## MESSAGE

I am pleased to learn that the Directorate of Internal Quality Assurance is publishing another issue of Annual Report for the year 2016.

University of Kashmir has seen considerable growth in the past few years in terms of introduction of new courses of study, disciplines, and initiatives. In context of changes unfolding in the knowledge society world over, our University has devised a mechanism that is supportive of flexible organisational designs, transformational leadership, user-friendly support & service systems, rich and integrative curriculum, teaching methods and instructions. We at University of Kashmir are committed to provide an intellectually stimulating environment for productive learning to enhance the educational, economic, scientific business and cultural environment of the region.

I heartily compliment the team DIQA for its endeavours.

**Prof. Khurshid I Andrabi**

## MESSAGE

The activities of the University of Kashmir and its faculty span quite a wide range in terms of disciplines in teaching, research and extension. This report outlines these activities and some of the achievements and progress made by the University over the past year (2016). Guided by our Vision and Mission, we remain focused on our ambition to become one of the best and impactful public universities in the country and abroad. Some quantitative markers on our progress this year include our growing footprint in the global scientific literature, earning the UGC's Centre with Potential of Excellence in Himalayan Biodiversity and many other research grants including a highly competitive Indo-US project. Our ranking as one of the best 100 institutions in the country under the National Institutional Ranking Framework (NIRF) of the Ministry of Human Resource Development, Govt. of India on the basis of our performance in some key parameters over past three years is a testimony of our progress. Notwithstanding these achievements, without any sense of complacency, the University is well aware of its shortcomings and is trying its best to overcome them and make this institution one of the best choices for the students in the state and from outside.

The Directorate of Internal Quality Assurance (DIQA) applauds the contribution of one and all, including the faculty members, research scholars, students, administrators and other supporting staff for their contribution towards the achievements reflected herein. The DIQA encourages all the stakeholders of this prestigious institution to share responsibility and come forward to further advance the quality of academic discourse undertaken here in conformity with the preamble and mission of the University. DIQA will do its best to create an enabling and competitive environment wherein the best practices in teaching, research and extension are encouraged and appreciated in this institution. With our collective wisdom and sense of responsibility there would be no limit to what we can achieve in the amphitheatre of academic excellence so long we are really in love with the idea of critical self-introspection for the quality enhancement.

I complement all the constituent departments, centers, sections and satellite campuses of the University for their cooperation and furnishing the necessary information. I sincerely acknowledge the cooperation by Heads of the Departments and the Nodal Officers of DIQAUs. The efforts of team DIQA are laudable for compiling the information to bring this volume of Annual Report out in your hands. I solicit valuable suggestions, constructive criticism and feedback from one and all to help us improve the standard of this Annual Report for its forthcoming issues. The DIQA shall always play a catalytic role to accelerate the march of this University to surpass newer milestones of academic excellence and innovative research of societal relevance.

**DR MANZOOR A SHAH**

## An overview

The University of Jammu and Kashmir was founded in the year 1948. In the year 1969 it was bifurcated into two full-fledged Universities: University of Kashmir at Srinagar and University of Jammu at Jammu. The University of Kashmir is situated at Hazratbal in Srinagar. It is flanked by the world famous Dal Lake on its eastern side and Nigeen Lake on the western side. The Main Campus of the University spread over 247 acres of land is divided into three parts – Hazratbal Campus, Naseem Bagh Campus and Mirza Bagh Campus (serving residential purpose). Additional land has been acquired at Zakura near the main campus for further expansion of the University. The tranquil ambience of the Campus provides the right kind of atmosphere for serious study and research.

Over the years, University of Kashmir has expanded substantially. It has established Satellite Campuses at Anantnag (South Campus) and Baramulla (North Campus) and three more Satellite Campuses at Kupwara, Kargil and Leh are being established to make higher education more accessible to people living in remote areas of Kashmir valley. The University has also established a Sub-Office at Jammu to cater to the needs of the candidates enrolled with the University from outside Kashmir.

The University is committed to provide an intellectually stimulating environment for productive learning to enhance the educational, economic, scientific, business and cultural environment of the region. The University offers programmes in all the major faculties; Arts, Business & Management Studies, Education, Law, Applied Sciences & Technology, Biological Sciences, Physical & Material Sciences, Social Sciences, Medicine, Dentistry, Engineering, Oriental Learning and Music & Fine Arts. It has been constantly introducing innovative/ new programmes to cater to the needs and demands of the students and the society.

The University has marched towards excellence in its programmes and activities. It has been re-accredited as Grade-A University by the National Assessment & Accreditation Council (NAAC) of India in the year 2011. This is recognition and reflection of the high standard of quality in teaching and research at the University of Kashmir. The University voluntarily applied for National Institutional Ranking Framework (NIRF) and World QS Ranking for BRICS Universities, with the aim to make it possible to come within top Universities of the country and abroad. The results of which will certainly help the University to know its standing better and accordingly attract more research and academic funding for various discourses.

Open Merit	45%
Reserved Categories (1-10 of Table 2)	40%

- Candidates having appeared in the qualifying examination can also apply provisionally, subject to acquiring required minimum percentage by or before the day of issuance of 1st selection list.

#### Notes:

- For candidates falling under the Reserved Categories namely (i) "Persons from outside the Kashmir Division", (ii) "Foreign Nationals" and (iii) "Children of Permanent Employees (serving/retired) of the University of Kashmir", the minimum eligibility shall be the same as that for the open merit category in various programmes/Courses.
- Candidates possessing postgraduate degree/s are eligible to seek admission in another postgraduate programme or in a Diploma/ Certificate course, if they fulfill the eligibility criteria laid down for admission; however, no benefit of reserved category can be granted if already availed.
- A candidate can simultaneously pursue a full-time PG Programme and one part-time (Morning/Evening) Certificate Course.
- In respect of the Under-graduate Programmes (e.g. B.Tech, BA-LLB, B.Pharm and IMBA) where admissions are being made on the basis of Higher Secondary School Examination (10+2), the merit of the candidates, who have passed the examination through J&K Board of School Education (JKBOSE), Central Board of Secondary School (CBSC) or any other recognized Board, shall be determined by taking into account the marks of five (5) subjects as per the subject preference specified for various courses. The preferred 5 subjects must include all those subjects on the basis of which eligibility for a particular programme is defined.

### II. ENTRANCE EXAMINATION:

- The eligible candidates shall be required to appear in Entrance Test comprising of 60 multiple choice questions (MCQ) carrying a total of sixty marks covering the syllabus prescribed for the concerned subject/programme. The detailed syllabi and previous year's entrance papers of all PG and other programmes "to which University is offering admission" are available on the official website of the University ([www.kashmiruniversity.net](http://www.kashmiruniversity.net)).
- Entrance Test may not be conducted for admission to a programme/ course where intake capacity is equal to or more than the number of eligible applicants.
- Negative marking shall be @25% i.e. for each wrong answer 0.25 marks shall be deducted.
- In respect to the below mentioned Programmes, candidates must have a valid score in national level tests conducted by various agencies shown against each:-

S.No.	Programme	Test /Examination
1	MBA/MBA (Financial Management)/ MCME/MTTM	CMAT
2.	M.Pharm	GPAT
3.	B.Tech	JEE (Main) (Paper I)
4.	IMBA (BBA-MBA)	UGAT

### III. ADMISSION PROCEDURE

#### (A) General Courses

The selection of a candidate shall be based on his/her performance in the Entrance Test. The Entrance Test 2016 shall carry weight of 60 marks and a candidate shall be considered for selection if he/she has obtained positive score. Further, where a programme is offered at more than one Campus/College a candidate having given Campus/College preference shall only be considered.

Where two or more candidates have secured equal marks in the entrance test for admission to a particular programme, the tie shall be decided (1) on the basis of aggregate merit obtained in the qualifying examination, i.e. a candidate with higher aggregate marks shall be given preference, (2) If the tie still persists, the aggregate merit of the subject in which the admission is sought shall be reckoned by taking the merit of that subject in all the three years BA/B.Sc./B.Com, 1st year, 2nd year and 3rd year into account (3) In case the problem still remains unresolved or the candidate seeks admission to a Programme where the discipline in which he/she seeks admission is not taught at undergraduate level, then candidate with higher academic merit in the preceding examination i.e., merit in Metric where the minimum qualification for admission is 10+2 and merit in Hr. Sec. Part-II (10+2) where the minimum qualification is graduation shall be given preference.

#### (B) M.Sc. Biotechnology and M.A. Mass Communication & Journalism

A candidate shall have to appear in the Entrance Test based on two papers (Paper I and II) on a single day. Question Paper I shall comprise 60 multiple choice questions [in a similar manner as in other subjects] carrying 60 marks as per the syllabus prescribed for the purpose.

The Question Paper II of Biotechnology (of 2 hours duration) shall comprise 20 very short answer type questions of 2 marks each (total 40 marks) based on the syllabus prescribed for Paper I.

For MA Mass Communication & Journalism, Question Paper II shall comprise 5 questions carrying 40 marks on broad topics specified in the prescribed syllabus. The candidates shall be required to attempt all the questions in 2 hours.

On the basis of their merit in Paper I, answer books of Paper II of the candidates numbering five times the intake capacity (both under open merit and reserved categories) shall be evaluated.

Final selection for admission to the programmes of this category shall be based on the combined merit obtained by the candidates in Paper I and Paper II.

#### (C) MBA/MBA(Financial Studies)/MTTM/MCME/ IMBA

The admission to MBA/MBA(Financial Studies)/MTTM Programmes shall be made on the basis of latest CMAT score.

The admission to MCME (Craft Development) shall be made on the basis of customized MAT test examining the design aptitude of the candidates to be conducted by the University.

The admission to IMBA (BBA-MBA) 5 year programme shall be made on the basis of latest UGAT.

Candidates desirous to seek admission to these Programmes must have appeared in CMAT/UGAT examinations as already notified by the University. score.

#### (D) B. Tech Programmes

In case of B. Tech programmes, the admission shall be made on the basis of the latest JEE Main (Paper I) score.

#### (E) M.Pharm

## Department of Electronics & Instrumentation Technology

*electronics.uok.edu.in*

**Name of Head:** Dr. M. Tariq Bandy

**Action plan for the year:**

- Upgradation of laboratories, library, classroom infrastructure and other facilitation for the students and scholars of the Department. .
- Introducing M. Tech Course in Embedded Systems and Solutions.
- Submission of new projects to different national organizations.
- Organizing National Seminar on Electronic Devices, Systems and Information Security.

**Achievements of the previous year proposed plans:**

The Department procured state-of-art test and measuring equipment and design and analytical softwares to strengthen and augment research in thrust areas under Special Assistance Programme (SAP) of UGC. Besides, the Departmental library was upgraded with more reference books. Furthermore, the Department organized a national seminar in March 2016 (SEEDS-2016). The Department introduced M.Tech. programme in Embedded Systems and Solutions. One Associate Professor position was filled. Project proposals for financial assistance were submitted DST and DeitY.

**Plans of the Department for next year :**

More state-of-art test and measuring equipment and design and analytical softwares shall be procured for strengthening and augmenting research in thrust areas under SAP and VPhD programmes of the Department. Besides, the Departmental library will be upgraded with more reference books as well as journal subscriptions. Furthermore, the Department is planning to organize a national seminar in the month of March 2017 (SEEDS-2017) and an international conference in the month of November 2017 (COMMUNE-2017). The state-of-art test and measuring equipment and design and analytical softwares shall be procured for strengthening and augmenting the research laboratories and newly introduced M.Tech. programme. The Department shall work to fill the vacant faculty positions. More project proposals for financial assistance shall be submitted to financing institutions such as UGC, DST and DeitY.

**Financial assistance received from national / international agencies:**

**Innovations in curricular design and transcription at UG / PG level:**

The syllabus of M. Tech. in Embedded Systems and Solutions was framed. The Department used audio-visual aids (LCDs, OHPs, AVs etc.) to augment conventional methods of teaching. Students of the Department are exposed to industry by organizing practical training, Seminar works in emerging areas of Electronics. The curriculum is frequently updated to keep pace with the latest developments in the field of Electronics.

**Percentage of syllabus revised during the current year: 50%**

**Interdisciplinary programmes started during the current year:**

The GE and OE courses were taught to the different department of the university. Besides, the summer trainings were imparted to the students of the other universities as well.

**Thrust area of research:**

- High Performance Integrated Circuit Design
- Hardware Implementations of Biomedical and Neural Networks
- Nano-Electronics
- Wireless Communication and Networking
- Network Security
- Cyber Forensics
- Signal Processing, Stenography and Watermarking
- Semiconductor Device Simulations
- IoT

## Department of Food Science & Technology

*foodscience.uok.edu.in*

**Name of Head:** Prof F. A. Masoodi

**Action plan for the year:**

- Conduct of interactive sessions with industry.
- Working on some problems faced by local industry.
- Initiate work some new research areas

**Achievements of the previous year proposed plans:**

One industry-institution interactive session was organized. Research proposal in new areas submitted for funding.

**Plans of the Department for next year :**

- Providing training in sampling and quality evaluation to professionals from different agencies.
- Conducting interuniversity competitions of students in the area of Food technology and Human Nutrition.
- Enhancing the Institution-industry interactions.
- Utilization of pilot plant for Training and Resource Generation.

**Programmes offered and enrolment:**

**Thrust area of research:**

- Characterization and Utilization of cereal biomolecules.
- Enhancing the quality of traditional meat products.
- Stability of phytochemicals during processing.
- Probiotic foods, Biopreservation & Fermentation

**Conferences / Seminars / Workshops / Symposia organised by the Department**

- Organized national seminars entitled *Industry Institution Interaction*. Sponsored by KU, dated 21-04-2016

**Research projects initiated and completed:**

Description	Title of the Project	Faculty Name	Acting As	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during current year (in Rs.)

**Student achievements and awards:**

One scholar Ms. Rehana was invited to present her research in "Probiotic in Health-Emerging Opportunities" for Young Investigator Award.

**Guidance and Counseling:**

Counseling of students for examinations like NET.

**Status of passout students (placement / higher studies):**

Organisation Name	Description	No. of students placed
University of Kashmir	Ph D	1
SKUAST-K	Ph D	1
Rehmat Spices	Quality Control Manager	1

**Honours /Awards to the Faculty:**

- Awarded best paper for 2016 by Journal of Food Science & Technology.
- Best Poster Award at AFST(I), held at GNDU Amritsar.

**Healthy Practices of the Department:**

- Industrial Training of students.
- Deputation of students to industry for solving the problems encountered during production.
- Researchable issues are chosen taking into consideration problems faced by local industry.
- Creation of opportunities for students to get financial support from industry.

**Weaknesses of the Department (if any):**

- Low placement ratio.
- Weak linkages with the industry.

## Department of Home Science

*homescience.uok.edu.in*

**Name of Director:** Prof. Naheed Vaida

**Action plan for the year:**

- To train women to understand and communicate the needs of the family and community
- Strengthening life skill programme for young women and adolescent girls.
- Training programme on reproductive health of adolescent girls.
- Community outreach for Drug De Addiction Centres
- Food Quality Control.
- Therapeutic Nutrition
- Food Processing
- Child & Human Rights
- Advanced Human Development
- Geriatric Nutrition
- Skill Development for Women
- Guidance & Counselling of Children

**Plans of the Department for next year :**

- Community outreach programmes for Women health groups
- Life skill training and Eco Clubs.
- Establishment of Day Care Centre.

**Guidance and Counseling:**

- Academic Counselling to Students of Batch 2016
- Income Generating Activities organized for Adolescent girls on 4th April, 2016
- Counselling of parents of special children

**Honours /Awards to the Faculty:**

Prof. Nilofer Khan, Award of honour as a woman academician working for Women Empowerment by Punjab, Univeristy of Patiala, on the 8th International Conference held on 16th -17th November, 2016 " HE FOR SHE A SOLIDITARY MOVEMENT FOR GENDER QUALITY"

**Healthy Practices of the Department:**

- Strong theoretical foundation.
- Hands on practical training.
- Orientation towards developing.

- Professional skills for emerging careers.
- Well qualified faculty to work sincerely, efficiently and honesty.
- Community is given skill development training in different vocations.
- Good collection of books, journals, magazines in the library.
- Students performance generally good, few dropouts & failures

**Weaknesses of the Department (if any):**

- Lack of sufficient permanent faculty.
- Lack of transport facility for extension activities.
- Infrastructure needs renovation and expansion
- Space constraints.
- Low employment rate of students.
- Lack of educational tour facility for students.

## Department of Pharmaceutical Sciences

*pharm.uok.edu.in*

**Name of Head :** Prof. Nahida Tabasum / Prof. Zulfiqar Ali Bhat

**Action plan for the year:**

- Increase in the infrastructure facilities of the Department with regard to research labs for Ph.D scholars and M Pharma students.
- Creation of more posts for teaching, technical non- technical staff.
- Faculty and Student exchange programmes to be taken up with other Institutions of repute like Jamia Hamdard, NIPER, DIPSAR, etc.
- Separate Faculty Status for the Department.
- Improvement in washroom facility for girl students.

**Achievements of the previous year proposed plans:**

Construction of Pharmacy New Block and upgradation of labs has already been approved by University authorities.

**Plans of the Department for next year :**

- Establishment of State of Art Animal House facility for the Department.
- Increase in the infrastructure facilities of the Department with regard to research laboratories for Ph.D scholars and M Pharm students.
- Augmentation in Teaching and Non Teaching Staff.
- Faculty and Student exchange programmes to be taken up with other Institutions of repute like Jamia Hamdard, Niper, DIPSAR, New Delhi etc.
- Separate faculty status for the Department.
- Faculty will be applying for grant to different funding agencies.
- Infrastructural improvement in girls washroom.

**Thrust area of research:**

- Pharmacological screening of herbal/synthetic drugs for their antihepatotoxic, antidiabetic, anti-epileptic, memory enhancing, antidepressant, anti-inflammatory and antiulcer activities.
- Formulation Development and evaluation of Novel drug Delivery systems
- Phytochemical and Pharmacognostic studies on medicinal plants with emphasis on the ones available in a Kashmir Valley.
- Isolation, characterization and structure elucidation of bioactive compounds from medicinal plants by using sophisticated spectroscopic techniques.
- Adverse Drug Reaction Monitoring in Kashmiri Patients.
- Antimicrobial & Antioxidant studies of herbal drugs.
- Pharmaceutical Biotechnology - Studies on microbial natural products.

**Research projects initiated and completed:**

Description	Title of the Project	Faculty Name	Acting As	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during current year (in Rs.)
New project sanctioned	Study of hypolipidemic activity of locally available plants in Kashmir	Dr Sabeeha Shafi	PI	University of Kashmir	02-07-2016	50,000.00	
Ongoing project	Bee Propolis - Its Hepatoprotective Guided	Dr. Mubashir	PI	UGC	13-05-2013	1,400,000.00	448,240.00

	Isolation and characterization using HepG2 cell line and Quantification of its bioactive markers	Hussain Masoodi

**Student achievements and awards:**

Mr. Khalid of B. Pharm IV year represented at national level.

**Guidance and Counseling:**

Department provides ample counseling to students regarding GPAT examination.

**Status of passout students (placement / higher studies):**

Organisation Name	Description	No. of students placed
SKIMS	Pharmacists	7

**Performance of students in sports activities:**

Name of the Game	No. of students		Performance
	Male	Female	
Football	1	0	Played at National Level

**Healthy Practices of the Department:**

- Industrial training programmes forms an integral part of B. Pharm. Curriculum.
- Campus recruitment of B.Pharm. and M.Pharm. students for placement in Pharma industries.
- Interaction with research and academic institutions.
- Students are taken for Pharmacognostic tour.

**Weaknesses of the Department (if any):**

- Dearth Of Space Creating hurdles in increasing the intake capacity of a very prestigious course for which there is a great demand from Students and Society.
- Dearth of Laboratories.
- Smnial and library rooms are same and need to be segregated.
- Dearth of Wash rooms for Girls due to dearth of space.
- No proper animal house for carrying out research activities creating problems in research work.
- No classrooms for M.Pharm students.
- No separate laboratories for M.Pharm Students.

## Department of Bio-Chemistry

*biochemistry.uok.edu.in*

**Name of Head :** Prof. Akbar Masood

### Action plan for the year:

The Department plans to expand its academic and research capabilities by strengthening the physical infrastructure as well as human resource potential. Under the RUSA scheme, the Department has already undertaken the initiative for expansion of all the PG and Research Labs with state of art facilities to be acquired under the same. Moreover the Department having already submitted a proposal under UGC-SAP-I this year, expects the grant to arrive soon. This will give a big impetus to the thrust research areas as mentioned. Hopefully the coming year should see the Department through all of this. Further the faculty members by way of grant proposals expect a significant financial assistance to come by.

### Achievements of the previous year proposed plans:

- The Department successfully implemented the choice based credit system scheme in which apart from the core courses, various general elective and discipline centric elective courses were taught to PG students of the concerned faculty as well as many of the other faculties of University.
- The grant proposal for UGC-SAP-I was submitted successfully.
- Several publications in high impact factor international journals were made to continue with the earlier precedence.

### Plans of the Department for next year :

The Department continues with its intent to strengthen its teaching and research areas by augmenting the infrastructure and human resource potential. State of art lab and library infrastructure is proposed to be had soon following the up gradation of all PG and Research labs library -Through SAP-I grant adequate measures will be taken to realize the goals set to work on the thrust research areas.

The Departmental faculty advisors continued to mentor the specific student groups *vis a vis* their academic, extracurricular pursuits and career prospects.

**Weaknesses of the Department (if any):**

The Department at present faces the following shortcomings: 1. shortage of space for PG programme in terms of classrooms and Labs, as well as Research Labs and faculty cabins 2. no proper electrification leading to damage and at times non functioning of important gadgets and equipments 3. lack of animal house to cater to research areas involving animal studies 4. shortage of staff positions which need to be augmented to maintain high standards of teaching and research

**Awards / Medals / Honours received:****1. WHO/IARC “50 for 50”: Empowering future cancer research leaders.**

WHO has selected 50 scientists across the world with the objective to empower them for taking forward the mission of its International Agency for Research on Cancer(IARC). This is in connections with the celebrations of 50 years in cancer research of WHO/IARC. The young team will have opportunity to participate in works shops and interactions with world leaders of cancer research and Nobel Laureates from time to time to identify priority areas in their respective countries for effective and productive cancer research.

I am one among the 50 researches of globe and going to join the team on special workshop and conference June 6-11, 2016 in France.

**Other information:**

National Cancer Institute (NCI), USA and WHO are conducting a special seminar workshop with aim to bring together international experts of esophageal squamous cell carcinoma (ESCC) all across the globe, to summarize the current understanding of ESCC and to create a strategic vision for research in coming years.

In this direction, I have been invited to this high profile meeting, as an expert on ESCC research. The meeting is scheduled on 2-3 September 2016.

It reflects a recognition of our contribution in field of ESCC research in the world.

## Department of Bio-Resources

*bioresources.uok.edu.in*

**Name of Coordinator:** Professor Inayatullah Tahir

**Action plan for the year:**

- To introduce the job oriented programme with an immediate relevance to the socio-economic development of the region.
- To assess the potential bioresources of the region and keep the students abreast with the latest knowledge base.
- To equip the students with the entrepreneurship skills for the sustainable utilization of bioresources.
- To educate the students regarding the use of eco-friendly technological tools for bioprospecting.
- To acquaint the students with the urgent need of biodiversity conservation and management.
- To create job opportunities for the pass outs in various sectors such as agriculture, healthcare, biotechnology and biotrade.

**Achievements of the previous year proposed plans:**

Acquired the basic infrastructure for the department

**Plans of the Department for next year:**

The department is trying its best to improve the current infrastructure. Developing National and international collaborations with Research institutes. Improve the Faculty strength and non teaching technical supportive staff. Get more and more projects from the Funding agencies.

## Department of Biotechnology

*biotechnology.uok.edu.in*

**Name of Head:** Prof. Raies Ahmad Qadiri

### Action plan for the year:

The department plans to apply for UGC-Centre with Potential for Excellence as the department has got the SAP & FIST level II recently which are the eligible criteria's for the same. The Grant will be utilized in the research of thrust areas. There is a proposal of Research Labs up gradation under the RUSA Scheme.

### Achievements of the previous year proposed plans:

- UGC-SAP-II is sanctioned.
- DST-FIST-II is sanctioned
- The Department has applied for plan grant of next 5 years to the Department of Biotechnology (DBT) Government of India
- Department has introduced various new courses in the credit based choice system to make the PG programme diverse

### Plans of the Department for next year:

The Department will upgrade the research facilities from the grant of SAP-II & FIST-II with focus on the thrust areas mentioned in the proposals. High end computer lab will be setup for the bioinformatics.

### Programmes offered and enrolment:

**Interdisciplinary programmes started during the current year:**

Elective courses offered within and outside the biological faculty for the PG students

**Thrust area of research:**

- Signal Transduction
- Translational Biology
- Disease Biology & Genetics
- Human & Medical Genetics
- Chromatin Epigenetics
- Drug Therapy
- Cancer Immunology

**Eminent Scholars who visited / Extension lectures delivered in the Department:**

**Infrastructural / instrumentation facilities (above Rs. 50,000):**

Learning Resource/Infrastructure	Available earlier	Newly added this year	Cost of newly added
Teaching aid-LCD Projectors	2	2	15,0000.00

**Financial Aid / Scholarship provided to students:**

Type	No. of students	Amount per student	Total amount
DBT studentships for MSc Students (DBT, Govt. India)	30	3000.00	90000.00

**Student achievements and awards:**

Three students of the Department cleared the CSIR-NET JRF examination

**Guidance and Counseling:**

- Students counselled by the faculty to facilitate their academic as well as research initiatives
- Students of 4<sup>th</sup> semester were sending to the various national laboratories for their project work.

**Healthy Practices of the Department:**

The Department is encouraging the internationally reputed scholars to join the Department by availing the national and international fellowship programmes. Special lectures from the internationally reputed scientists are organized for the students and scholar's. The faculty of the Department is keen to attend and organize the conferences/Seminars/Orientation & Refresher courses.

**Weaknesses of the Department (if any):**

The department faces the shortage of space particularly for the PG labs and the electricity backup particularly in the winters when there are power cuts. There is no facility available of animal house to carry the research work involving model animals

## Department of Botany

*botany.uok.edu.in*

**Name of Head:** Dr. Inayatullah Tahir

### Action plan for the year:

Establishment of mapping population & germplasm repository of apple at Zakura campus.. Development of integrated management protocol for the cultivation and production of Saffron. Development of Lead Botanical Garden. Renovation of office. Expansion of research collaboration with premiere institutions of the country and abroad. . Submission of research project proposals to various funding agencies (DST, DBT, UGC, CSIR etc.) and successful implementation or accomplishing of ongoing projects.

### Achievements of the previous year proposed plans:

Expansion of research collaboration with premiere foreign institutions such as

- Montana Tech., University of Montana, USA.
  - Institute of Botany, Czech Academy of Sciences, Trebon, Czech Republic
  - Chengdu Institute of Biology, Chinese Academy of Sciences, Chengdu, Sichuan Province, China.
- Establishment of mapping population & germplasm repository of apple at Zakura campus is underway. Development of integrated management protocol for the cultivation and production of Saffron is also under progress. The faculty submitted about 10 research project proposals to various funding agencies (DST, DBT, UGC) and 60 percent (6) of them have been sanctioned. The faculty has already completed 4 research projects in this year. Renovation of office

### Plans of the Department for next year :

Realization of the projected milestones of SAP Phase-II. Up-gradation of research laboratories in a phased manner. Further expansion of research collaboration with premiere institutions of the country and abroad. Development of Lead Botanical Garden. Establishment of mapping population & germplasm repository of apple at Zakura campus. Development of integrated management protocol for the cultivation and production of Saffron. Submission of research project proposals to various funding agencies (DST, DBT, UGC, CSIR, INSA, ICAR) and successful implementation or accomplishing of ongoing projects. Renovation and up-gradation of lecture theaters, PG laboratories, washrooms, HOD chamber, office, staff room, library, pot-house, hot-house and other related facilities.

- 1 Mohmad Arief Zargar was awarded **2016 Kader Awards in Postharvest Training** by the Board of Directors of The Postharvest Education Foundation, USA. (International Award)
- 2. Dr. Aijaz A Wani Received **Distinguished Scientist Award** from Centre for Advanced Research and Design, Venus International Foundation (VIRA-2016 Awards) at Chennai in the field of Cytogenetics on 3.12.2016

**Healthy Practices of the Department:**

- Awards and momentos are given to students who qualify CSIR-UGC JRF/NET or similar other prestigious examinations.
- Botanical Society Bulletin, a newsletter, is published regularly to highlight the progress and achievements of the department.
- Botanical tours are regularly conducted (twice a year) within the state to educate the students about the local biodiversity, its threats and conservation strategies.
- Annual botanical tour outside the state is also conducted not only to educate the students about the biodiversity there, but also to acquaint them about the national/international institutions of educational, botanical and research importance.
- Students and research scholars are provided a platform to interact with the scientists of national and international repute through the organization of special invited lectures, workshops, national tours, etc.
- The syllabus is regularly revised to keep it in tune with the national standards so that the students find it easier to qualify national level examinations such as CSIR-UGC NET, ICAR NET, GATE, IISc entrance, etc.
- Research Projects funded by national agencies such as DBT, DST, UGC, CSIR etc are routinely undertaken by various faculty members.
- The Departmental faculty keeps on attending conferences/seminars/symposia/workshops, both within and outside the country. Many faculty members of the Department are special invitees for delivering talks and key-note addresses in high profile scientific meetings and conferences.
- The focus of research in the Department has always been in tune with the contemporary issues and challenges. Continuing the legacy of research excellence, the faculty members of the Department have published 57 research papers during 2016, mostly in Science Citation Index (SCI) journals.

**Weaknesses of the Department (if any):**

- Limited annual budget for equipments, consumables.
- Insufficient laboratory technical staff.
- Meager Non-plan budget.
- Lack of continuous power supply and inadequate voltage
- Limited Fellowships for research scholars.
- Lack of adequate heating & or cooling arrangements (air-conditioning) for research laboratories.
- Lack of research grants from university to individual laboratories.
- Number of PG students not commensurate with the available facilities.
- Shortage of space and adequate high-end equipments for research labs.
- Inadequate space for Museum.
- Lack of separate budget for running of generator during power cuts.

**Other information:**

- Having the honor of developing a first germplasm repository of apple germplasm of Kashmir comprising of more than 150 cultivars at Zakura Campus Kashmir University. Another significant achievement is the development of first F1 mapping population of apple in India comprising of 240 F1 plants from a cross between two contrasting parents viz. Delicious Mahraji cultivars. The same population has been replicated at three other places in India viz. Baderwah Campus, Jammu University, Uttarakhand and Himachal. With this achievement, the DBT has sanctioned phase-II of the project for QTL analysis and Marker Assisted Selection. In short, the above two populations (germplasm repository and Mapping population) shall serve as back bone for all future researchers involved in apple breeding in J&K as well as in India.
- In 2013, initiated work on Genetic Improvement of saffron (*Crocus sativus* L.) with the help of a DBT project "Induction of variability for genetic improvement of Kashmir saffron" in collaboration with Department of Biotechnology, Jammu University. Saffron is a triploid crop, grows vegetatively only and therefore lacks variability due to absence of sexuality. On the other hand saffron is most expensive

spice in the world and a large population of Kashmir is involved in saffron cultivation. Till date we have successfully developed *In vitro* mutagenesis protocol of saffron crop. So far we have been able to produce some 200-300 EMS mutagenized in vitro corms which have been transferred to the field. One major breakthrough in genetic improvement of saffron has been induction of hexaploidy through colchicine treatment in our lab. One such saffron corm produced in vitro has been successfully transferred to the field and is under critical observation. If successful, this will help stabilizing sexuality in saffron and we may expect a seed based population in this crop plant. Both the above research initiatives (induction of variability and hexaploidy) will certainly benefit the local saffron growing community in their economic upliftment.

- The conservation and development of passport data of apricot germplasm of J&K State with the help of a DBT funded research programme entitled "Characterization and conservation of apricot germplasm of Jammu and Kashmir State" in collaboration with SKUAST-K is also in progress in my lab.
- Organizer Project Monitoring Committee Meeting on DBT sponsored project "Creating a Genomics Platform for Apple in India" held at University of Kashmir w.e.f 20-21 June, 2016.

**Name of Coordinator :** Dr. Shajrul Amin

**Action plan for the year:**

- Recruitment of Technical staff
- Up-gradation of Research and PG laboratory
- Expansion of research collaborations with premier institutions of India
- Procurement of equipments for Diagnostic Center

**Achievements of the previous year proposed plans:**

- Procurement of On line power back up is under process.
- Upgradation of Research and PG lab with equipments like high-end pH meter, weighing Balance, Deep freezers.

**Plans of the Department for next year :**

- Recruitment for Technical and Office staff
- Separate space for Diagnostic Lab
- Infrastructural Up-gradation (Labs and Office)

## Department of Zoology

*zoology.uok.edu.in*

**Name of Head :** Prof. Ulfat Jan/ Prof. Fayaz Ahmad

### Action plan for the year:

To enhance the infrastructure for supporting research at the highest level including libraries, laboratories, museum and information systems. Renovation and up-gradation of Departmental Animal house for proper housing, maintenance, rearing and upkeep of experimental animals. Provision of additional space to Departmental Library for accommodating increased number of students and research scholars besides, a very good number of books.

### Plans of the Department for next year :

- The department is facing acute shortage of laboratory space and as such all resources are being mobilized to reconstruct a full-fledged laboratory block.
- The Seminar Library is housed in the same room from the inception of the department although the number of books has increased manifold, hence the department intends to shift the library to the big hall available in the extension block.
- The animal house of the department is not as per the CPCSEA guidelines, hence it needs reconstruction.

**Thrust area of research:**

- Systematic Zoology and Molecular Taxonomy
- Forest Entomology and Pest Management
- Histochemistry & Histopathology
- Immunology, Bio-chemistry
- Fishery Biology & Limnology
- Fish Nutrition and Physiology
- Wildlife Ecology & Ornithology
- Medical and Veterinary Parasitology
- Agricultural Entomology, Biological Control of
- Insect Pests & Sericulture
- Cytology and Genetics.

**Research projects initiated and completed:**

Description	Title of the Project	Faculty Name	Acting As	Funding Agency	Dated	Amount Sanctioned/ Proposed (in Rs.)	Amount released during the current year (in Rs.)
New project sanctioned	Documentation of animal biodiversity with special reference to chemical and molecular characterization of economically important endemic and exotic food fish species of Kashmir Himalayas Under CPEPA Scheme	Dr. Imtiaz Ahmad Khan	PI	UGC	11-05-2016	5.25	4.25

New project sanctioned	Optimum feeding rate, dietary protein and essential amino acids requirement of rainbow trout, <i>Oncorhynchus mykiss</i> (Walbaum 1792) with a view to develop nutritionally balanced feeds for intensive culture in J&K	Dr. Imtiaz Ahmad Khan	PI	DBT	02-09-2016	4,522,613.00	3,214,413.00
New project sanctioned	An integrative approach to assess the phylogeny and the systematics of bark beetle genera (Coleoptera: Curculionidae: Scolytinae) in the Northwestern Himalaya	Dr. Abdul Ahad Buhroo	PI	Science and Engineering Research Board (SERB), Department of Science and Technology, New Delhi	01-04-2016	6,549,780.00	3,653,000.00

**Eminent Scholars who visited / Extension lectures delivered in the Department:**

Resource person	Designation	Affiliation	Purpose / Lecture Theme	Date
DR. V.V. Ramamurthy	Research Professor	ICAR, New Delhi	Recent Trends in Animal Taxonomy	22-12-2016

**Books / Journals purchased / subscribed and their value:**

Description	Available earlier	Newly added this year	Cost of newly added
Number of Books	5740	67	1,88,000

**Financial Aid / Scholarship provided to students:**

Type	No. of students	Amount per student	Total amount
University Research Scholarship	6	33,500.00	201,000.00

**Healthy Practices of the Department:**

- Seminars
- Field trips
- Study tour

**Weaknesses of the Department (if any):**

- Limited resources for faculty and Staff development
- Not at par with Departments of leading Central Universities National Institutes
- Understaffing at technical levels
- Limited number of foreign authored books in the Library and poor funding for developing Research Laboratories
- Limited number of scholarships at the PG and Research level

## Department of Chemistry

*chemistry.uok.edu.in*

**Name of Head :** Prof. Ghulam Mohammad Rather

**Action plan for the year:**

- Final stage of execution of 2nd phase of DST grant under FIST.
- First stage of implementation of SAP-DRS from the UGC.
- Submission of proposal to DST, GOI under FIST level-2 scheme worth Rs. 10 Crore.
- Purchase of Xerox machine for the department
- Purchase and Installation of 15 KVA UPS.

**Achievements of the previous year proposed plans:**

Completed installation of split type ACs in common instrumentation lab, one physical chemistry research lab, inorganic research lab and computational research lab.

**Plans of the Department for next year :**

An outreach programme for school and college students with affiliation sponsorship from (IUCr) International Union of Crystallography will be conducted in near future.

**Financial assistance received from national / international agencies:**

Program	Name of the Agency	Year of Sanction	Total Amount Sanctioned (in Rs.)	Amount released during current year (in Rs.)

## Thrust area of research:

- Non-linear Chemical Dynamics.
- Exploring the potential of self-assembled systems based on surfactants and polymers towards transport and catalytic capabilities.
- Synthesis, characterization and applications of smart hydro, organogels based on surfactant-polymer systems and carbon-dots.
- Electrosynthesis in Molten salt systems.
- Chemistry of Natural Products.
- Synthetic Organic Chemistry.
- Computational Chemistry.

**Financial Aid / Scholarship provided to students:**

Type	No. of students	Amount per student	Total amount
University Fellowship to four students pursuing M.Phil and Ph.D.	4	36,000.00	144,000.00
Merit scholarship for 2 students @ 200 per month for M.Sc. Students	2	2,400.00	4,800.00

**Student achievements and awards:**

- Fellowship awarded to Mr. Mudasir Ahmad Rather by DST Govt. India under special package to pursue research work in Department of Chemistry, University of Delhi.
- 2.Fellowship awarded to Mr. Sajid Ahmad Lone by DST Govt. India under special package to pursue research work in Department of Chemistry, IIT Kharagpur.
- Fellowship awarded to Mr. Arshid Ahmad by National Science Academy (INSA) to pursue research work in Chemistry Division, BARC Mumbai.

**Guidance and Counseling:**

- M.Sc. First semester students batch 2016 were called for counselling in order to opt for suitable Generic and open elective courses as per choice-based-credit system.
- M.Sc. First semester Supplementary students batch 2016 were called for counselling in order to opt for suitable Generic and open elective courses as per choice-based-credit system.

**Honours /Awards to the Faculty:**

One year Post-Doctoral fellowship awarded to Dr. Aijaz Ahmad Dar (Physical Chemistry) at The State University of New Jersey, Rutgers, USA.

**Healthy Practices of the Department:**

- Organization of extension lectures on thrust areas of research and allied subjects, student awareness programmes student counseling, health education & moral education by debit to chemical society and internal quality assurance funds.
- Financial assistance to poor students belonging to under privileged & weaker sections of the society by debit to chemical society funds.
- Academic tour of M.Sc. 4<sup>th</sup> semester (Outgoing students) to the CSIR and National Labs within and outside the state for familiarization with sophisticated scientific instruments and also to have awareness about the thrust areas of research.
- Seminar lectures are being delivered by M.Sc. 4<sup>th</sup> semester (outgoing students) in order to develop confidence in them for sharing the knowledge before students and learned gathering.

**Weaknesses of the Department (if any):**

- In-adequate Annual Non-Plan grant for the purchase of the equipments and lab. expenses: Since 2005, there is no enhancement of aforesaid budget heads, despite of hike in prices to the extent of 3 times the cost of these items in 2005.
- Since, the inception of department (43 years back) some of the labs. (both P.G. and Research) have not been renovated at all w.r.t. working tables, electric fittings etc. As such all labs. are in dilapidated conditions. It needs some special grant under maintenance head for making the proper renovation upgradation of labs. in the department.

## Department of Environmental Science

*envirs.uok.edu.in*

**Name of Head:** Prof. B.A. Ganai /Prof. A.N. Kamili

**Action plan for the year:**

- Completion of the teaching assignments in due course of time.
- Encouraging students and scholars for competing at National level exams like JRFNET and for other fellowships.
- Submission of research proposals by faculty members for various funding agencies
- Proposal submission for SAP funding.

**Achievements of the previous year proposed plans:**

Extramural Research grants about 1.6 crore were sanctioned in favour of faculty members.

**Plans of the Department for next year:**

SAP Funding 2. Applying for Research grants by Faculty members

Counseling for various competitive exams and research fellowships is a regular activity in our department especially for III Semester and IV Semester students.

**Status of pass-out students (placement / higher studies):**

Organisation Name	Description	No. of students placed
Jamia Hamdrad Delhi	Ph.D.	1

**Healthy Practices of the Department:**

- Expertise in conducting conferences/workshops/symposia/training courses/brainstorming sessions/seminars
- Expertise in EIA/EMP Consultancy projects
- Water analysis service for various Govt and non Govt agencies.
- Giving expert opinion and recommendation on various issues to State Govt

**Weaknesses of the Department (if any):**

- Total Faculty strength is only of Two positions of Assistant Professors
- There is no creation of technical and nonteaching posts for the Department
- Nonplan budget is very low.

## Department of Mathematics

*math.uok.edu.in*

**Name of Head :** Professor S.Pirzada

### Action plan for the year:

The Department has established a new computer lab having sufficient number of computers with advanced mathematical softwares and a new library in the newly extension block of the Department. Also the Department has established a new seminar hall having latest presentation facility with advanced technology equipments.

### Programmes offered and enrolment:

Programme offered	Enrolment	Rural	Urban	Muslim	Hindu	Sikh	Buddhist	Christian	Other
M.A/M.Sc (main shift)	72	64	8	72	0	0	0	0	0

**Student achievements and awards:**

Three students have been appointed as Assistant Professor in Higher Education, J&K Govt. Three students have been appointed as Assistant Director in the Directorate of Planning and Evaluation, J&K Govt. More than fifteen students were appointed as Teachers, Statistical Assistants and Junior Statistical Assistants.

**Guidance and Counseling:**

- The Students are trained in various Statistical Software Such as Fortran, Minitab and R software.
- The Department regularly organises lectures by eminent Scholars from Different Universities for the students appearing in ISS( Indian Statistical Services) & other competitive examinations.
- Provide continuous guidance to the students about job avenues.

**Status of passout students (placement / higher studies):**

Organisation Name	Description	No. of students placed
Department of Higher Education, J&K Govt	Assistant Professor	3
Department of Statistics & Economics, J&K Govt	Assistant Director	3

**Healthy Practices of the Department:**

The Department provides Statistical guidance on data analysis to Research Scholars and faculty members of various Departments of the University & other Institutes of the Valley. The Department invites eminent Statisticians & Scholars from different institutes/Universities of repute for delivering extension lectures to the Students/Scholars.

**Weaknesses of the Department (if any):**

Lack of Statistical Softwares.

- **Best Oral Presentation Award** Given to **Nazish Nazir** in 2nd International conference on “**Environment and Ecology**” organized on 6<sup>th</sup> to 9<sup>th</sup> March 2016 by Department of Environmental Sciences, Bharathiar University, Coimbatore, Tamil Nadu.

**Guidance and Counseling:**

Student are being guided to prepare for joint CSIR- UGC NET/JRF/KAS and other competitive examinations  
Student are being guided and counselled for PDF to different labs in India and abroad.

**Honours /Awards to the Faculty:**

- **Eminent Scientist of the Year 2016 Award** Given to **Prof. Azra Nahaid Kamilli** by **International Foundation for Environment and Ecology** on 7th March 2016 in **2nd International Conference on Environment and Ecology** held at Bharathiar University, Coimbatore, Tamil Nadu.
- **Eminent Scientist of the year 2016 Award** Given to **Prof. Bashir Ahmad Ganai** in an International conference on the occasion of **2<sup>nd</sup> International Conference on Environment and Ecology** held on 7<sup>th</sup> March 2016 at Bhrathiar University, Coimbatore, Tamil Nadu, India.
- **Excellent teacher Award** Given to **Prof. Bashir Ahmad Ganai** by **University of Kashmir** with consistent record of grade 4.5/5, since 2013-2016 as per the evaluation by students conducted by DIQA.
- **Excellent teacher Award** Given to **Dr. MD Niamat Ali** by **University of Kashmir** with consistent record of grade 4.05/5, since 2013-2016 as per the evaluation by students conducted by DIQA.

**Healthy Practices of the Department:**

Imparts training to officials/ scientists of other State and Central Institutions like LAWDA, Fisheries, Deptt of Central Silk Board, Pollution Control Board, etc. Conducts water analysis of various samples provided by State Government agencies like State Pollution, Control Board, Lakes & Waterways Development Authority, Economic Reconstruction Agency, Public Health Engineering, NIT Srinagar, ERA, J & K Govt, Fisheries Department, etc. Environmental Management plan formulated for several developmental projects of the state. Management plans for biodiversity board of Jammu and Kashmir.

**Weaknesses of the Department (if any):**

Vaccant posts need to be filled Urgent modernization of labs severe power failure Poor internet facility

- Organizing Secretary: Two days National Seminar on Environmental Pollution-Join the Race to Make the World a Better Place, June 4-5, 2016, Department of Environmental Science and Centre of Research for Development, University of Kashmir, Srinagar, J & K, India
- Expert Member: Pre-board meeting of Board of Studies of the Department of Biotechnology and Zoology, 09. 05. 2016, Central University of Kashmir, Nowgam Campus II, Near Puhroo Crossing, Nowgam Bypass, Srinagar-190 015, J & K, India

- External Review Expert: Reviewer of Academic Video Documents, E-module Content for Biomedical Science, Assigned by Educational Multimedia Research Centre, University of Kashmir, Srinagar, J & K, India
- Excellent Teacher Award by University of Kashmir, on the basis of student feedback performance of teaching:
  - For the academic years 2013, 2014 and 2015: P. G. Department of Environmental Science by Dean, Faculty of Physical and Material Sciences (Rated: 4/5, 4/5 and 4.05/5 respectively)
  - For the academic years 2013: P. G. Department of Zoology by Dean, Faculty of Biological Sciences (Rated: 4.1/5)
  - For the academic year 2014: P.G. Program in Bioresource by Dean, Faculty of Biological Sciences (Rated: 4.3/5)

#### Other information:

- Attended the meeting of Board of Post-Graduate Studies in Environmental Science, held on 26. 02. 2016 in the P. G. Department of Environmental Science, University of Kashmir, Srinagar
- Nominated as External Question Paper Setter and Examiner by the Coordinator, P. G. Programme in Bioresources on 18. 02. 2016 for the evaluation of 4th Semester Biores-114 (Animal Cell and Tissue Technology).
- Nominated as External Question Paper Setter and Examiner by the Coordinator, P. G. Programme in Bioresources on 18. 02. 2016 for the evaluation of 1st Semester BR-02-CR (Animal Resources).
- Nominated as External Examiner by the Coordinator, P. G. Programme in Bioresources on 02. 03. 2016 for the conduct of M. Sc. Bioresources 1st semester practical examination (BR-103-CR)
- Nominated as Local Fund Committee Member on 19. 02. 2016 by DC Members and Director CORD, University of Kashmir, Srinagar
- Nominated as External Examination by Director, Cord, University of Kashmir, Srinagar on 14. 02. 2016; for the Evaluation of Pre-Ph. D Research Methodology theory paper (Paper-II: Parasitology and Cytogenetics)
- Attended the meeting of Board of Under-Graduate Studies in Environmental Science, held on 20. 04. 2016 in the P. G. Department of Environmental Science, University of Kashmir, Srinagar.
- Nominated as External Examiner by the Head, P. G. Department of Environmental Sciences on 21st and 22nd April for the conduct of 1st Semester Lab Course (ENS 111)
- Nominated as External Question Paper Setter and Examiner by the Dean F/O Biological Sciences on 10. 07. 2016 for M. Phil Research Methodology Paper.
- Nominated as Superintendent for the conduct of Course and Methodolgy paper examination of M. Phil/ Ph. D. Scholar, Session 2016 by the Director, Centre of Research for Development.
- Nominated as External Question Paper Setter and Examiner by the Director, Centre of Research for Development on 15. 11. 2016 for the Subject Course Paper-III of Integrated Ph. D programme, session 2016-2017.
- Nominated as Superintendent by the Head, P. G. Department of Environmental for the conduct of M. Sc. 1st Semester theory paper examination in P. G. Department of Environmental Science (December, 2016)
- Nominated as External Examination by the Dean, Faculty of Biological Sciences on 18. 11 2015; for the evaluation of two Pre-Ph. D research methodology theory paper.
- Nominated as External Question Paper Setter and Examiner by the Head, P. G. Department of Environmental Sciences on 28. 11. 2016 for the evaluation of 1st semester theory paper: ENS 105-DCE
- Preparation of "Self-Study Report for NAAC visit" notified by DIQA and directed by Director, CORD, University of Kashmir.
- Preparation of Journal List as notified by DIQA and directed by Director CORD, University of Kashmir
- Evaluation of answer script of Paper III (special) of Integrated Ph. D in Environmental Science
- Three sets of Question paper Setting for the Subject Course Paper-III for Integrated Ph. D Programme in Zoology, CORD
- Single sets of Question paper Setting for the Subject Course Paper-III for Integrated Ph. D Programme in Environmental Science.
- P. G. Question paper setting- MSES-Master of Science in Environmental Science

## Kargil Campus

**Name of Director:** Professor M Y Shah

**Action plan for the year:**

- Focus on quality teaching
- Development not only of the department but of the campus as a whole, especially development of the laboratories and the departmental library.
- Encouraging the staff as well as the students to ensure fairness and transparency in the system through checks and regular feed-back system
- Making everyone answerable 5. Establishing internet facility at the campus.

**Achievements of the previous year proposed plans:**

2016 was the year of establishment of the Campus. Despite several difficulties, which are very common in case of new and developing institutes, the faculty under the leadership of Professor M.Y. Shah strived very hard and was successful in establishing a laboratory for undergraduate students. Herbarium for deposition of dried plant specimens was also set up for use by the faculty, students and other plant lovers. Besides, library a museum was also set up last year (2016) wherein articles of use in the past in Kargil and Leh regions of Ladakh have been deposited.

**Plans of the Department for next year :**

Direct admission to 2 year Masters course will be started from next academic session. Research courses including M.Phil. and Ph.D will be started from the coming academic session.

**Healthy Practices of the Department:**

The Faculty at the department strictly follows the academic calendar: classwork, conduction of semester exams and declaration of results is done in time bound manner. Report on performance of students in class test and other exams is made available to them on demand so that they may assess their own performance. Favouritism, nepotism and other such practices are strongly discouraged. A healthy teacher-student relation is maintained and students are encouraged to question and express themselves. All this is aimed at bringing out the best in our students.

**Weaknesses of the Department (if any):**

Infrastructure is inadequate though for present it can easily suffice the four semesters of the students. Inadequate non-teaching staff, especially, qualified and trained staff. Laboratories for UG students not well equipped. No laboratories for research purpose. A very small library. Shoestring budget.

## North Campus Department of Computer Sciences

**Name of Coordinator :** Dr. Dawood A. Khan

**Achievements of the previous year proposed plans:**

The department has set up a research scholars lab and actively participates in knowledge creation and dissemination. The department continues to enhance this mission with the recent addition of PhD scholars where the research outcome is in preliminary stages.

**Plans of the Department for next year :**

- The faculty is actively looking for funding Opportunities for research projects from different agencies: UGC, SERB, etc.
- Development interdisciplinary research with other departments in the university since CS can be applied to many research problems in other domains. As such, a collaborative grants proposals and projects among departments is an opportunity.
- Local outreach and technology transfer programs: particularly in agriculture, health, education and other local problems of interest.
- Establishing an alumni database (with regular updates) for internship and job opportunities for the current batch of students.

**Guidance and Counseling:**

A Workshop for Android Development was arranged for the students of the department.

**Status of passout students (placement / higher studies):**

Organisation Name	Description	No. of students placed
HCL, Noida New Delhi	Software Engineer	1
BQE SW Inc.	Software Engineer	1
Microsoft	Software Engineer	1

**Healthy Practices of the Department:**

Every year feedback is obtained from students by the IQAC and the findings/feedback is taken into account for improving the quality of content delivered to the students. Moreover, the department uses diverse methods of instruction like Lecturing, Problem Based collaborative learning, demonstrations (courses with lab work), group discussion, assignments, tutorials, using multimedia resources etc.

**Weaknesses of the Department (if any):**

- Diminishing funding for research all over the country.
- The current CS curriculum research is only applied in nature, as such theoretical CS is lacking. Moreover, the conversion rate of top graduate students to research is low.
- Low-quality student input, due to the poor quality of UG students received from non-CS backgrounds (e.g. biological sciences). Besides, we see a high variance in student capabilities from different colleges.
- Lack of opportunities for student internships in the state (due to the limited nature of CS industry in the state) or cooperative internship programs with other colleges or universities.
- Small sized faculty just four APs without any senior faculty member (Assoc. or prof)

## Department of Computer Sciences & Engineering

**Name of Coordinator:** Manzoor Ahmad Lone

**Action plan for the year:**

Provide facilities: Basic Labs of Engineering that are required in Engineering curriculum for students, New Block of Class Rooms, AC in Labs, Conduct Workshops Seminars & Guest Lectures, to setup departmental Library

**Achievements of the previous year proposed plans:** Heating arrangements in labs during winters

**Plans of the Department for next year :**

- Development of Engineering Workshops.
- Development of a new classroom lab Block.
- Enrich existing Lab items equipments.
- Establish Computer Networks lab. e) Revise the course scheme and syllabus of B.Tech CSE programme. f) Setup a browsing centre for students.

**Guidance and Counseling:**

- Providing guidance to the students of pre-final & final year students of the department regarding GATE/NET/Set examinations.
- Guiding the students of final year to complete their Major Project and Pre-Project Work that form an integral part Engineering Degree.
- offered guidance to students regarding their future studies, once they pass out from campus.

**Performance of students in sports activities:**

Name of the Game	No. of students		Performance
	Male	Female	
cricket	11		satisfactory
table tennis		4	satisfactory

**Healthy Practices of the Department:**

Mentoring the students is taken with dedication and in serious manner, counselling the students for GATE/NET examinations, Department arranges the industrial training course for the students outside the state, Department organized Seerat conference, promote active & friendly student teacher interactions, Focus on academic & extra-curricular excellence.

**Weaknesses of the Department (if any):**

- Lack of infrastructure: The department is facing acute space shortage in terms of class rooms and labs. In a current academic session there are four semesters in the department with just three class rooms. Moreover, there are just five rooms which serve the purpose of around 10 labs and majority of these labs are without stores wherein the equipments can be kept in an ordered manner.
- Absence of workshops: Absence of basic workshops viz. carpentry, smithy, paint, fitting and foundry, which form an integral part of the curriculum in all engineering disciplines.
- Lack of lab equipments in various labs.
- Lack of senior faculty: No senior faculty member (Prof. Associate Prof.).
- Lack of a good internet facility in the department.

## Department of Management Studies

**Name of Coordinator:** Ambreen Khursheed Wani

### Action plan for the year:

The department aims to get the building extended in order to accommodate the 5 year IMBA course. It also aims to establish a computer lab and a placement cell for the students. In addition to this, the department wishes to establish a departmental library for the academic and intellectual development of the students.

### Achievements of the previous year proposed plans:

Previous year was marked by unrest mostly so there was no considerable progress anywhere

### Plans of the Department for next year :

The department aims to constantly learn and improve by application of latest innovative active learning approaches. The department wishes to develop graduates, knowledge and ideas that enhance the productivity, growth and global competitiveness. This will be put to practice by intensive involvement with students through seminars, conference and workshops.

### Programmes offered and enrolment:

**Healthy Practices of the Department:**

- active business clubs
- guest lectures, seminars and workshops
- engagement between faculty and students with the goal to help students envision a career in business
- Ensuring that a diverse group of leaders and leadership styles are brought into the classroom so as to develop the personality of students. this is done through group discussions, presentations, documentary watching, debates, exhibitions and similar other activities

**Weaknesses of the Department (if any):**

The department is in dire need of an additional building to accommodate the future incoming batches. it also lacks a computer lab cum browsing center and a departmental library.

**Name of the University Librarian:**

Dr. Abdul Majid Baba

### Brief profile of Allama Iqbal Library

Allama Iqbal Library provides learning spaces across all the campuses of University of Kashmir and access to an ever increasing range of resources, both physical and electronic, along with the help and support to use them effectively. The library is largest in Jammu & Kashmir State and is presently the main library, having fifty-seven Departmental Libraries attached with different Departments, Centres, Directorates and various Institutes of the University giving access to more than 6.50 Lac books and over 9000 electronic journals. Besides, the library has a good collection of manuscripts, print journals, Digitized Books, Braille/Talking Book Collection, microfiches, CD/DVD-ROMs, Theses and Dissertations, Audio cassettes etc. to cater to varied academic and research needs of the university community.

The entire collection of Central Library is bar coded and RFID (Radio Frequency Identification System) tagged and therefore Allama Iqbal Library is unique in successfully implementing RFID technology in the State of Jammu and Kashmir. Besides, the library distinguishes itself in offering up-dated access to thousands of online journals and e-Books. Access to various online libraries and world renowned databases has thrown the gates of huge knowledge resources open to its users.

The Library has a 24x7 Library Facilities Centre which remains open round the clock throughout the year and provides a wide area for reading and study. Daily locals, national and some international newspapers are displayed here.

A newly constructed 'Reading Hall' in the ground floor of the library has been thrown open for the benefit of our users. It has a seating capacity for around 150 users at a time.

The 'Career Corner' at First floor of the library houses latest material for the students preparing for Competitive tests and Civil Service examinations. The Career corner has individual Study Carrels for students and Research Scholars.

The library has a well equipped Internet Browsing centers at First floor having both LAN (Local Area Network) and Wi-Fi Connectivity with a good number of computers installed and E-Resources center at Second floor having computers systems dedicated for browsing and for multimedia access.

The Library distinguishes itself by providing Remote Access facility (RAF) to all the subscribed electronic journals and journals accessible via UGC-INFONET digital library consortium (e-ShodhSindhu).

The library has a spacious state-of-art and well furnished auditorium (Ibn Khaldun Auditorium). Numerous functions and events are organized in the auditorium throughout the year.

The library has also a well decorated 'Library Meeting Hall' which provides facility to conduct meetings, presentations, discussions, exhibitions etc.

Moreover, facilities like photocopying, scanning and printout are also available at nominal charges in the Library.

## Centre for Career Planning and Counselling

**Name of the Director:** Prof. Farooq Ahmad Khan

### **Brief Profile:**

The University of Kashmir established the Centre for Career planning and Counselling in 2008 with an aim to help students to attain academic goals. In fact the basic purpose of the Centre has been to provide the students with the opportunity to realize their career potential by exposing them to career planning, career options, decision-making skills, occupational information and reinforcement of appropriate work skills and attitudes. To attain the basic purpose, the Centre has been working towards the following objectives:

- to provide the services and resources to the students that are essential in their career and educational planning as well as in their job search;
- To advise members of academic, administrative or supporting staff on how to help a student who appears to have any problem that has become a constraint for him/her to achieve academic and career goals; and
- To provide information and training for the faculty and administrative staff through Staff Development Programme that will help them to act as academic counsellors in different departments/ units of the University;

The Centre has been helping the student set and reach career goals by working with a career counsellor who helps them not only in exploring their values, interests, abilities and personality but also in determining how these and other factors influence their career goals. The Centre has been providing services not only for the registered students of the University but also to such potential candidates who desire to appear for various competitive examinations like civil services, defence services, NET and SLET. The Centre has been providing services in the following areas:

- Career information resources;
- Research on industry's future needs;

- Coaching

### **The Career Information includes:**

- Identifying, collecting, evaluating and interpreting information regarding the future needs and expectations of the employers; and
- Identifying and examining the areas of specializations and skills needed in order to be marketable to future employers

### **The Career Planning includes:**

- Engaging all aspects of career planning and development process;
- Developing criteria for selecting a career in the form of a personal career blueprint;
- Devising a plan to accomplish academic and career goals;
- Finding out how well a specific career suits the student;
- Formulating education plans to match with the interested careers of the student;
- Assessing the students' skills, values, and work preferences;
- Engaging all aspects of career planning and development process; and
- Expanding students' knowledge of academic programs at the University.

**The Career Counselling refers to:**

- Completing career-related interest inventories and explore the meaning of the results; and
- Exploring educational requirements and options for specific careers and professions

**The training and placement cell which is responsible for the following:**

- To prepare and publish placement related documents and brochures;
- To develop strategies for proper positioning of the outgoing students;
- Develop effective job-search techniques and learn about the world of work;
- To identify job opportunities for the students;
- To supervise, coordinate, and strengthen all career and placement efforts of the University;
- To help students in preparing profiles for their prospective employers;
- To supervise the preparation of budgets for placement programs and the expenditure of all funds allocated for placement work; and
- To perform such other duties as may be assigned by the university

The Coaching is being offered to desirous students for various competitive examinations like civil services, NET and SLET through its Coaching Centre.

## **Directorate of Internal Quality Assurance (DIQA)**

*diqa.uok.edu.in*

**Mission:**

To institutionalize the process of quality assessment and improvement in teaching, research and administration with reference to globally set benchmarks via inclusive growth and contribution by all the stakeholders to make the University an institution of academic excellence.

**Objectives:**

- Augmentation of quality, both academic and administrative, through critical self appraisal and standard external evaluation.
- To conduct peer reviews and consistent feedback from all the stakeholders, especially students, in order to stimulate academic environment of teaching-learning and research vis-à-vis globally set benchmarks.
- To extend the network of collaboration with the individuals and institutions of excellence nationally and internationally and foster the culture of quality research in cutting edge areas across the disciplines.
- To present the University nationally and globally for ranking and other recognition purposes.
- To document and divulge quality and reliable information to its stakeholders and policy making agencies for appropriate decision making and deployment of resources to improve institutional functioning.
- To have online applications system in place for appointment and promotion of teachers with automated API calculations system commensurate with latest UGC regulations.

**Advisory Body:**

Under the chairmanship of Vice-Chancellor, DIQA is guided by the Advisory Committee constituted as per the NAAC recommendation. The Committee helps to generate and promote awareness and work out procedural details for bringing in qualitative changes in teaching-learning process, research and administrative setup as well as in planning and development of DIQA. It also guides in creating methodological framework for evaluation and promotion of the activities of faculty and administration.

**Networking of DIQA at Departmental level (DIQAU):**

To give representative character for effective monitoring, management, organization and assessment, each Department/ Centre/ Satellite Campus/ Administration/ Examination, etc. elects one of the teachers /officers as the Nodal Officer for consolidation of Departmental activities and coordination with DIQA. Each such Department / Centre, etc. has a unit called Departmental Internal Quality Assurance Unit, DIQAU that plays a pivotal role in implementing policies for quality enhancement. Each DIQAU has maximum of seven members consisting of Nodal Officer, 3 faculty members, one representative each of scholars and students working under the chairmanship of HOD/Director. It helps in organizing academic and extracurricular programmes, extension lectures, workshops, seminars, etc. and encourages younger scholars and students to promote and adopt sustainable initiatives for value based quality education. The Nodal Officer establishes coordination among all stakeholders like students, scholars, faculty, administration, etc for promotion and management of quality education.

**Plans for 2017****The plan of action chalked out by the DIQA in beginning of the year towards quality enhancement:**

- To prepare the institution for reaccreditation by the NAAC.
- To obtain the student feedback online in a more transparent and convincing way.
- To improve the online submission process of AQAR format and involve all the Sections / Units of the University in this process.
- To institutionalize the process of assessment of teachers for direct recruitment and promotions under CAS on fast track basis.
- To strengthen the collaboration network nationally and internationally via more effective MOUs and develop international linkages and tie-ups for exchange of faculty and students.

## Landscape Development Division

**Director**

Prof. Zahoor A. Kaloo

**Brief Profile**

The University of Kashmir comprising the Main Campus, Naseem Bagh, Zakura and Mirza Bagh is spread over an of 247 acres of land. Besides these satellite campuses located at Delina(North Campus, 13.5hectares)),Fatehgarh(South Campus,15hectares) constitute part of the university. Being a hub of academic and other extra curriculum activities, the University of Kashmir is visited by thousands of students, staff and other stakeholders every day. In addition academicians, bureaucrats and ministers frequently visit to this highest seat of learning. Further, conferences, seminars and workshops are also being conducted throughout the year in which National and International delegates participate. This has necessitated for decorating the university campuses with a beautiful Landscape, green turf, best quality ornamental plants including trees, bushes and shrubs.

In order to establish green and low carbon campuses the plantation of eco-friendly trees such as Deodar, Pines, Fir etc. and their maintenance along the avenues of the campus has been main focus for providing a soothing climate. In addition to this the green turf of the lawns and plantation of high quality ornamental plants including the trees ,bushes, shrubs, bulbs and other flowering annuals and their maintenance is the main priority of the landscape Development Division.

Further six hundred potted indoor and outdoor plants are being maintained for the internal decoration of various venues like Convocation Complex, Gandhi Bhawn,Ibn-Khaludoon Auditorium and other important places where the various events are being held. The newly developed Chinar Heritage Park at Naseem Bagh, which inhabits 696 chinar trees is a dream project for the establishment and maintenance of the chinars so as to develop a model chinar conservatory.

In order to facilitate the garden staff, mechanized equipments is also being used for the maintenance of turf and pruning of the trees. In order to be at par with other green campuses of the world, the various parameters for the 'going green' have been adopted for the development of the landscape and are strictly followed.

Keeping in view the importance of this institute, an utmost priority is given in maintaining the landscape of the main as well as satellite campuses. To accomplish this huge task a full- fledged Directorate called the University Landscape Development Division headed by the Director, a Botanist of the University faculty supported by one Botanist and ancillary staff both ministerial as well as field staff work round the clock, which has yield the dividends and today the Kashmir University Campus is one of the most beautiful campus of India.

## Convocation Complex

**Name of the Director:**

Dr. M. S. Sumbli

The Kashmir University's Convocation Complex, built at a cost of almost Rs. 10 crore is a state-of-art auditorium. It is one of the best auditoriums in India and the besting North India. Besides holding annual Convocation of University of Kashmir, all main functions of the university are held here. As on date, the Convocation Complex is open to the Government, Semi-Government, autonomous and private institutions to hold their events against a reasonable and low tariff compared to other auditoriums of the state like SKICC which has far less seating capacity than Convocation Complex. The main features of the Convocation Complex are as under:-

- 1. Seating Capacity: 1885
- 2. Stage Capacity: 200
- Atrium lobby 35000 square feet space for registration and other services like catering, exhibiting events, displays etc.
- Temperature controlled halls (air-conditioned/ centrally heated) with state-of-art air handling units.
- Sound reinforcement for all stage activities.
- Stage lighting with multi-colour and motorized features.
- Availability of Wi-fi ready broadband internet facility in the main hall and side rooms.
- Fire hydrant system.
- Smoke alarm system.
- Six washroom blocks with hot and cold water.
- Un-interrupted power supply backed by 400KVA generators.
- Parking facility for 400 light vehicles.
- In the coming days we would make every endeavor to hold many more mega-events in this beautiful and unparalleled Convocation Complex.
