices of the Department:

- National and International Research Collaboration.
- Sponsored research Project & schemes.
- Collaboration with J&K State Departments.
- Active participation in the University initiatives particularly Energy, Climate Change and Good-Governance
- Outreach activities like workshop and conferences on various themes of scientific and societal importance are a regular feature in the department.
- Organization of health care program for students.
- Organization of extension lectures.
- Motivation and encouragement to the research scholars to attend the training program/workshops to improve the technique and methodology of their work.
- Encouragement to the students for the set-up of student study circle and activities of Alumni Association.
- Organization of social awareness camp on natural hazards and disaster management.
- Organization of local geological field tours.
- Several social gatherings and meetings of the faculty, students and the staff organized during the year

Achievements of the previous year proposed plans:

Department entered in to research and academic collaborations with Centre for Mathematical Modeling and Computer Simulations (C-MMACS), Bangalore, National Geophysical Research Institute (NGRI), Hyderabad and Indian Institute of Science Education and Research (IISER) Kolkata. Department got one mega-research project from DST related to Himalayan Cryosphere.

Plans of the Department for next year:

a) Joint field campaigns with the French and Indian Scientist about Himalayan Tectonics scheduled in the month of July-August, 2014 b) Joint field campaigns with partner national institutes about Himalayan Cryosphere planned in the month of August, 2014 c) Strengthening the academic and research infrastructure in the Department for cutting edge research in the identified thrust areas of research. d) Strengthening the existing national and international collaboration and making effective the pipeline inter-university collaboration in GIS among 10 partner universities which is being coordinated by the department.

Weaknesses of the Department (if any):

Lack of infra-structure for setting up geological museum in the Department. Lack of infra-structure for starting M.Sc. program in Geophysics. Limited numbers of permanent faculty positions

Faculty Strength:

Name of the post	Sanctioned Strength	Post Filled	Vacant Posts
Professor	1	-	1
Associate Professor	2	2	-
Assistant Professors	5	4	1

Faculty Profile:

Name	Gender	Designation	Qualification	Specialization	Post against working	Nature of Appointment	Domicile State
Dr. Shakil Ahmad Romshoo	M	Professor	Ph.D RS & GIS	Hydrology, Climate Change, Geoinformatics	Professor & Head	Substantive	J&K

Conferences /Seminars / Workshops attended/participated

- Presented a paper on “Assessing the impacts of climate change on food security of Kashmir valley.” Abstr. Proceedings of the **100th Indian Science Congress** held at the Calcutta University, Kolkata, from 3-7 January 2013
- Presented a paper on Environmental Scenario of J&K: Trends and Indicators. Proceedings of the **National Symposium** on Environmental Sustainability held at the Gandhi Memorial College (GMC), Jammu on 19 January, 2013.
- Presented a paper on Indus Water Sharing: Benefits and Responsibilities. Indo-Pakistan Track-II dialogue on Water held at Dubai from 7-9 November, 2013.
- Presented a paper on Climate change and Himalayan Cryosphere. Abstr proceedings of the national joint symposium of the ISG-ISRS held at Andhra University, Vishakhapatnam from 4-6 December, 2013
- Presented a paper on Shrinking cryosphere and depleting streamflows under the changing climate in Kashmir Himalayas. Abstr Proceedings of the Indo-Japanese **International Workshop** on Water Environment Technology (IFWAT-2013) held at the JNU, New Delhi from 18-20 December, 2013.

Training courses attended:

- National Workshop on Environmental Sustainability on 19 January, 2013
- Earth Day 2013 from 22-28 April, 2013
- MOES PAMC Meeting of the Geosciences from 8-9 July, 2013
- CSIR PAMC Meeting of the Earth and Environmental Sciences from 22-23 August, 2013

Awards / Medals received:

- Won the **Best Paper Award** for the research paper titled “Futuristic land cover projects over Kashmir valley using CLUE Model” at the 100th Indian Science Congress, 2013 held at the Calcutta University, Kolkata, India.
- Nominated member of the Scientific Advisory Committee (SAC) of the Lakes and Water Bodies Authority (LAWDA), J&K Government.
- Nominated chair of the Indo-Pakistan Working Group on Climate Change and Indus Waters by Atlantic Council, USA.

New Books / Journals purchased/subscribed and their value: Procured 90 books for Rs 147000.00

Improvement in library / laboratory services in Department during the current year:

Various equipments like PM 2.5 Air sampler, Water probes, PH meter, Conductivity meter, Balance, flow meter etc were purchased during 2013 to upgrade the facility of labs.

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost in (Rs.)
1. PM 2.5 Air sampler	1	300000.00
2. Water probes	3	200000.00
3. Ph meter, Conductivity meter, Balance, flow meter etc.	5	225000.00

Student achievements and awards:

- Sayma Parvaiz of semester III and Mir Raisa Zaffar of semester I of Environmental Science bagged II and III position respectively in oral presentation on the eve of World Environment Day (5th June) 2013.
- Ms Gousia Mehraj passout of department of Environmental Science won the third position in poster competition during conference *Status and Conservation of Biodiversity in India with special reference to India* held on 4-5 October 2013.

Guidance and Counseling:

Organized the counselling session for NET/SET preparation/research and job opportunities

Healthy practices of the Department:

- Expertise in conducting conferences/workshops/symposia/training courses/brainstorming sessions/seminars
- Expertise in EIA/EMP Consultancy projects
- Water analysis service for various Govt and non Govt agencies.
- Giving expert opinion and recommendation on various issues to State Govt
- Highlighting various environmental issues of Jammu and Kashmir.

Achievements of the previous year proposed plans:

Good number of students has qualified JRF/NET/SET. Starting publication in good journals. Publication of annual Journal of Himalayan Ecology and Sustainable Development reflecting the research focused on various issues faced by State. Department has organized World Environment Day 2013, National Conference on Biodiversity and Brainstorming session on Dal Lake. Completed two EIA/EMP projects of Yousmarg and Wular Lake. Rendered expert advice and recommendation to State Govt in respect of master plan of Pahalgam, Sheep farm in Dachigam and Climate Change policy document.

Plans of the Department for next year:

Generation of funds through research projects and consultancy projects. Publications in good impact factor journals organizing workshop preferably on EIA/EMP. Funding through FIST IN 2014. Upgrading of Laboratory and library facilities. Developing linkages to some national and international research institutes of national and international repute.

Weaknesses of the Department (if any):

There is no creation of teaching and nonteaching positions in the department except the recently filled positions of two Assistant professors. There is no non plan budget for the department despite its inception from 2000. There is not adequate space for PG labs.

Department of Mathematics

maths.uok.edu.in

Name of Head: Professor N. A. Rather

Action plan for the year:

The main plan of the department is to promote teaching and research with the standards at national and international level. Eminent researchers/teachers from various institutes including IIT Mumbai, IISc Bangalore etc visited the department in connection with DST package and delivered a series of lectures to the M.Sc students of 4th Semester for about two weeks. The department has hosted a **National Workshop** on "*Non-linear Functional Analysis and Its applications*" in collaboration with IIT Mumbai during October 21-29, 2013.

Assistance provided from national / international agencies:

Name of the Agency/ies	Year of Sanction	Total Amount Sanctioned (Rs.)	Amount released (Rs)
DST for conducting National Workshop	2013	700000.00	700000.00
DST package for Lecture series	2013	50000.00	50000.00
NBHM Book Grant	2013	375000.00	375000.00

Dr. N. Sukavanam	Professor	IIT Roorkee	Workshop	10/28/2013

New books / journals purchased/subscribed and their value: Procured 160 books for Rs. 577000.00

Improvement in library / laboratory services in Department during the current year:

The department has purchased a good number of books from the NBHM annual grant. Also, the departmental faculty members have purchased various books on newly introduced subject "Mathematical Biology" and other subjects from their research projects sanctioned in 2013.

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
LCD Projector Screens	2	28000.00

Student achievements and awards:

Two of our students qualified JRF/NET (June 2013). Also one has qualified SLET in Mathematical Sciences in 2013.

Guidance and Counseling:

The students of the department were exposed to various activities like:

- Counselling and guidance to pursue research at various institutions with fellowship; grants available from different funding agencies and carrier opportunities.
- To study and compete at various levels of national and international examinations etc

Placement services provided to the students:

Organization Name	Job Description	No. of students
School Education	Teacher	12
School Education	Lecturer plus 2	2
Higher Education	Assistant Professor	1

Performance of students in sports activities:

Name of the Game	No. of students		Performance
	Male	Female	
Cricket	4	-	Good

Healthy Practices of the Department:

The departmental faculty has a good reputation at national and international level. They have published various research papers in reputed journals of international level. The department has got four research projects sanctioned this year from various funding agencies. The department holds 10th rank on the basis of the CSIR assessment.

Achievements of the previous year proposed plans:

The departmental faculty has published a good number of papers in various journals of repute. Got four project sanctioned from various funding agencies. Hosted a successful national level workshop in collaboration with IIT Mumbai during October 21-29, 2013.

Plans of the Department for next year:

The department has submitted a proposal to start an innovative programme namely "Industrial and Applied Mathematics" for the financial support and other infrastructural facilities. Once the department may get the approval, the same can be launched as soon as possible.

Weaknesses of the Department:

The department is kind enough to students in order to launch various optional courses to expose the students with different specializations. But due to limited space, the department is unable to fulfill this desire. Also, the department has no proper heating facility for teachers/students in winter to compete with extreme and severe climatic conditions.

Thrust area of research:

A) Experimental Physics

- Observational Astronomy
- Solid State Physics
- Solid State Electronics
- High Energy Physics
- Nuclear Physics

B) Theoretical Physics

- Theoretical Many-body Physics
- Statistical Mechanics
- Astrophysics
- Density Functional Theory

Conferences /seminars /workshops organized by the Department:

- Workshop on "Astronomical Techniques and Science with Virtual Observatories" Sept. 23-26, 2013
- Conference on "High Energy Emission from Active Galactic Nuclei" October 7-9, 2013

Research projects initialed and completed:

Status	Title of the project	Funding agency	Amounts proposed (Rs)	Amount released (Rs.)
Projects completed	Pre-Operative Programme for Indian Participation in FAIR Project at GSI, Darmstadt, Germany-Accelerator and Detector Related R&D and Prototyping (Ist Phase)	DST, New Delhi	1650000.00	-
Ongoing projects	1. Constraining the Cosmological Parameters and the Underlying Theoretical Models with CMB Anisotropy and Polarization Measurements	SERB, DST, New Delhi	1675000.00	550000.0000
Ongoing projects	2. Effect of SHI irradiation on some physical properties of Superconducting/Non- superconducting Materials	IUAC (UGC), New Delhi	605000.00	150000.00

New Collaborative research Programmes undertaken:

- IUAC, New Delhi
- SINP, Kolkata
- TIFR, Mumbai

Linkages developed with National / International Academic / Research bodies:

New Collaborations: 1. IUAC, New Delhi 2. SINP, Kolkata 3. TIFR, Mumbai

Extension lectures delivered in the Department:

Resource person	Theme of the lecture	Venue
Prof. Debasish Mujamdar	Dark Matter	Physics Department
Prof. Ajit Kembhavi	Cosmology	EMMRC auditorium
Prof. Ashis Mahabal	Virtual Observatories	EMMRC auditorium
Prof. Ranjeev Misra	Black Holes	EMMRC auditorium

Eminent Scholars who visited the Department:

Resource person	Designation	Affiliation	Purpose
Prof. Ajit Kembhavi	Director (Professor)	IUCAA, Pune	Talks in workshop and conference
Prof. Ashis Mahabal	Professor	CalTech	Talks in workshop

New books / journals purchased/subscribed and their value:

Procured 110 Books for Rs.250000.00

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
Desktops	2	70000.00

Financial Aid / Scholarship provided to students:

Type	Amount (Rs)
Student's Aid Fund	49500.00
Merit Scholarship	4400.00

Healthy practices of the Department:

The department encourages contact between students and faculty so as to develop reciprocity and cooperation. The department has largely been able to stick to a time schedule whether it is beginning or end of an academic session, conduct of examinations etc. Course work was completed even though the regular teaching work had to be continued even during vacations. The department also tries to give something extra (than the usual routine classwork) to the students by organizing workshops, lecture series by eminent researchers in different fields. Every attempt is made to inculcate the sense of responsibility.

Weaknesses of the Department (if any):

Proper infra structure Lacking

Name of Head: Professor Aquil Ahmed

Action plan for the year:

We are organizing an International Conference on Operations Research for Data Analytics & Decision Analysis and an International Workshop on Optimization Techniques & Softwares from October 19-23, 2013.

Assistance provided from national / international agencies:

Name of the Agencies	Year of Sanction	Total Amount Sanctioned (Rs)	Amount released (Rs)
Directorate of Economics & Statistics, J&K Govt	2013	600000.00	600000.00
DST, New Delhi	2013	150000.00	150000.00
NBHM, Mumbai	2013	100000.00	100000.00
MOSPI, New Delhi	2013	500000.00	-

Programmes offered and enrolment:

Programme offered	Enrolment
M.Sc. Statistics	128
M.Phil	16
Ph.D	9

M.Sc. Statistics Programme:

Thrust area of research:

- Operations Research/Mathematical Programming
- Probability Distributions
- Statistical Inference

- Information Theory
- Reliability Theory
- Bayesian Statistics

Conferences /seminars /workshops organized by the Department:

- Organized an International Conference from October 21-23, 2013 on "Operations Research for Data Analytics & Decision Analysis" in conjunction with the 46th Annual Convention of Operational Research Society of India (ORSI).
- Organized an International Workshop from October 19-23, 2013 on "Optimization Techniques & Softwares" in conjunction with the 46th Annual Convention of Operational Research Society of India (ORSI).

Linkages developed with National / International Academic / Research bodies: IIT, Roorkee

Extension lectures delivered in the Department:

Resource person	Theme of the lecture	Venue	Date
Professor Rahul Gupta	New Avenues in Statistics	Department of Statistics	5/13/2013
Professor Khalid Masood	Operation Management	Department of Statistics	5/17/2013
Professor C.C.Gujrati	Linear Models	Department of Statistics	10/17/2013

Eminent Scholars who visited the Department:

Resource person	Designation	Affiliation	Purpose	Date
Professor Rahul Gupta	Professor	University of Jammu	Extension Lecture	5/13/2013
Professor Khalid Masood	Professor	Aligarh Muslim University	Extension Lecture	5/17/2013
Professor C.C.Gujrati	Professor	Sardar Patel University	Extension Lectures Oct, 17-Nov, 15, 2013	-

Improvement in library / laboratory services in Department during the current year:

Departmental library for students with wardrobes & shelves for books have been developed. Also, Computer Lab having capacity for 60 students have been developed.

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
Computer Lab having capacity for 60 students have been developed.	60	224000.00
Departmental library with wardrobes & shelves for books have been developed.	-	324000.00
Xerox Machine Procured	1	140259.00

Guidance and Counseling:

Provide continuous guidance to the students for their job avenues.

Placement services provided to the students:

Organization Name	Job Description	No. of students
Tata Consultancy Services	BPO-II	8
J&K Bank Ltd.	Relationship Executive	4
Revenue Department	Patwari	8
Genpact	Analytics	2

Healthy practices of the Department:

Following academic calendar strictly; imparting quality and innovative teaching using Statistical Software's, besides lecturers by eminent teachers from different Universities; encouraging students for taking competitive examinations like Indian Statistical Services (ISS), IAS, KAS, NET, SET, Statistical and Evaluation Examination. The Department also provides Statistical guidance on data analysis to research scholars and faculty members of various Departments of the University and other Institutes of the Valley.

Achievements of the previous year proposed plans:

Achieved all the targets planned.

Plans of the Department for next year:

To adhere to the quality teaching and research in the next year also. Refresher course & Research Methodology courses are proposed during 2014.

Weaknesses of the Department (if any):

The Department requires more teachers keeping in view the introduction of the Choice Based System as one of the faculty members is on EOL.

Faculty Strength:

Name of the post	Sanctioned Strength	Post Filled	Vacant Posts

- Teachers from the department delivered number of lectures in various programmes organized by Academic Staff College, University of Kashmir

Healthy practices of the Department:

- National/International Seminars/Conferences
- Weekly Seminars/discussion
- Extension lectures
- Interdisciplinary workshops
- Civil Society/Academic interface

Achievements of the previous year proposed plans:

The department celebrated its Golden Jubilee

Plans of the Department for next year:

The department intends to conduct an international/national Research Methodology workshop for young teachers and Research scholars. The department also intends to start career counseling/guidance programme for students especially with regard to civil services/NET/SET examination.

Weaknesses of the Department:

Major lacuna of the department is relative smaller size of classrooms, because of this; it becomes difficult for the department to conduct examinations and other functions within the given accommodation. It was partly compensated by using library space for organizing weekly seminars and other such academic functions.

Research projects initiated and completed:

Status	Title of the project	Funding agency	Amounts sanctioned (Rs)	Amount released during current year (Rs)
New projects submitted	Isolation, identification, characterization and prospecting of <i>Penicillium</i> species for the production of industrially important amylase. Submitted to (CONCEPT ACCEPTED)	Department of Biotechnology, GoI	4979220.00	-
New projects submitted	Thyroid hormone gene polymorphism in Kashmiri population, SRF position to Gousia Qayoom myself as Mentor	Indian Council for Medical Research	1000000.00	500000.00
New projects submitted	Phytochemical screening, standardization and evaluation of various pharmacological activities of <i>Eremurus himalaicus</i> an edible herb of North-Western Himalayas.	Council of Scientific and Industrial Research	1400000.00	-
New projects submitted	Isolation, identification and cultivation of endophytic fungi from <i>Arnebia benthamii</i> L. for the production and characterization of bioactive fungal metabolites".	Department of Science and Technology, India	5200000.00	-
New projects submitted	Differential expression levels of 2 microglobulin of MHC1 complex at various histopathological grades of colorectal polyps.	Indian Council for Medical Research	2700000.0000	-
New projects submitted	Screening genetic variants in Childhood Acute lymphoblastic leukemia (ALL) in north Indian state of Jammu and Kashmir.	Indian Council for Medical Research	2900000.00	-
Ongoing projects	Association of VDR Gene polymorphism with the response of colorectal cancer of Kashmiri subjects.	University Grants Commission	800000.00	-
Ongoing projects	2) Genetic study of common variants at the Apo A, ApoB, Apo E genes in association with coronary artery diseases and its impact on apolipoprotein concentration in serum (Mentor)	Department of Science and Technology, India	1780000.00	750000.00
Ongoing projects	Association of genetic variations of the folate metabolism pathway genes with colorectal cancer susceptibility and its impact on folate levels in plasma/serum. (Mentor)	Department of Science and Technology, India	1800000.00	700000.00
Ongoing projects	Genetic polymorphism of cyp 3A4 and its relevance with the risk of acute lymphoblastic leukaemia in kashmiri population•.	Department of Science and Technology, India	1380000.00	920000.00
Ongoing projects	Evaluation of Genetic variants and comparative expression analysis of TNF- α , IL-6, IL-1 β in peripheral blood mononuclear cells of type-2 diabetic patients with neuropathy. (Mentor)	Department of Science and Technology, India	1960000.00	750000.00
Ongoing projects	Induction of variability for genetic improvement of Kashmir saffron. (Co- PI).	Ministry of Science and Technology, Department of Biotechnology	9070000.00	-
Ongoing projects	In vitro culture and phytochemical analysis of <i>Arnebia benthamii</i> - A Critically endangered medicinal plant of Western Himalaya (Co-PI).	Department of Science and Technology, India	2600000.00	724000.00

Healthy practices of the Department:

- Publication of books/Journals
- Survey regarding manuscripts
- Outreach Programmes on Kashmir Studies through Shaikh-ul Aalam (RA)
- Extension Lectures on Ethos of Kashmir

Achievements of the previous year proposed plans:

- The Centre published Urdu translation of oldest manuscript 'Noorname' by Baba Naseeb-ud Din Gazi. The translation done by Prof. Margoob Banhali has been well received by the people associated with Shaikh-ul Aalam Studies.
- First ever book published on Reshmol with the financial support of Al Sarwat Foundation Anantnag.
- Infrastructural development of the Centre with the help of Rupees 25 lacs received as grant in aid by the government of Jammu and Kashmir.

Plans of the Department for next year:

To enroll around more eight more scholars from different disciplines for M.Phil/Ph.D programmes. To publish a book on Hazrat Baba Bam-ud Din (the revered discipline of Shaikh-ul-Alam RA). Publication of News letter NOOR Preparation of multilingual dictionary of old word and terminology found in Shaikh-ul Aalam's Poetry.

Weaknesses of the Department:

- Non availability of the Sharda script and Sanskrit language knowing experts and scholars hampers the research work as most of the source materials on Shaikh-ul Aalam and other Reshis are available in aforesaid script and language only.
- Lesser number of faculty positions and non availability of research associates in the Centre.
- Non availability of space for display of artifacts to establish heritage museum.
- Non availability of lecture halls and office cabins due to typical architectural design of the present building (with limited budgetary Provisions)

Performance of students in sports activities:

Name of the Game	No. of students		Performance
	Male	Female	
Cricket	60	-	Winner & runners up of the North Campus Champions Trophy

Healthy practices of the Department:

In this year, the main focus of the faculty members was on the completion of syllabus on time which was off track because of the delay in last few years. The labs of this newly established department were without equipments, so in this year the basic equipments were purchased for various labs of our department. Also, around 65 students of the senior most semesters (5th and 6th) were sent to HP Education center, Noida for industrial training.

Weaknesses of the Department (if any):

Lack of proper infrastructural facilities like separate labs, browsing center, departmental library, auditorium. This engineering department is running without placement cell. Last but not the least, the department is not working in an Engineering & Technological environment wherein you will be having a competitive environment.

UGC-Academic Staff College

asc.uok.edu.in

Name of the Director: Prof. Farooq Fayaz

Brief profile:

UGC-Academic Staff College, University of Kashmir, was established in the year 1987 with an aim of generating awareness among the teaching faculty particularly among freshly appointed teachers about linkages between society, environment, development and education, about philosophy of education, higher education system and pedagogy, resource awareness and knowledge generation and about management and personality development. Overall aim is their professional, personality and career development. To achieve this aim, Academic Staff College of the University of Kashmir endeavours to design, organize, conduct, monitor and evaluate General Orientation and Refresher Courses for college and University teachers; interaction Programmes for Doctoral and Post-Doctoral scholars; short-term courses for senior administrators, Heads of Departments, Principals, Deans and other decision makers and teaching programmes for non-teaching staff, in accordance with UGC guidelines. Besides imparting knowledge and skills to participants of these programmes, Academic Staff College envisages to provide them opportunities to interact with eminent resource persons and facilitate their exchange of ideas with peers from various parts of the state and country as well. This considerably helps in an overall improvement in the quality of education and research in higher education institutes by enhancing the competencies of the teachers.

Achievements during the year 2013

- Organized Five Refresher Courses

The Seminar was also attended by Dean Academic Affairs, Director-CCPC, (Managing Director- Chanakya IAS Academy and many civil services qualifiers of different ranks and positions. Mr A.K Mishra delivered a lecture on “Art of Success”. The seminar was attended by more than 3000 students from University and other affiliated colleges. During the seminar the five candidates from who have recently qualified civil services examination were also felicitated by the Vice Chancellor, Prof. Talat Ahmed.

Special Lecture on Essence of Excellence in Education:

The institutes of higher learning have a huge responsibility of developing a pool of capable and competent leaders who can not only anticipate but also overcome the challenges of changing world environment. The higher education has to be in tune with the requirements of the changing world. Many institutes have been able to create significant educational capacities to orient the higher education in such a way so as to develop the competencies and capabilities of youth strictly as per the requirement of the world around us. However, concerns have been raised about the declining quality of education provided by some institutions. This has resulted in huge number of graduates passing from these institutions but is unable to find a productive employment; the issue of employability of educated youth has assumed serious proportions. These developments are forcing institutions to redefine their academic image and develop strategies which will be built around delivering quality education, making education relevant to emerging needs and fostering long term education excellence. In this context a special lecture was organised by the Centre for Career Planning & Counselling, University of Kashmir on, “Essence of Excellence in Education”. The Lecture was delivered by prominent academician Prof. S. Sitaraman (Senior Vice President & Director Centre for guidance and counselling, AMITY University). The session was attended by Dean Academic Affairs Prof A.M Shah, Registrar University of Kashmir Prof. Zaffer Ahmad Reshi and senior faculty members and students from various departments and affiliated colleges of the University.

Coaching for Civil Services & other Competitive Examinations: Besides training and placement, the centre is actively working on providing comprehensive and dedicated coaching to the students for various competitive examinations. The Centre intends to develop an integrated facility to provide coaching to students for Civil Services (IAS/ KAS) and Joint Entrance Examinations for minorities and Socially & Economically weaker sections of the society. Currently the centre is running a coaching programme for Civil Service aspirants and more than seventy- eight candidates have enrolled for it.

Directorate of Physical Education and Sports

Director: Prof. Bashir Ahmad

Brief Profile:

The Directorate of Physical Education & Sports was established in 1948 with an avowed objective of promoting sports culture among the youth for overall development of the personality. The sports events being organized under the auspices of Directorate at a state and National level will go a long way in promoting cultural integration amongst the people belonging to different geographical settings and socio-economic background besides helping Sports Tourism in Kashmir. Blessed with temperate and salubrious climate, lush green forests, plenty of water bodies, snow- clawed terraces underneath of Mountains etc., will always prove conducive for the promotion of sports activities in the valley and indeed help Youth to grow physically and mentally.

The Directorate has hosted scores of Inter- University Tournaments in various sports at Zonal and National Level. The University has the honor of introducing three new sporting events *i.e.* Kayaking, Canoeing and Baseball in All India Inter-University Tournaments. The Directorate is regularly conducting Water Skiing, Kayaking, Canoeing, Surfing, Sailing, Dragon boating, Long distance swimming and Aqua-parasailing etc. A good number of talented players earned a name and brought laurels to the University especially in International Winter Sports Championships. Besides regular sports, the Directorate has setup an adventure sports- unit which undertakes sports like Snow Skiing, Mountaineering, White Water Sports, Aero-Sports, Mountain Biking, and Trekking etc. Training and coaching camps are conducted regularly for the student's pursuing different academic courses at College and University level. For providing the accommodation to the players/athletes the Directorate has raised a huge sports/youth hostel at the main University campus which has the capacity of accommodating 200 officials/players at a time. With the construction of hostel we are able to conduct more sporting events at local, Zonal and national Level.

The University has number of Cricket, Hockey, Football, Volleyball, Handball, Baseball, Lawn -Tennis and Basketball courts/fields within the main campus. The Health club/Gym has been set up with latest and sophisticated machinery pertaining to cardio and weight-training and is likely to be commissioned.

Keeping in view the growing demand, the Directorate started Master's Course in Physical Education a few years back. The pass out of three batches has already sought their jobs particularly in the Department of Youth Services & Sports. The Directorate intends to start M.Phil/Ph.D courses in the near future.

Directorate of Internal Quality Assurance (DIQA)

diqa.uok.edu.in

Director: Prof. Fayaz Ahmad

Objectives:

- To make quality, both academic and administrative, the defining element of higher education through a combination of self and external quality evaluation, promotion and sustenance initiatives.
- To stimulate academic environment of teaching-learning and research for fostering global competence.
- To promote collaboration with global institutions for undertaking quality related research studies, consultancy and training programmes.

Advisory Body:

Under the chairmanship of Vice-Chancellor, DIQA is guided by the Advisory Committee, constituted as per the NAAC recommendation. The Committee helps to generate and promote awareness as well as work out procedural details for bringing in qualitative changes in teaching-learning, research and administrative setup as well as in planning and development of DIQA. It also guides in creating methodological framework for evaluation and promotion of the activities of faculty and administration.

Networking of DIQA at Departmental Level (DIQAU)

To give representative character for effective monitoring, management, organisation and assessment, each Department/Centre/Satellite Campus/Administration/Examination, etc elects one of their teacher/officer as Nodal Officer as the main functionary of the Department for DIQA activities. Each such Department / Centre, etc. has a unit called Departmental Internal Quality Assurance Unit, DIQAU that plays pivotal role in implementing policies for quality enhancement. Each DIQAU has maximum of seven members consisting of Nodal Officer, 3 faculty members, one representative each of scholars and students working under the chairmanship of HOD/Director. It helps in organizing academic and extracurricular programmes, extension lectures, workshops, seminars, etc. and encourages younger scholars and students to promote and adopt sustainable initiatives for value based quality education. The Nodal Officer establishes coordination among all stakeholders like students, scholars, faculty, administration, etc for promotion and management of quality education.

The network of DIQA was pivotal in exhibiting and presenting the information before NAAC Peer Team for assessment and reaccreditation of the University for by NAAC that awarded the University "Grade-A" valid till September 2016.

Activities of DIQA during 2013

- Annual Report for the year 2012 was published highlighting the major activities carried out by the University during the year.
- The online submission of AQAR format for all Departments and individual faculty members was introduced.
- The link is now available on University and DIQA website.
- Follow up action has been taken on the recommendations made by NAAC Peer Team during their visit to the University for reaccreditation, some of which have been already implemented by the University.
- Uploaded successfully DCF I of the University of Kashmir on AISHE portal containing information of 2011-12.
- Sensitized all affiliated and constituent colleges for filling up DCF II for colleges for All India Survey on Higher Education (AISHE).
- Revived the Process of monitoring of teaching quality through assessment of teachers by the students and in this connection feedback from final semester students in respect of their teachers was secured.

Plans for 2014:

- To enhance the domain of online submission of AQAR format so that it will cover all sections / units of the University.
- To achieve tangible results in a perspective plan. To establish procedures and modalities for institutional and academic efficiency and excellence on the basis of quality bench marks /parameters.
- To speed up the process of promotions of teaching faculty under direct recruitment and CAS

Increase in infrastructural facilities:

Learning Resource/Infrastructure	Number	Cost (Rs)
ETV films produced	246	1411221.00
e-Contents produced	136	2751457.00

Healthy practices of the Department:

- Staff is encouraged to send films to various festivals held at **National/International level**, which gives recognition to the individuals as well as to the Centre.
- Half an hour lunch /tea break/prayer which provides an excellent opportunity to the staff for interaction.
- Every two months a meeting of the staff is held wherein all the staff members irrespective of their rank/status, talk about their experience and grievances amongst themselves. This helps the staff not only to have a good relationship with each other but also create a better coordination and congenial atmosphere to work.
- Due to the work load of the centre, the staff works over time and sometimes in shifts to meet the targets.

Achievements of the previous year proposed plans:

Produced 215 ETV films, 152 e-Contents, 138 LORs, 52 episodes of Quest and 24 episodes of Kashmir University Radio Digest

Plans of the Department for next year:

Production of 300 ETV Programmes. Development of 200 Multimedia and e-content modules. Production of 300 Learning Objects. Virtual Classroom Operation through EDUSAT. Conduct of Workshops in Multimedia

and e-content development. Regional telecast on Doordarshan and Local Cable Networks. Screening of ETV programmes and Multimedia demonstration in rural colleges of the valley. Conduct of Research in Educational television and the new communication technologies in education. Conduct Online courses in various technical areas in collaboration with CEC and launch some short term courses in Videography and Multimedia. Start of an Educational Cable Television Channel in the valley.

Weaknesses of the Department (if any): Lack of Promotion Policy for the staff.

University Landscape Development Division

Director of the ULDD : Prof. (Dr.) Irshad Ahmad Nawchoo

Brief Profile

The University of Kashmir is spread over an area of 104 hectares and comprises Main Campus, Naseem Bagh and Mirza Bagh Campuses. Another 13 hectares of land have been procured at Zakura. Besides these, two satellite campuses one at Delina, Baramulla called North Campus (13.5 hectares) and Fateh Garh, Anantnag called South Campus (15.00 hectares) constitute part of the University. Over the years, the University has now become a hub of intense academic and other related activities with the result that there is enormous influx of thousands of students, University staff and general public who visit the Campus almost every day. This has necessitated decorating the University campuses with a beautiful landscape, green turf, high quality ornamental plants including trees, bushes, shrubs, herbs and display of well-decorated potted material etc. to make the campus colourful, bewitching and pristine. To accomplish the huge task, the University has established a full-fledged directorate called Kashmir University Landscape Development Division headed by Director-a botanist of the University faculty supported by other two Botanists and ancillary staff both ministerial and in-field, besides, some skilled staff who look after the mechanized equipment and maintain the chinars in Naseem Bagh Campus. The University has initiated a dream project for establishment and development of Chinar Heritage Park at Naseem Bagh, which is proposed to be a model Chinar conservatory (as it hosts 696 Chinar trees) and a beautifully designed park. The University is also set at developing the Mirza bagh Campus into pristine garden on the bank of Nigeen Lake which will also provide aquatic sports facility, a unique event among the Northern Universities of the country. To obtain tangible results within the stipulated time, the garden development process has been mechanized, which has yielded dividends and today the campus of our University is one of the best and most beautiful campuses in the entire country of which we feel proud.

National Service Schemes through NSS Unit

The office of the Programme Coordinator, NSS University of Kashmir is the nodal center coordinating the NSS activities at the University, College and secondary school level. The NSS volunteers are drawn from the students enrolled at University/College and +2 level who form the NSS units. Each NSS unit comprises of 100 students whose activities are organized and coordinated by the respective Programme Officers. The overall incharge of the NSS units at the University, College and +2 level is the Programme Coordinator, NSS University of Kashmir. NSS activities have been divided in two major groups. These are regular NSS activities and special camping programme.

- Regular NSS activities: Under this, students undertake various programmes in the adopted villages, college/school campuses and urban slums during weekends or after college hours.
- Special Camping Programme: Under this, camps of 07 days duration are organized in adopted villages or urban slums during vacations with some specific projects by involving local communities.

At present there are 160 NSS units working in 105 educational institutions at University, College and secondary school level. However additional units would be created in near future at newly created colleges and at the Colleges/secondary school where the demand for additional units would arise to broaden the base, scope and coverage of NSS activities at the University of Kashmir and in its affiliated colleges. The financial implication of the NSS unit is primarily borne by the Ministry of Youth Affairs, Govt. of India. However in the recent past, an initiative has been taken up to raise locals funds vide NSS fee to be charged @ Rs 25/= per student enrolled at graduate/ undergraduate level as is the practice in other Universities.

Student Accommodation Facilities

Hostel life is considered as an informal education. The out-of-class experience in hostels provides an environment favourable for self-learning and maximises opportunities for social, cultural and extra-curricular involvement. The personal development of students is also nurtured and supported through living in a community environment and residents learn and experiment with developing habits of mind and body that contribute to a healthy lifestyle. The challenge for hostels is to place an emphasis on promoting student learning through integrating the hostel experiences and opportunities with their goals and priorities.

The University of Kashmir, since its inception in 1948, has been endeavoring to provide quality hostel facilities to needy and desirous students in tune with its social responsibilities and obligations. Exponential increase in the number of students, particularly from remote and far off places, seeking admission to various courses and programmes offered by the University, warrants further expansion in the accommodation facilities.

Contribution of the Proctorial Office to the maintenance of law and order and overall security of University assets:

The Proctorial wing as an important constituent of University administration has the following mandate.

- Protecting and securing the University property through Proctorial monitors, night chowkidars and KUG Coy.
- Maintaining the overall conduct and behaviour of all stakeholders (Students, Employees and visitors) on the campus. Providing all possible help to the general public
- Providing security cover to various top functionaries/invited dignitaries of the University.
- Ensuring free and fair examination.
- Regulating University gates and protecting illegal trade.
- Ensuring ragging free environment on the campus.
- Acting as a bridge between students/employees and the administration.
- Providing parking slots for devotees and regulating traffic movement through the campus during Holy days at Hazratbal Shrine.

Parking facilities provided and revenue generated by it:-

The revenue generated by parking is **Rs.2,99,890/-**

Major Achievements:

- The Safety and security measures within the University have been drastically revamped and the crime graph within the campus has been largely reduced.
- The entry and exits of the vehicles into the University has been regulated and the consequent rush within the University has been controlled.
- The wing has been able to initiate stern disciplinary action against a good number of delinquent officials detrimental to the society and the University image. This action has put a strong deterrence for the recurrence of such activities, helping in the overall improvement of working standards.
- Ensured Zero incidence of Ragging on the main University and satellite campuses.
- Provided security for various examination centres during entrance/ admission tests to ensure free and fair conduct of examination.
- The Disaster Management Group has been activated under the chairmanship of Chief Proctor and Fire Extinguishers at the proper places have been installed on priority basis. Fire fighting equipments have been installed to minimize the losses.
- Assisted state administration during the events like Eid Milaad-Un- Nabi (SAW), Mehraj Aalam (SAW) and other activities in and around the campus.

- The patrolling parties of Proctorial Wing are ensuring implementation of prohibition order of polythene inside the campus. Non smoking laws in the University premises have been implemented in letter & spirit from year 2013.
- The wing has provided foolproof security during major events like University Convocation, Science Congress.

Developments made by merging Watch and Ward wing into Proctorial Wing

The merging of Watch & Ward wing has proved to be a very significant move. With the availability of more field staff (Watch & Ward Chowkidars etc). We have been able to regulate the safety of University assets and maintaining law and order on the campus much more stringently than earlier. We are also now able to transfer a night Chowkidar for a day duty as Proctorial monitor and vice versa which was not possible earlier. The biggest benefit has been utilization of resources generated by the Proctorial wing for day as well as night staff. Besides the overall coordination among the field staff has improved.

Future Plans:

- To install CCTV cameras for monitoring and keeping a close vigil to stop certain social evils on the University campus.
- Installation of electronic gates at Sir Syed Gate and Moulana Rumi Gate.
- Installation of Boom barriers for secured entry/exits from campus.
- Creation of Proctorial units at various satellite campuses of the University.
- Establishment of reception centres at University gates for connivance of the visitors.

Brief profile of Proctorial Office:

Almost 50% of the field staff work as Proctorial monitors who are assigned day duty for regulating University gates and maintain law and order in the campus. Other 50% of the field staff work as night Chowkidars who are assigned night duties for protecting University assets. The KUG coy headed by Chief Security officer comprise of around 117 police personnel who are assigned various security related duties in the campus.

Public Relation Centre (PRC)

Name of the Officer –in- Charge/ Assistant Registrar (PRC) Mr. Showkat Shafi

Brief Profile:

Public Relations Centre, University of Kashmir is one of the important units in the University set-up. The Center acts as a bridge between the internal and the external public of the University and the University administration.

It has Student Enquiry and Information Cell where students get information regarding the examination schedules, timings etc. The Information assistants remain available on office landline and cell phones each day providing information to students and answering various queries.

Public Relations Centre maintains a close liaison with media (both print and electronic) and we at Public Relations Centre by utilizing the services of our Liaison Officer effectively ensure that the varsity gets due media coverage regarding its developmental works and seminars/workshops/conferences, special events and student focused activities. The Public Relations Centre collaborates at times with different centers and departments for organizing various events at the University. The Public Relations Centre has a Guidance & Counseling Cell which caters to the needs of the students while they decide to choose various streams after graduation for higher education. The centre has the services of Counselor, Information Assistants, Graphic Designer besides the office staff from Section Officer downwards. The centre works under the supervision of the Public Relations Officer, who is also the Assistant Registrar.

Public Relations Centre has collaborated with many professional media organizations to carry out long term and short term KU outreach plan which include KU image, communications and marketing and design programs. Public Relations Centre is actively providing the backup for the newly initiated student focused TV program Quest and KU Radio Digest which have now become very popular among our viewers.

What steps have been taken by PRO to make the office more active and functional?

There were number of steps that have been taken by the officer in charge to make the Centre more vibrant. The centre now has the services of a Liaison Officer who besides maintaining a close association and correspondence with various departments/institutes/centres/administrative sections of the University ensures mass coverage of seminars/workshops/conferences/special events and student related activities of the University in press and media. The centre has a student counseling and guidance cell which caters to the needs of hundreds of students every month.

PRC is actively providing the backup for the newly initiated student focused TV program Quest, and KU Radio Digest which have now become very popular among our viewers. PRC has now an advisory board headed by a Professor each year who advice and direct the officers in charge on matters of vital importance for KU and also with regard to the advertisements. The centre has opened up a student enquiry and student guidance and counseling cell which is doing a wonderful job. We have tied up with J&K Bank Hazratbal Branch and provide them accommodation facility in our ground floor to open a student fee counter which has proven to be very beneficial for student community.

OBITUARY

The University of Kashmir lost two of its bright teachers during the year

- **Prof Nisar Ahmad Shah**

Former Dean College Development Council and

- **Professor Majeed Muzmar**

Former Dean Faculty of Arts

Both the teachers were affectionate colleagues and efficient teachers. Kashmir University places on record the grief their deaths gave to University fraternity. May their souls rest in peace May God give lot of courage to the bereaved family to bear the loss.

We also lost **Abdul Hameed Sheikh**, *Sweeper* working in the Vice-Chancellor's Secretariat during the year. The death of the deceased official is also condoled. May his soul rest in peace.
