MESSAGE

Vice-chancellor

I am glad to know that the Directorate of Internal Quality Assurance is bringing out fresh issue of the *Annual Report* of University of Kashmir for the year 2015.

University of Kashmir has seen considerable growth in past few years in terms of introduction of new courses of study, new disciplines, and new initiatives. In context of changes unfolding in the knowledge society, University has devised a mechanism that is supportive of flexible organisational designs, transformational leadership, user-friendly supporting and service systems rich and integrative curriculaum and teaching methods and instructions. We at the University of Kashmir are committed to provide an intellectually stimulating environment for productive learning to enhance the educational, economic, scientific business and cultural environment of the region.

University of Kashmir comprising of 14 faculties with 15 research and extension centres has emerged as a premier institute of learning over the years. It has established a network of 159 constituent, affiliated and professional colleges in the state of Jammu & Kashmir with periodical monitoring and assessment of academic programmes and vocational add-on courses sponsored by the University Grants Commission.

University of Kashmir offers a wide range of about 79 academic and professional courses through formal and non formal modes of education and attracts more than 35000 aspirants annually for admission to postgraduate, diploma and certificate courses. In addition, University offers research programmes leading to award of M.Phil and Ph.D in all subjects. Over the years, the University has marched towards excellence in its programmes and activities. It has been re-accredited as Grade A university by the National Assessment & Accreditation Council (NAAC) of India in the year 2011. This is in recognition and reflection of the high standard of quality in teaching and research at University of Kashmir.

I am hopeful that the efforts being put in by Team DIQA shall prove beneficial to one and all.

Prof. Khurshid Iqbal Andrabi

MESSAGE

From the Chief Coordinator's Desk

The Directorate of Internal Quality Assurance (DIQA) with pleasure brings out the Annual Report 2015, which embodies the achievements of the University of Kashmir during this year. The objective of the report is to document the activities of the University in different spheres of academic arena and reflect the quality of teaching, research and extension work carried out by this institution with reference to the globally set benchmarks. Such reflections play a pivotal role in the march of the institutions towards academic excellence and help a long way to evolve new policies, practices and approaches to deploy our resources in the right direction. While it is heartening to see that the University is progressing reasonably well, yet there is no room for complacency if we want to see this institution amongst the well ranked universities nationally and internationally.

The DIQA encourages all the stakeholders of this prestigious institution to share responsibility in order to ensure that academics and other allied activities are undertaken in conformity with the preamble and mission of the University. Our endeavour is to create an enabling and competitive environment wherein the best practices in teaching, research and extension are encouraged and appreciated. With our collective wisdom and sense of responsibility there would be no limit to what we can achieve in the amphitheatre of academic excellence so long we are really in love with the idea of critical self-introspection for the institutional perfection. I request all the fellow colleagues of teaching fraternity, research scholars, students and members of non-teaching/administrative staff of the University to help us by way of their constructive criticism, valuable suggestions and quality information.

The efforts of team DIQA are laudable to bring this volume out in your hands. While preparing this report we came across certain inconsistencies and I request all the colleagues, especially the respective Nodal Officers of the Departments/Centres, to exercise utmost care in data procuring and maintenance as per the prescribed formats. This would help us improve our standards of documentation and reflection. Nevertheless, I complement all the constituent departments, centres, sections and satellite campuses of the University for their cooperation and furnishing the necessary information. The DIQA as a statutory watchdog would leave no stone unturned to accelerate the march of this University to surpass newer milestones.

Dr. Manzoor A Shah

An Overview

Institutional Education is not new to Kashmir as it used to be known as Sharda Peeth (Seat of Learning) in ancient times. People from every nook and corner of the world would come to Kashmir in the pursuit of knowledge and wisdom. The University of Jammu and Kashmir was founded in the year 1948, and later bifurcated into two full- Universities: University of Kashmir at Srinagar and University of Jammu at Jammu.

The University of Kashmir situated at the banks of the world famous Dal Lake on its eastern side and Nigeen Lake on the western side. The Main Srinagar at of the University spread over 247 acres of land is divided into three parts – Hazratbal Campus, Naseem Bagh Campus and Mirza Bagh Campus. Additional 300 kanal of land have been acquired at Zakura near the main campus for further expansion of the University. Besides Anantnag (South Campus) and Baramulla (North Campus), three more Satellite Campuses at Kupwara, Kargil and Leh have been established to make higher education more accessible to people living in remote areas.

The University is committed to provide an intellectually stimulating environment for productive learning to enhance the c, business and cultural environment of the region. The University offers programmes in alleducational, economic, scienti the major faculties; Arts, Business & Management Studies, Education, Law, Applied Sciences & Technology, Biological Sciences, Physical & Material Sciences, Social Sciences, Medicine, Dentistry, Engineering, Oriental Learning and Music & Fine Arts. It has been constantly introducing innovative / new programmes to cater to the needs and demands of the cate programmes with M.Phil and Ph.Doating UG, PG, Diploma and Certistudents and the society and is presently research programmes.

In tune with the needs of the present day world, scholars are encouraged to take up high profile research problems in science for explorations and they are successfully becoming part of big projects involving national and international interests.

Alot cation to human welfare. Recognizing ourof research in science is being extended to areas having direct or indirect rami socio-environmental obligations, University of Kashmir is seriously pursuing active independent and collaborative research on issues such as, Climate Change, Alternative Sources of Energy, and Biological Invasions. A lot of research in science is being extended to areas having direct or indirect ramification. To human welfare . We at KU are not only addressing the contemporary socio-economic, political and environmental challenges, but are addressing the future concerns as well.

Over the years, the University has marched towards excellence in its programmes and activities. It has been re-accredited as Grade-A University by the National Assessment & Accreditation Council (NAAC) of India in the year 2011.

This is the recognition and reflection of the high standard of quality in teaching and research at the University of Kashmir

We at present are not only consolidating and strengthening existing educational programmes and infrastructure, but new, creative, innovative and futuristic programmes are being introduced through participatory engagement of teachers, scholars, students and learned members of the civil society. Several departments are being encouraged to submit proposals under Special Assistance program (SAP) of the University Grants Commission so as to position the University for the award of the University with Potential for Excellence (UPE) status and already tens of KU departments have received financial assistance through SAP and FIST. A mega project of e-governance is currently underway in the University and its results are encouraging

The University believes in the pre-eminence of autonomous research, so that it comes up with brainstorming ideas to pioneer radical innovations. The University, undoubtedly, has kept pace with the world at large and not lost sight of its primary purpose of offering programmes of scientific and technical education that conform to the employment requirements of both the corporate world and the industry.

2. Candidates having appeared in the qualifying examination can also apply provisionally, subject to acquiring required minimum percentage by or before the day of issuance of 1st selection list.

Notes:

- For candidates falling under the Reserved Categories namely (i) "Persons from outside the Kashmir Division", (ii) "Foreign Nationals" and (iii) "Children of Permanent Employees (serving/retired) of the University of Kashmir", the minimum eligibility shall be the same as that for the open merit category in various programmes/Courses.
- Candidates possessing postgraduate degree/s are eligible to seek admission in another postgraduate programme or in a Diploma/ Certificate course, if they fulfill the eligibility criteria laid down for admission; however, no benefit of reserved category can be granted if already availed.
- A candidate can simultaneously pursue a full-time PG Programme and one part-time (Morning/Evening) Certificate Course.
- In respect of the Under-graduate Programmes (e.g. B.Tech, BA-LLB, B.Pharm and IMBA) where admissions are being made on the basis of Higher Secondary School Examination (10+2), the merit of the candidates, who have passed the examination through J&K Board of School Education (JKBOSE), Central Board of Secondary School (CBSC) or any other recognized Board, shall be determined by taking into account the marks of five (5) subjects as per the subject preference specified for various courses. The preferred 5 subjects must include all those subjects on the basis of which eligibility for a particular programme is defined.

II. ENTRANCE EXAMINATION:

- The eligible candidates shall be required to appear in Entrance Test comprising of 60 multiple choice questions (MCQ) carrying a total of sixty marks covering the syllabus prescribed for the concerned subject/programme. The detailed syllabi and previous year's entrance papers of all PG and other programmes "to which University is offering admission" are available on the official website of the University (www.kashmiruniversity.net).
- Entrance Test may not be conducted for admission to a programme/ course where intake capacity is equal to or more than the number of eligible applicants.
- Negative marking shall be @25% i.e. for each wrong answer 0.25 marks shall be deducted.

III. ADMISSION PROCEDURE

(A) General Courses

The selection of a candidate shall be based on his/her performance in the Entrance Test. The Entrance Test 2016 shall carry weight of 60 marks and a candidate shall be considered for selection if he/she has obtained positive score. Further, where a programme is offered at more than one Campus/College a candidate having given Campus/College preference shall only be considered.

Where two or more candidates have secured equal marks in the entrance test for admission to a particular programme, the tie shall be decided (1) on the basis of aggregate merit obtained in the qualifying examination, i.e. a candidate with higher aggregate marks shall be given preference, (2) If the tie still persists, the aggregate merit of the subject in which the admission is sought shall be reckoned by taking the merit of that subject in all the three years BA/B.Sc./B.Com, 1st year, 2nd year and 3rd year into account (3) In case the problem still remains unresolved or the candidate seeks admission to a Programme where the discipline in which he/she seeks admission is not taught at undergraduate level, then candidate with higher academic merit in the preceding examination i.e., merit in Metric where the minimum qualification for admission is 10+2 and merit in Hr. Sec. Part-II (10+2) where the minimum qualification is graduation shall be given preference.

(B) M.Sc. Biotechnology and M.A. Mass Communication & Journalism

A candidate shall have to appear in the Entrance Test based on two papers (Paper I and II) on a single day. Question Paper I shall comprise 60 multiple choice questions [in a similar manner as in other subjects] carrying 60 marks as per the syllabus prescribed for the purpose.

The Question Paper II of Biotechnology (of 2 hours duration) shall comprise 20 very short answer type questions of 2 marks each (total 40 marks) based on the syllabus prescribed for Paper I.

For MA Mass Communication & Journalism, Question Paper II shall comprise 5 questions carrying 40 marks on broad topics specified in the prescribed syllabus. The candidates shall be required to attempt all the questions in 2 hours.

On the basis of their merit in Paper I, answer books of Paper II of the candidates numbering five times the intake capacity (both under open merit and reserved categories) shall be evaluated.

Final selection for admission to the programmes of this category shall be based on the combined merit obtained by the candidates in Paper I and Paper II.

(C) MBA/MBA(Financial Studies)/MTTM/MCME/ IMBA

The admission to MBA/MBA(Financial Studies)/MTTM Programmes shall be made on the basis of latest CMAT score.

The admission to MCME (Craft Development) shall be made on the basis of customized MAT test examining the design aptitude of the candidates to be conducted by the University.

Name of Head: Prof. S. M. K Quadri / Prof. M. Arif Wani

Action plan for the year:

- Establishment of a FIST Research Lab in the Department. DST has already approved the FIST Project worth 50 Lakhs for the Department.
- Extension of Department Buildings for constructing infrastructural space for Students, Research Scholars and Faculty members.

Achievements of the previous year proposed plans:

Completion of VLSI Project which was granted by DST worth Rs. 50 Lakhs

Plans of the Department for next year:

Extension of Department Building for creating space for more Computer Labs, Faculty Rooms and Washrooms.

Interdisciplinary programmes started during the current year:

The major interdisciplinary programs started during this year are in the field Bioinformatics. The Department is already offering interdisciplinary research in Physics, Mathematics and Biological Sciences.

Thrust areas of research:

Software Reliability, Machine Learning, Natural Language Processing, Data Mining, Data Communication and Computer Networks

Eminent Scholars who visited / Extension lectures delivered in the Department:

Resource person	Designation	Affiliation	Purpose / Lecture Theme	Date
Prof. Mohammad Najmud Doja	Professor	Department of Computer Engineering, Faculty of Engineering and Technology, Jamia Millia Islamia, New Delhi-110025	Software Engineering	27-05-2015

Performance of students in sports activities:

Name of the Game	No. of students		Performance
	Male	Female	
Cricket	13	0	
Football	14	0	

Weaknesses of the Department (if any):

- Poor infrastructural space (Research Labs) for Research Scholars
- Department lags Common Room for Girls
- Needs more wash rooms for male and female students.
- Poor maintenance of Building infrastructure including washrooms for faculty members and students.

Department of Electronics & Instrumentation Technology

electronics.uok.edu.in

Name of Head: Prof. G. M. Bhat

Action plan for the year:

The Department has received financial assistance under Special Assistance Programme of UGC. In this regard, state-of-art test and measuring equipment and design and analytical softwares shall be procured for strengthening and augmenting research thrust areas. Besides, the Departmental library will be upgraded with more reference books as well as journal subscriptions. Furthermore, the Department is organizing a national seminar in March 2015 and is planning to organize an international conference in the month of November 2016. The Department shall work for the introduction of M.Tech. Programme. The Department shall work to fill the vacant faculty positions. More project proposals for financial assistance shall be submitted to financing institutions such as UGC, DST and DeitY.

Achievements of the previous year proposed plans:

The Department revised the syllabus of M. Sc. Electronics as per the CBCS of the University. The departmental laboratories and library were updated vis-a-vis equipment and books respectively. Some ground work has been done for the introduction of M. Tech. programme. The Department has strengthened the research in various contemporary fields of Electronics, Communication and Computer sciences and has published papers and book chapters in reputed books, Journals, and conference proceedings. Further, the faculty members attended some conference training programs outside the state. The department also organized an International Conference (COMMUNE-2015) and a National Seminar (SEEDS-2015) in 2015. The department mobilized fellowships for PhD scholars from Department of Electronics and Information Technology, Govt. of India.

Plans of the Department for next year:

- Upgradation of laboratories, library, classroom infrastructure and other facilities for the students and scholars of the Department. Organizing 2016
- International Conference on Advances in Computers, Communication, and Electronic Engineering (COMMUNE-2016).

Innovations in curricular design and transcription at UG / PG level:

The Department revised the syllabus of M. Sc. (Electronics) as per the Choice Based Credit Based Scheme (CBCS). The Department used audio-visual aids (LCDs, OHPs, AVs etc.) to augment conventional methods of teaching. Students of the Department are exposed to industry by organizing practical training, Seminar works in emerging areas of Electronics. The curriculum is frequently updated to keep pace with the latest developments in the field of Electronics.

Percentage of syllabus revised during the current year: 40%

- Organised international conferences entitled *2015 International Conference on Advances in Computers, Communication, and Electronic Engineering (COMMUNE-2015)*. Sponsored by Jammu and Kashmir Bank Ltd. and Scientec Pvt Ltd, 16-03-2015 to 18-03-2015

Research projects initiated and completed:

Description	Title of the Project	Faculty Name	Acting As	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during current year (in Rs.)
Ongoing project	Design and Development of New E-mail Security Protocols and Forensic Tools	Dr. M. Tariq Bandy	PI	UGC	01-07-2014	1,162,800.00	337,941.00

Ongoing project	Design, Development and Implementation of Indian Regional CAPTCHA Service (IN-CAPTCHA)	Dr. M. Tariq Bandy	PI	DeitY	12-03-2014	150,000.00	0.00
Ongoing project	Development of Low Voltage Companding filters and their implementation in IC form	Farooq Ahmad Khanday	PI	University Grants Commission (UGC)	15-01-2011	930,800.00	0.00
Ongoing project	Realization of Low-Voltage Switched Current Circuits Amenable for IC Form	Farooq Ahmad Khanday	PI	University Grants Commission (UGC)	15-07-2012	200,000.00	0.00
Ongoing project	Design and Development of CDMA based multi-carrier communication	Dr. Javaid Ahmad Sheikh	PI	UGC	12-07-2012	199,000.00	0.00
Ongoing project	Design and development and FPGA implementation of novel cryptographic techniques	Dr. Shabir Ahmad Parah	PI	UGC	02-12-2014	200,000.00	0.00

Eminent Scholars who visited / Extension lectures delivered in the Department:

Resource person	Designation	Affiliation	Purpose/Lecture Theme	Date
Prof. A. K. Chaturvedi	Professor	IIT Kanpur	Expert Lecture	16-03-2015
Prof. Subair Kumar Sarkar	Professor	Jadavpur University	Expert Lecture	16-03-2015
Prof. Mirza Salim Beigh	Professor	Aligarh Muslim University	Expert Lecture	18-03-2015
Prof. R. K. Sareen	Professor	NIT, Jalandhar	Extension Lecture	02-12-2015
Prof. Gurpreet Singh Lehal	Professor	Punjabi University	Expert Lecture	17-03-2015
Dr. Brijesh Kumar	Associate Professor	Punjabi University	Expert Lecture	18-03-2015

Books / Journals purchased / subscribed and their value:

Description	Available earlier	Newly added this year	Cost of newly added
Number of Books	8500	170	133,414.00

Infrastructural / instrumentation facilities (above Rs. 50,000):

Learning Resource/Infrastructure	Available earlier	Newly added this year	Cost of newly added
Equipment	500	2	784,403.00

Financial Aid / Scholarship provided to students:

Type	No. of students	Amount per student	Total amount
Student Aid Fund	8	12,000.00	96,000.00

Guidance and Counseling:

- The Department has been providing counselling and guidance to the admitted students in securing jobs in Electronics and other allied fields.
- The Department has conducted summer training programs for candidates enrolled for engineering programming in various institutions of the country.

Status of passout students (placement / higher studies):

Organisation Name	Description	No. of students placed
Sony Erriscon	RF Engineer	13
Airtel	RF Engineer	4
NIT, Srinagar	Assistant Professor	1

Performance of students in sports activities:

Name of the Game	No. of students		Performance
	Male	Female	
Football	15	0	Won the inter-department Football Cup
Cricket	15	0	Won the inter-department Cricket Cup

Honours /Awards to the Faculty:

- Dr. Shabir A. Parah received best technical paper award at 12th IEEE International Conference INDICON held at JMI New Delhi from 17 to 20 Dec, 2015.
- Dr. Javaid A Sheikh received best technical paper award at 12th IEEE International Conference INDICON held at JMI New Delhi from 17 to 20 Dec, 2015.

Healthy Practices of the Department:

- The Department is organizing training programs and workshops for up-grading the skill of students and making them professionally competent.
- The faculty uses state-of-the-art ICT infrastructure such as projectors, simulations, visualizers to impart education.

Weaknesses of the Department (if any):

Unfilled Faculty positions and inadequate sanctioned positions

Faculty Strength:

Name of the post	Sanctioned Strength	Post Filled	Vacant Posts
Professor	2	0	2
Associate Professor	2	0	2
Assistant Professors	4	4	0

Training Courses /Workshop /Conferences /Seminars /Symposia attended without presentation:

- Attended a Conferences on "COMMUNE 2015", organized by Department of Electronics, from 16-03-2015 to 18-03-2015
- Attended a Seminar on "SEEDS 2015", organized by Department of Electronics and UGC, from 16-03-2015 to 17-03-2015
- Attended a Conferences on "11th JK Science Congress", organized by University of Kashmir and DST, from 12-10-2015 to 14-10-2015

Lead Lecture / Chair Session / Invited Talk:

- Delivered a lecture in *COMMUNE 2015*. Organized by Department of Electronics, 16-03-2015 to 18-03-2015
- Delivered a lecture in *Orientation Course*. Organized by Academic Staff College, University of Kashmir., dated 17-03-2015
- Delivered a lecture in *Refresher Course*. Organized by Academic Staff College, University of Kashmir., dated 08 - 06-2015
- Chaired a session in *International Conference*. Organized by IUST, Awantipora, dated 31-12-2015

Awards / Medals / Honours received:

Received *Best Research Paper Award* in 12th IEEE International Conference (INDICON-2015) on Electronics, Energy, Environment, Communication, Computers, Controls (E³-C³), 17-20 December, 2015, Jamia Millia Islamia, New Delhi, India for the research paper entitled "Bit error rate(BER) improvement of Multiple Input Multiple Output Orthogonal Frequency Division Multiplexing (MIMO-OFDM) system using Bit Level Scrambling" in the track of Communication Engineering.

Received *Best Research Paper Award* in 12th IEEE International Conference (INDICON-2015) on Electronics, Energy, Environment, Communication, Computers, Controls(E³-C³), 17-20 December, 2015, Jamia Millia Islamia, New Delhi, India for the research paper entitled "On the realization of robust watermarking system for medical images" in the track of Signal and Image processing.

Other information:

Contributed largely in the establishment of College of Engineering at Zakura Campus. many Labs, Library, Classrooms and other infrastructure was established in the year 2015 under my supervision. Particularly established following Labs with state-of art equipment and infrastructure at College of Engineering:

- Basic Electronics Lab
- Digital Electronics Lab
- Fluid Mechanics Lab
- Strength of Materials Lab
- Electrical machines Lab

Department of Food Science & Technology

foodscience.uok.edu.in

Name of Head: Prof. F. A. Masoodi

Action plan for the year:

- Conduct three interactive sessions with industry.
- Organize one conference on food grade polymers.
- Initiate work on weaning and complimentary foods.

Achievements of the previous year proposed plans:

- Conducted training programmes.
- Industrial visits of students.
- Implementation of research projects.

Plans of the Department for next year:

- Bringing problems faced by local food industry under R&D.
- Upgradation of infrastructure of labs.
- Strengthening linkages with food industry.

Student achievements and awards:

One of the scholars, Mudasir Ahmad got Young Investigator Award at ICoFT, South Korea,

Guidance and Counseling:

Guidance to students for NET examination

Healthy Practices of the Department:

- Industrial visits of students
- Conducting of training programmes for enterprenuers

Weaknesses of the Department (if any):

- Low placement rate of passouts. 2) Poor linkages with industry.

Thrust area of research:

- Pharmacological screening of herbal/synthetic drugs for their antihepatotoxic, antidiabetic, anti-epileptic, memory enhancing, antidepressant, anti-inflammatory and antiulcer activities.
- Formulation and evaluation of Novel drug Delivery systems
- Phytochemical and Pharmacognostic studies on medicinal plants with emphasis on the ones available in Kashmir Valley.
- Isolation, characterization and structure elucidation of bioactive compounds from medicinal plants by using sophisticated spectroscopic techniques.
- Adverse Drug Reaction Monitoring in Kashmiri Patients.
- Antimicrobial & Antioxidant studies of herbal drugs.
- Pharmaceutical Biotechnology - Studies on microbial natural products.

Honours /Awards to the Faculty:

- **Prof. Nahid Tabassum** recommended by DST GOI as mentor for INSPIRE award scheme for the year 2014-2015.
- **Prof. Nahid Tabassum** was placed in the panel of experts for evaluation of PhD thesis/Viva of AIIMS-New Delhi and V B Patel Chest, University of Delhi.
- **Dr. Mubashir Hussain Masoodi** (Sr. Assistant Professor) was awarded International Travel Grant from DST for attending 11th International Symposium on the Chemistry of Natural Compounds scheduled at **Antalya, TURKEY** from 1- 4 October, 2015.

Healthy Practices of the Department:

- Industrial training programmes form an integral part of B. Pharm. Curriculum.
- Campus recruitment of B. Pharm. and M. Pharm. Students for placement in Pharma industries.
- Interaction with research and academic institutions.
- Students are taken for Pharmacognostic tour.

Weaknesses of the Department (if any):

- Dearth of Space Creating hurdles in increasing the intake capacity of a very prestigious course for which there is a great demand from Students and Society.
- Dearth of Laboratories.
- No separate Seminar room. Common Library Serminar.
- Dearth of Wash rooms for Girls due to dearth of space.
- No proper animal house for carrying out research activities creating problems in research work.
- No classrooms for M. Pharm students.
- No separate laboratories for M. Pharm Students.
- No research lab for the research scholars in Pharmacology

Student achievements and awards:

- Research scholars participated and made oral and poster presentations of their research in the 11th JK Science congress organized by the University of Kashmir, from October 12-14, 2015
- PG students and research scholars and research scholars of the department participated in the National conference organized by Deptt. of Botany held in the university from April 1-2, 2015
- Research scholars of the department attended and presented papers in various National/State conferences during the current session.
- Research scholars of the department were able to draw grants from various funding agencies in the form of Research Projects/scholarships.

Guidance and Counseling:

Guidance by faculty members is provided round the year to:

- The PG students to prepare for national level tests and apply for research positions inside and outside the country.
- The Research scholars to apply for grants to funding agencies.

Status of pass out students (placement / higher studies):

Organisation Name	Description	No. of students placed
SKIMS	Research Associate	1
HHMI Institute for Neurobiology, University Of Oregon Eugene city USA.	PDF	1
Department of Education, J&K Government	Teacher	2

Healthy Practices of the Department:

Students have been equally distributed among all the faculty members who act as their advisors/counselors. The students are encouraged to discuss academic and other issues with their faculty counselors to get them resolved and addressed. This has also resulted in many of the pass outs being very well placed at National and International Institutes of teaching and research. Students of IV Semester deliver seminar lectures on various curriculums related and project proposal topics to make them audience compliant and train them for their future assignments. Educational/Environmental trips were organized for students of both semesters during the session to enable them to visit places of their academic and research/general interests.

Weaknesses of the Department (if any):

The faculty strength of the department needs augmentation.

- The Department is earnestly in requirement of additional space to cater to classroom and laboratory facilities to PG students in view of the increased intake capacity over the years.
- The financial aid provided is inadequate to meet the expenses on account of improvement in infrastructural facilities in the department.
- The Department lacks an animal house facility which is a big impediment in carrying out the research work based on animal studies.
- Non availability of radioactive room facility is a major shortcoming in working with radioisotopes.
- Lack of proper infrastructure for maintenance of 24x7x365 stabilized power supply.

Name of Head: Prof. Khalid Majid Fazili / Prof. Raies Ahmed Qadri

Action plan for the year:

- To upgrade the infrastructure of the testing Labs with the latest scientific paraphernalia along with the sophisticated instrumentation.
- To seek support from the DBT, Govt. of India and other financial sponsors along with the University of Kashmir to establish center of excellence in the department.
- Expansion of research collaboration with premier institutions of the country and abroad.

Plans of the Department for next year:

- Generation of funds through research projects and consultancy projects.
- Realization and undertaking of the national level sponsored projects for up gradation of research laboratories in a phased manner.
- To organize research methodology workshops for research scholars. To acquire funds from FIST.
- To develop linkages and memorandums with national and international academic and research bodies.

Innovations in curricular design and transcription at UG / PG level:

The department has implemented the Choice Based Credit System and the curriculum has been modified altogether to suit the new scheme. New courses have been added which includes Chromatin Biology and Epigenetics, Stem Cell Biology, Non-Coding RNA and Neurological Diseases, Human and Medical Genetics. Script writing for research proposals with the research methodology ethics has been inducted in syllabus.

Guidance and Counseling:

- The students on regular basis are counseled by the faculty to facilitate the students in their academic as well as research initiatives.
- The students of 1st semester, 2015 were called for counseling in order to opt for suitable elective allied and elective open courses as per CBCS.
- Students opted for research programmes like M. Phil and Ph. D are also counseled and guided by the faculty members by convening them through regular DRC's.

Healthy Practices of the Department:

- The internationally reputed scholars are encouraged to take assignments in the Department by availing various national and international fellowship programmes.
- Students and research scholars are provided a platform to interact with the scientists of national and international repute through organization of special invited lectures.
- The syllabus is regularly revised to keep it in tune with the national standards so that the students find it easier to qualify national level examinations such as CSIR-UGC, NET, ICAR, GATE Etc.
- Research projects funded by the national agencies such as DBT, DST, CSIR, UGC etc. are routinely undertaken by the revered faculty members.
- The departmental faculty keep on attending conferences/seminars/Orientation and refresher Courses to improve upon their teaching pedagogy.
- The focus of the research in the department has always been in tune with the contemporary issues and challenges.

Weaknesses of the Department (if any):

- Inadequate laboratory infrastructure to undertake research in other advanced areas. Paucity of research grants and scanty budgetary support from University to the department.
- Insufficient Technical man power for PG Labs and other scientific laboratories.

Name of Head:

Prof. Irshad A. Nawchoo/ Prof. Inayatullah Tahir

Action plan for the year:

- Realization of the projected milestones of SAP Phase-II.
- Up-gradation of research laboratories in a phased manner.
- Expansion of research collaboration with premiere institutions of the country and abroad.
- Development of integrated management protocol for the cultivation and production of Saffron.
- Development of novel biosensor based approaches for lake water quality monitoring.

Achievements of the previous year proposed plans:

- Initiation of the Up-gradation of research laboratories in a phased manner. Two labs are being upgraded in the first phase under RUSA.
- Realization of the projected milestones of SAP Phase-I. The proposal for SAP Phase-II was worked out, submitted and got approved. A total amount of Rs 120.00 lac was sanctioned under SAP Phase-II.
- Air-conditioning of lecture theaters.
- Expansion of research collaboration with premiere institutions of the country and abroad. Initiation of the establishment of mapping population & germplasm repository of apple at Zakura campus.
- Initiation of the development of integrated management protocol for the cultivation and production of Saffron.
- The faculty submitted about 10 research project proposals to various funding agencies and 50 percent (5) of them have been sanctioned. The faculty has already completed 3 research projects in this year.

Plans of the Department for next year:

- Development of Lead Botanical Garden. Establishment of mapping population & germplasm repository of apple at Zakura campus.
- Development of integrated management protocol for the cultivation and production of Saffron.

Student achievements and awards:

- Twenty two (22) students qualified **CSIR-UGC NET** of Dec. 2014/June 2015; Fourteen (14) of them qualified **JRF**, while 8 qualified **NET (LS)**.
- Thirteen (13) of our PG students were awarded "**STPT Scholarship 2014-15**" by the J&K State Council for Science & Technology.

Guidance and Counseling:

- Counseling imparted about various competitive academic examinations such as CSIR-UGC JRF/NET, GRE, GATE, SET, ICAR NET and various administrative competitive examinations such as KAS, IAS, IFS, etc.
- Counseling imparted regarding premier institutions both within and outside the country where advanced research on various aspects of plant sciences is undertaken.
- Guidance also provided to students about various fellowships/scholarships.

Healthy Practices of the Department:

- Awards and momentos are given to students who qualify CSIR-UGC JRF/NET or similar other prestigious examinations.
- Botanical Society Bulletin, a newsletter, is published annually to highlight the progress and achievements of the department.
- Botanical tours are regularly conducted (twice a year) within the state to educate the students about the local biodiversity, its threats and conservation strategies.
- Annual botanical tour outside the state is also conducted not only to educate the students about the biodiversity there, but also to acquaint them about the national/international institutions of educational, botanical and research importance.
- Students and research scholars are provided a platform to interact with the scientists of national and international repute through the organization of special invited lectures, workshops, national tours, etc.
- The syllabus is regularly revised to keep it in tune with the national standards so that the students find it easier to qualify national level examinations such as CSIR-UGC NET, ICAR NET, GATE, IISc entrance, etc.

- Research Projects funded by national agencies such as DBT, DST, UGC, CSIR etc are routinely undertaken by various faculty members.
- The Departmental faculty keeps on attending conferences/seminars/symposia/workshops, both within and outside the country. Many faculty members of the Department are special invitees for delivering talks and key-note addresses in high profile scientific meetings and conferences.
- The focus of research in the Department has always been in tune with the contemporary issues and challenges. Continuing the legacy of research excellence, the faculty members of the Department have published 88 research papers during 2015, mostly in Science Citation Index (SCI) journals.

Weaknesses of the Department (if any):

Insufficient laboratory infrastructure to undertake research in more advanced areas. And Insufficient PG laboratory infrastructure to accommodate a bulk of 114 PG students. And inadequate space for Museum. Lack of heating & or cooling arrangements (air-conditioning) for research laboratories. Water shortage in laboratories as well as wash rooms, especially during winter months. Lack of separate budget for running of generator during power cuts. Lack of research grants from university to individual laboratories. Number of PG students not commensurate with the available facilities. Shortage of space and adequate equipment for research labs. Lack of PG and research laboratories in Bioresources. Lack of adequate classrooms, faculty chambers and library facility for Bioresources. Inadequate staff in Bioresources. Insufficient Non-plan budget for Botany and Bioresources

Department of Clinical Bio-Chemistry

clb.uok.edu.in

Name of Coordinator:

Dr. Shajrul Amin

Action plan for the year:

- Up-gradation of Research laboratory
- Expansion of research collaborations with premier institutions of India
- Establishment of Diagnostic Center
- Recruitment of Technical staff

Achievements of the previous year proposed plans:

Research and PG lab was upgraded with sophisticated instruments like RT-PCR, Gel documentation, UV-Vis spectrophotometer etc. Space earmarked for Diagnostic Centre

Plans of the Department for next year:

- Infrastructural up-gradation (both Labs and office)
- Recruitment of Technical and office staff
- Establishment of diagnostic centre

Financial assistance received from national / international agencies:

Program	Name of the Agency	Year of Sanction	Total Amount Sanctioned (in Rs.)	Amount released during current year (in Rs.)

Competitive Examinations qualified by students:

Examination	Male	Female	Total
NET (CSIR)	1	0	1

Innovations in curricular design and transcription at UG / PG level:

Full adoption of Choice Based Credit system, New Courses introduced:

- Cell cycle and cancer Biology, Medical-Informatics, Protein Biophysics, Protein antibody engineering, Bioethics in Clinical research, Life style diseases and lab diagnosis, Free radical and oxidative stress related diseases
- 2. Framed syllabus of BSc. (Clinical Biochemistry)

Percentage of syllabus revised during the current year:

60%

Thrust areas of research:

- Free Radical Biology and oxidative stress, Stress Biology and Cancer Biology
- Development of Recombinant monoclonal antibody and engineered proteins
- Metabolic syndrome; PCOS
- Cystatins: study of structure, folding patterns and their use as diagnostic markers
- Medicinal plant proteomics
- Protein Biophysics; Protein Misfolding Diseases, Chemical chaperone-induced Protein structure and folding

Research projects initiated and completed:

Description	Title of the Project	Faculty Name	Acting As	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during current year (in Rs.)

Project completed	Metabolic Evaluation Of Oral Contraceptive (OCP) Treated Polycystic Ovary Syndrome (PCOS) Women	Dr. Fouzia Rashid	PI	UGC	31-03-2015	0.00	0.00

Project mentorship initiated and completed:

Description	Title of the Project	Faculty Name	Acting As	PI Name	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during current year (in Rs.)
Ongoing project	Impact of genetic polymorphisms of ACE, NF, K β , IL-6 and TNF- α on ventricular function & effect of Spironolactone therapy on ventricular function in women with polycystic ovary syndrome (PCOS)	Dr. Showkat A. Ganie	Mentor	Aafia Rashid Sofi	DST	25-09-2014	1,392,000.00	0.00

MoU's signed during the current year:

No formal MOUs. Research collaborations with IIIM, Jammu Srinagar SKIMS, Soura Srinagar, Govt. Medical College Srinagar and Department of Animal Biotechnology, SKAUST-Srinagar

Eminent Scholars who visited / Extension lectures delivered in the Department:

Resource person	Designation	Affiliation	Purpose / Lecture Theme	Date
Dr. Shagufta Moin	Associate Professor	Medical college, Aligarh Muslim University	Advances in Disease Diagnostics	27-05-2015

Books / Journals purchased / subscribed and their value:

Description	Available earlier	Newly added this year	Cost of newly added
Number of Books	445	55	65,000.00

Infrastructural / instrumentation facilities (above Rs. 50,000):

Learning Resource/Infrastructure	Available earlier	Newly added this year	Cost of newly added
Tables and chairs for library	15	19	106,448.00
Lab Equipments	30	11	2,380,046.00
Computers	10	2	130,000.00

Financial Aid / Scholarship provided to students:

Type	No. of students	Amount per student	Total amount
Students Aid Fund	6	5,000.00	30,000.00
Flood Relief	1	4,500.00	4,500.00

Guidance and Counseling:

- Department consistently holds counselling sessions for various national and international competitive examinations like NET, GATE, GRE, TOEFL, KAS etc.

Status of passout students (placement / higher studies):

Organisation Name	Description	No. of students placed
Biological Research Centre, Hungarian Academy of Sciences	Ph. D	1
Freie University at Berlin Berlin Area, Germany	Ph. D	1

Healthy Practices of the Department:

Organised PCOS screening /awareness camps in Girl's hostel, University of Kashmir

Weaknesses of the Department (if any):

- Department currently has only one classroom and one PG Lab. Need one more class room and PG Lab
- Online power Backup for Labs

Healthy Practices of the Department:

- Industry orientation of Curriculum
- Industry academic interface

Weaknesses of the Department (if any):

Department is in need of smart class rooms. Departmental Computer lab needs massive renovation and up gradation in terms of both hardware and software. This requires an expenditure of Rs 50, 00,000-. Besides this the washrooms and class rooms needs repairs. The Departmental library needs massive upgradation in terms of books and infrastructure.

Conducted Outreach Activities in various Degree Colleges of the Valley regarding —Capital Market Awareness". The Programme, an initiative of apex Financial Institutions of India which include RBI, National Stock Exchange, Bombay Stock Exchange and Securities & Exchange Board of India, has been launched to create awareness among youth about capital market opportunities and I had the privilege to conduct these Programmes in the following Colleges/Institutions:

- National Institute of Technology(NIT), Srinagar
- Govt. Degree College Pattan, Baramulla
- Govt. Degree College, Sumbal, Kashmir
- Directorate of Distance Education, University of Kashmir, Hazratbal, Srinagar.
- Govt. Degree College, Bandipora
- Ghandhi Memorial College (GMC), Srinagar.
- Govt. Degree College, Khanshab
- Govt. Degree College, Tangmarg

The Thrust of the awareness programme has been to impress upon developing the habit of savings and then putting these savings in Capital Market Instruments on a long term bases. The Instruments chosen from the capital market have to be safe and less risky and over a period these instruments will bring huge increments in the form of wealth.

Name of Head: Prof. Ghulam-e-Mustafa Peerzada

Action plan for the year:

- Execution of 2nd phase of DST grant under FIST.
- Implementation of SAP-DRS from the UGC which has already been sanctioned.

Achievements of the previous year proposed plans:

- The funds under SAP have been sanctioned to the Department for which department applied last year.
- Renovation and upgradation of Glassblowing Section which the Department is maintaining as the central facility for all the science Departments of the University.
- Renovation of two M.Sc. IV Semester class rooms (One Inorganic and one Organic).
- Face-lifting of the Department.

Plans of the Department for next year:

- Purchase of the scientific equipment like DLS, TGADTADSC from funds sanctioned under SAP-DRS from UGC for the development of the department.
- Fixation of split type ACs in common instrumentation lab, one physical chemistry research lab, inorganic research lab and computational research lab to ensure maintenance and smooth functioning of the sophisticated instruments.
- Submission of proposal to DST, GOI under FIST level-2 scheme worth Rs. 10 Crore.

Interdisciplinary programmes started during the current year:

- Organised Australian National Chemistry Quiz (ANCQ-14) in the department of Chemistry, on 3rd of September-2015.
- A National Standard Exam leading to Science Olympiad organised by the Department in Nov, 2015.
- TIFR Nationwide Entrance Test for Ph. D. Programme in TIFR and IISERs held on 13th, December, 2015.

Thrust areas of research:

- Non-linear Chemical Dynamics.
- Exploring the potential of self-assembled systems based on surfactants and polymers towards transport and catalytic capabilities.
- Synthesis, characterization and applications of smart hydro-organogels based on surfactant-polymer systems and carbon-dots.
- Electrosynthesis in Molten salt systems.
- Chemistry of Natural Products.
- Synthetic Organic Chemistry.
- Computational Chemistry.

Honours /Awards to the Faculty:

Dr. Aijaz Ahmad Dar, Physical Chemistry Division, Department of Chemistry has been honored by the International publisher Elsevier as a member of Editorial Board of Scientific Journal "**Colloids and Surfaces A: Physicochemical and Engineering Aspects**" with ISSN 0927-7757 and having Impact factor of 2.752. (<http://www.journals.elsevier.com/colloids-and-surfaces-a-physicochemical-and-engineering-aspects/editorial-board/>).

Healthy Practices of the Department:

- Organization of extension lectures on thrust areas of research and allied subjects, student awareness programmes student counseling, health education & moral education by debit to chemical society and internal quality assurance funds.
- Financial assistance to poor students belonging to under privileged & weaker sections of the society by debit to chemical society funds.
- Academic tour of M.Sc. 4th semester (Outgoing students) to the CSIR and National Labs within and outside the state for familiarization with sophisticated scientific instruments and also to have awareness about the thrust areas of research.
- Seminar lectures are being delivered by M. Sc. 4th semester (outgoing students) in order to develop confidence in them for sharing the knowledge before students and learned gathering.

Weaknesses of the Department (if any):

(1) In-adequate Annual Non-Plan grant for the purchase of the equipments and lab. expenses: Since 2005, there is no enhancement of aforesaid budget heads, despite of hike in prices to the extent of 3 times the cost of these items in 2005. (2) Since, the inception of department (43 years back) some of the labs. (both P.G. and Research) have not been renovated at all w.r.t. working tables, electric fittings etc. As such all labs are in dilapidated conditions. It needs some special grant under maintenance head for making the proper renovation upgradation of labs. in the department.

Name of Head: Prof. B.A. Ganai

Action plan for the year:

Targets for the current year:

- Completion of the teaching assignments in due course of time.
- Encouraging students and scholars for competing at National level exams like JRFNET and for other fellowships.
- Submission of research proposals for various funding agencies
- Proposal submission for FIST and SAP funding

Achievements of the previous year proposed plans:

- FIST funding of Rs. 57 lac.
- Publication in impact factor journals 3. Award of research fellowships to some research scholars

Plans of the Department for next year:

- Proposal for SAP Funding
- Research proposal submission by faculty and integrated Ph. D research scholars.
- Conducting of seminars, workshops and conferences.
- Publication by faculty and scholars in good impact factor Journals

Department of Mathematics

maths.uok.edu.in

Name of Head: Prof. Shareif-ud-Din. Pirzada

Action plan for the year:

To introduce new job oriented courses at masters level and promote quality teaching and research.

Achievements of the previous year proposed plans:

The Department has successfully conducted four workshops funded by NBHM and other agencies. Also, the construction of second floor is going on.

Plans of the Department for next year:

The collaboration with various research institutes and hosting an International conference is the primary concern of the department for the coming year.

Innovations in curricular design and transcription at UG / PG level:

This year with the introduction of CBCS, many innovative and courses pertaining to interdisciplinary interest like "Philosophical foundations of Physics", "Biophysics" and many other courses of general interest introduced. The courses have been received with interest from students of faculties other than physical and material sciences.

Percentage of syllabus revised during the current year: 30%

SKUAST-k	Ph.D	4

Honours /Awards to the Faculty:

Dr. Anwar Hassan received the best teacher's award in KSU, Saudi Arabia.

Healthy Practices of the Department:

- To organise extension lectures of Eminent Academicians and Statisticians at regular intervals.
- Statistical guidance on Data Analysis to Faculty members of various Departments of the University, Medical Institutes of the valley and other Universities of the Valley.
- Annual Statistical Tour outside the State is conducted.

Weaknesses of the Department (if any): Lack of Licensed Statistical Software's.

Cricket	16	0	Reached Inter-department Finals

Healthy Practices of the Department:

- Organizing Workshops for the benefit of students, scholars and faculty members of the University in general and the faculty of Social sciences in particular.
- Arranging Guest Faculty from reputed institutions/centers across the country.
- Framing an academic calendar and a strict adherence to the same.
- Organising Weekly Students' Seminars.
- Time Bound disposal of examination related matters of students and scholars.
- Community outreach programmes for exposure of students to inculcate a sense of responsibility towards society.

Weaknesses of the Department (if any):

Limited number of faculty members; Non-fulfillment of the positions of Professors and Associate Professors resulting in a lesser number of students enrolling for research degrees; insufficient space for Departmental Library; Inadequate ICT tools; Infrastructure bottlenecks especially lack of proper heating system in classrooms and library; Poor flooring of class rooms and corridors.

Healthy Practices of the Department:

- We promote an active and a friendly student teacher interaction in the department at all levels.
- Guidance and counselling for NET and Career Planning is provided to the students.
- We organize regularly DC meetings for smooth conduct of departmental affairs.
- The department has been able to stick to a time schedule for academics and examinations.
- The department organized a series of special sessions by eminent media scholars, journalists of repute and other media luminaries along with extension lectures, weekly seminars and presentations.

Weaknesses of the Department (if any):

Major lacuna of the Department is dearth of space due to increase in number of students, also paucity of equipment for broadcast journalism, less interaction with media industry.

Other information:

- My research interests include Empirical Software Engineering with Focus on Software Testing Techniques Evaluation and Software Reliability Improvement through effective software testing. To date, this research has led 18 Refereed papers published in International Journals and Conference Proceedings. Two Books have also been published by me in reputed international and national publishing houses. I have an h-index of 6 and my articles have been cited 94 times on [Google Scholar](#).
- Senior member of various software engineering societies like SIGSE, IACSIT SES, IAENG SES. I also serve as a reviewer for various journals including Journal of Systems and Software (Elsevier), International Journal of System Assurance Engineering and Management (Springer), Egyptian Informatics Journal (Elsevier) and International Journal of Software Engineering, published by Software Engineering Competence Center (SECC), EGYPT. I also served in several program committees like A-Test 2015 etc.

Department of Computer Sciences & Engineering

northcampus.uok.edu.in

Name of Coordinator Manzoor Ahmad Lone

Action plan for the year:

Provide facilities like:

- Basic Labs and workshop that are required in engineering curriculum for students,
- New Class Rooms,
- Air Conditioned Labs,
- Conduct Workshops, Seminars & Guest Lectures,
- To setup departmental Library

Plans of the Department for next year:

- To establish Engineering Workshops, enrich existing lab items equipments,
- Establish Computer Networks Lab & Control Systems Lab,
- Revise the course scheme of B.TECH CSE programme,
- Enriching the existing IT infrastructure,
- Setup a Browsing centre for students.

Relief/Student Aid Fund (Approx.)	7	6,000.00	42,000.00

Guidance and Counseling:

- Providing guidance to the students of pre-final & final year students of the department regarding GATE/Engineering NET examinations.
- Guiding the students of final year to complete their Major Project and Pre-Project Work that form an integral part of Engineering Degree.
- Offered guidance to students regarding their future studies, once they pass out from campus.
- Organize and facilitate industrial training for students.

Status of passout students (placement / higher studies):

Organisation Name	Description	No. of students placed
BITS PILANI	M. Tech CSE	1

Performance of students in sports activities:

Name of the Game	No. of students		Performance
	Male	Female	
Cricket	15		Satisfactory
Football	15		Satisfactory
Table Tennis		8	Satisfactory

Healthy Practices of the Department:

Counselling the students for GATE/NET examinations, Department organized Seerat conference, promote active & friendly student teacher interactions, Focus on academic & extra-curricular excellence

Weaknesses of the Department (if any):

Dearth of engineering workshops, Need of a placement cell & a browsing centre, Need of separate Labs, Need of departmental library & Need of non teaching staff in the department need of class room and drawing hall.

Department of English

northcampus.uok.edu.in

Name of Coordinator: Dr. Khursheed Ahmad Qazi

Action plan for the year:

- Maximum and effective teaching learning.
- Exposing students to the latest methods of learning.
- Making the department resourceful by adding more faculty members and infrastructure.
- Developing a vibrant interdisciplinary culture of teaching learning at the Department by switching over to the CBCS mode of teaching learning.

Achievements of the previous year proposed plans:

Established a Scholars Room and purchased books worth two lakh rupees

Plans of the Department for next year:

- The Department plans to establish a department library, a Language Lab. and it intends to launch PG Diploma in ELT,
- A Certificate Course in Spoken English a Translation Studies Cell and Theatre for Drama.
- The proposals for the additions of all these courses and infrastructure have been submitted to the Director.

Innovations in curricular design and transcription at UG / PG level:

Newly CBCS scheme was implemented in letter and spirit. The syllabus revised at the Main Campus, Department of English was taught at the NCKU. Besides, permanent faculty of the Department designed their own courses (OEs) : Media and Literature, Psychoanalysis and Literature and Orientalism and Literature for the outside students. The courses (OEs) generated at the NCKU attracted a good no of students from other departments.

Interdisciplinary programmes started during the current year:

Orientalism and Literature, Media and Literature and Psychoanalysis and Literature for students of other departments. Besides, the Department encourages Translation Studies in Arabic, Kashmiri, Urdu and Persian Literatures.

Thrust areas of research:

Psychoanalysis, Postcolonial Studies, ELT, Linguistics, Translation Studies, Comparative Literature

Departmental journal and its ISSN No.: Proposal Submitted for the Publication of Multidisciplinary Journal "Renaissance"

Innovations in curricular design and transcription at UG / PG level:

The Department of Management Studies, North Campus, has used many innovative and ingenious ways to boost the capabilities of the enrolled students all through the past year. We at the department, use presentations and other such teaching aids to make classroom teaching more effective and interesting. We have been organising many events like inter-departmental debates, poster exhibitions and role plays to groom the students of the department in all the spheres of academics. Beside, we have also established a good student centric environment to make sure students get the most out of the class. The department also assigned projects to the students of IMBA 6th semester to give them an extra edge in this contemporary, practical and full of competition world. In addition to this the department has initiated a series of business clubs and personality development programs in order to groom the personalities of the students and make the environment in the department more dynamic and vibrant. During the year 2015 the Department officially deputed groups of students to attend a personality development Break through workshop organized by Manford Alliance, Bangalore in collaboration with HELP foundation. Also the department has hosted many exceptional speakers during the session-2015 and has organised an entrepreneurship development programme focused on food processing sector in order to inculcate the spirit of entrepreneurship in the students of the department

Eminent Scholars who visited / Extension lectures delivered in the Department:

Resource person	Designation	Affiliation	Purpose / Lecture Theme	Date

Healthy Practices of the Department:

- Active business clubs.
- Organising guest lectures and extension programmes.

Weaknesses of the Department (if any):

The department lacks a computer lab. There is no internet connectivity in the department. Also the department has no departmental library. The sanctioned faculty positions of the department have not been filled yet which is making it difficult to run the department smoothly.

Guidance and Counseling:

Special Guidance Programmes are conducted for competitive examinations like CBSE NET/JRF,J&K SET and CTET. This year two of the students qualified CTET examination of September 2015. Besides interview preparation for positions of Teachers/Lecturers in school education/higher education for the eligible candidates is also regularly conducted. For students with interest to pursue research, faculty members guide and advice them regarding preparation for the screening tests and synopsis.

Healthy Practices of the Department:

- Class room Development Committees (CDC's)
- Regualr Feed Back Excerises.
- Use of ICT, Documentaries in Lecure Delivery
- Visits to Educational Institutions like Special School at Bijbihara for Special Eduction
- Consistency in preparing students to perform at State/National level Examinations.

Weaknesses of the Department (if any):

The Department has only two permanent faculty members. There is no separate library facility available. Class rooms are not in a position to accommodate all the students, particularly in 2year M.Ed course where 78 students are enrolled fro the year 2015-2016. Reading room and conference is also not available.

Review Assignment:

- Review a Research Paper entitled, "The Personal and the Collective: The end of the Home in Tell them: ~The Tree they had planted has now Grown~™ and The Lost Paradise: A documentary on plight of Kashmiri Pandits, and Diasporic Poetry of Lalita Pandit Hogan". Published by Center for Diaspora Studies, Punjabi University, Patiala
- Review a Research Paper entitled, "The "Whole" in the Transition: The Problematique of Terrorism in Shalimar the Clown". Published by Atlantic Publishers, Lucknow. {ISSN: awaited}
- Review a Research Paper entitled, "Life in a Nervous Condition: Transgressing a Governing Order in Tsitsi Dangarembga~™s Nervous Conditions and Arundhati Roy. The God of Small Things". Published by Department of English, IUST

Conferences /Seminars /Symposia attended with presentation:

- Presented a paper (oral) in "India/Punjabi Diasporic Cinema: Narratives of Transnational Experience", on "The Personal and the Collective: The ~End~™ of Home in Tell them: ~The Tree they had planted has now Grown~™ and The Lost Paradise : A documentary on plight of Kashmiri Pandits, and Diasporic Poetry of Lalita Pandit Hogan", organized by *Center for Diaspora Studies, Punjabi University, Patiala*, from 25-03-2015 to 27-03-2015

- Presented a paper (oral) in "Language and Literature: Intersections and Interrogations", on "Salvation through Sufism: Shalimar the Clown as a Requiem", organized by *Department of English, Central University Kashmir*, from 25-08-2015 to 27-08-2015
- Presented a paper (oral) in "From the Margins to the Center: Texts and Contexts", on "Between West and the Human Nature: The Problem of Sin in William Golding's *Lord of the Flies*", organized by *Department of English Language and Literature*, from 04-11-2015 to 05-12-2015

Training Courses /Workshop /Conferences /Seminars /Symposia attended without presentation:

- Attended a Seminar on "*Remembering Shah Hamdan*", organized by Shah Hamdan Institute of Islamic Studies in Collaboration with Al-Ahad College at Dak Bungalow, Anantnag., dated 09-09-2015
- Attended a Conferences on "*36th Annual Kashir Conference of Adbi Markaz Kamraz (AMK)*", organized by Adbi Markaz Kamraz, from 05-09-2015 to 06-09-2015
- Attended a Workshop on "*Drupal*", organized by Department of Computer Science, South Campus, dated 09-12-2015

Department of Management Studies

southcampus.uok.edu.in

Name of Coordinator: Dr. Irfana Rashid

Plans of the Department for next year:

Organization of Events: (Targets)

- Guest Lectures from both Local and National universities and Institutions Management
- Management Development Programme (MDP)
- Workshop (Theme based)
- National / International Conference on Management strategies in contemporary world
- Business FestEvent on Entrepreneurship and Unemployment

Publication Targets:

- Newsletter
- Departmental Magazine
- Placement Brochure Building links with the Organizations for placing students for winter internship projects and jobs.

Percentage of syllabus revised during the current year: 30%

Interdisciplinary programmes started during the current year:

Offered 6 courses of general nature for the students from different disciplines of Ist semester, year 2015 (Under CBCS)

Thrust areas of research:

Organizational Behaviour, General Management, Entrepreneurship, Marketing

Infrastructural / instrumentation facilities (above Rs. 50,000):

Learning Resource/Infrastructure	Available earlier	Newly added this year	Cost of newly added
One Overhead Projector and one Departmental Laptop (Old Model)		0	0.00

Guidance and Counseling:

- Business Clubs (Group Discussions, Role Plays, Mock interviews, Individual and Group Presentations)
- One on one interaction with students
- Individual guidance for Internship Research Project

Healthy Practices of the Department:

- Conduct of Business Clubs
- Encouraging students for Presentations (Extempore, powerpoint etc)
- Research Guidance for Summer Internship Projects
- Learning by doing
- Guidance for NET/JRF Competitive Examinations

Weaknesses of the Department (if any):

- No Placement Officer..
- Lack of senior faculty
- Lack of infrastructure like Smart class rooms, frequent electricity cuts, disturbed internet facilities, no Xerox machine power generator
- Lack of departmental Library
- Lack of funds and infrastructure for organizing workshops, conferences.

CBCS

Percentage of syllabus revised during the current year: 50%

Thrust area of research:

- Wavelet Analysis,
- Numerical Analysis,
- Variational Inequalities,
- Non-linear Functional Analysis,
- Complex Analysis,
- Computational Mathematics

Healthy Practices of the Department:

- The Department is emphasizing on training the students for competitive examinations such as NET/JRF, SET, GATE.
- The students are trained for mathematical software packages such Mathematica, Matlab, Maple, Latex, Win edit.
- Classroom development committee's were framed where students involves themselves in healthy discuss on current trends in mathematics and its applications.

Allama Iqbal Library

Librarian: Dr. Abdul Majid Baba

Allama Iqbal Library provides learning spaces across all the campuses of University of Kashmir and access to an ever increasing range of resources, both physical and electronic, along with the help and support to use them effectively. The library is the largest in Jammu & Kashmir State and is presently the main Library, having fifty-seven Departmental Libraries attached with different Departments, Centres, Directorates and various Institutes of the University giving you access to more than 6.00 Lac books and over 9000 electronic journals. Besides, the library has a good collection of manuscripts, print journals, digitized Books, Braille/Talking Book Collection, microfiches, CD/DVD-ROMs, theses and dissertations, audio cassettes etc. to cater to varied academic and research needs of the university community.

The library is fully computerized and is unique in the state in offering online access to various databases of its resources through Campus Area Network. The entire collection of Central Library is bar coded and RFID (Radio Frequency Identification System) tagged and therefore Allama Iqbal Library is unique in successfully implementing RFID technology in the State of Jammu and Kashmir. Besides, the library distinguishes itself in offering up-dated access to thousands of online journals and e-Books. Access to various online libraries and world renowned databases has thrown the gates of huge knowledge resources open to its users.

The Library has a 24x7 Library Facilities Centre which remains open round the clock throughout the year and provides a wide area for reading and study. Daily locals, national and some international newspapers are displayed here.

The library has a well equipped Internet Browsing centers at First floor having both LAN (Local Area Network) and Wi-Fi Connectivity with a good number of computers installed and E-Resources center at Second floor having computers systems dedicated for browsing and for multimedia access.

The Library distinguishes itself by providing Remote Access facility (RAF) to all the subscribed electronic journals and journals accessible via UGC-InfoNet digital library consortium. This facility helps the registered users to access all the E-Resources available at Allama Iqbal Library from any part of world through the Internet.

The other facilities offered by Allama Iqbal library are spacious reading areas, comfortable seating arrangement, uninterrupted power supply, separate section for discussion and other facilities for the comfort of its users. The library has a spacious state-of-art and well furnished auditorium (Ibn Khaldun Auditorium). Numerous functions and events are organized in the said auditorium throughout the year. Moreover, adequate Xerox and printout facilities are also available at nominal charges on the first floor of the Library building.

Allama Iqbal Library has developed a division for visually impaired students. This division has collection like Braille Books, DVDs/CDs, DAISY (Digital Accessible Information System)-Digital Talking Books, Audio-Books etc. Besides the division has following software/hardware facilities for the visually impaired students:

- **Kurzweil 1000-** A text to speech software to ease and enhance visually impaired students reading, writing, and learning experiences.
- **JAWS** screen reading software for visually impaired students
- **Zoom-Ex** - An electronic scanner/reader/magnifier that aids visually-impaired persons in reading printed material and writing in real time.
- **Angel Pro Karishma Daisy Player** - Angel PRO is a talking assistive technology device specially designed for the visually challenged that could be utilized in digital library to issue and read the ebooks in various formats including DAISY.
- **Dedicated computer systems and Scanners.**

International Resource Cell (IRC) in the Library houses resources on Gender Studies, International Relations, Economics, Politics, Conflict Management, Sociology etc. It is a vibrant centre where activities like book reviews, video conferences, film screening, face-to-face discussions with eminent personalities and workshops are held regularly, besides access to some indispensable source materials both in print and electronic form.

All new students are offered advice/counseling on how to make the best use of the library facilities. User education to newly inducted students and visitors is the permanent feature of our library.

The **KNOW YOUR LIBRARY** guide also gives a bird's-eye view of the library's extensive collections, opening hours, contact details and useful links. The professional staff of the Allama Iqbal library acts as resource personnel within and outside the University and also provides consultancy services to different colleges and institutes of the state. In addition, Allama Iqbal library organizes Conferences/Seminars, Workshops and Book exhibitions from time to time.

Centre for Career Planning and Counselling

Name of the Director: Prof. Farooq Ahmad Khan

Brief Profile:

The University of Kashmir established the Centre for Career planning and Counselling in 2008 with an aim to help students to attain academic goals. In fact the basic purpose of the Centre has been to provide the students with the opportunity to realize their career potential by exposing them to career planning, career options, decision-making skills, occupational information and reinforcement of appropriate work skills and attitudes. To attain the basic purpose, the Centre has been working towards the following objectives:

- to provide the services and resources to the students that are essential in their career and educational planning as well as in their job search;
- To advise members of academic, administrative or supporting staff on how to help a student who appears to have any problem that has become a constraint for him/her to achieve academic and career goals; and
- To provide information and training for the faculty and administrative staff through Staff Development Programme that will help them to act as academic counsellors in different departments/ units of the University;

The Centre has been helping the student set and reach career goals by working with a career counsellor who helps them not only in exploring their values, interests, abilities and personality but also in determining how these and other factors influence their career goals. The Centre has been providing services not only for the registered students of the University but also to such potential candidates who desire to appear for various competitive examinations like civil services, defence services, NET and SLET. The Centre has been providing services in the following areas:

- Career information resources;
- Research on industry's future needs;
- Career planning;
- Career counselling;
- Placement;
- Marketing;
- Liaison between the University and the employers; and
- Workshops and seminars on career planning and placement

The major services offered by the Centre for Career Planning and Counseling include:-

- Career Information
- Career Planning
- Career Counseling
- Placement
- Coaching

The Career Information includes:

- Identifying, collecting, evaluating and interpreting information regarding the future needs and expectations of the employers; and
- Identifying and examining the areas of specializations and skills needed in order to be marketable to future employers

The Career Planning includes:

- Engaging all aspects of career planning and development process;
 - Developing criteria for selecting a career in the form of a personal career blueprint;
 - Devising a plan to accomplish academic and career goals;
 - Finding out how well a specific career suits the student;
 - Formulating education plans to match with the interested careers of the student;
 - Assessing the students' skills, values, and work preferences;
 - Engaging all aspects of career planning and development process; and
 - Expanding students' knowledge of academic programs at the University.
-

The Career Counselling refers to:

- Completing career-related interest inventories and explore the meaning of the results; and
- Exploring educational requirements and options for specific careers and professions

The training and placement cell which is responsible for the following:

- To prepare and publish placement related documents and brochures;
- To develop strategies for proper positioning of the outgoing students;
- Develop effective job-search techniques and learn about the world of work;
- To identify job opportunities for the students;
- To supervise, coordinate, and strengthen all career and placement efforts of the University;
- To help students in preparing profiles for their prospective employers;
- To supervise the preparation of budgets for placement programs and the expenditure of all funds allocated for placement work; and
- To perform such other duties as may be assigned by the university

The Coaching is being offered to desirous students for various competitive examinations like civil services, NET and SLET through its Coaching Centre.

Landscape Development Division

Director

Prof. Irshad A. Nawchoo

Brief Profile

The University of Kashmir comprising Main Campus, Naseem Bagh, Mirza Bagh and Zakura Campus spread over an area of 117 hectares. Besides, these, satellite campuses one at Delina Baramulla called North Campus (13.5 hectares) and 2nd at Fatehgarh Anantnag called South Campus (15.00 hectares) constitute part of the University. Over the years all the campuses have become hub of intense academic and other related activities with the result that there is enormous influence of thousands of students, staff and general public who visit to these campuses almost every day. This has necessitated decorating the University campuses with a beautiful Landscape, green turf, high quality ornamental plants including trees, bushes, shrub and display of well decorated pots at different workshops, seminars, functions etc. to make the campus colorful bewitching and pristine. To accomplish this huge task, the existing full-fledged Directorate called University Landscape Development Division headed by Director, a –Botanist of the University faculty supported by other two Botanists, Assistant Registrar and ancillary staff both ministerial and in field who work shoulder to shoulder to speed up the field work and office work. Besides, this office owns a Load Carrier also and some skilled staff who look after the mechanized equipment and in the chinar trees in Naseem Bagh campus which is dream project for establishment chinar trees and development of Chinar Heritage Park and is proposed to be a model chinar conservatory. The University is also set to develop aquatic sports facility on the bank of Nigeen Lake at Mirza Bagh Campus. In addition to it development of Zakura campus has also been proposed to be initiated.

The plantation of eco-friendly plants such as Deodar, Pines, Fir etc. including garden development of undeveloped areas, maintenance and cleanliness remain our main focus which also include to reduce threat of global warming by planting indigenous/adoptable to local environment and will surely help in sequestration of carbon dioxide (CO₂) from air and soothing climate. To obtain better results within the stipulated time garden development process has been mechanized and usage of various pesticides, rodenticides other anti-disease chemicals manuring etc. has become a routine work of the division which has yielded dividends and today the campus of our university is one of the most beautiful campuses of Northern India of which we feel proud.

Proctorial Organisation

Chief Proctor:

Dr. Naseer Iqbal

The Proctorial wing as an important constituent of University administration has the following mandate.

- Protecting and securing the University property through Proctorial monitors, night chowkidars and KUG Coy.
- Maintaining the overall conduct and behaviour of all stakeholders (Students, employees and visitors) on the campus.
- Providing all possible help to the general public
- Providing security cover to various top functionaries/invited dignitaries of the University.
- Ensuring free and fair examination.
- Regulating University gates and protecting illegal trade.
- Ensuring ragging free environment on the campus.
- Acting as a bridge between students/employees and the administration.
- Providing parking slots for devotees and regulating traffic movement through the campus during Holy days at Hazratbal Shrine.

Major Achievements in 2015

- Installation of drop gates in the main campus and Zakura campus.
- Distribution of dustbins in Mirzabagh and main campus to ensure pollution free environment.
- Distribution of uniform to proctorial monitors and Watch and Ward officials.
- Eradication of dog menace from Mirzabagh and main campus.
- Lead role in infrastructure building through Army Goodwill scheme.
- Ensured ragging free environment in the main as well as satellite campuses.
- Ensured safe movement of VIPs and VVIPs in the campus.
- Installation of fire safety equipments at sensitive places in the campus.
- Resolved some major theft incidents particularly laptop theft cases.

Other important functions:

- The Safety and security measures within the University have been drastically revamped and the crime graph within the campus has been largely reduced.
- The entry and exits of the vehicles into the University has been regulated and the consequent rush within the University has been controlled.
- The wing has been able to initiate stern disciplinary action against a good number of delinquent officials detrimental to the society and the University image. This action has put a strong deterrence for the recurrence of such activities, helping in the overall improvement of working standards.
- Provided security for various examination centres during entrance/ admission tests to ensure free and fair conduct of examination.
- Assisted state administration during the events like Eid Milaad-un-Nabi (SAW), Mehraj Aalam (SAW) and other activities in and around the campus.
- The patrolling parties of Proctorial Wing are ensuring implementation of prohibition order of polythene inside the campus. Non smoking laws in the University premises have been implemented in letter and spirit from year 2013.

Future Plans:

- To install CCTV cameras for monitoring and keeping a close vigil to stop certain Social evils on the University campus.
 - Regulation of traffic movement in the campus
 - Installation of Boom barriers gates at Naseem Bagh gate and Zakura campus.
 - Creation of Proctorial units at various satellite campuses of the University.
 - Establishment of reception centres at University gates for convenience of the visitors.

Public Relations Centre (PRC)

Public Relations Officer:

Mr. Faheem Aslam

Brief Profile:

Public Relations Centre, University of Kashmir is one of the important units in the University set-up. The Center acts as a bridge between the internal and the external public of the University and the University administration.

It has Student Enquiry and Information Cell where students get information regarding the examination schedules, timings etc from Information assistants on phones from 9 am to 5 pm each day.

Public Relations Centre maintains a close liaison with media (both print and electronic) and we at Public Relations Centre by utilizing the services of our Liaison Officer effectively ensure that the varsity gets due media coverage regarding seminars/workshops/conferences, special events and student focused activities besides developmental works. The Public Relations Centre collaborates at times with different centers and departments for organizing various events at the University. The Public Relations Centre has a Guidance & Counseling Cell which caters to the needs of the students while they decide to choose various streams after graduation for higher education. The centre has the services of Counsellor, Information Assistants, Graphic Designer besides the office staff from Section Officer downwards. The centre works under the supervision of the Public Relations Officer, who is also the Assistant Registrar.

Public Relations Centre has collaborated with many professional media organizations to carry out long term and short term KU outreach plan which include KU image, communications and marketing and design programs. Public Relations Centre is actively providing the backup for the newly initiated student focused TV program Quest, and KU Radio Digest which have now become very popular among viewers.
